The original reference 162 has been retracted and its contents are no longer of reference value. The authors would like to make the following corrections to their published paper [1]:

(1) Deleting reference 162:

162. Lan, Y.; Krishnan, D.; Zheng, J. Impact of International Trade on Crude Oil in Political Unstable Economies: Evidence from Quantile Regression. *Resour. Policy* **2023**, *83*, 103684.

(2) Deleting the related citation 162 from the Long-Run Effects section:

Studies by Wei and Huang [161] demonstrate that fluctuations in energy availability and consumption significantly affect economies dependent on energy.

With this correction, the order of some references has been adjusted accordingly. The authors state that the scientific conclusions are unaffected. This correction was approved by the Academic Editor. The original publication has also been updated.
