

# lipid binding

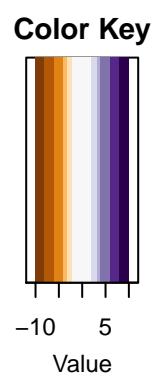

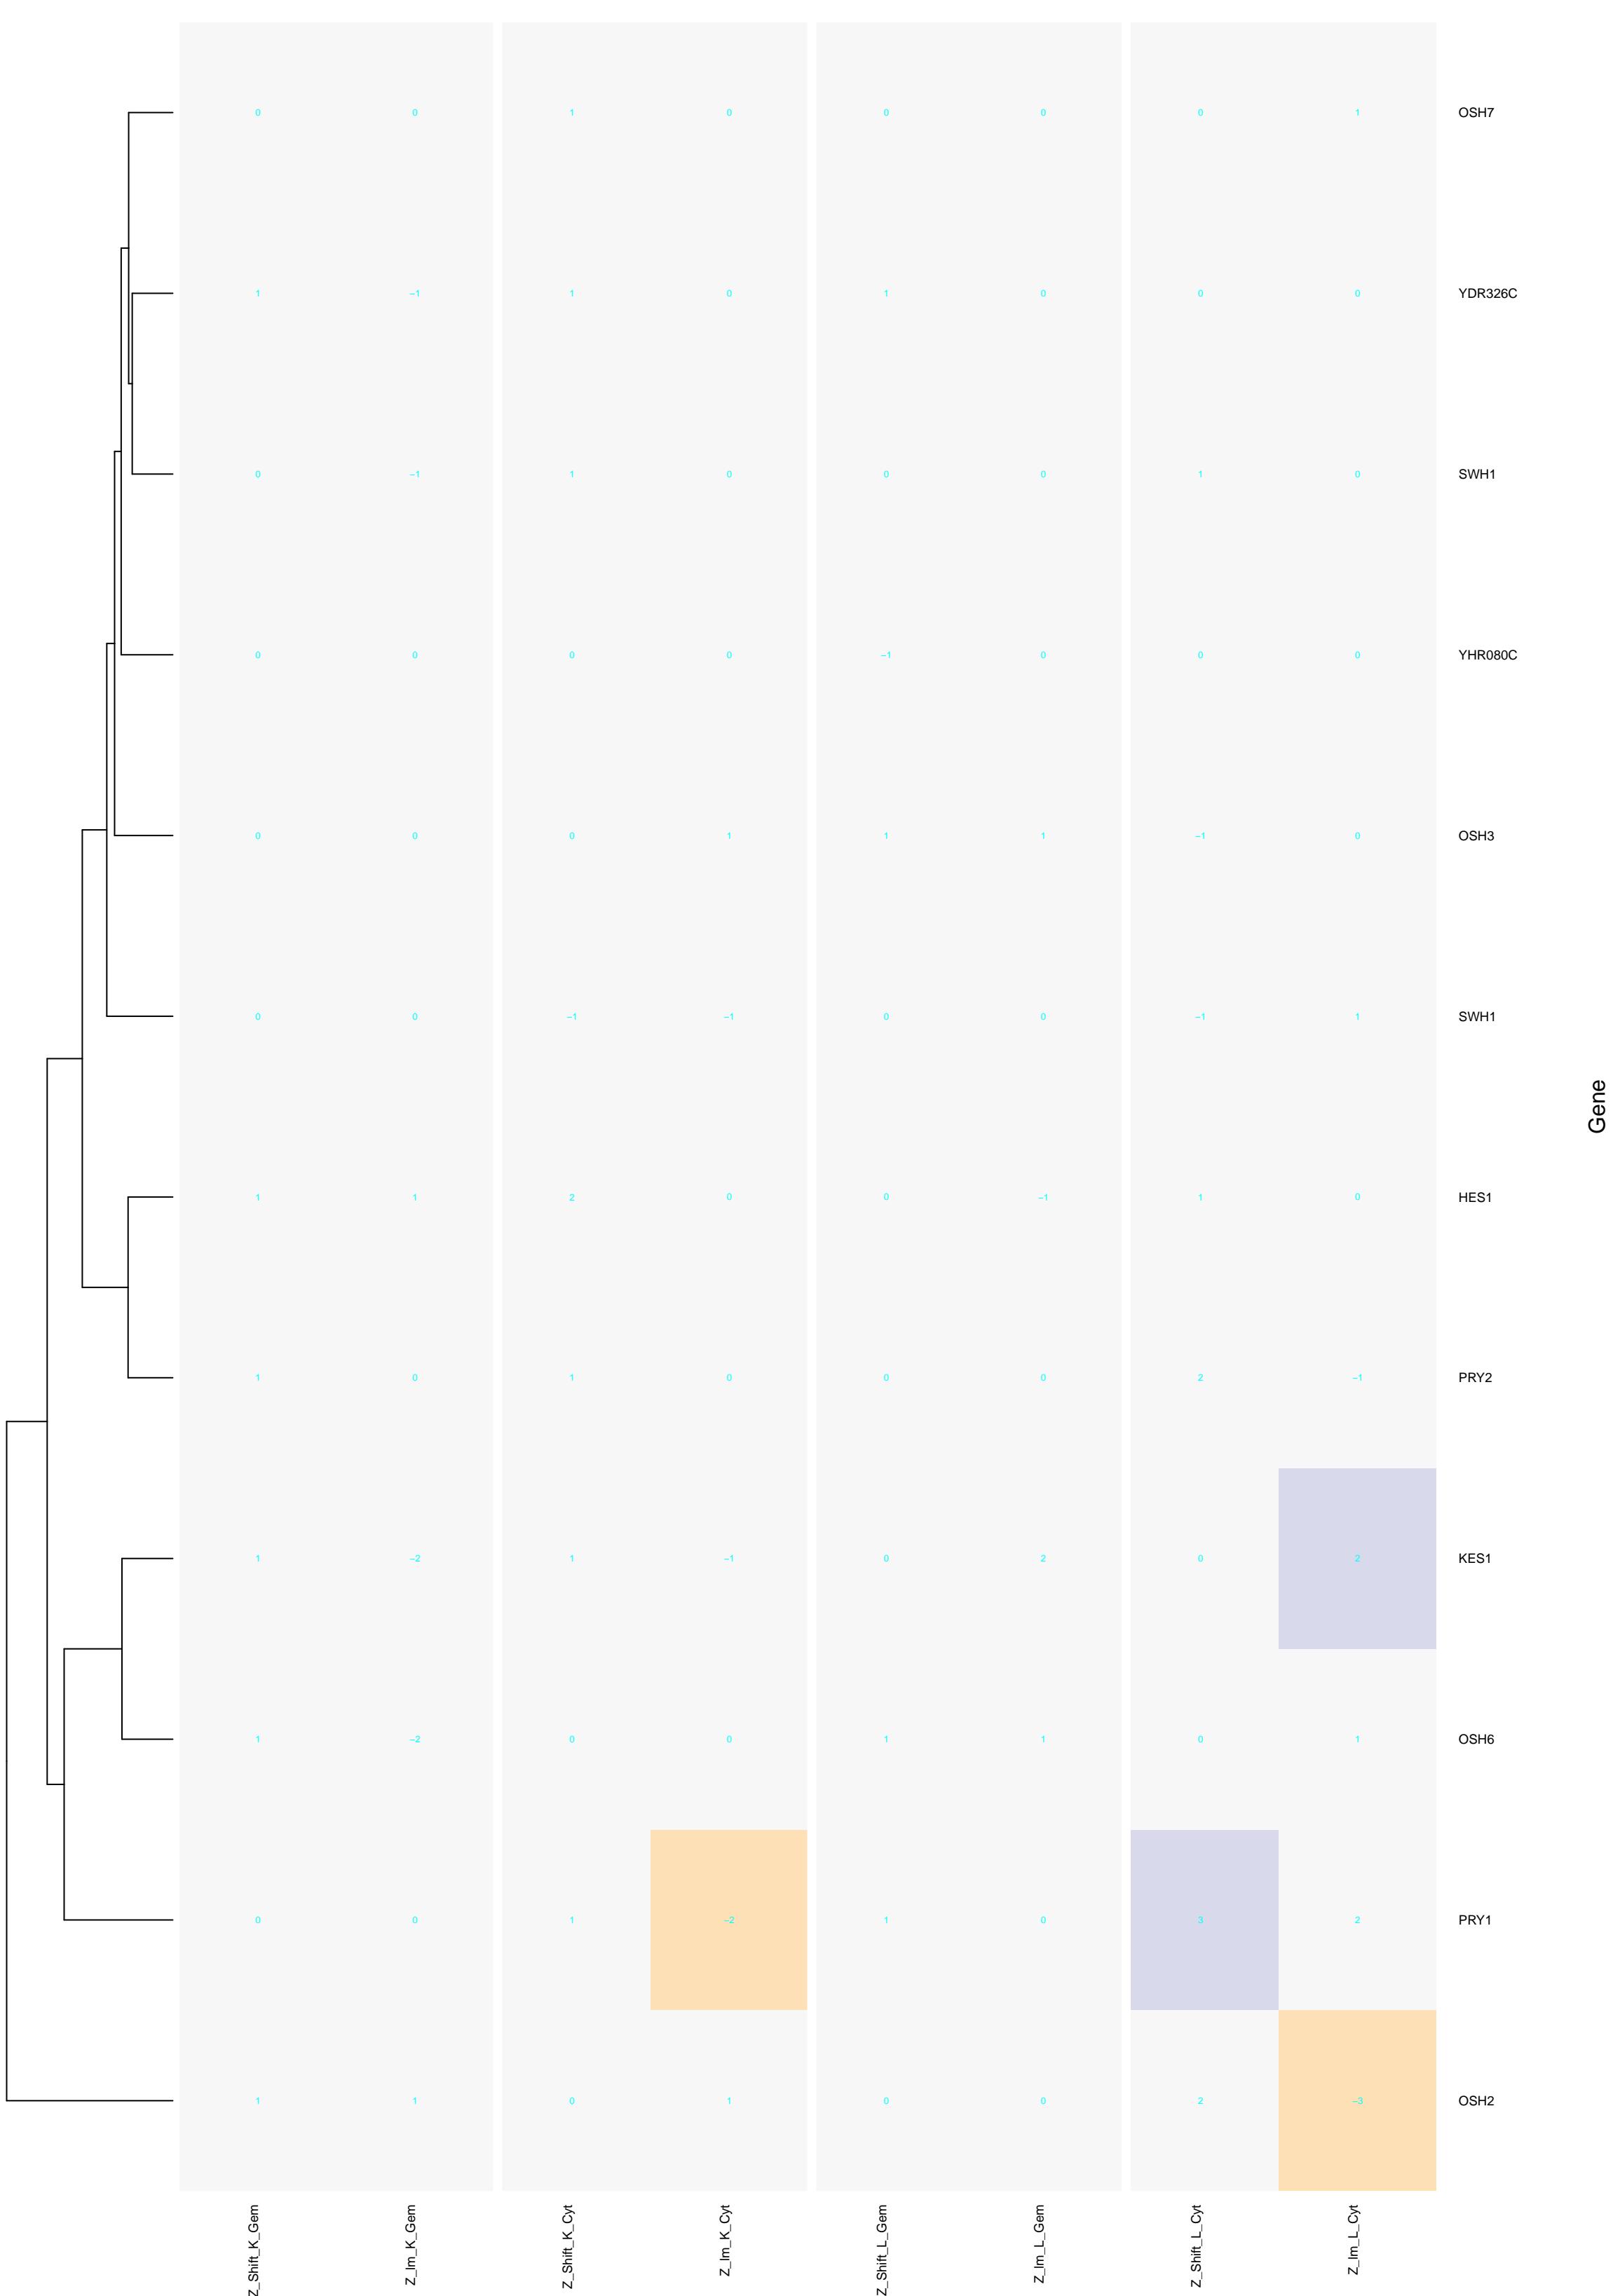

## steroid binding

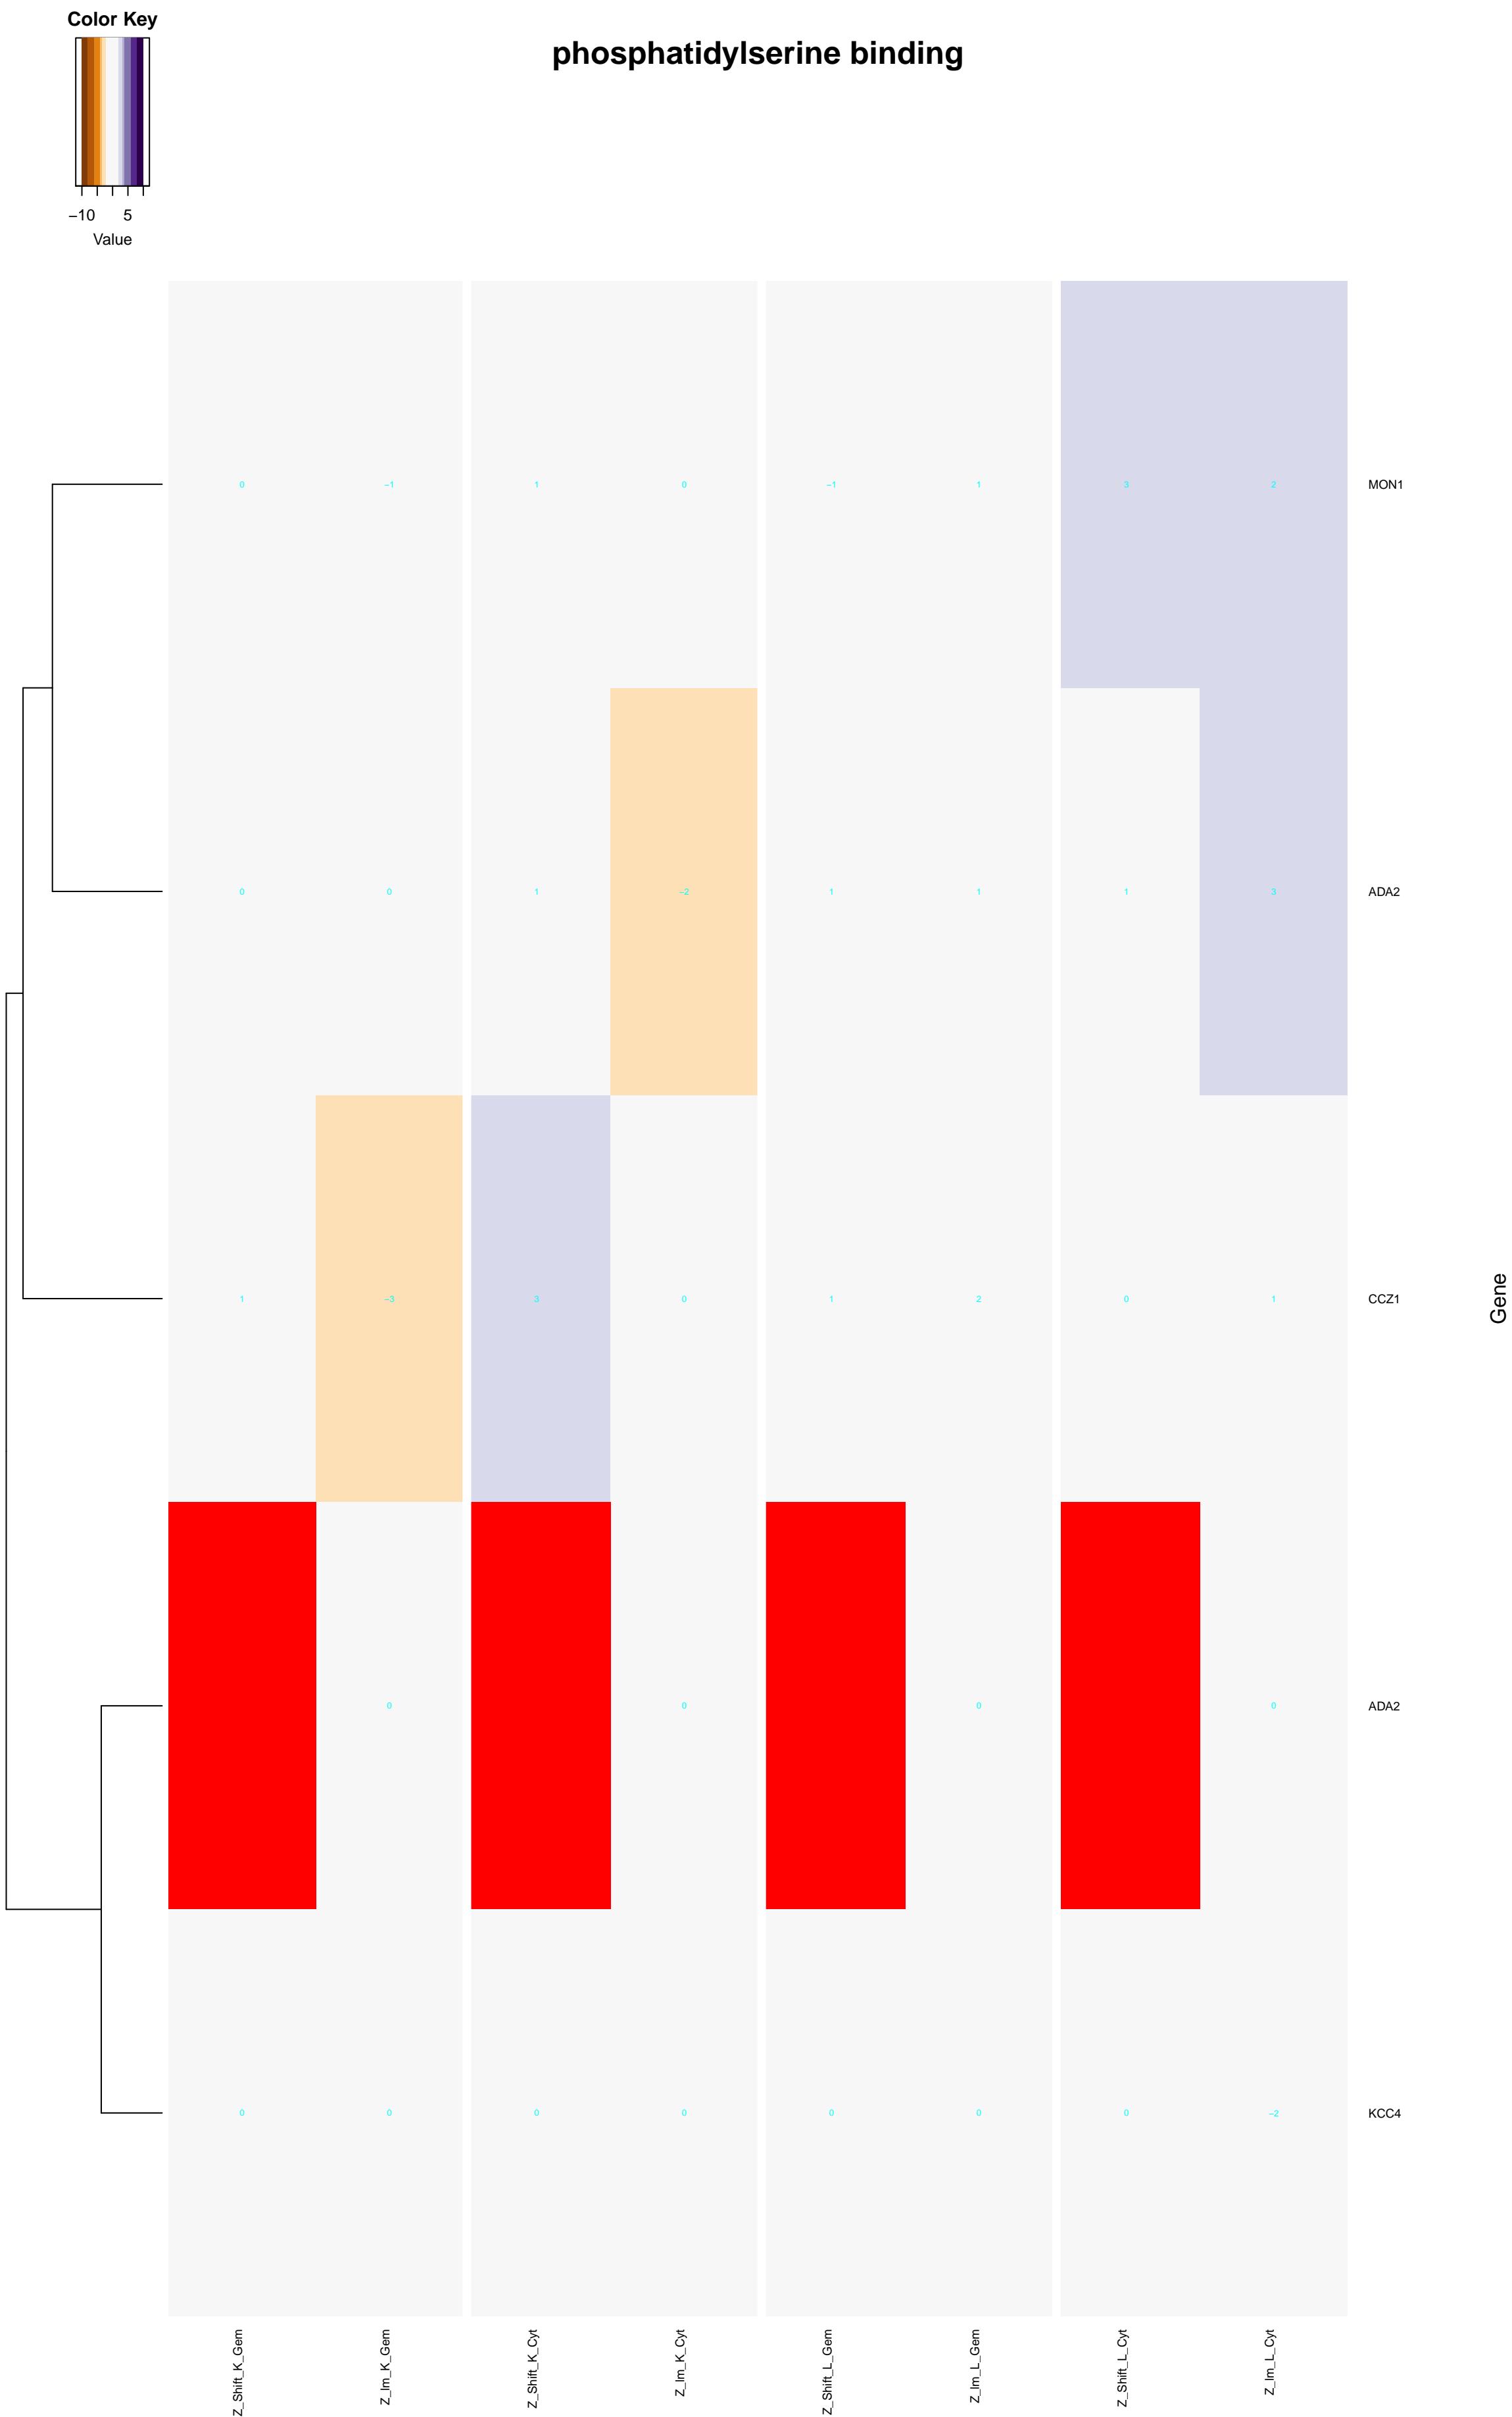

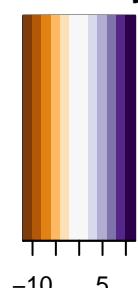

# sterol binding

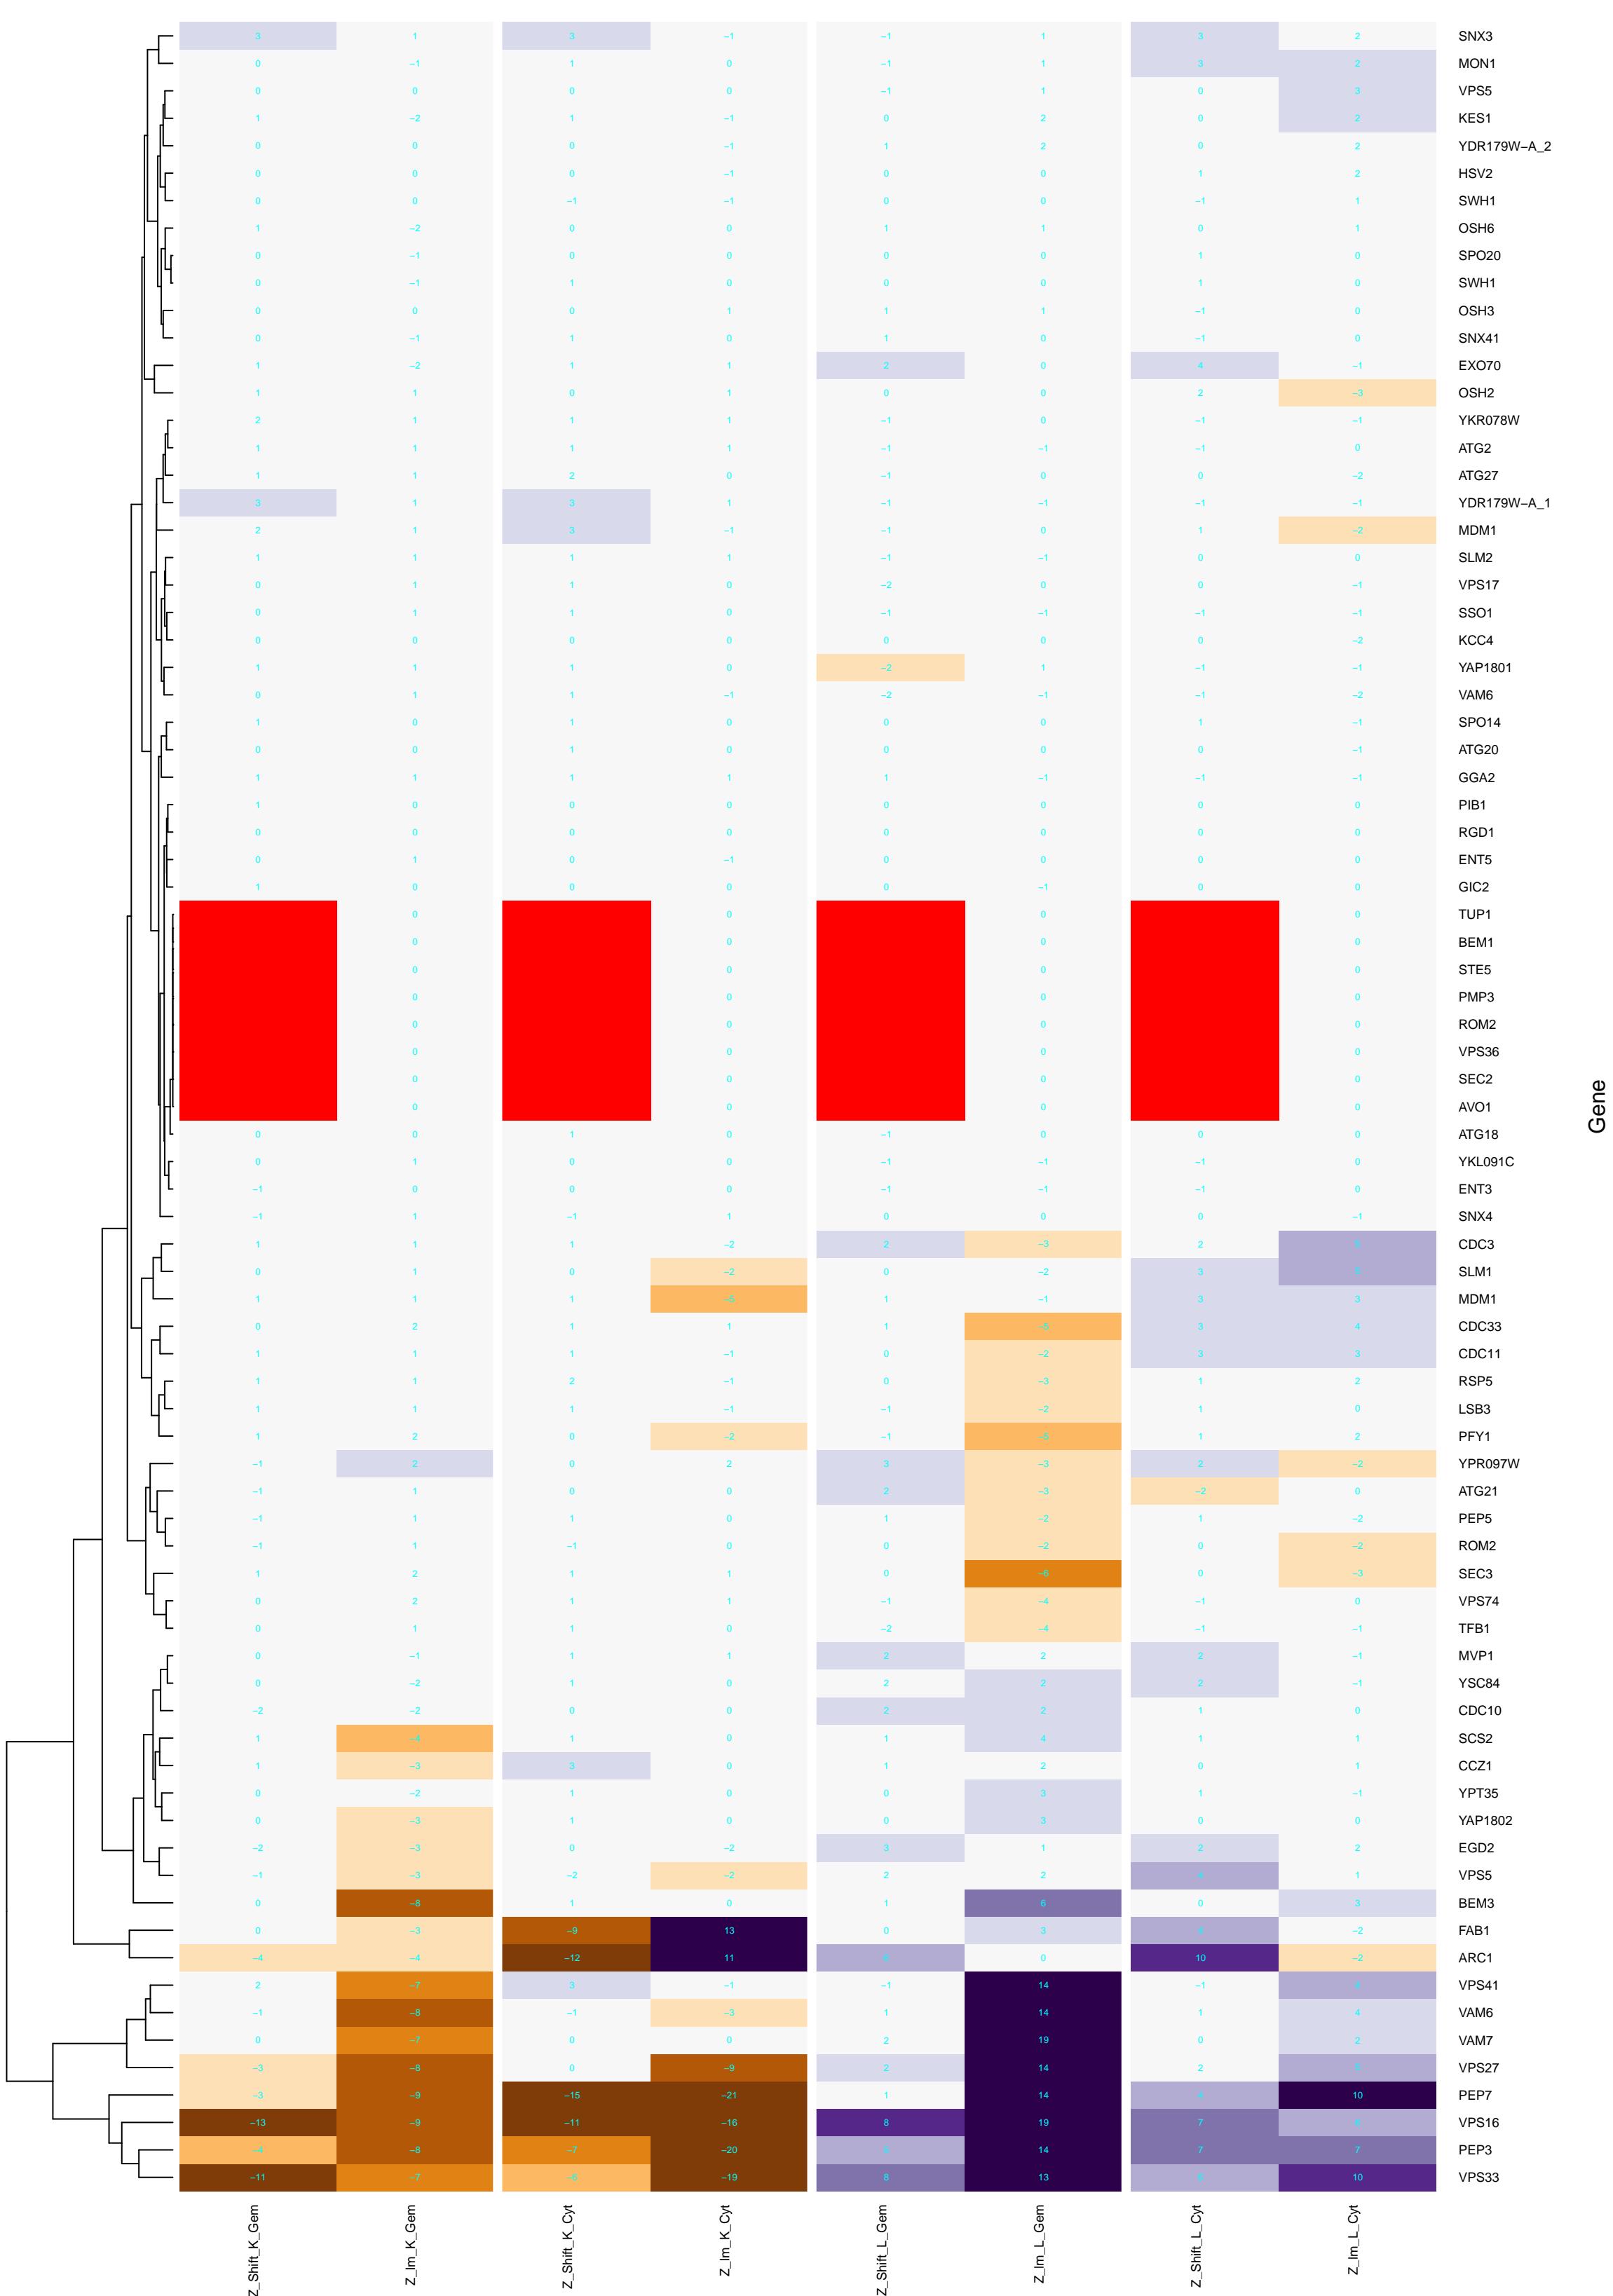

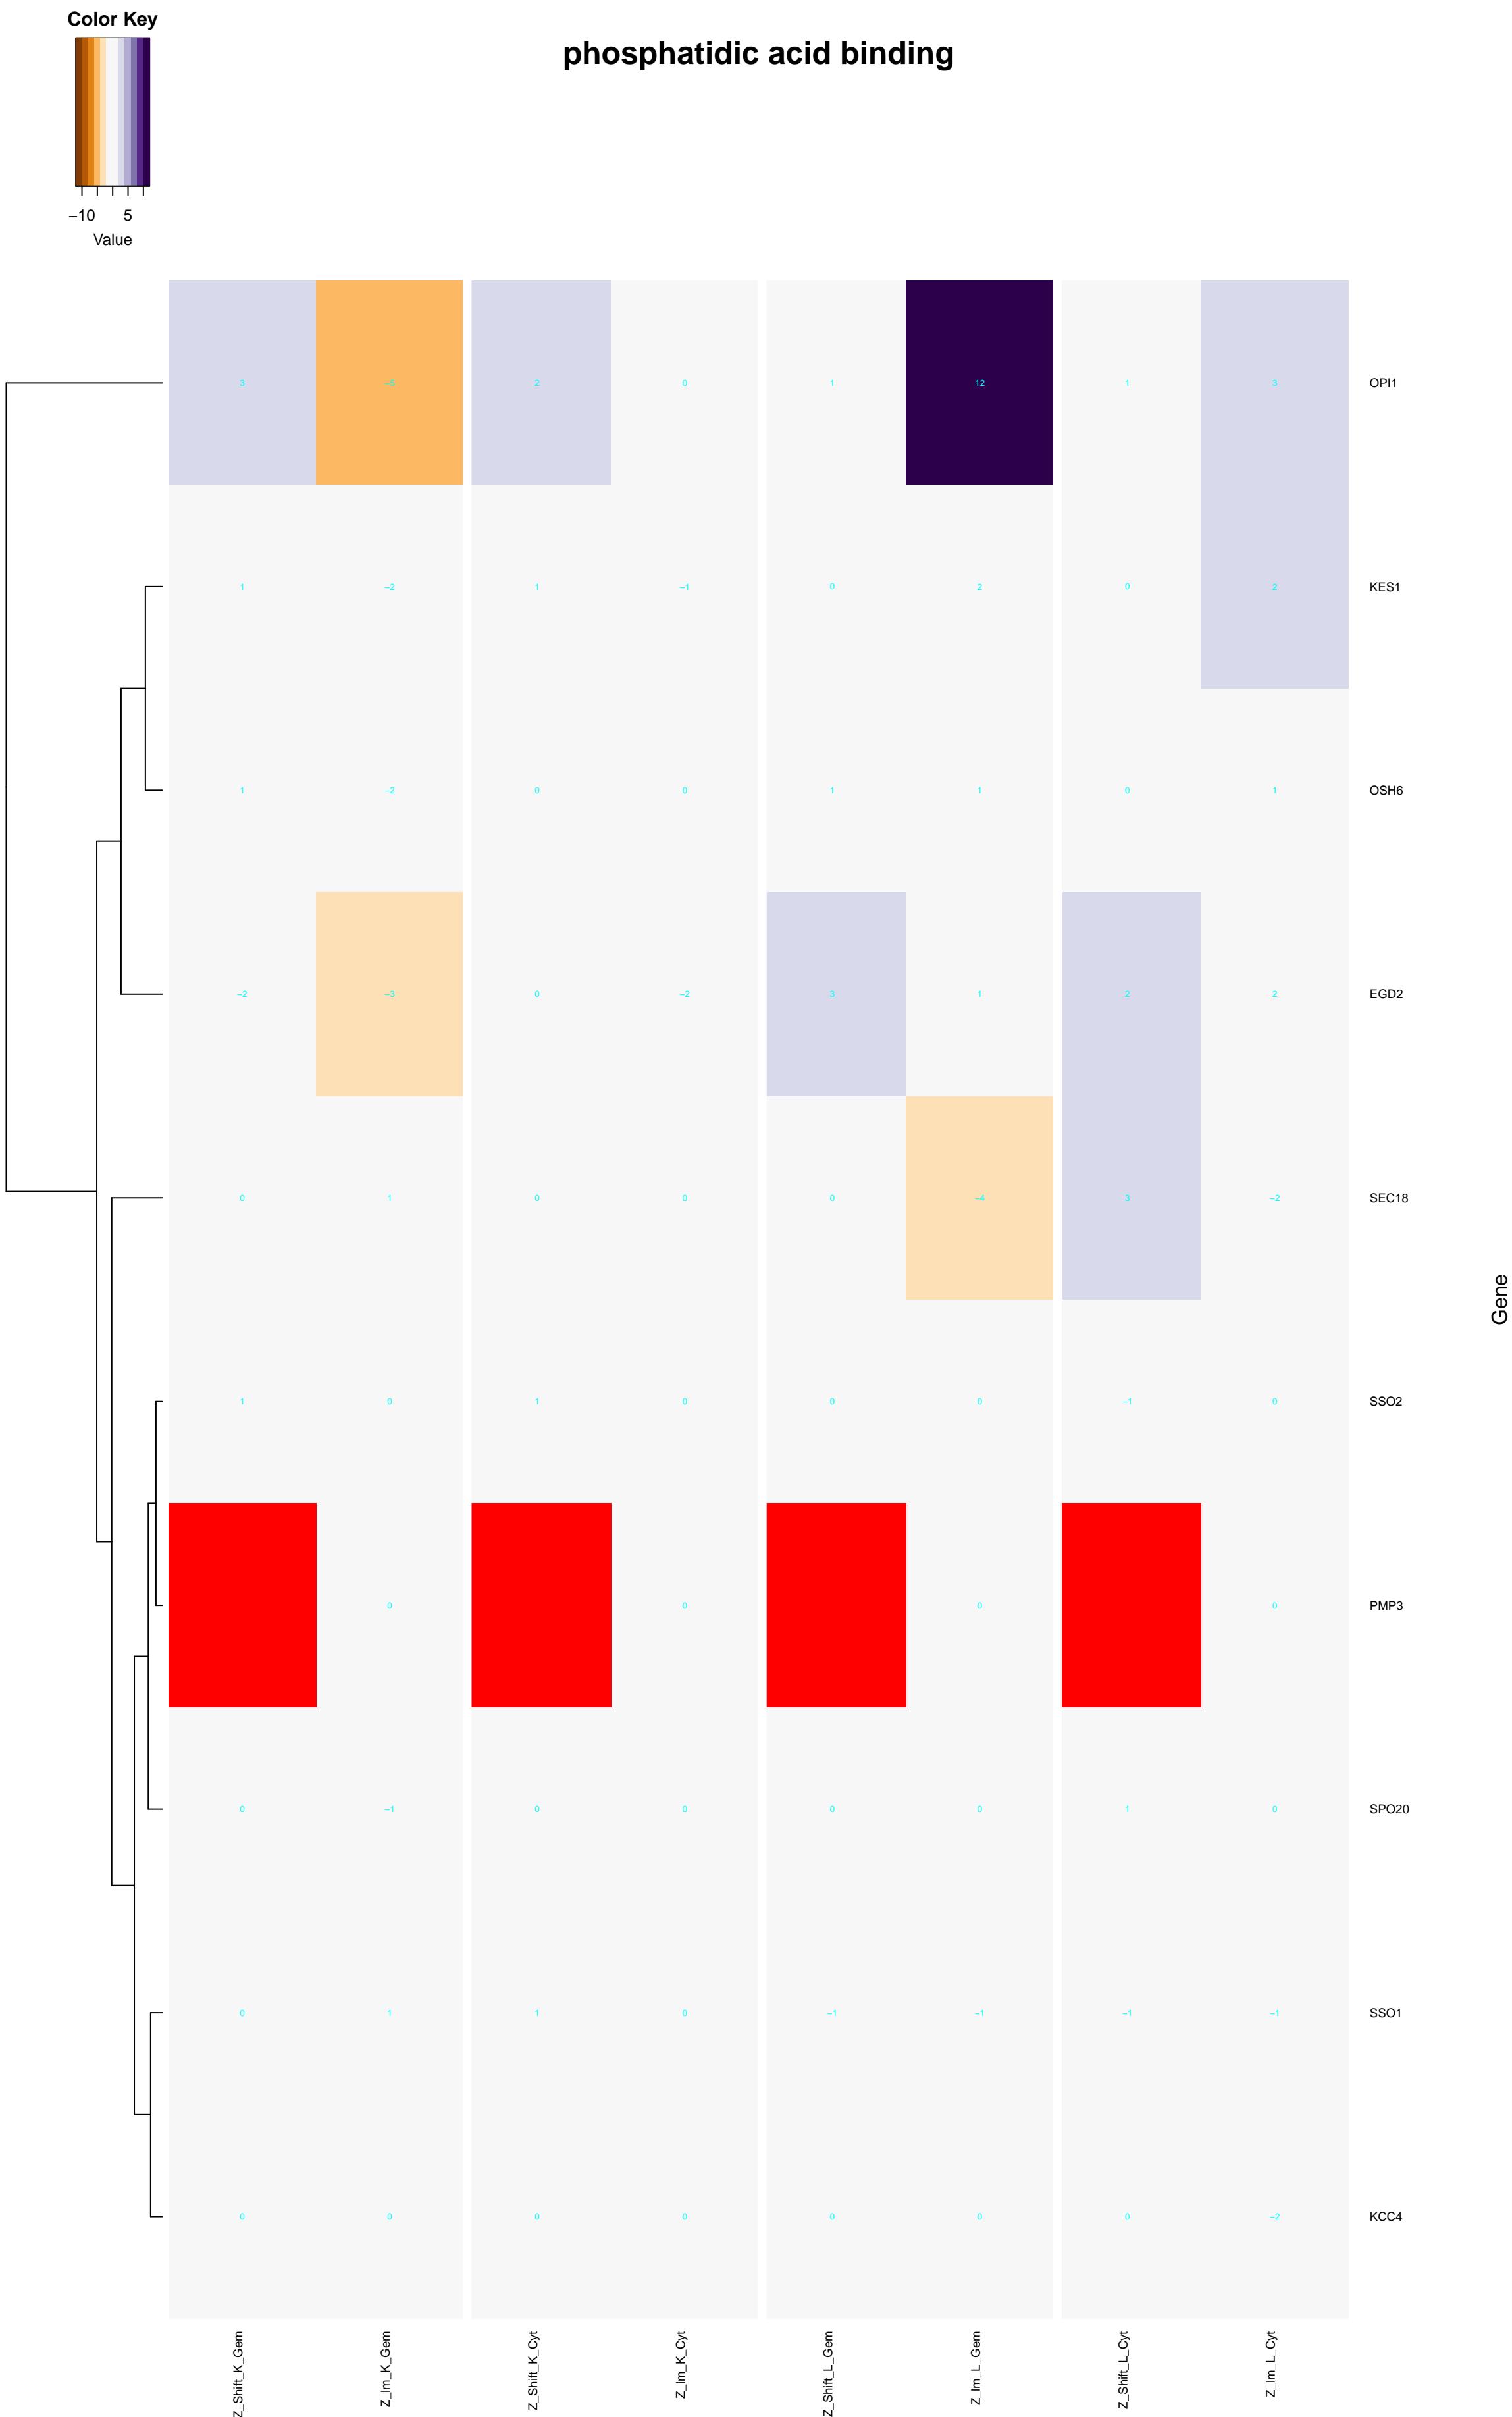

Color Key

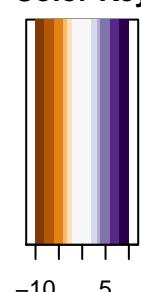

# phosphatidylinositol binding

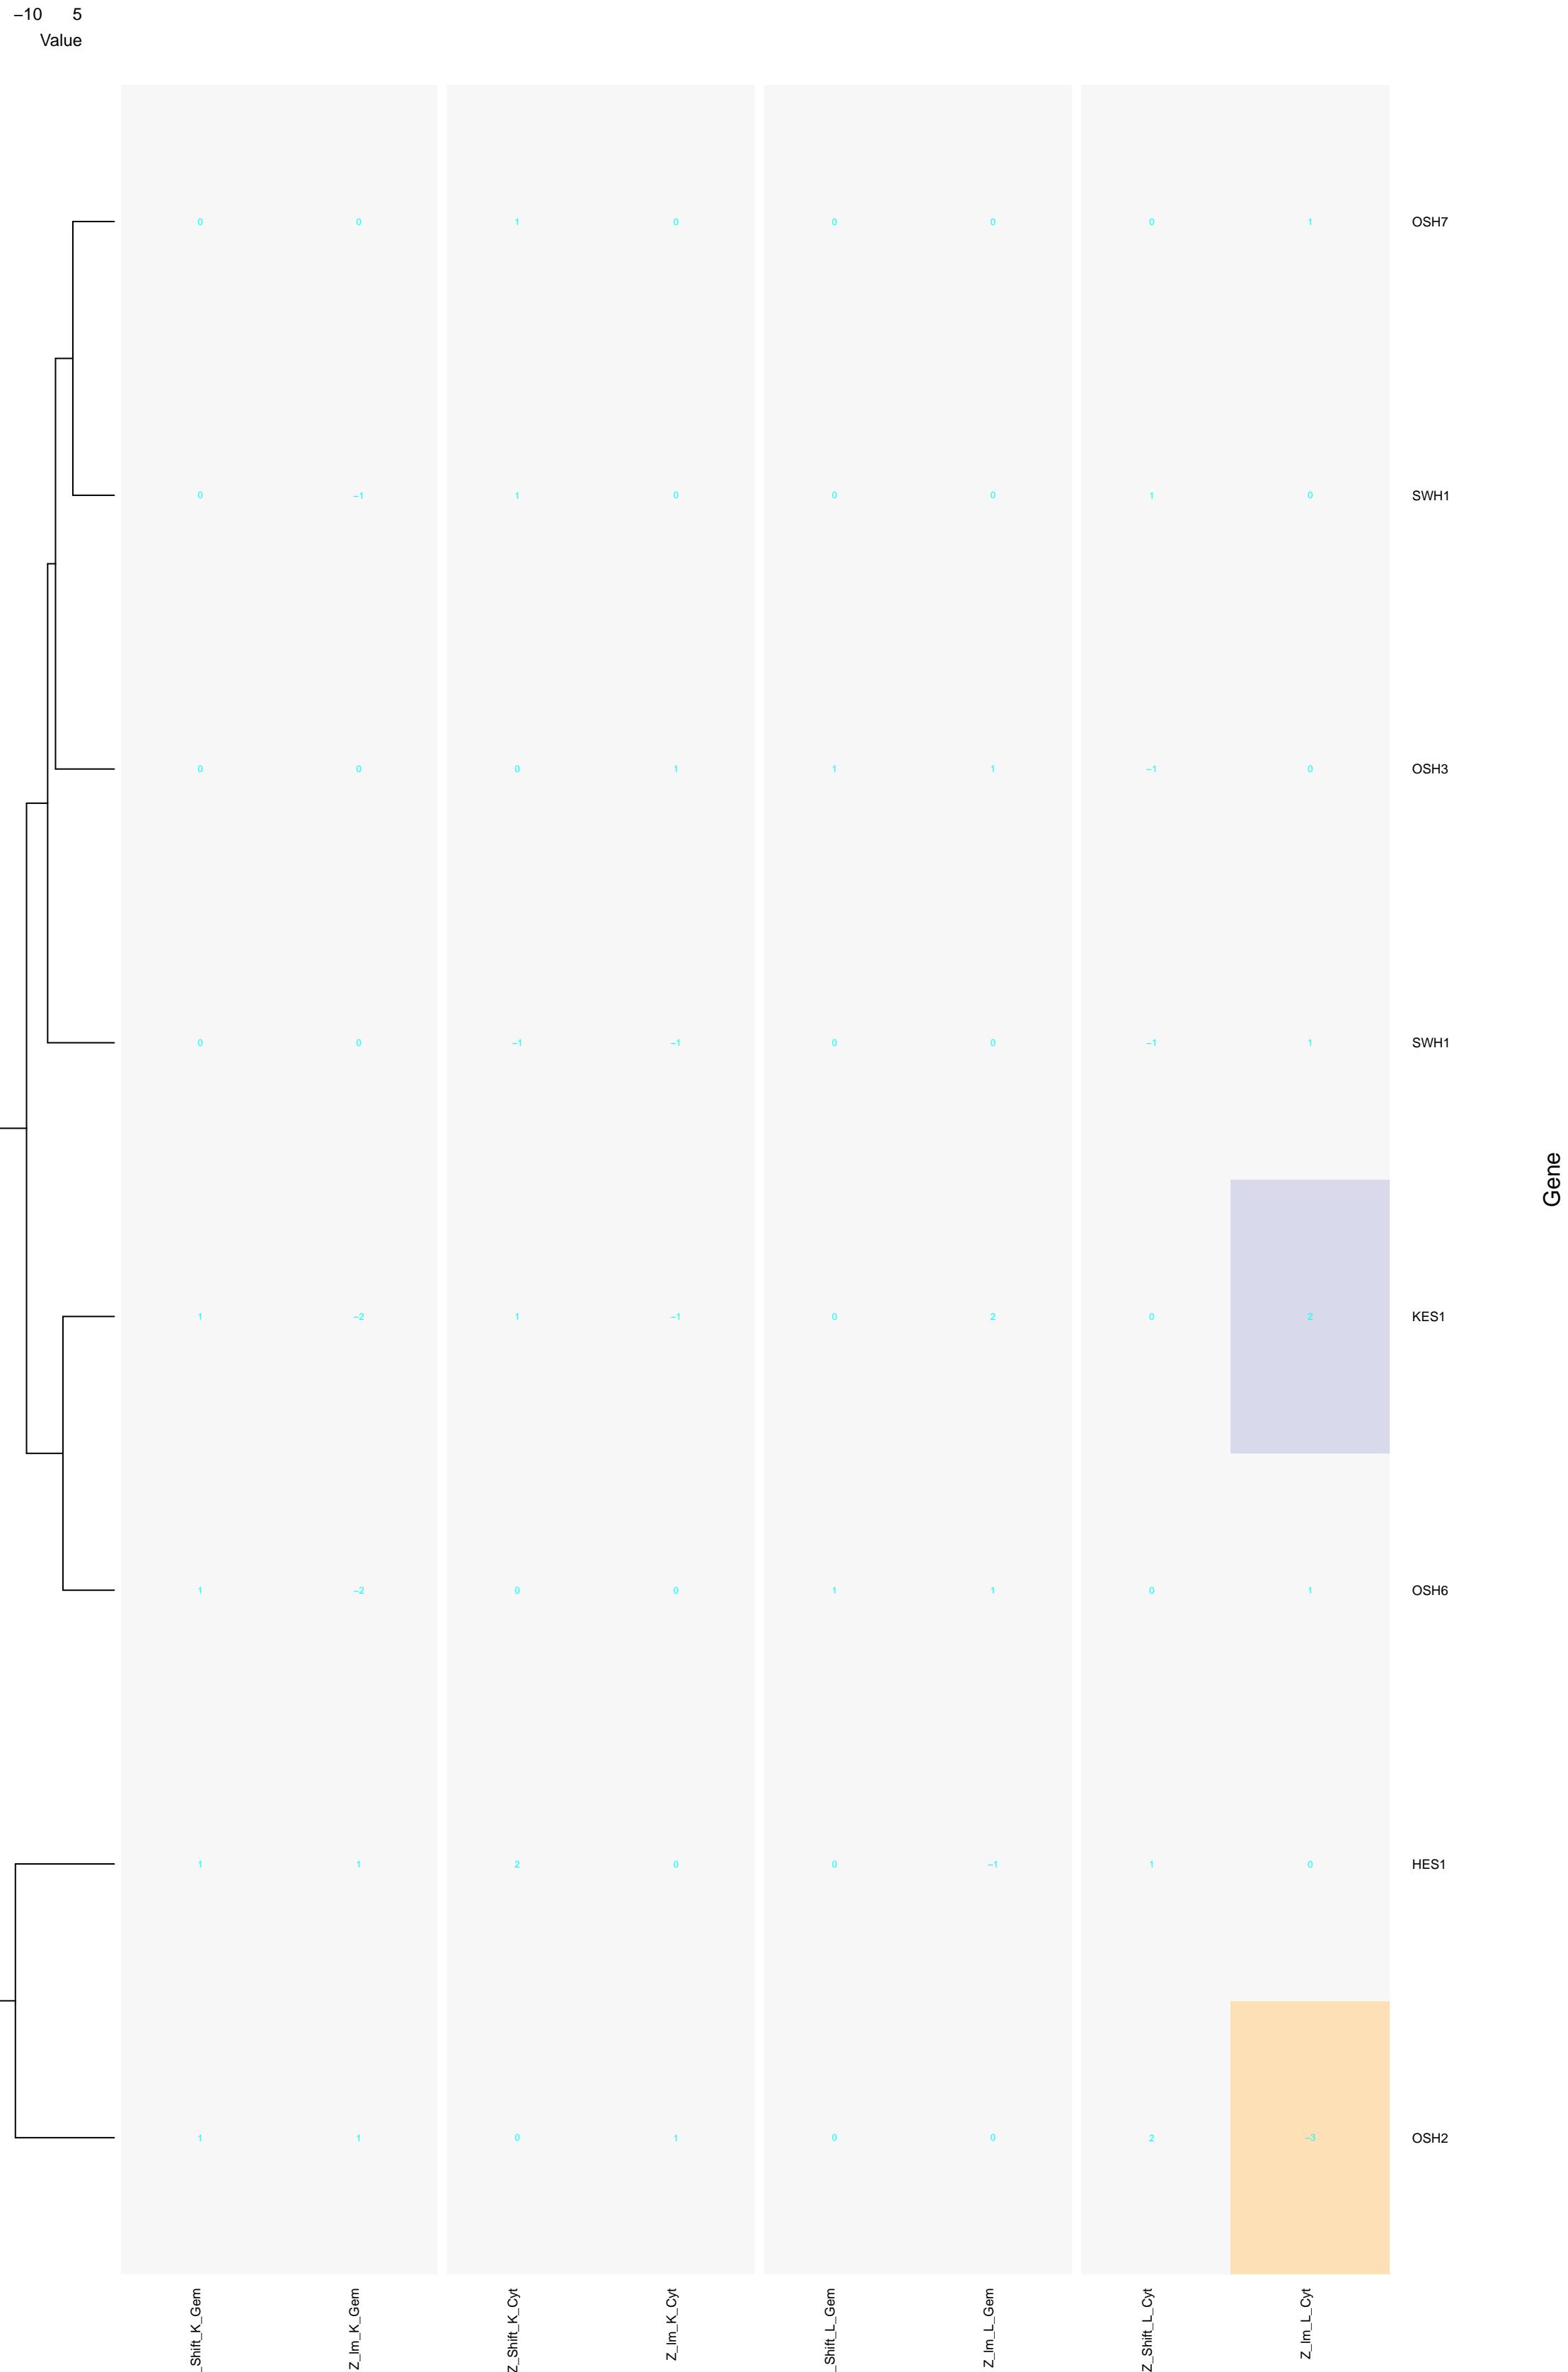

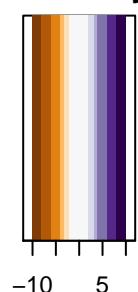

Color Key

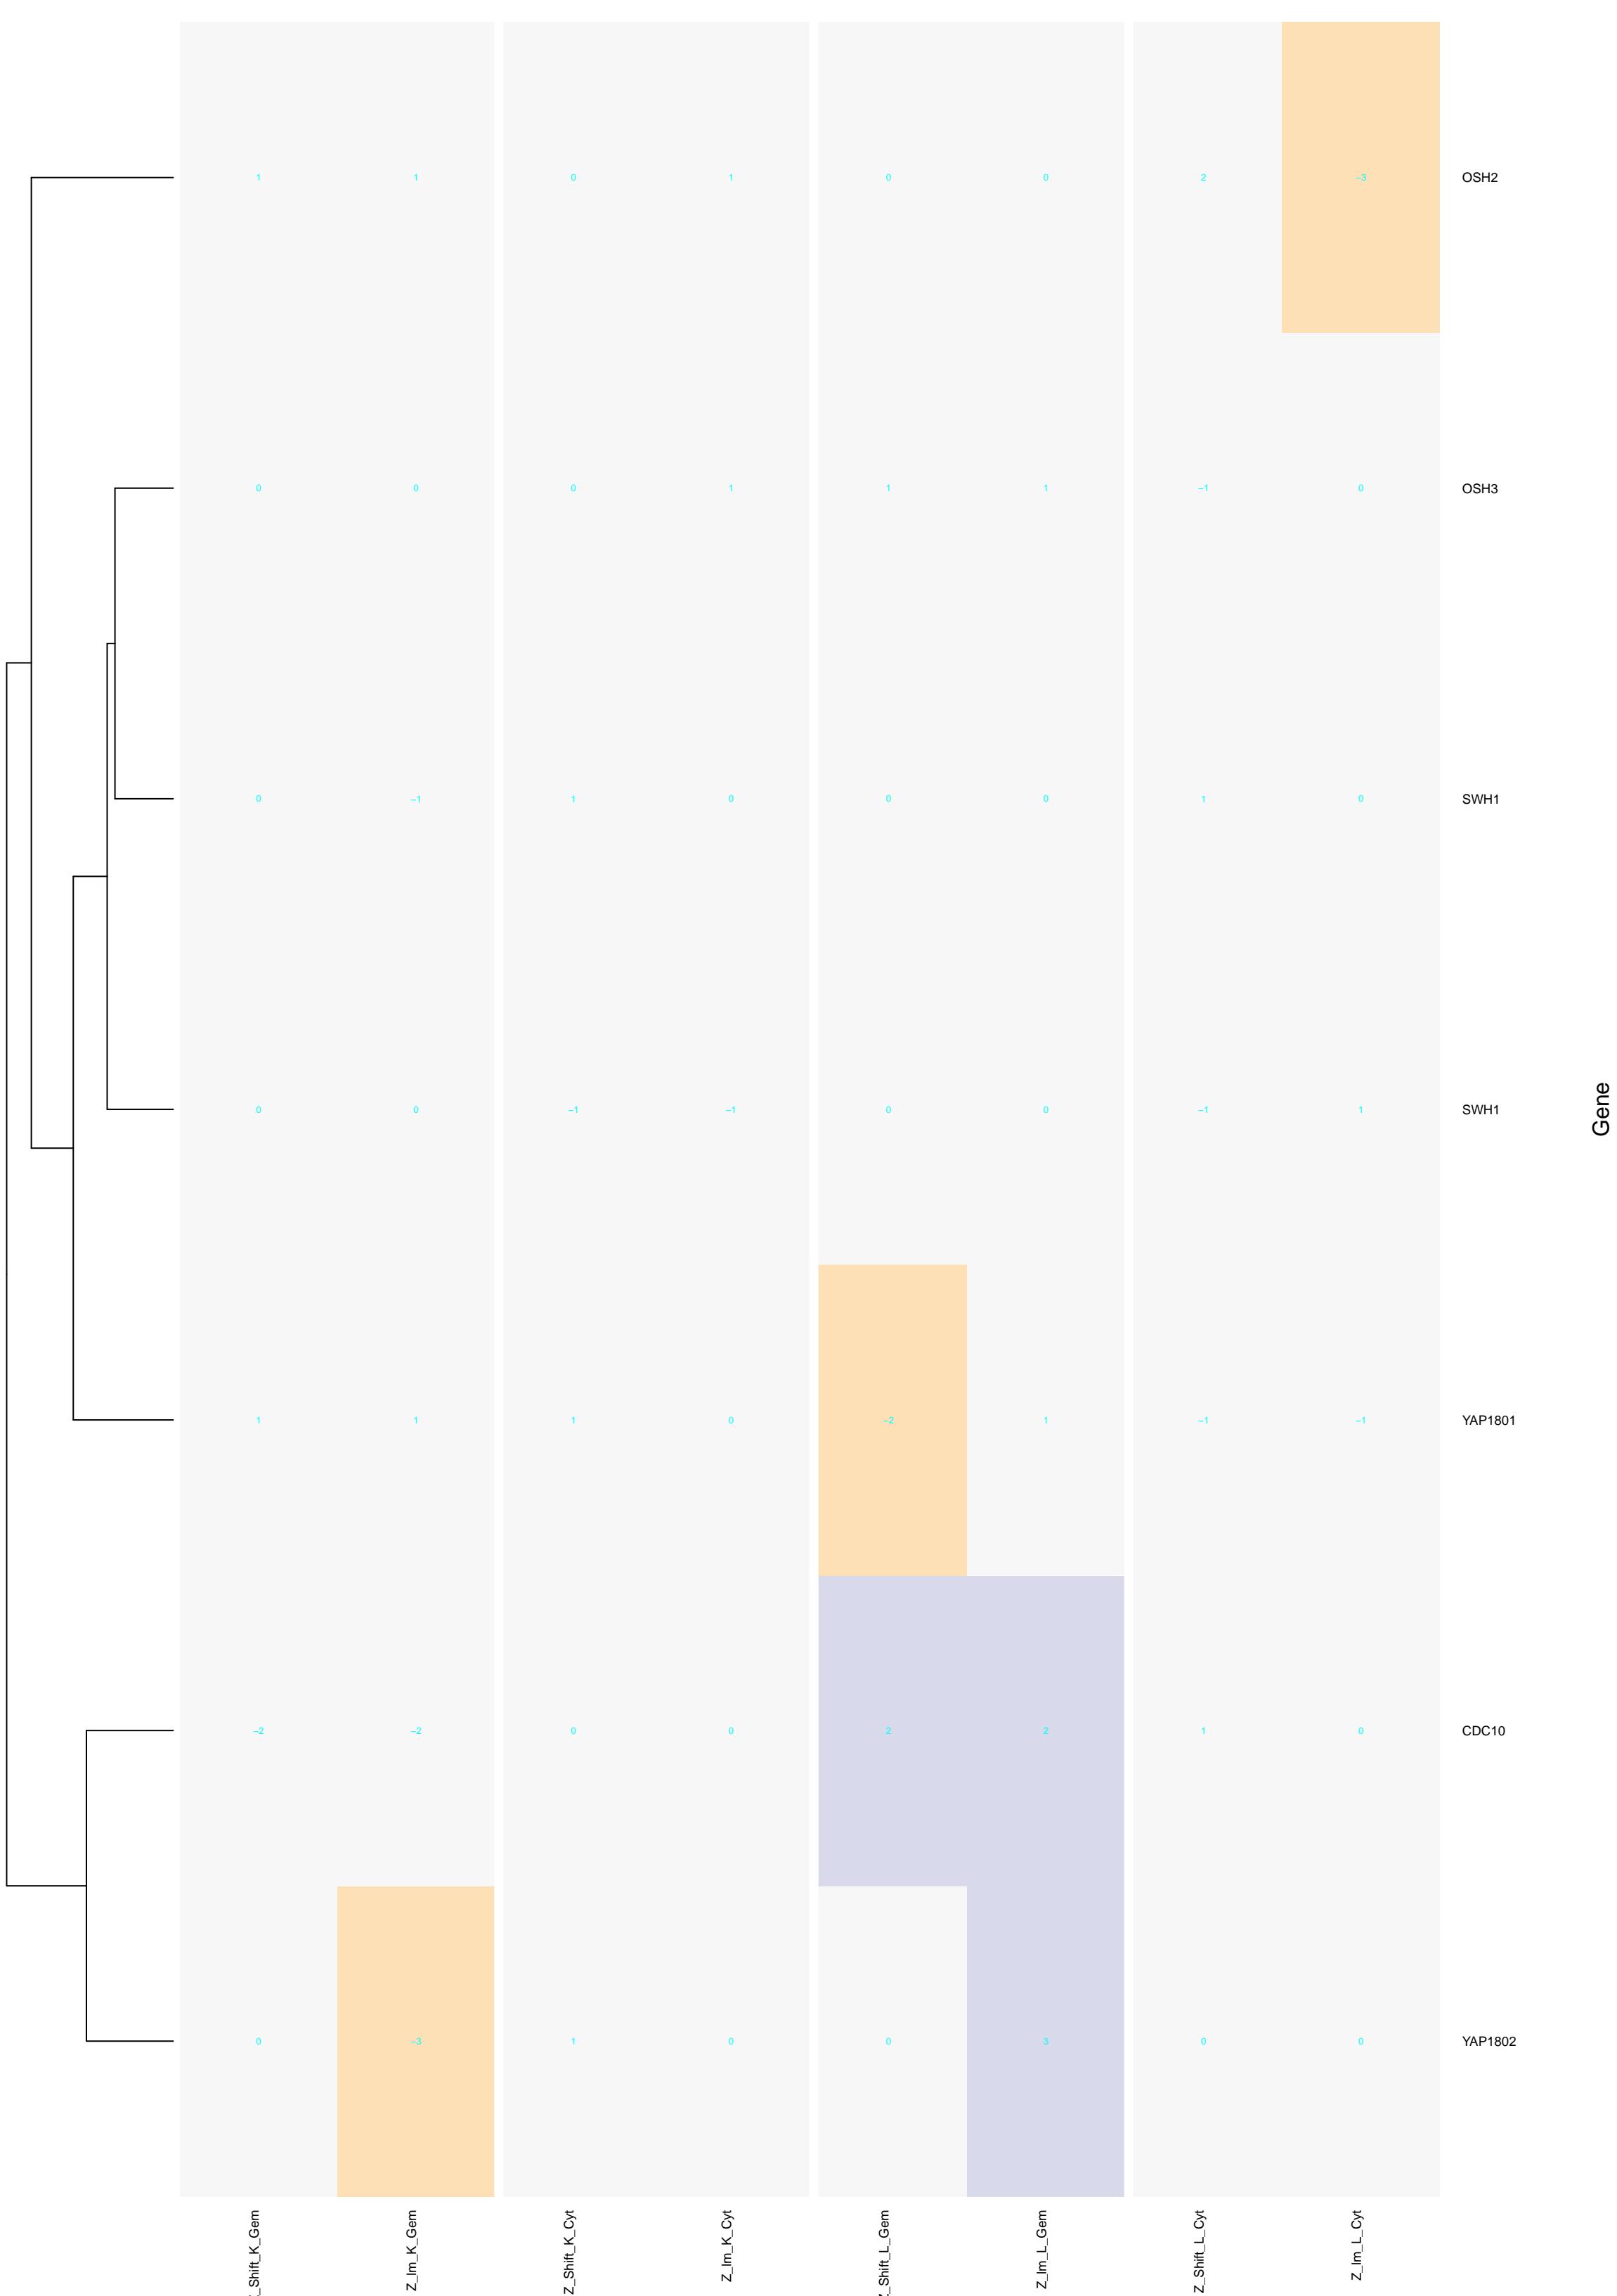

## oxysterol binding

Color Key

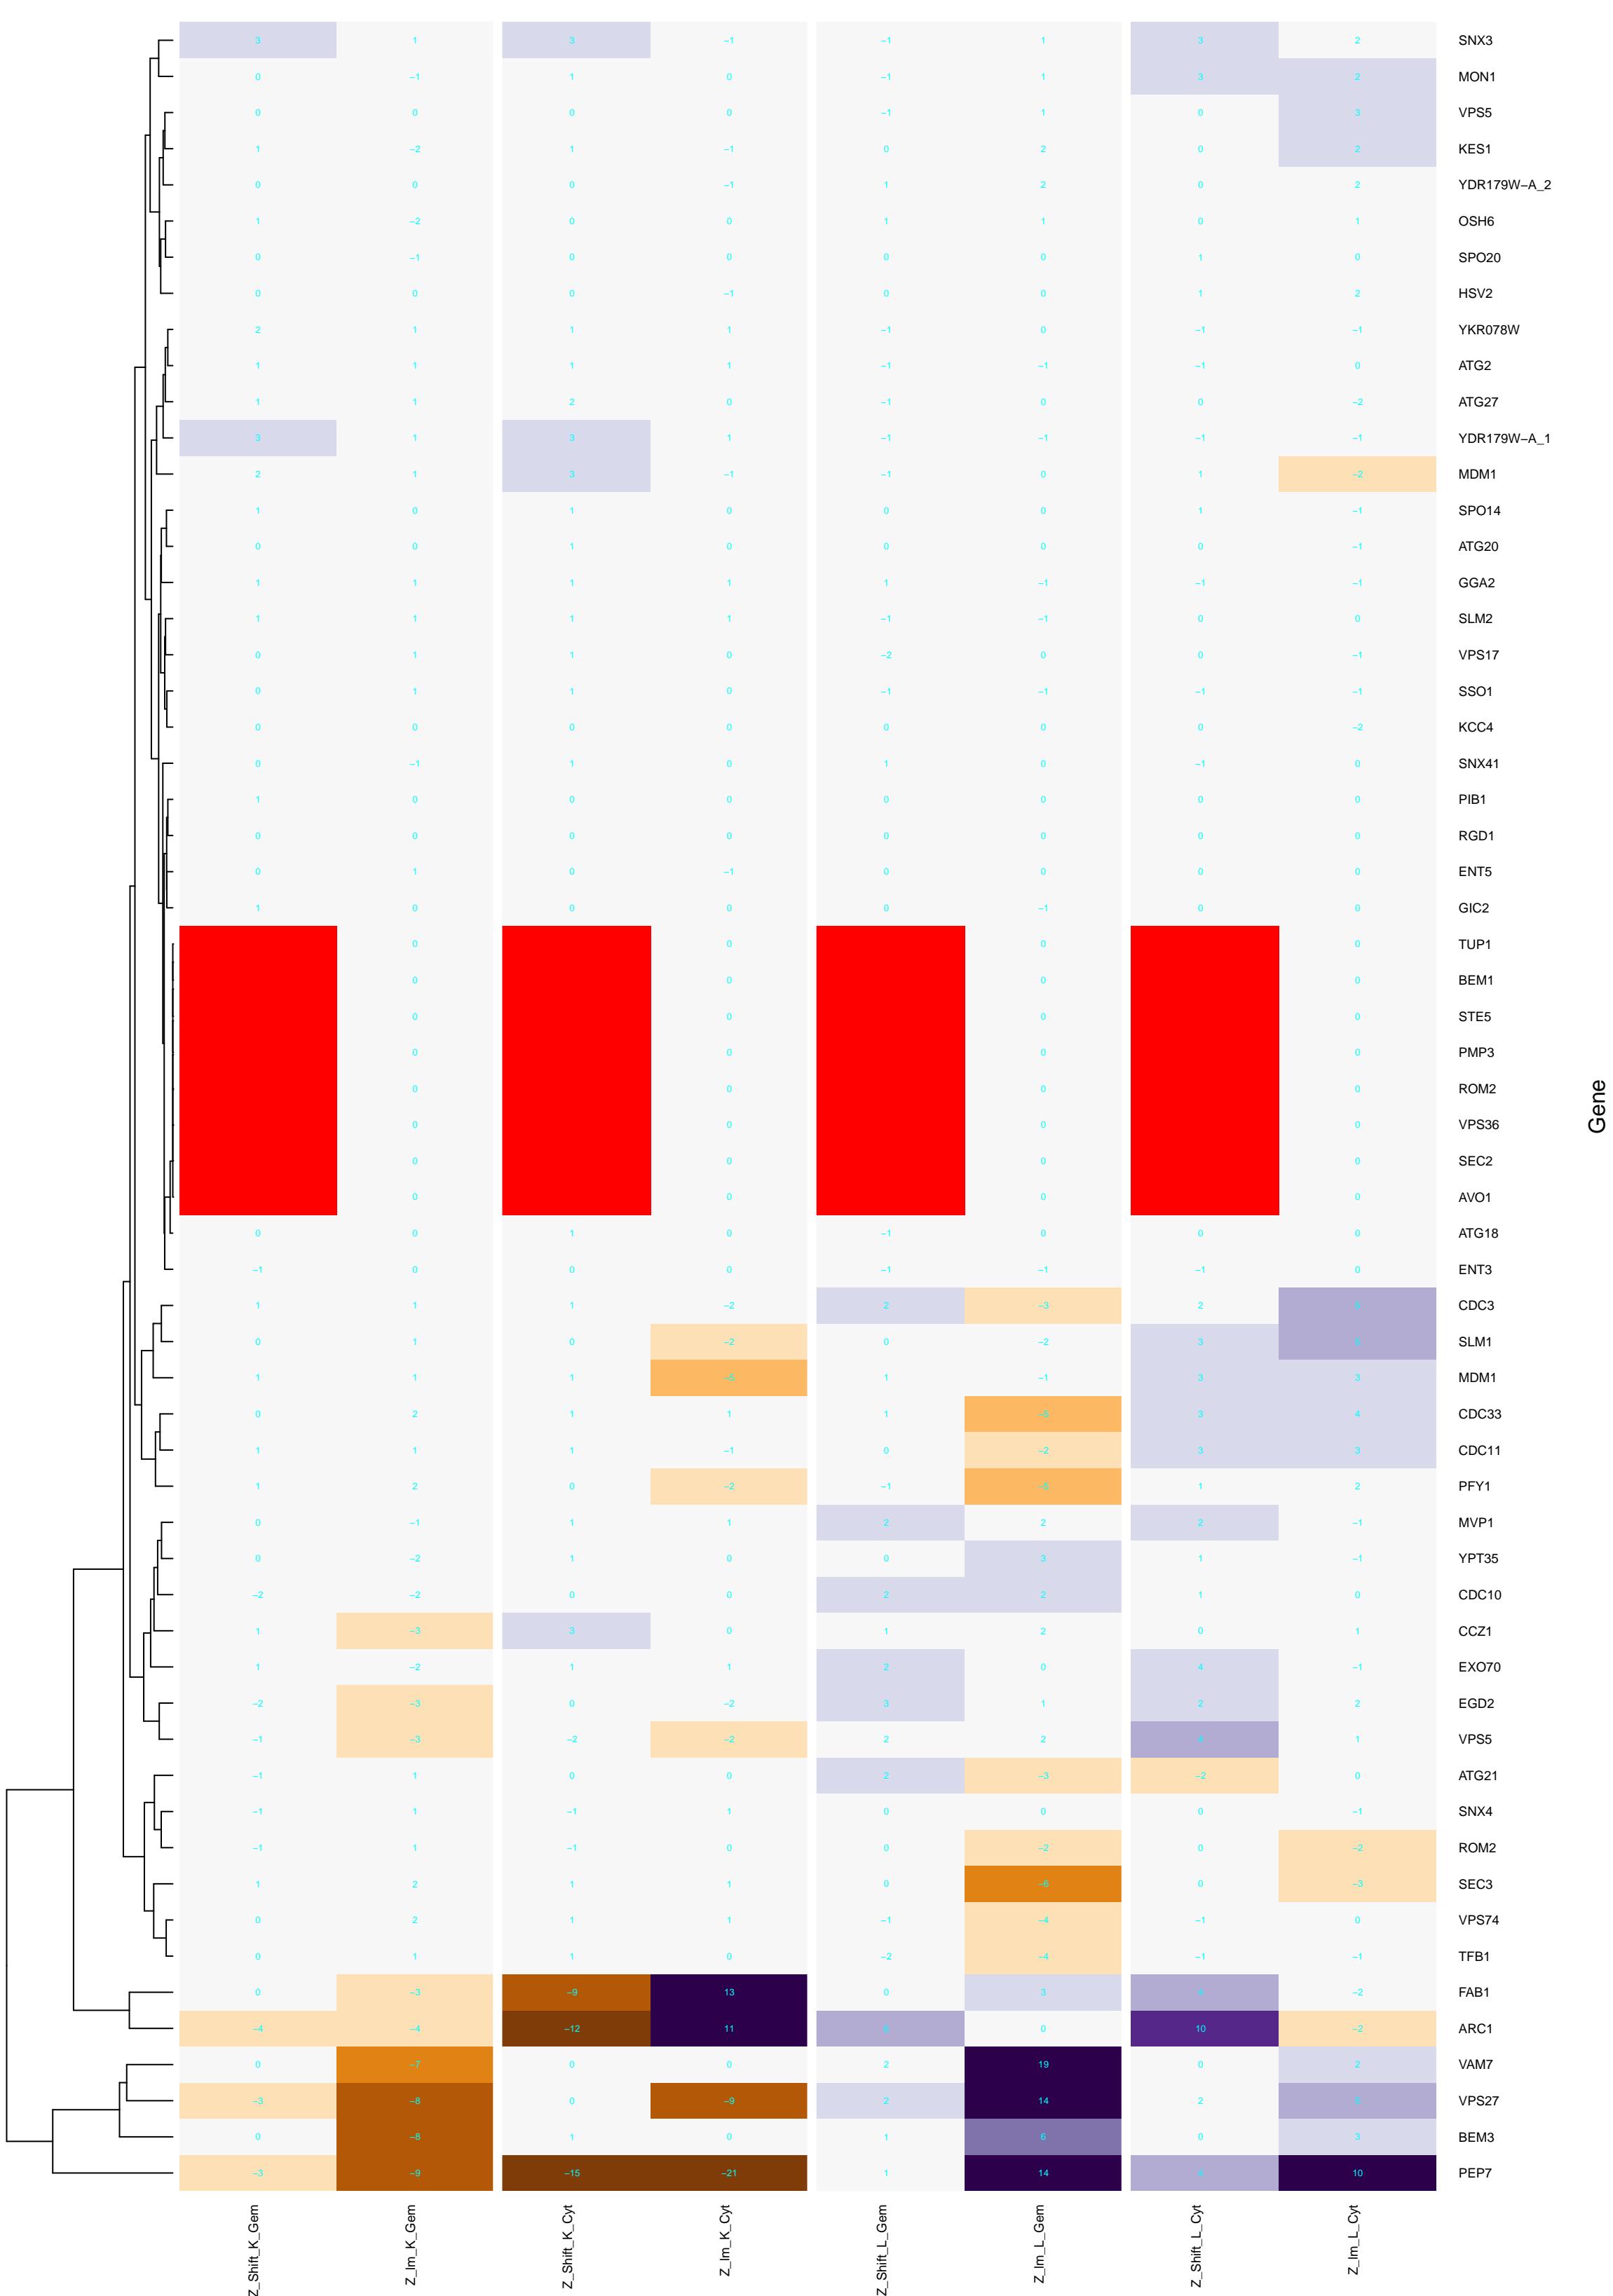

## 1-phosphatidylinositol binding

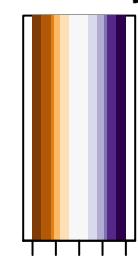

Color Key

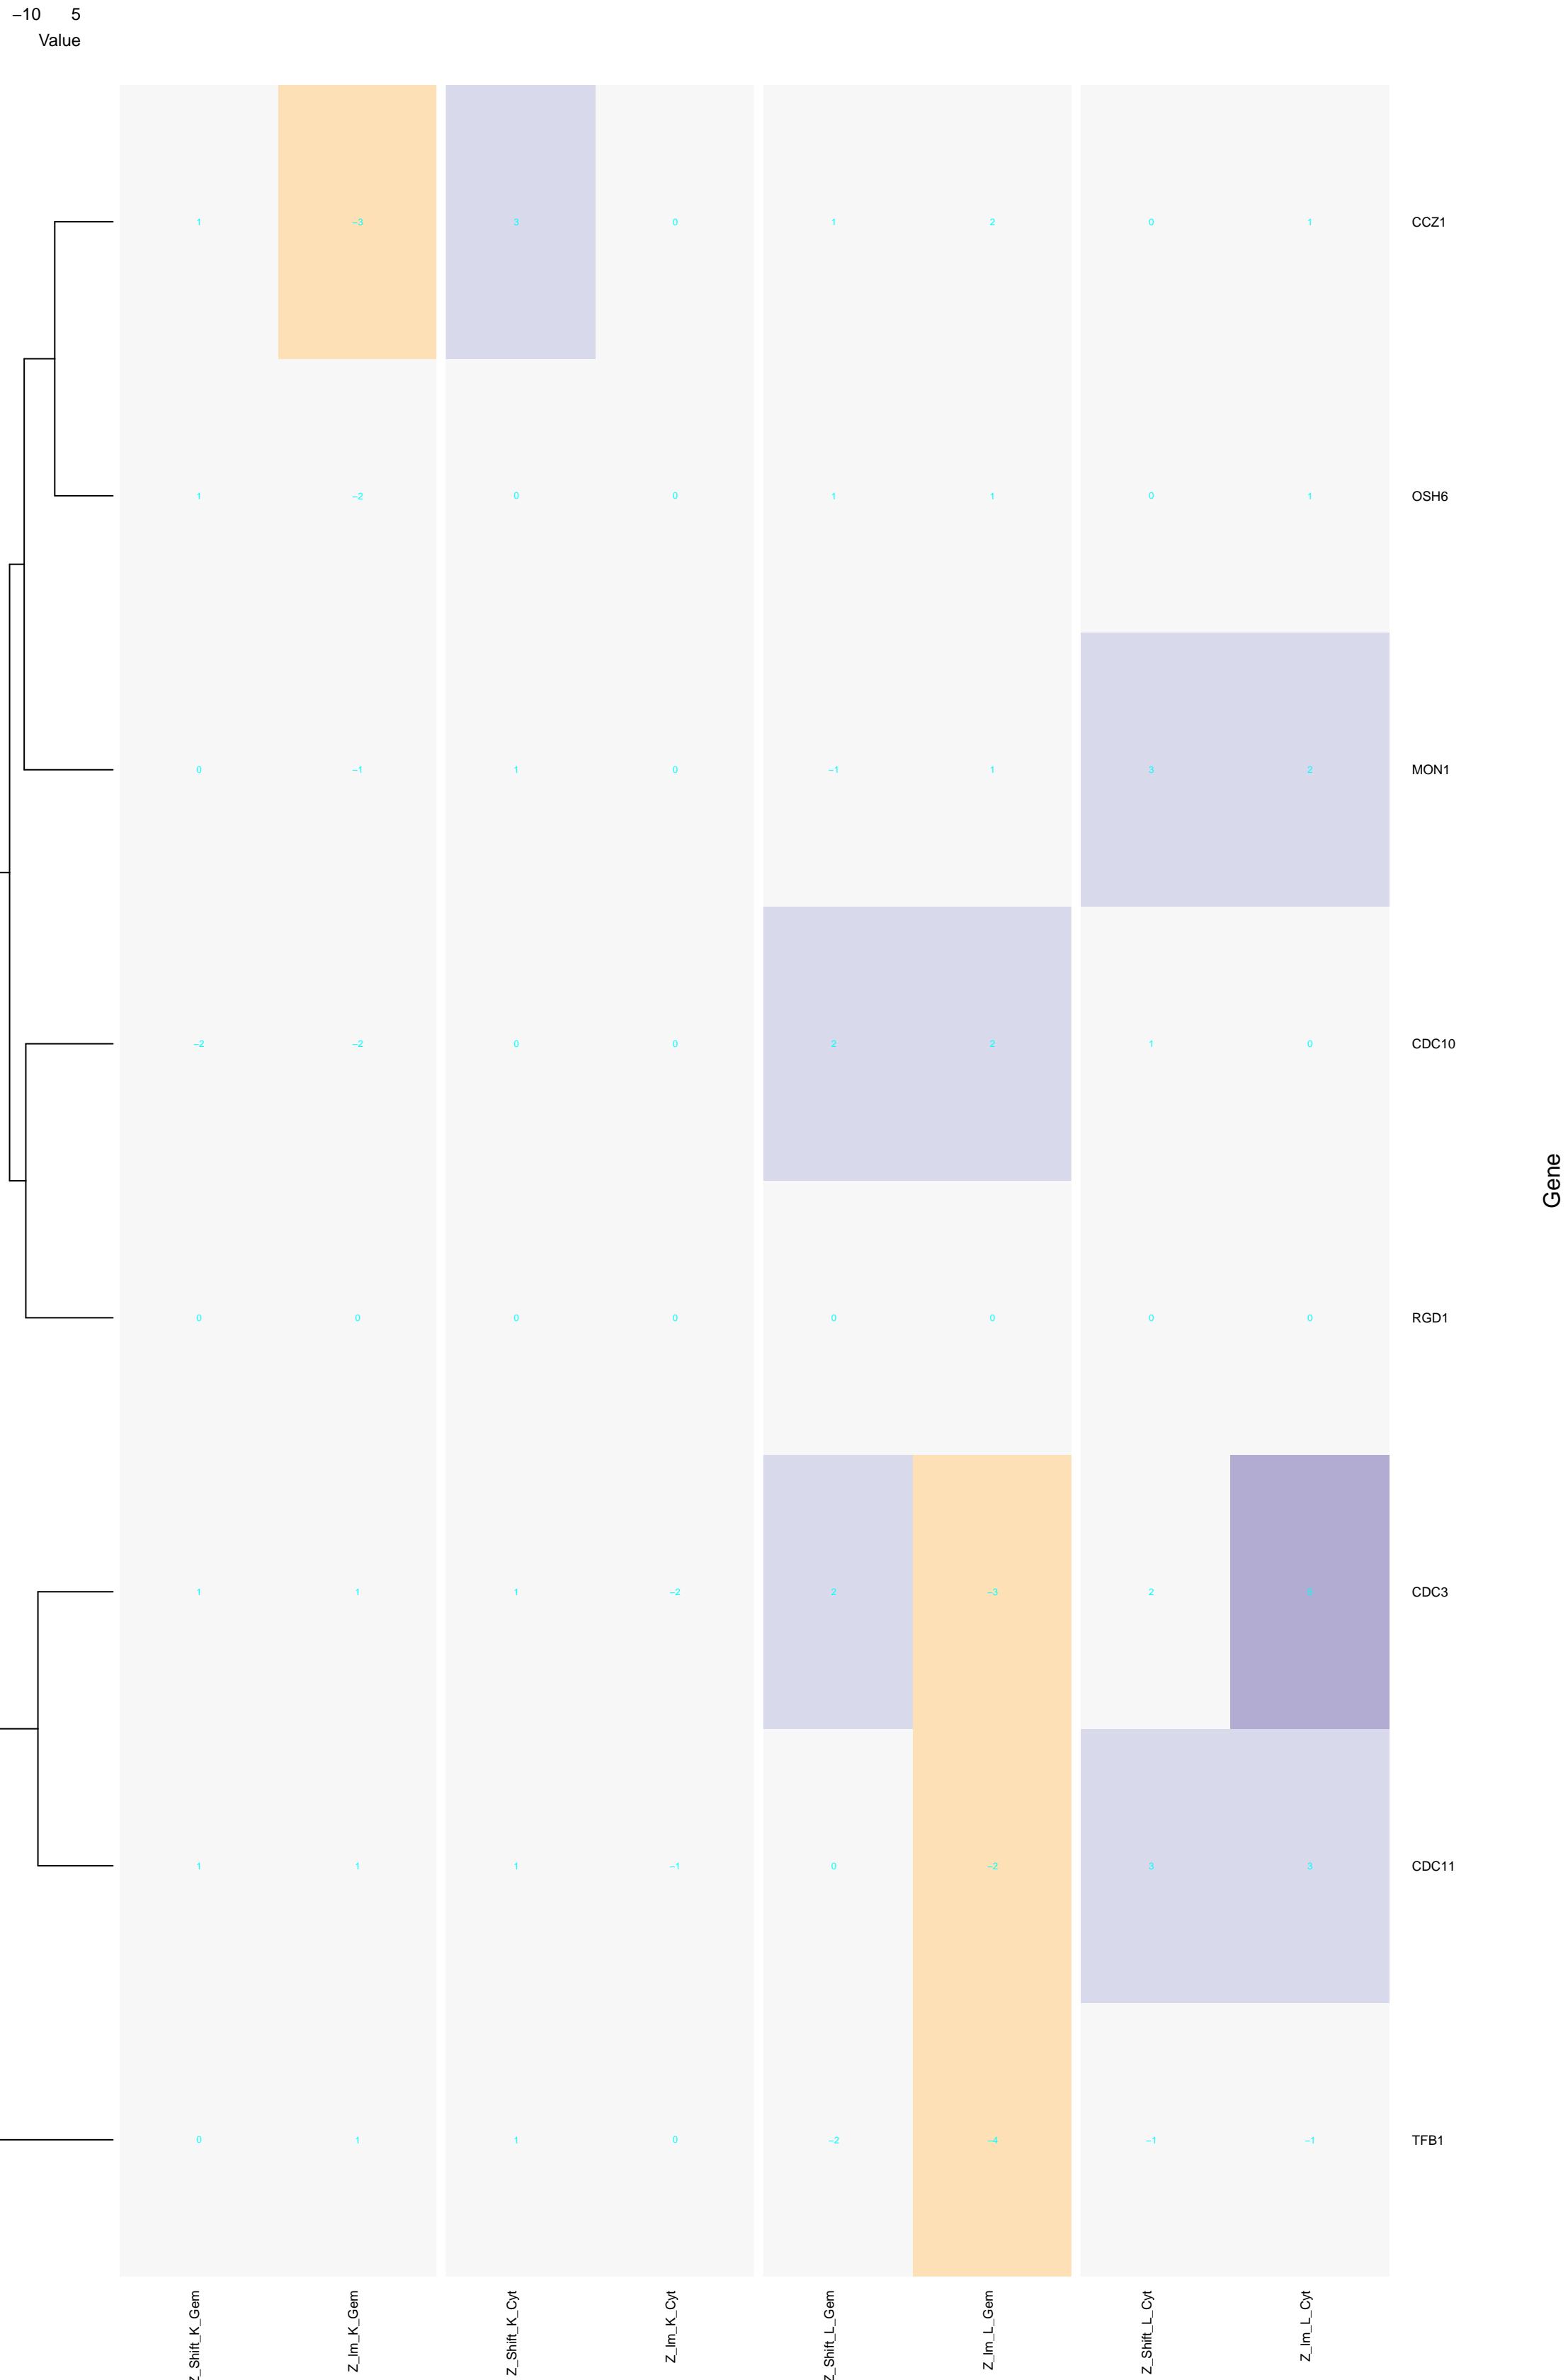

# phosphatidylinositol phosphate binding

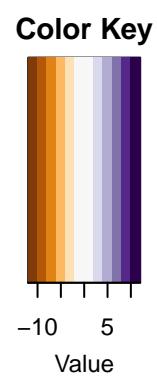

Color Key

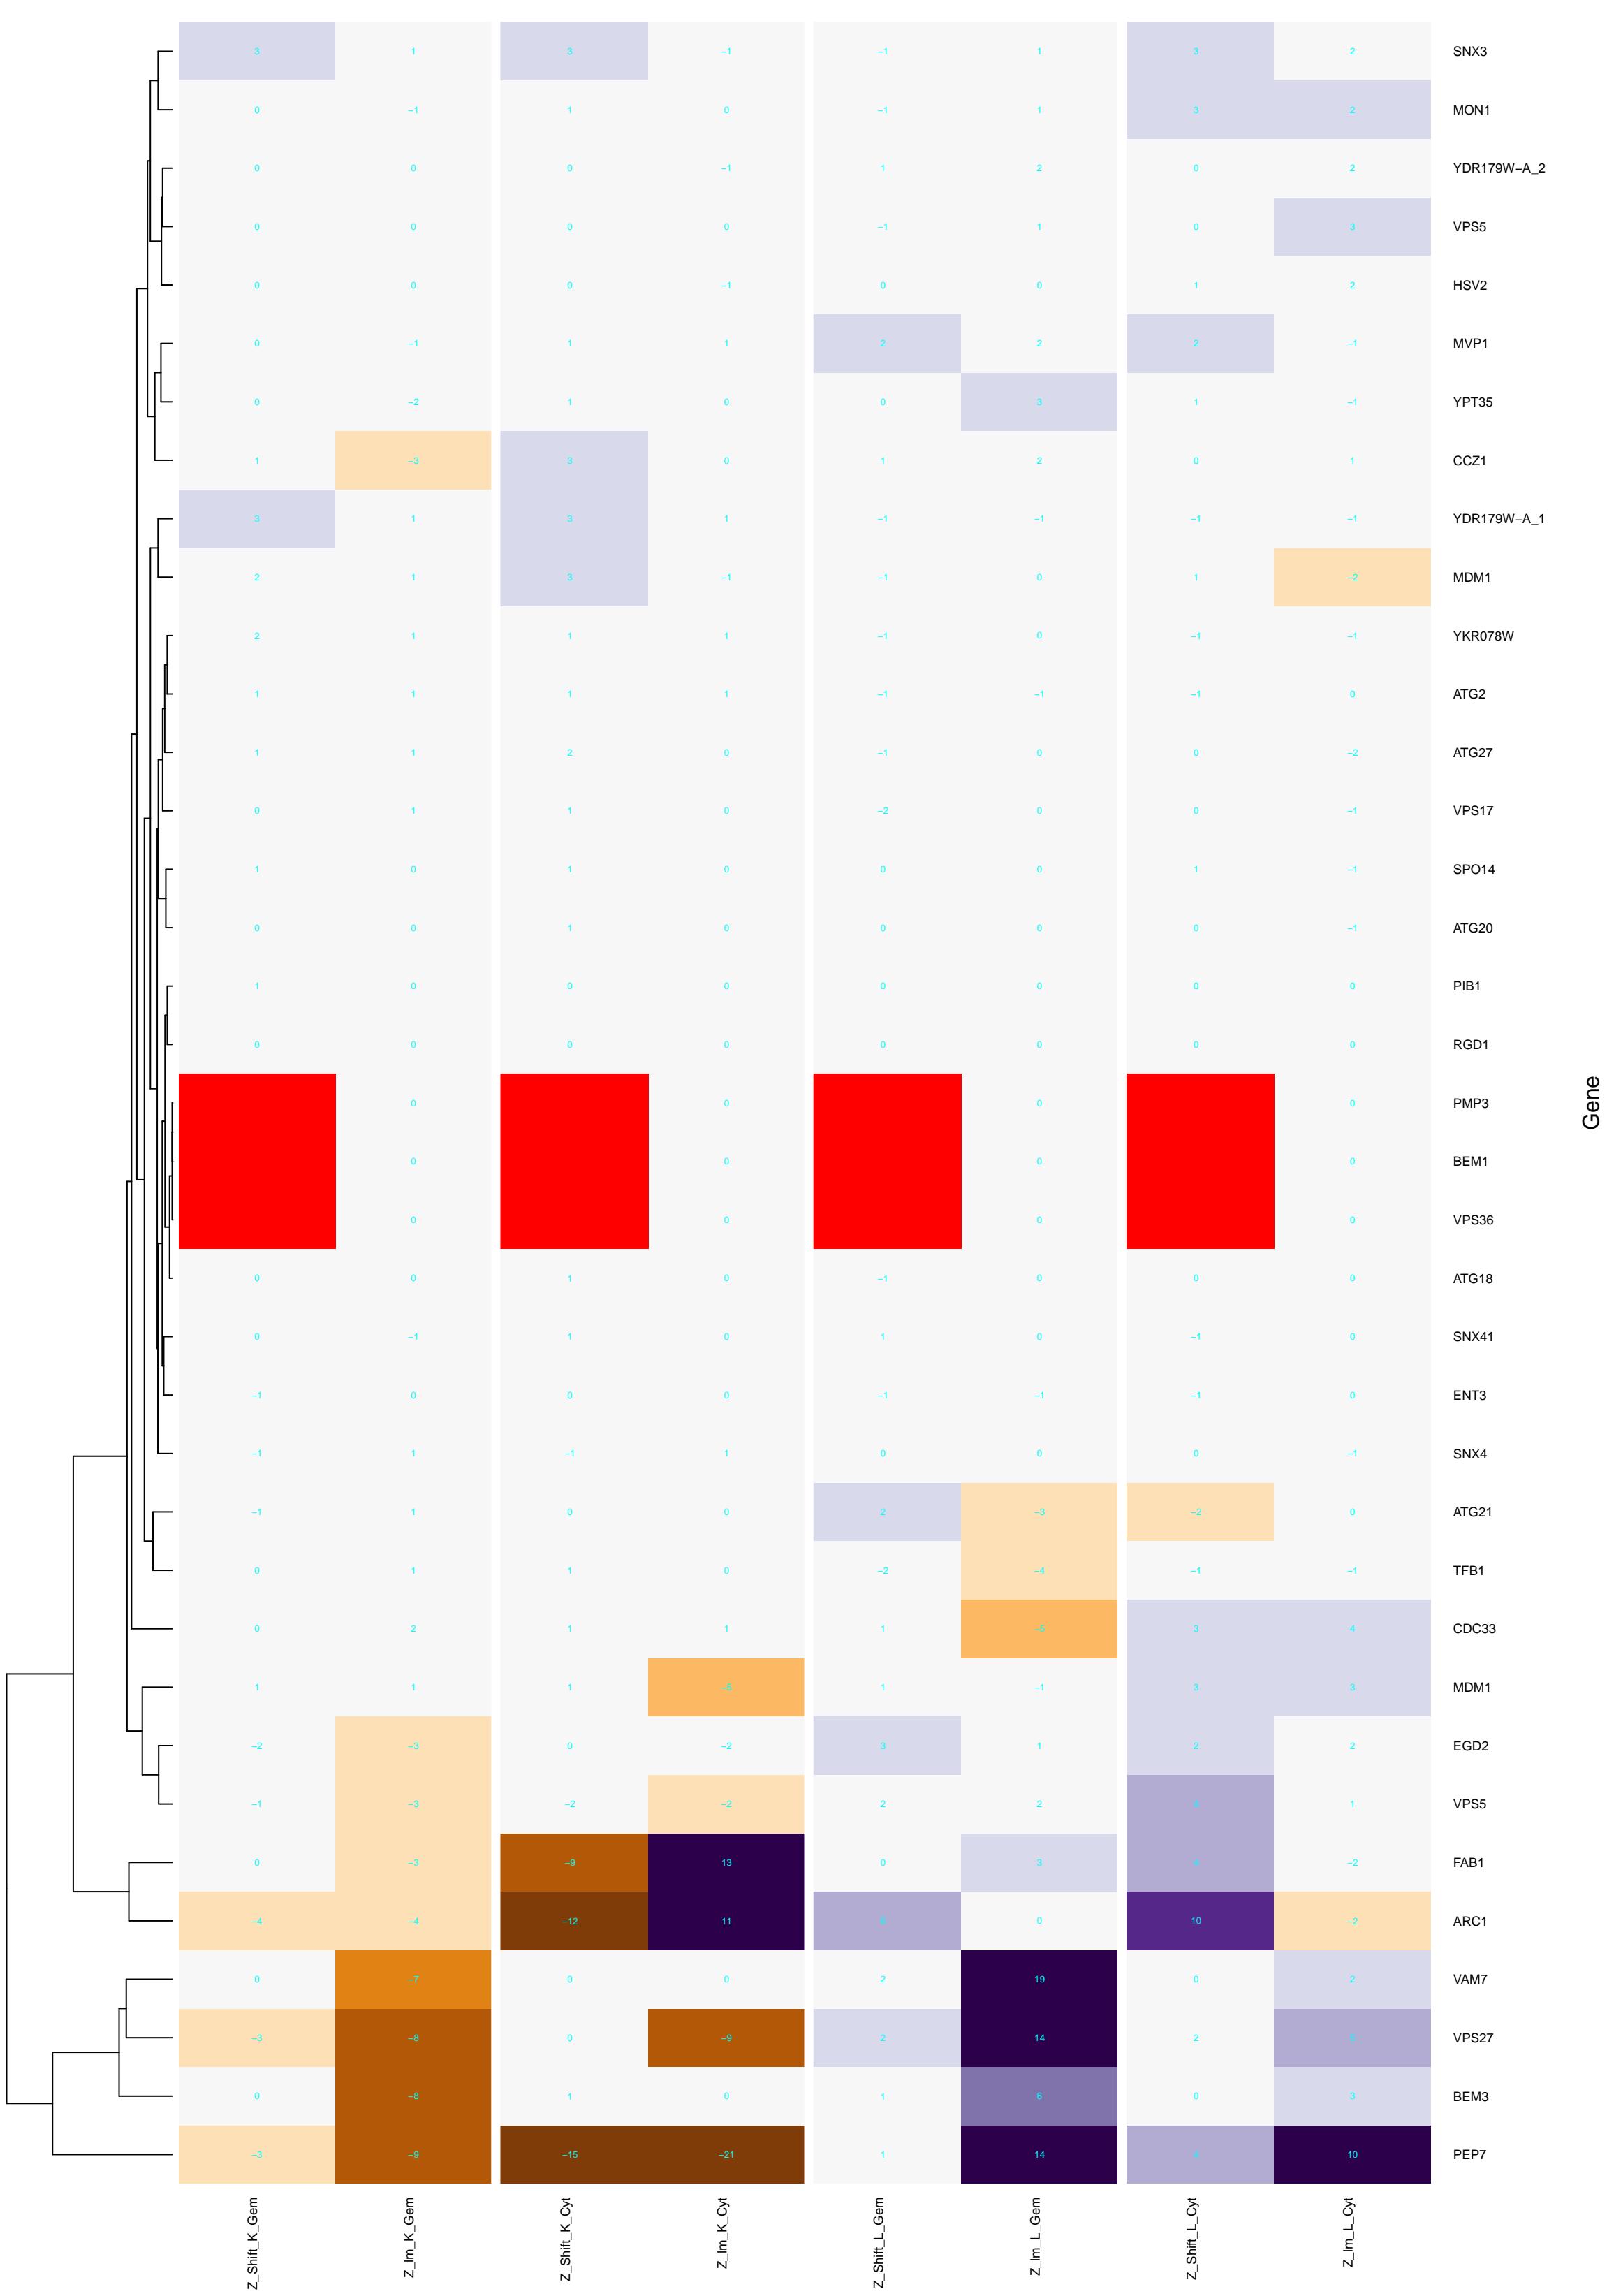

## phosphatidylinositol-5-phosphate binding

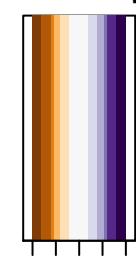

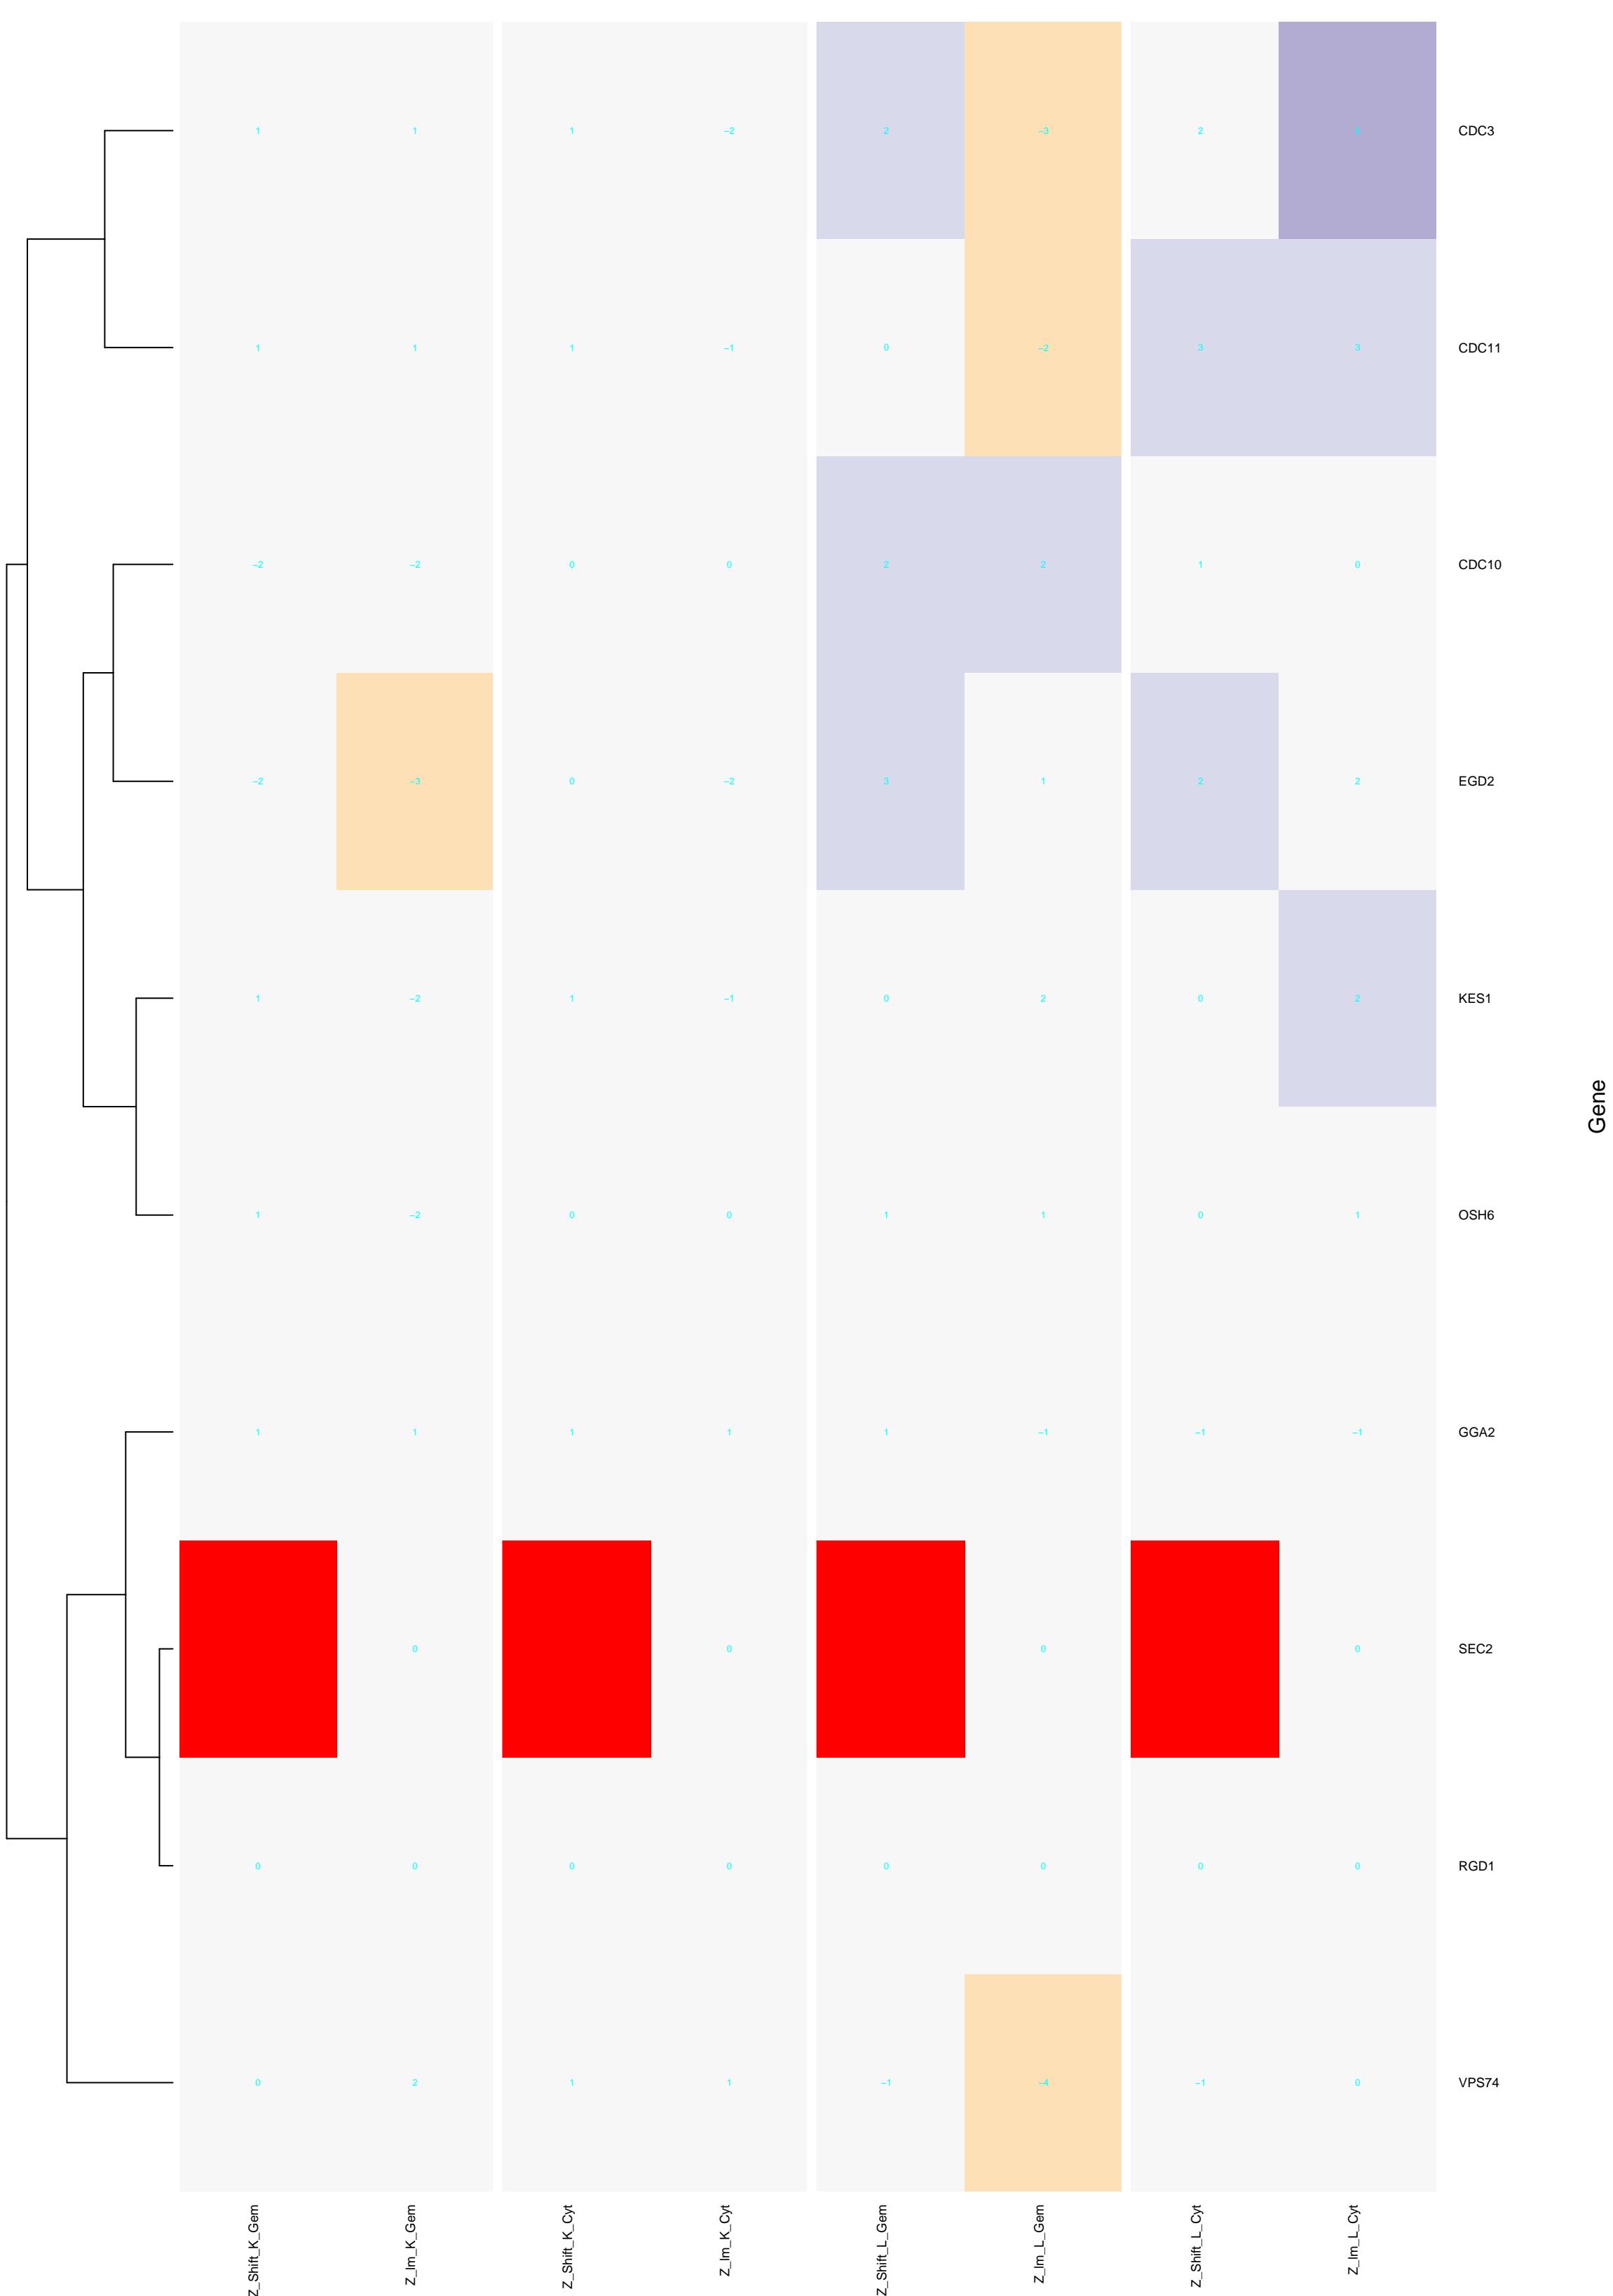

# phosphatidylinositol-3-phosphate binding

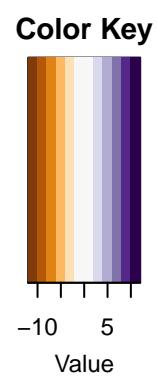

Color Key

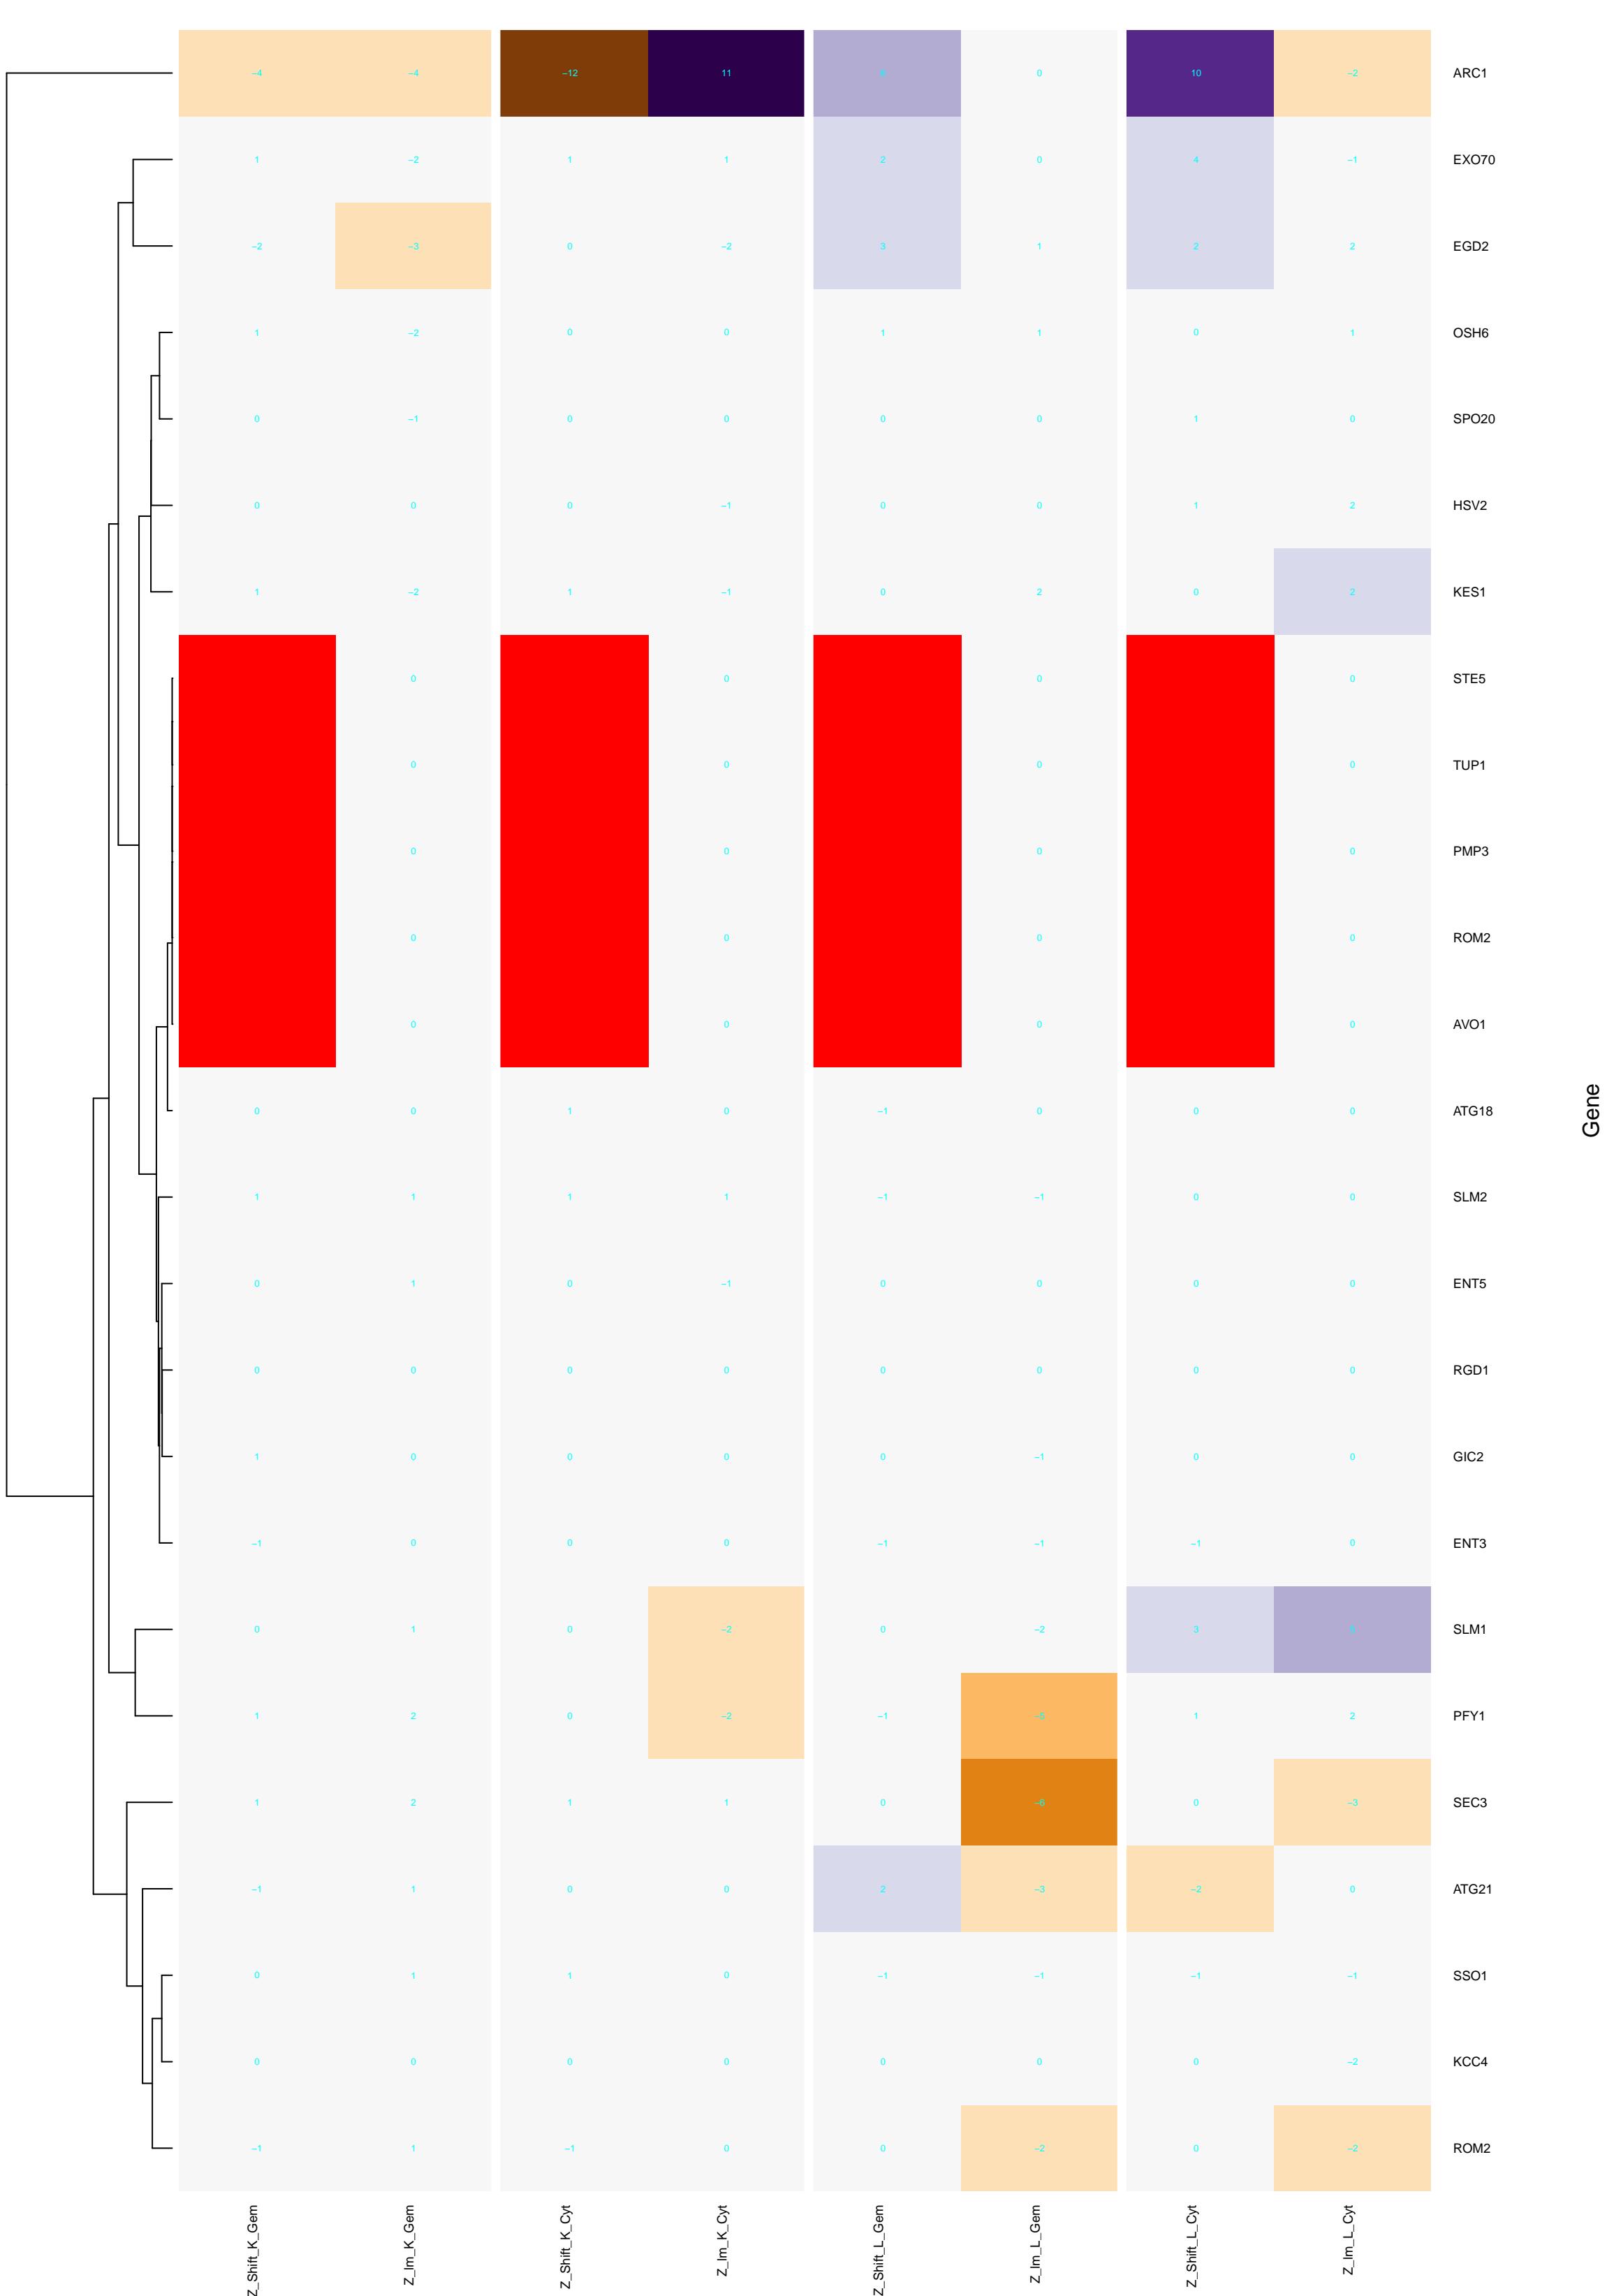

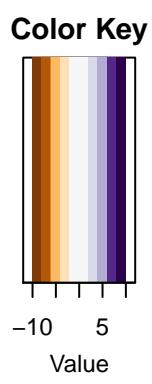

## phosphatidylinositol-4-phosphate binding

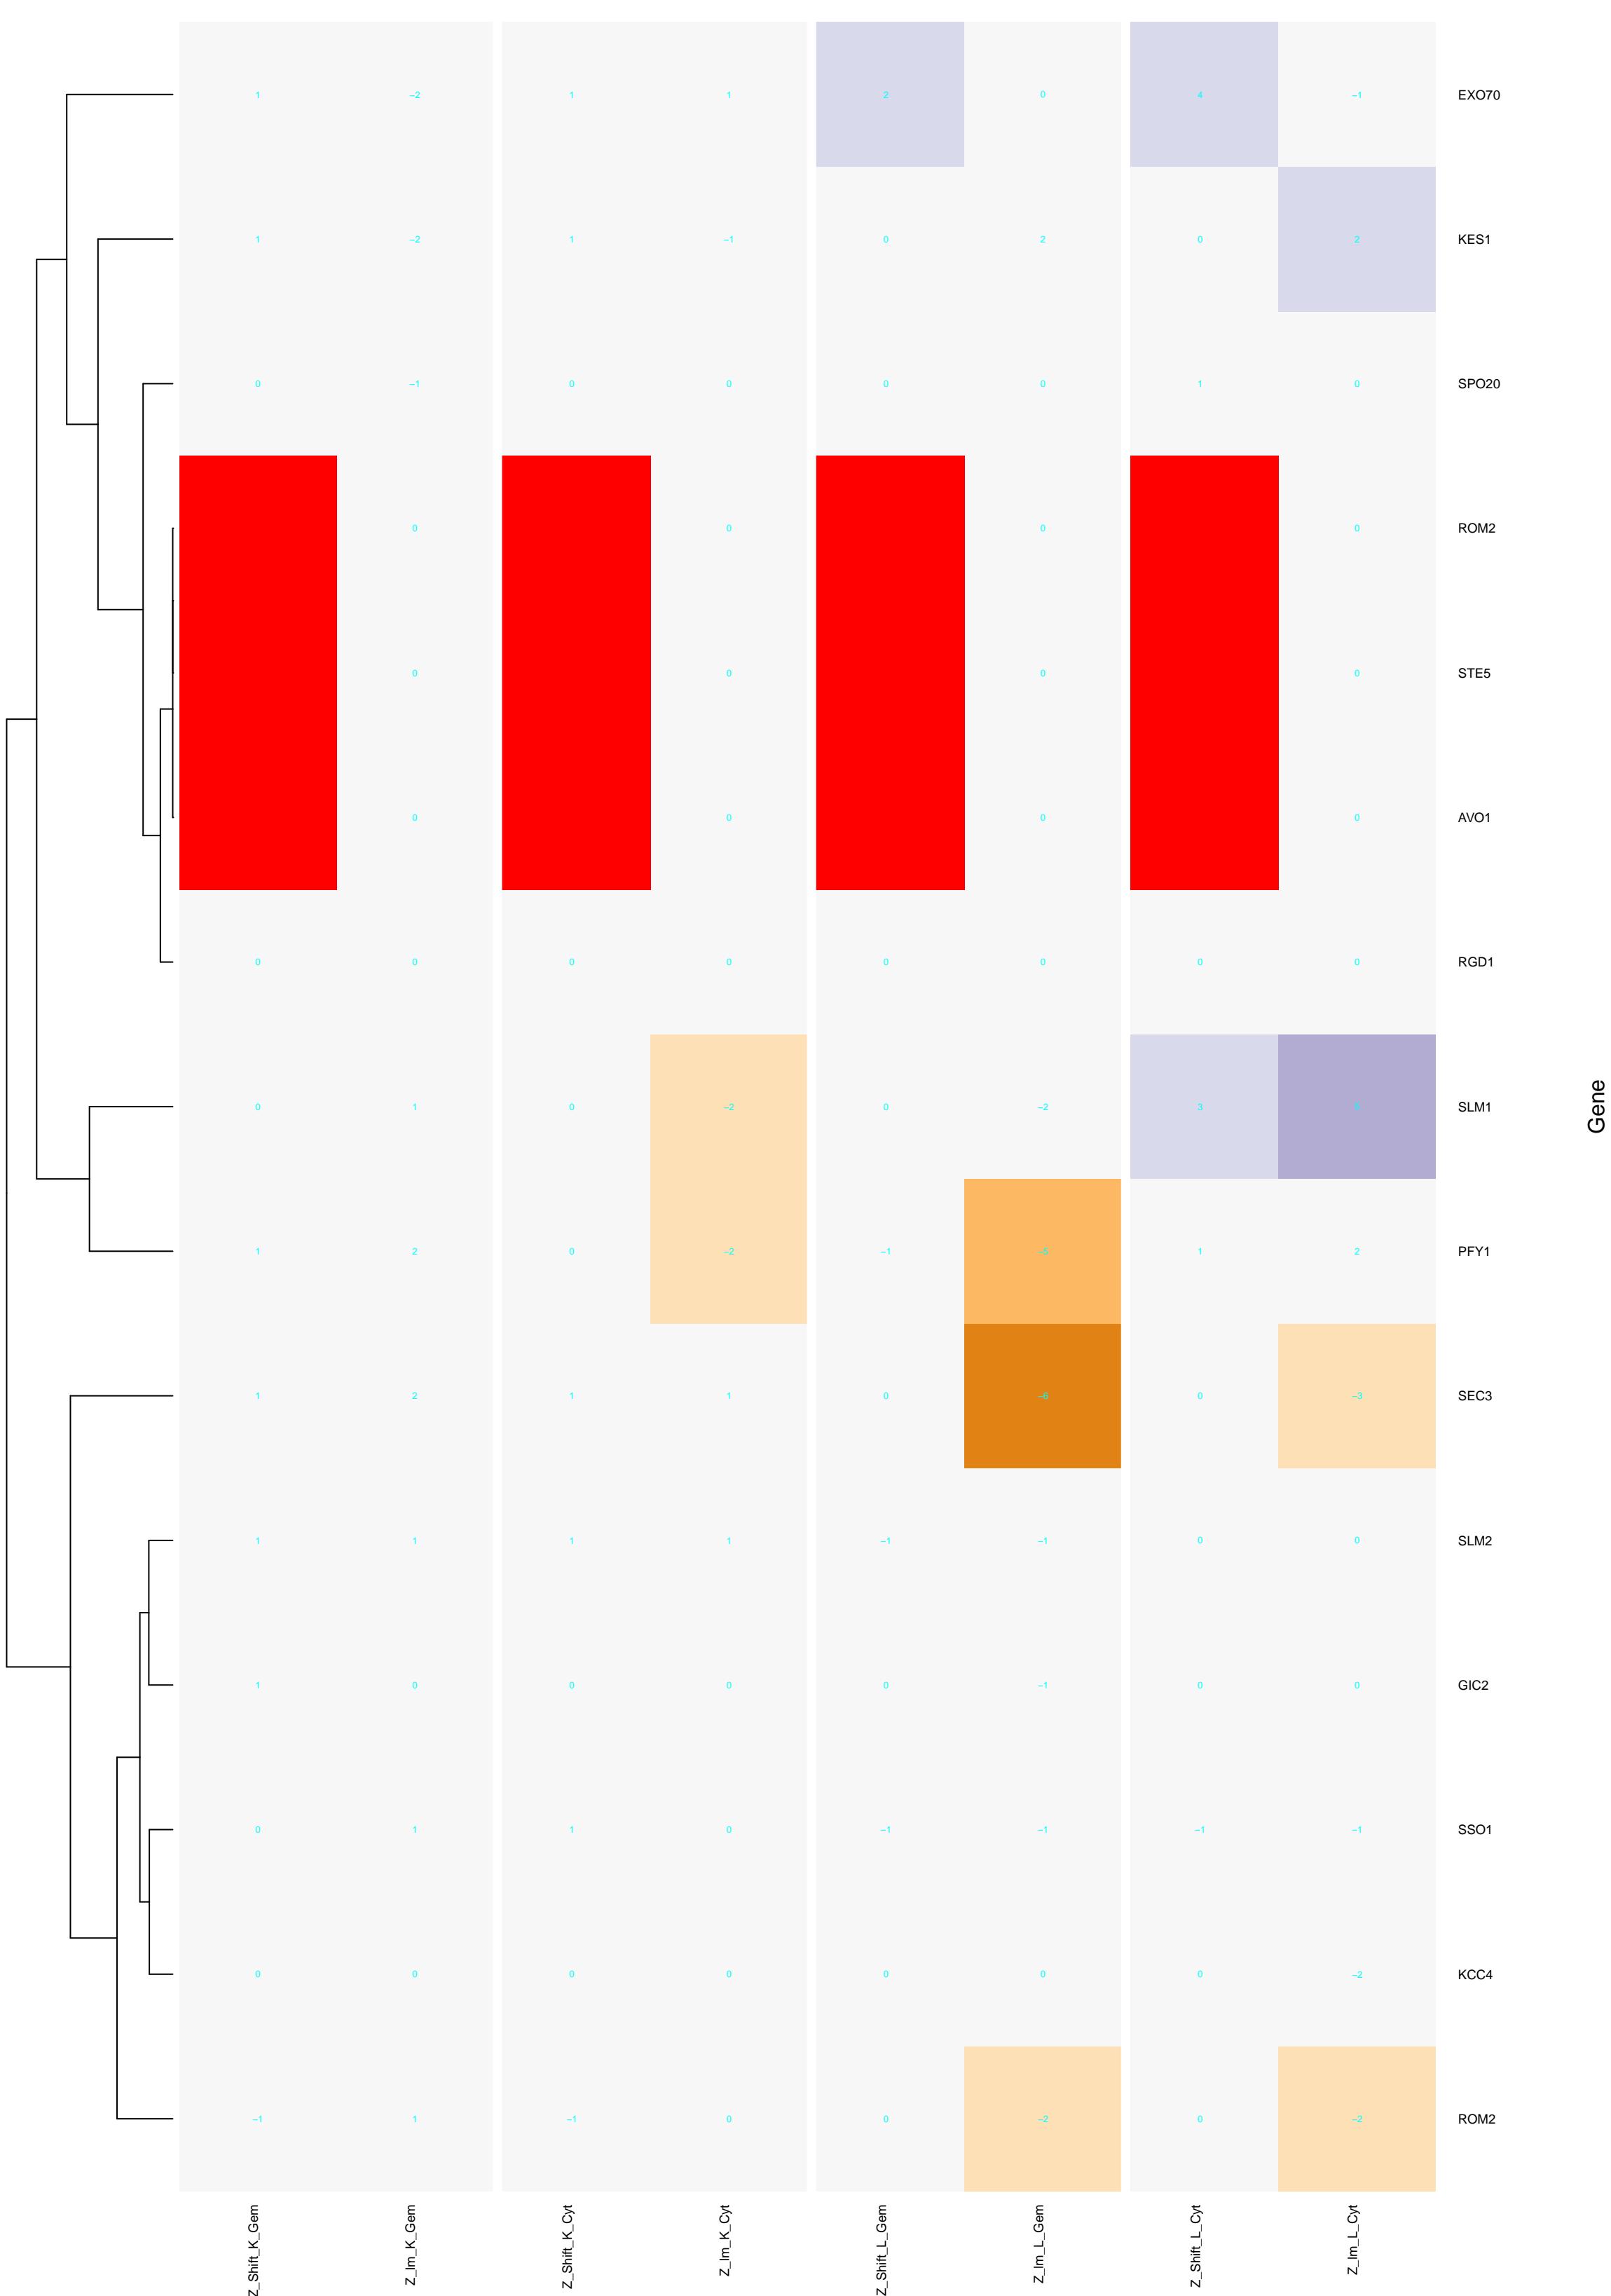

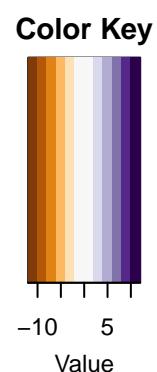

## phosphatidylinositol bisphosphate binding

## phosphatidylinositol-4,5-bisphosphate binding

## phosphatidylinositol-3,5-bisphosphate binding
