*BioMed Proofreading LLC*, is a leading English-language copy-editing company founded in 2003 in the U.S.A. Our focus is proofreading and editing of biomedical manuscripts, proposals and grant applications. We comprised medical and life science professionals, with extensive experience as authors and reviewers for peer-reviewed biomedical journals. During the past eight years, we have provided services for scientists throughout the world, and we are proud to have earned a stellar reputation. As an English editing company we have been evaluated and recommended by *Brazilian Society of Zoology*, *Journal of Human Kinetics* (Poland), *Journal of Epidemiology* (Japan), *Phycology Research Group* (Czech Republic), *Chinese Medical Journal*, *Brazilian Journal of Microbiology* and *Brazilian Journal of Medical and Biological Research*.
