Supplementary Material

Figure S1. Adsorption isotherms at 298 K for (a) AB29, (b) CV, (c) EY, (d) MG, (e) RB, according to Langmuir and Freundlich models.

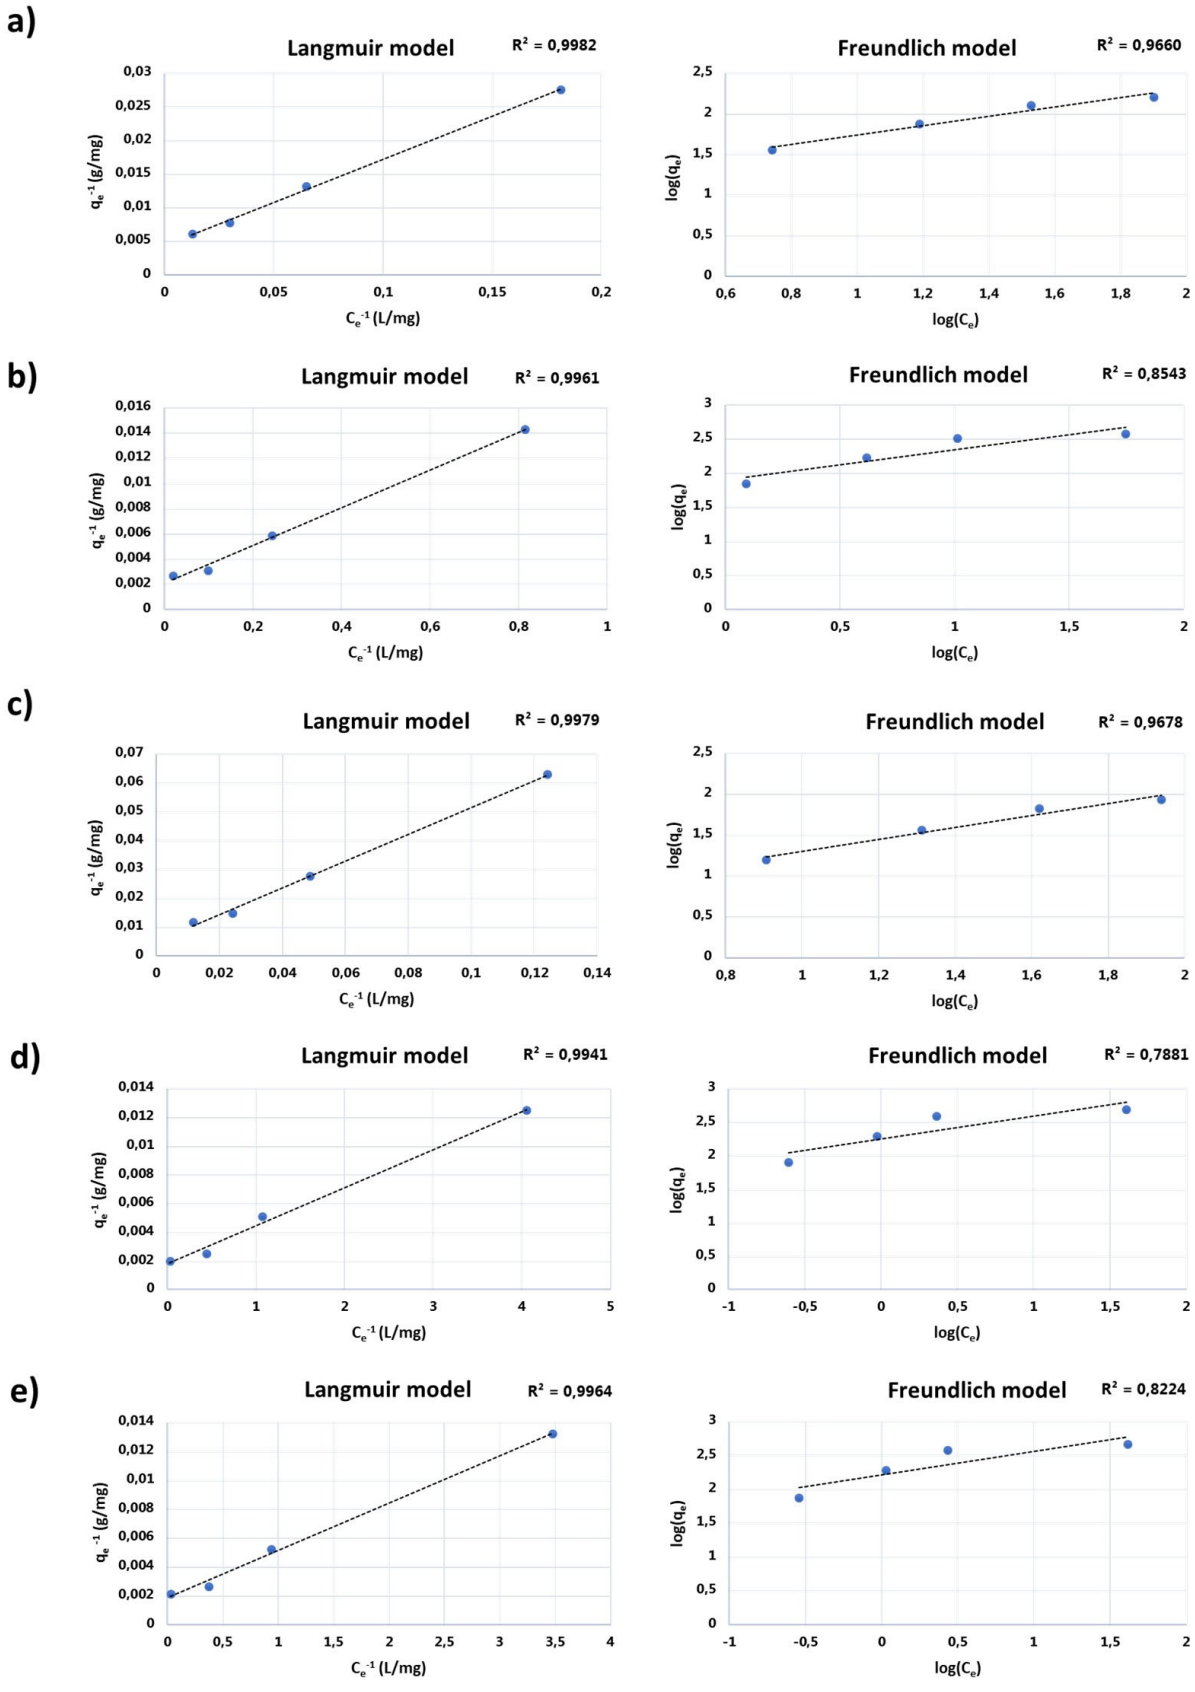

Figure S2. Adsorption isotherms at 313 K for (a) AB29, (b) CV, (c) EY, (d) MG, (e) RB, according to Langmuir and Freundlich models.
