Supplementary Material: (5-Chloroquinolin-8-yl)-2-fluorobenzoate

Rodolfo Moreno-Fuquen, Juan-Carlos Castillo, Rodrigo Abonia, Jaime Portilla and José Antonio Henao

Content:

1. Copy of the HRMS spectrum for compound 3 ............................................. p. S1
2. Copy of the GC-MS spectrum for compound 3 ............................................. p. S2
4. Copy of the IR spectrum for compound 3 .................................................... p. S4
5. Copy of the checkCIF file for compound 3 ................................................. p. S5

1. Copy of the HRMS spectrum for compound 3
Figure S1. HRMS spectrum of compound 3.

2. Copy of the GC-MS spectrum for compound 3

Figure S2. Chromatogram of compound 3.

Figure S3. GC-MS spectrum of compound 3.
3. Copies of $^1$H, $^{13}$C and DEPT-135 NMR spectra for compound 3

Figure S4. $^1$H-NMR spectrum of compound 3.

3. Copies of $^1$H, $^{13}$C and DEPT-135 NMR spectra for compound 3
Figure S5. $^{13}$C-NMR and DEPT-135 spectra of compound 3.

4. Copy of the IR spectrum for compound 3
Figure S6. IR spectrum of compound 3.
