| Aidan Mcelduff      | Je Kyung Seong             |                         |

I also wish to draw your attention on the *Nutrients* website to our Editorial Board and also to the guest editors of our expanding list of special issues who have devoted their time and expertise to achieving rapid growth in the quantity and quality of published manuscripts. My special thanks also to Associate Editor, Jon Buckley, and members of the editorial office for their dedication to the journal.
