Text Correction

There was an error in the original publication [1]. There is no mention of Figure S1 or Table S1 in the Supplementary Materials.

Corrections have been made to Section 2.1. Review Protocol, Working Group, and Review Question, Paragraph 1, and Section 3.1. Literature Search, Paragraph 1, as below:

"This review followed a predefined protocol [8] and is reported in accordance with PRISMA 2020 (PRISMA checklist reported in Table S1) [9]."

"The selection process is summarized in Figures 1 and S1."

Missing Supplementary Materials

In the original publication [1], Supplementary Materials was not included. The Supplementary Materials part should read:

Supplementary Materials: The following supporting information can be downloaded at: https://www.mdpi.com/article/10.3390/ph18121831/s1, Figure S1: Flow-chart about the selection of studies according to PRISMA 2020. Table S1: PRISMA 2020 checklist.

The authors state that the scientific conclusions are unaffected. This correction was approved by the Academic Editor. The original publication has also been updated.
