[2] Department of Supply Chain Management, International Hellenic University, 60100 Katerini, Greece
* Correspondence: c.achillas@ihu.edu.gr
† All papers published in this volume are presented at the 1st International Conference on Public Administration 2024, Katerini, Greece, 31 May–1 June 2024.

In submitting conference proceedings to *Proceedings*, the volume editors of the proceedings certify to the publisher that all papers published in this volume have been subjected to peer review administered by the volume editors. Reviews were conducted by expert referees to the professional and scientific standards expected of the *Proceedings* journal.

- Type of peer review: double-blind. The conference papers were sent anonymously to two reviewers, who in turn conducted reviews though a template review form that was sent to them beforehand.
- Conference submission management system: email.
- Number of submissions sent for review: 43.
- Number of submissions accepted: 30.
- Acceptance rate (number of submissions accepted/number of submissions received): 69.8%.
- Average number of reviews per paper: two.
- Total number of reviewers involved: three.
- Any additional information on the review process: NA.

Conflicts of Interest: The authors declare no conflicts of interest.

Disclaimer/Publisher's Note: The statements, opinions and data contained in all publications are solely those of the individual author(s) and contributor(s) and not of MDPI and/or the editor(s). MDPI and/or the editor(s) disclaim responsibility for any injury to people or property resulting from any ideas, methods, instructions or products referred to in the content.
