Text Correction

In the original publication [1], the Conflicts of Interest statement was incomplete and did not disclose the authors' employment relationship with the funding company.

A correction has been made to the Conflicts of Interest section.

The correct Conflicts of Interest statement appears below:

"Authors Lin Chen, Xinran Liu, Quanqi Chen, Guinan Ye, and Wen Liu were employed by Guangxi Power Grid Co., Ltd. The remaining author (Xiaotong Dai) declares that the research was conducted in the absence of any commercial or financial relationships that could be construed as a potential conflict of interest."

The authors state that the scientific conclusions are unaffected. This correction was approved by the Academic Editor. The original publication has also been updated.
