After publication of the research paper [1], it was found that the affiliation of the 15th author, Chunming Shi, was wrong, which should be corrected as follows: State Key Laboratory of Remote Sensing Science, College of Global Change and Earth System Science, Beijing Normal University, Beijing, China. Personal website: <http://www.gcess.cn/yjspy/dsjj/152442.html>.

The authors would like to apologize for any inconvenience caused. The change does not affect the scientific results. The manuscript will be updated and the original will remain online on the article webpage, with a reference to this addendum.
