

Correction:

Peter Karuso and Paul J. Scheuer[†], Natural Products from Three Nudibranchs: *Nembrotha kubaryana*, *Hypselodoris infucata* and *Chromodoris petechialis*, *Molecules*, **2002, *7*, 1-6**

The authors wish to note that Figure 1 that appeared in the original manuscript, and available from the MDPI website from February 2002 to July 2003, was inadvertently derived from previously copyrighted material. The authors wish to apologize to the Australian Museum for infringement of their copyright. The deletion of this figure in the revised manuscript in no way affects the scientific content of the paper. The revised manuscript may be accessed by following [this link](#).

Peter Karuso
Macquarie University

[†] Deceased January 2003
