SUPPLEMENTARY MATERIALS

Figure S1. Plot of number of clusters versus sum of squared errors obtained from principal component analysis of terms identified from abstracts of articles obtained from the search "teaching COVID-19".

Figure S2. Distribution of the countries of authors of articles in each of the identified topics. Topics are sorted based on the total number of articles in each topic as shown in Figure 3A. **(A)** Topic 2; **(B)** Topic 1; **(C)** Topic 6; **(D)** Topic 5; **(E)** Topic 4; and **(F)** Topic 3.
