

Color Key

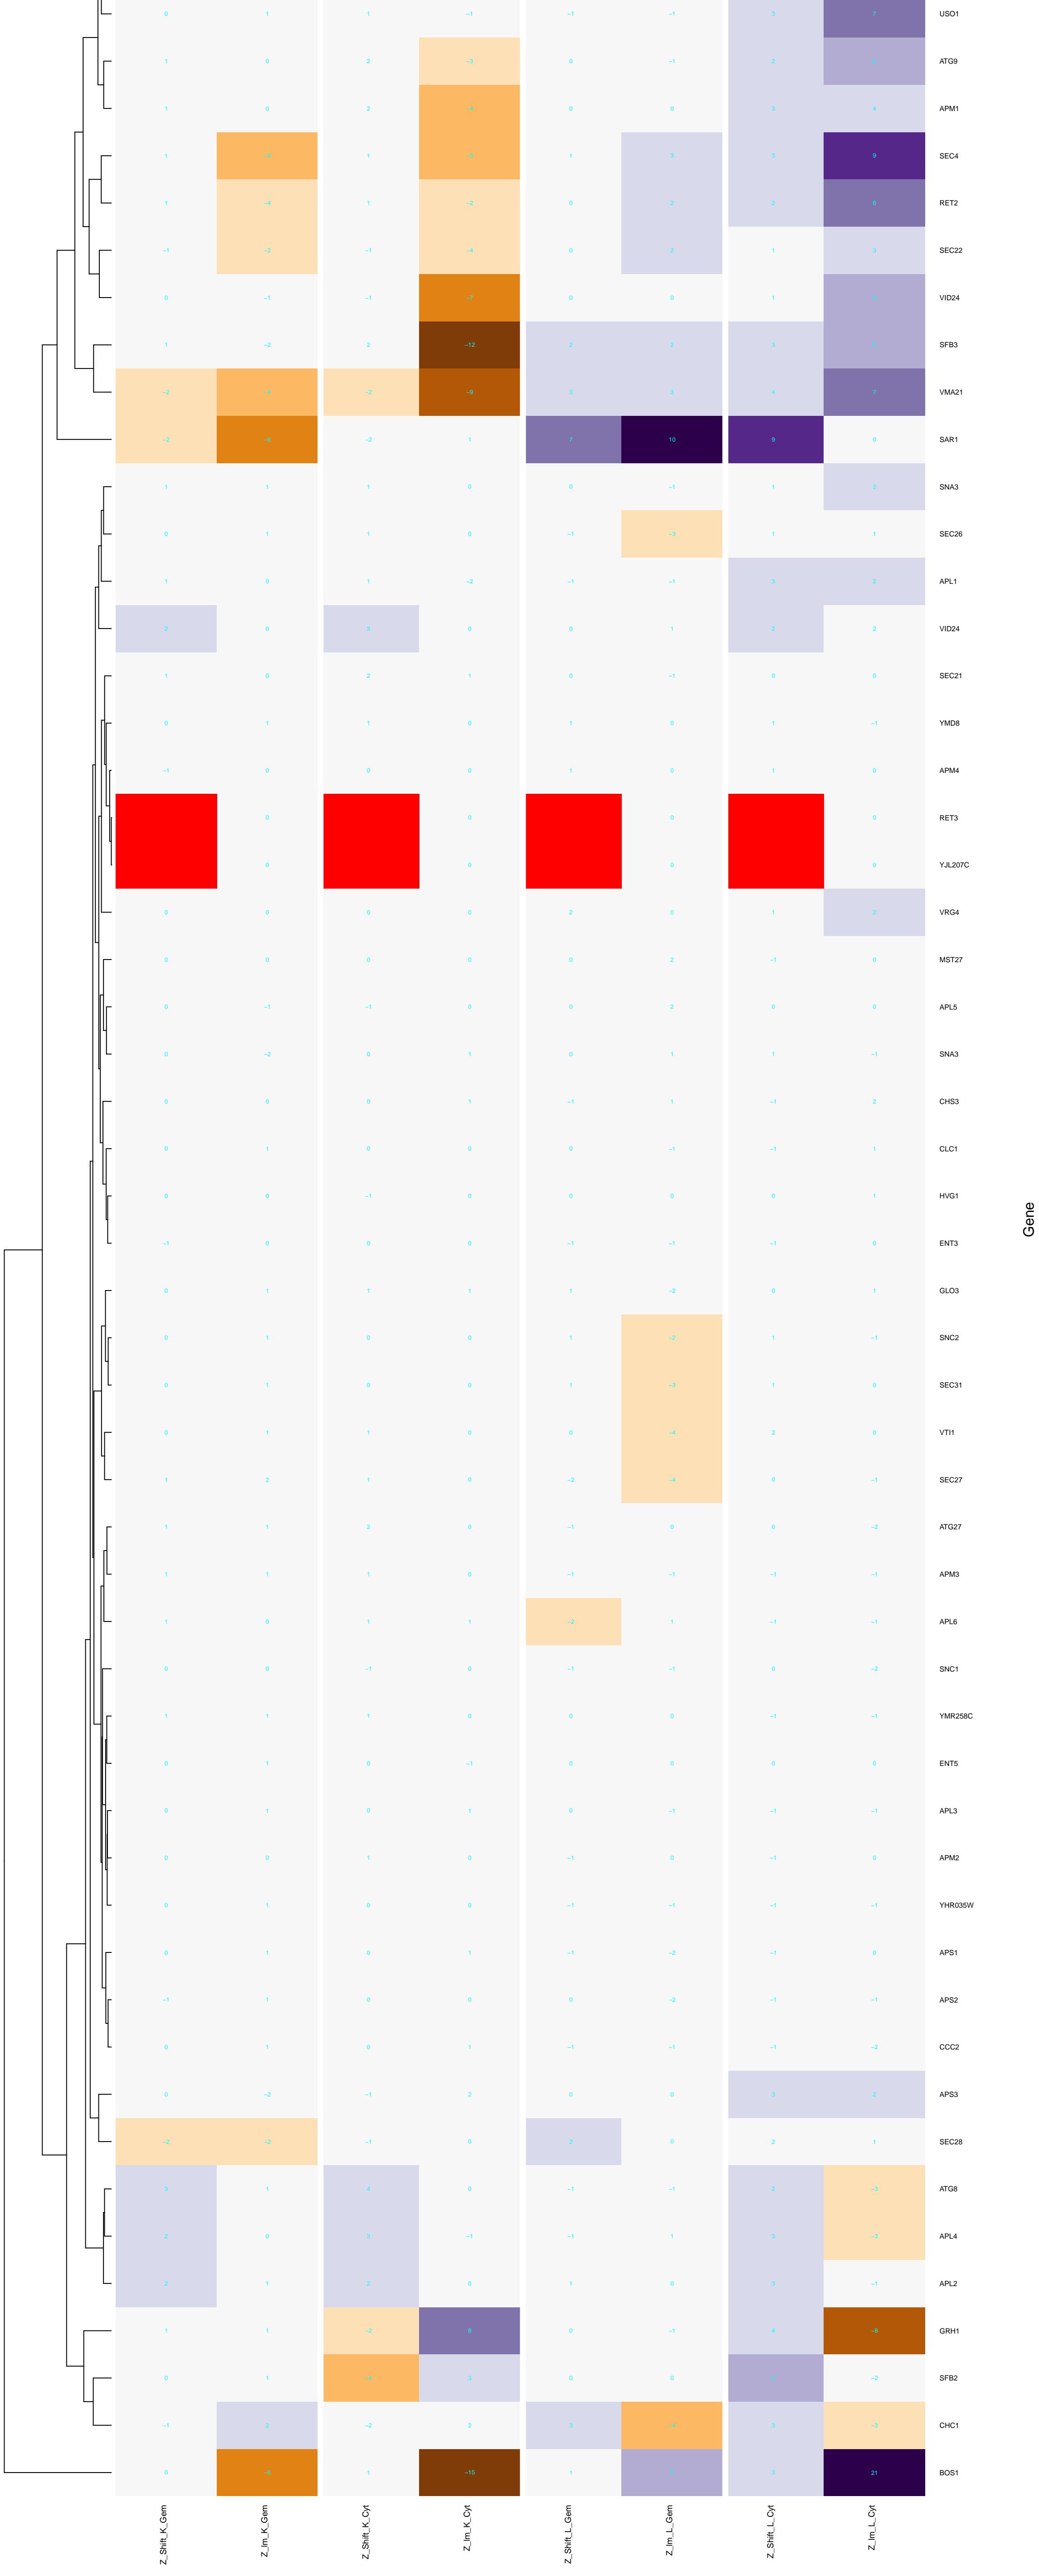

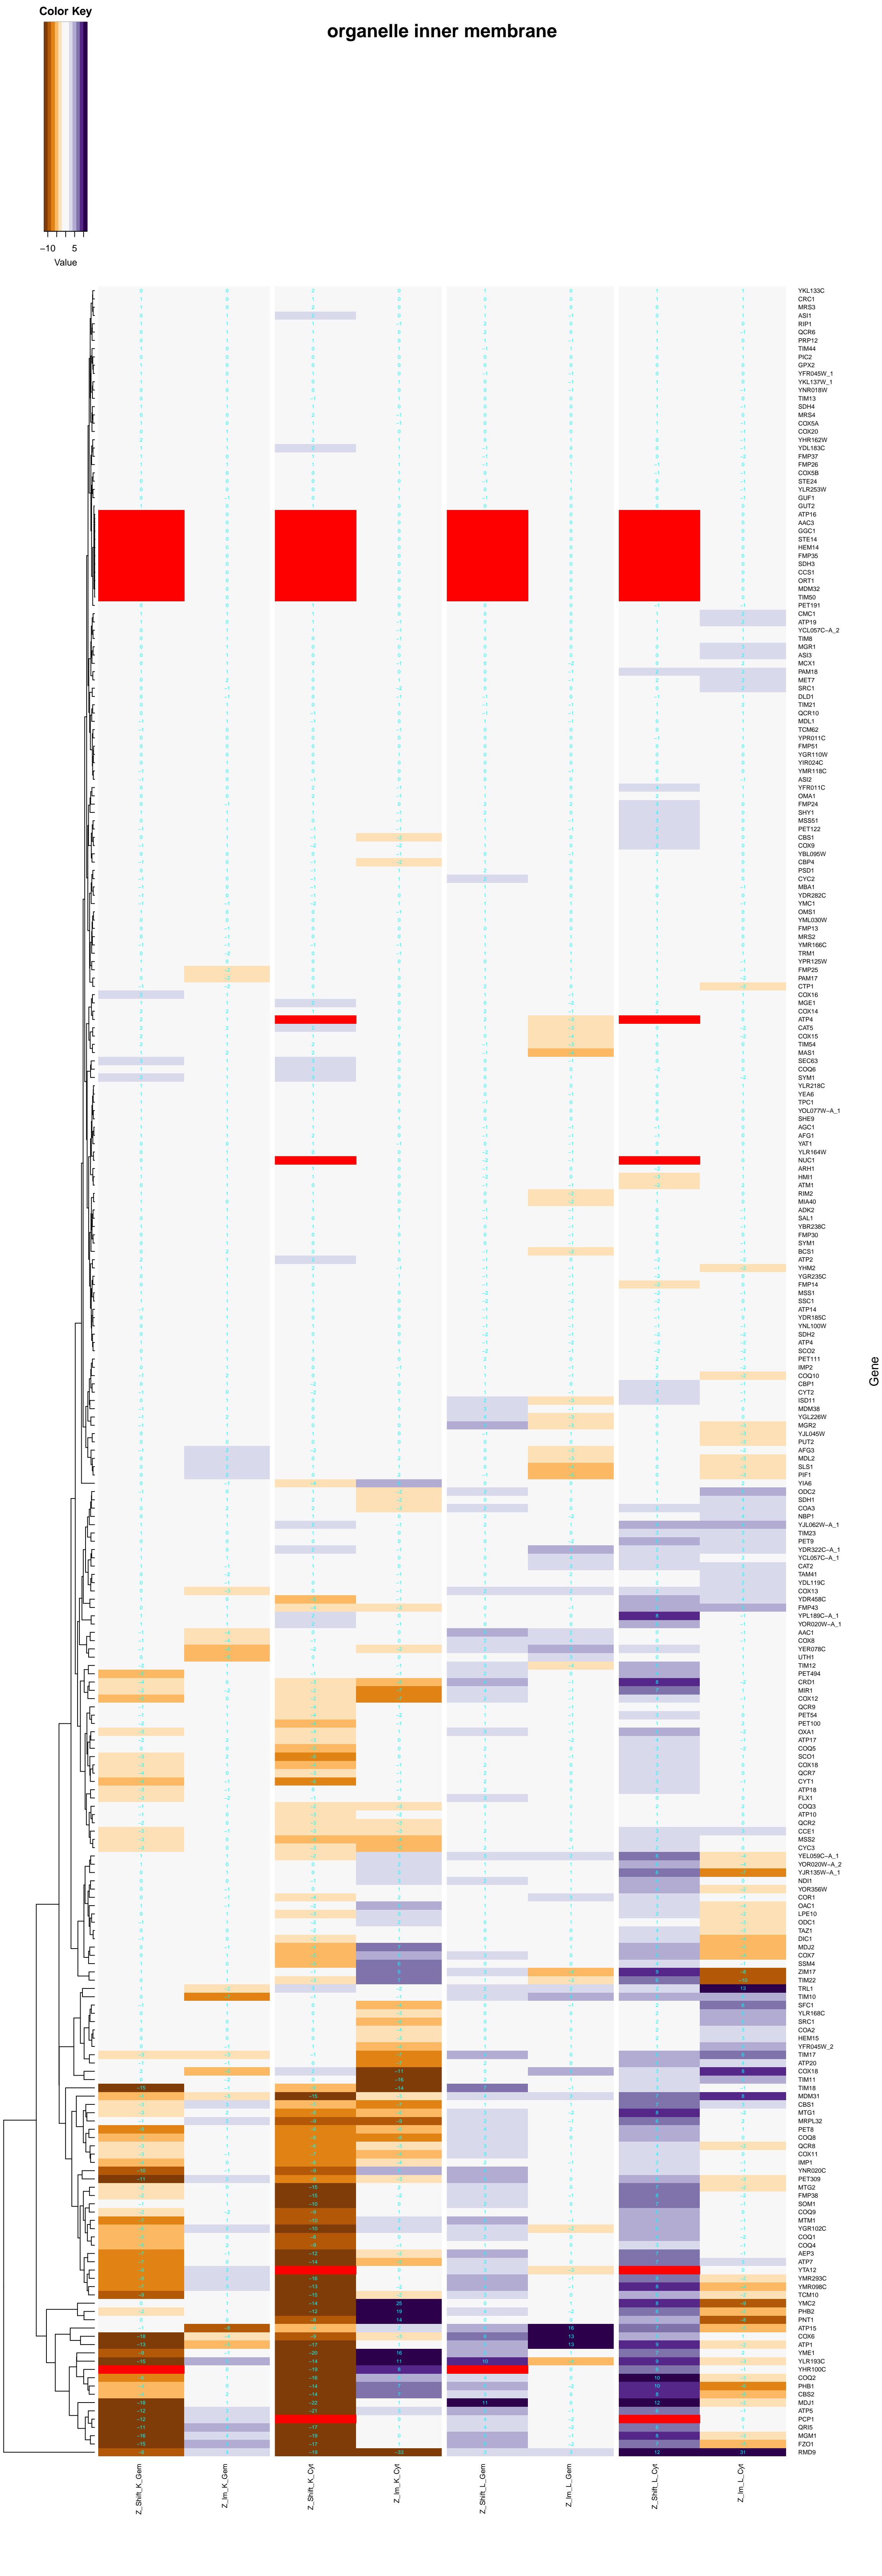

## organelle membrane

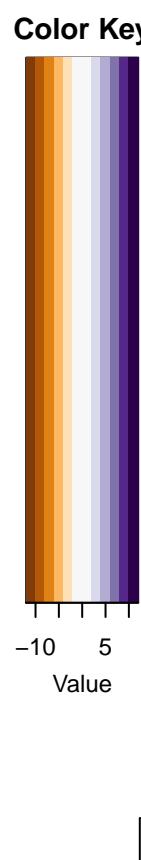

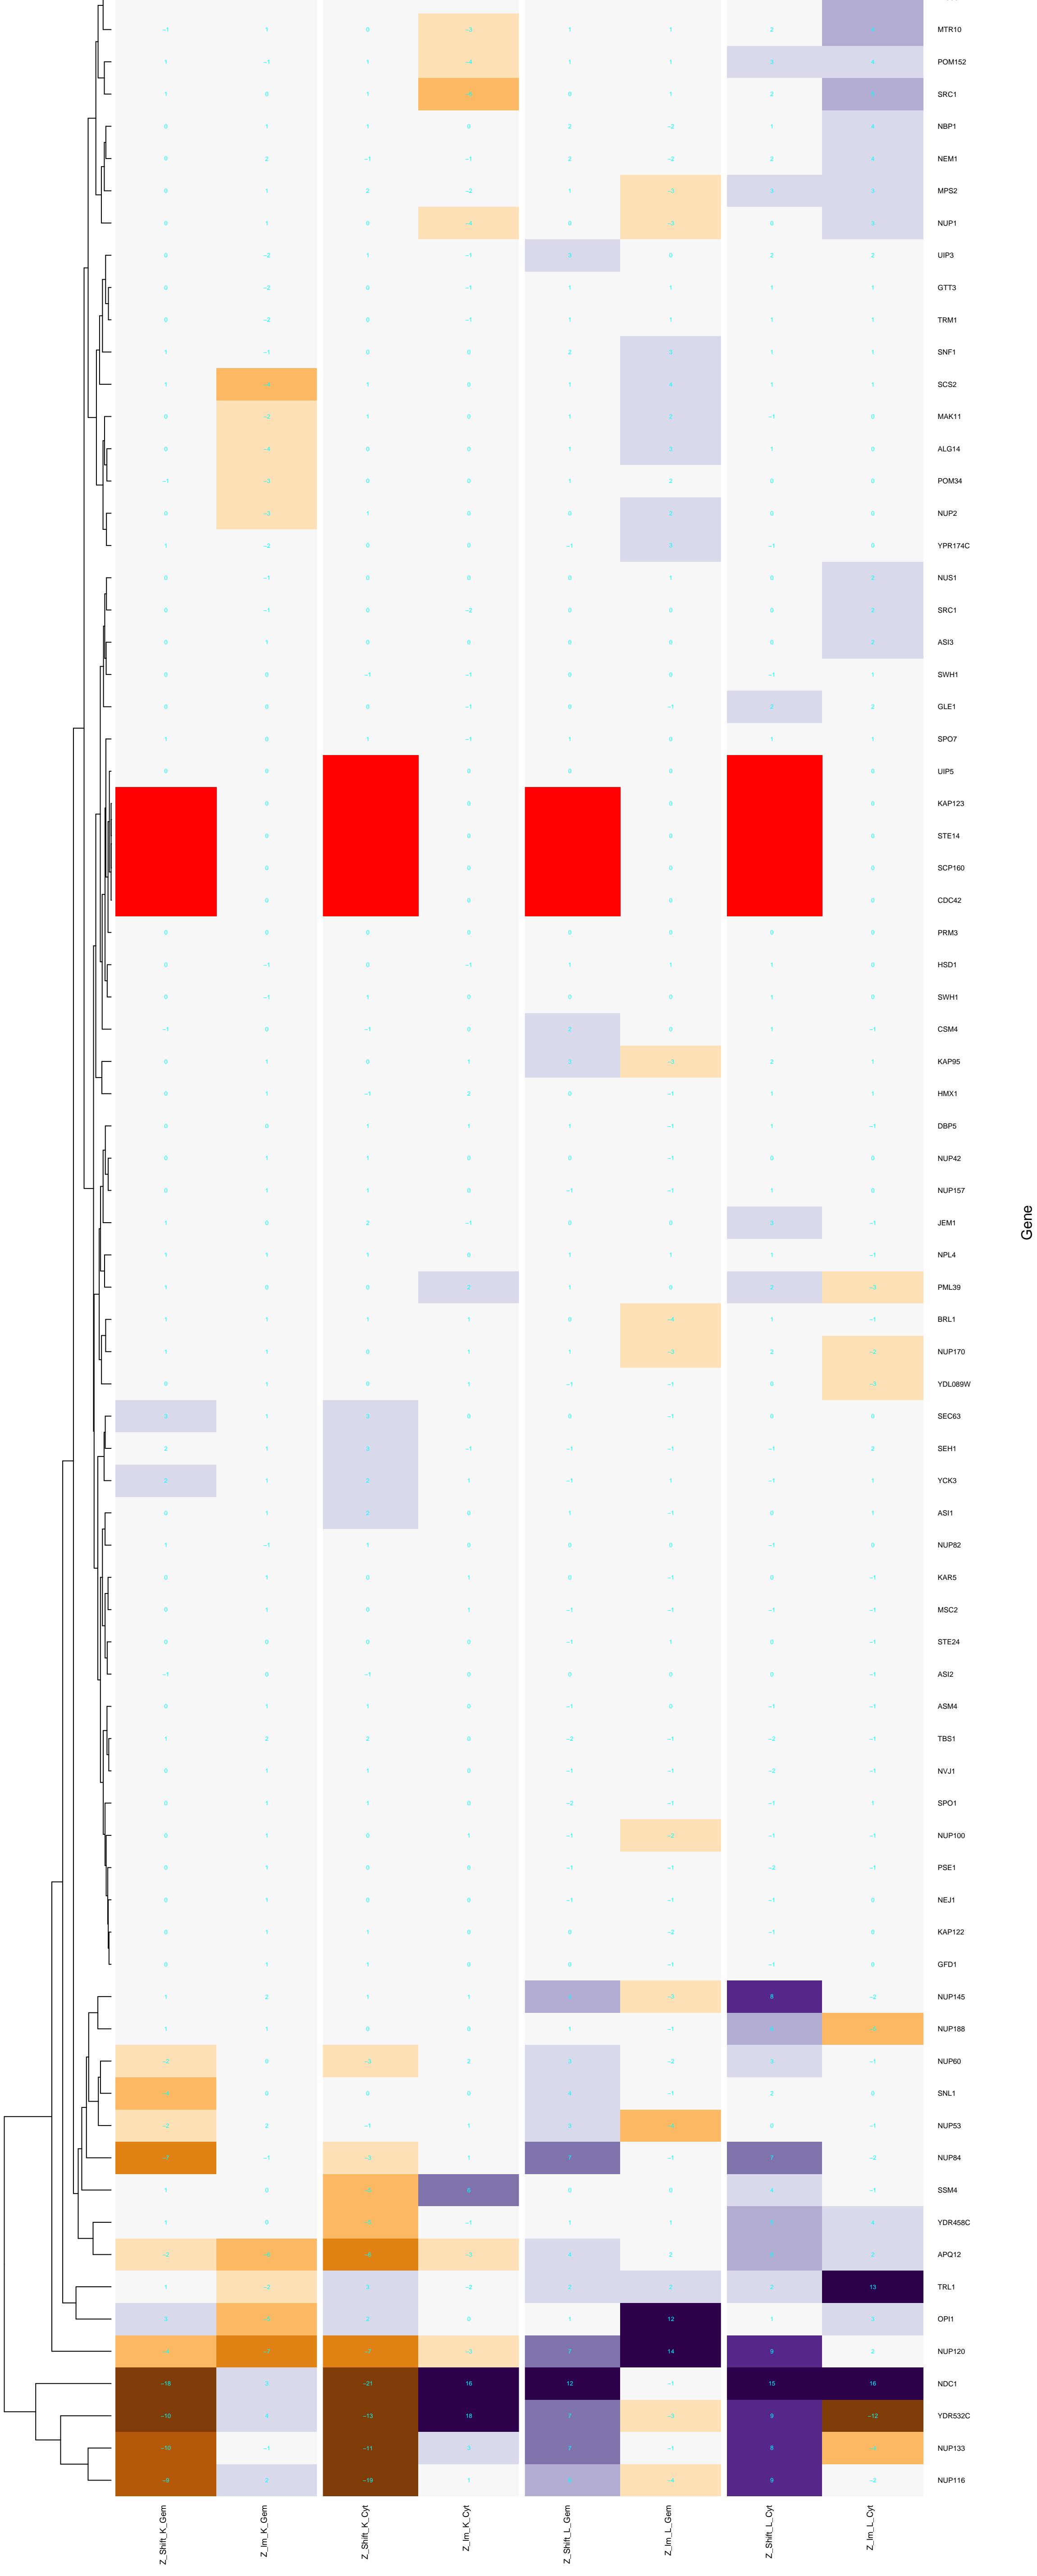

**vesicle membrane**

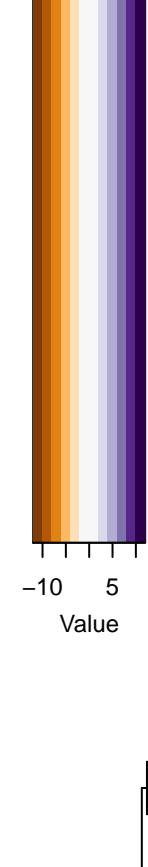

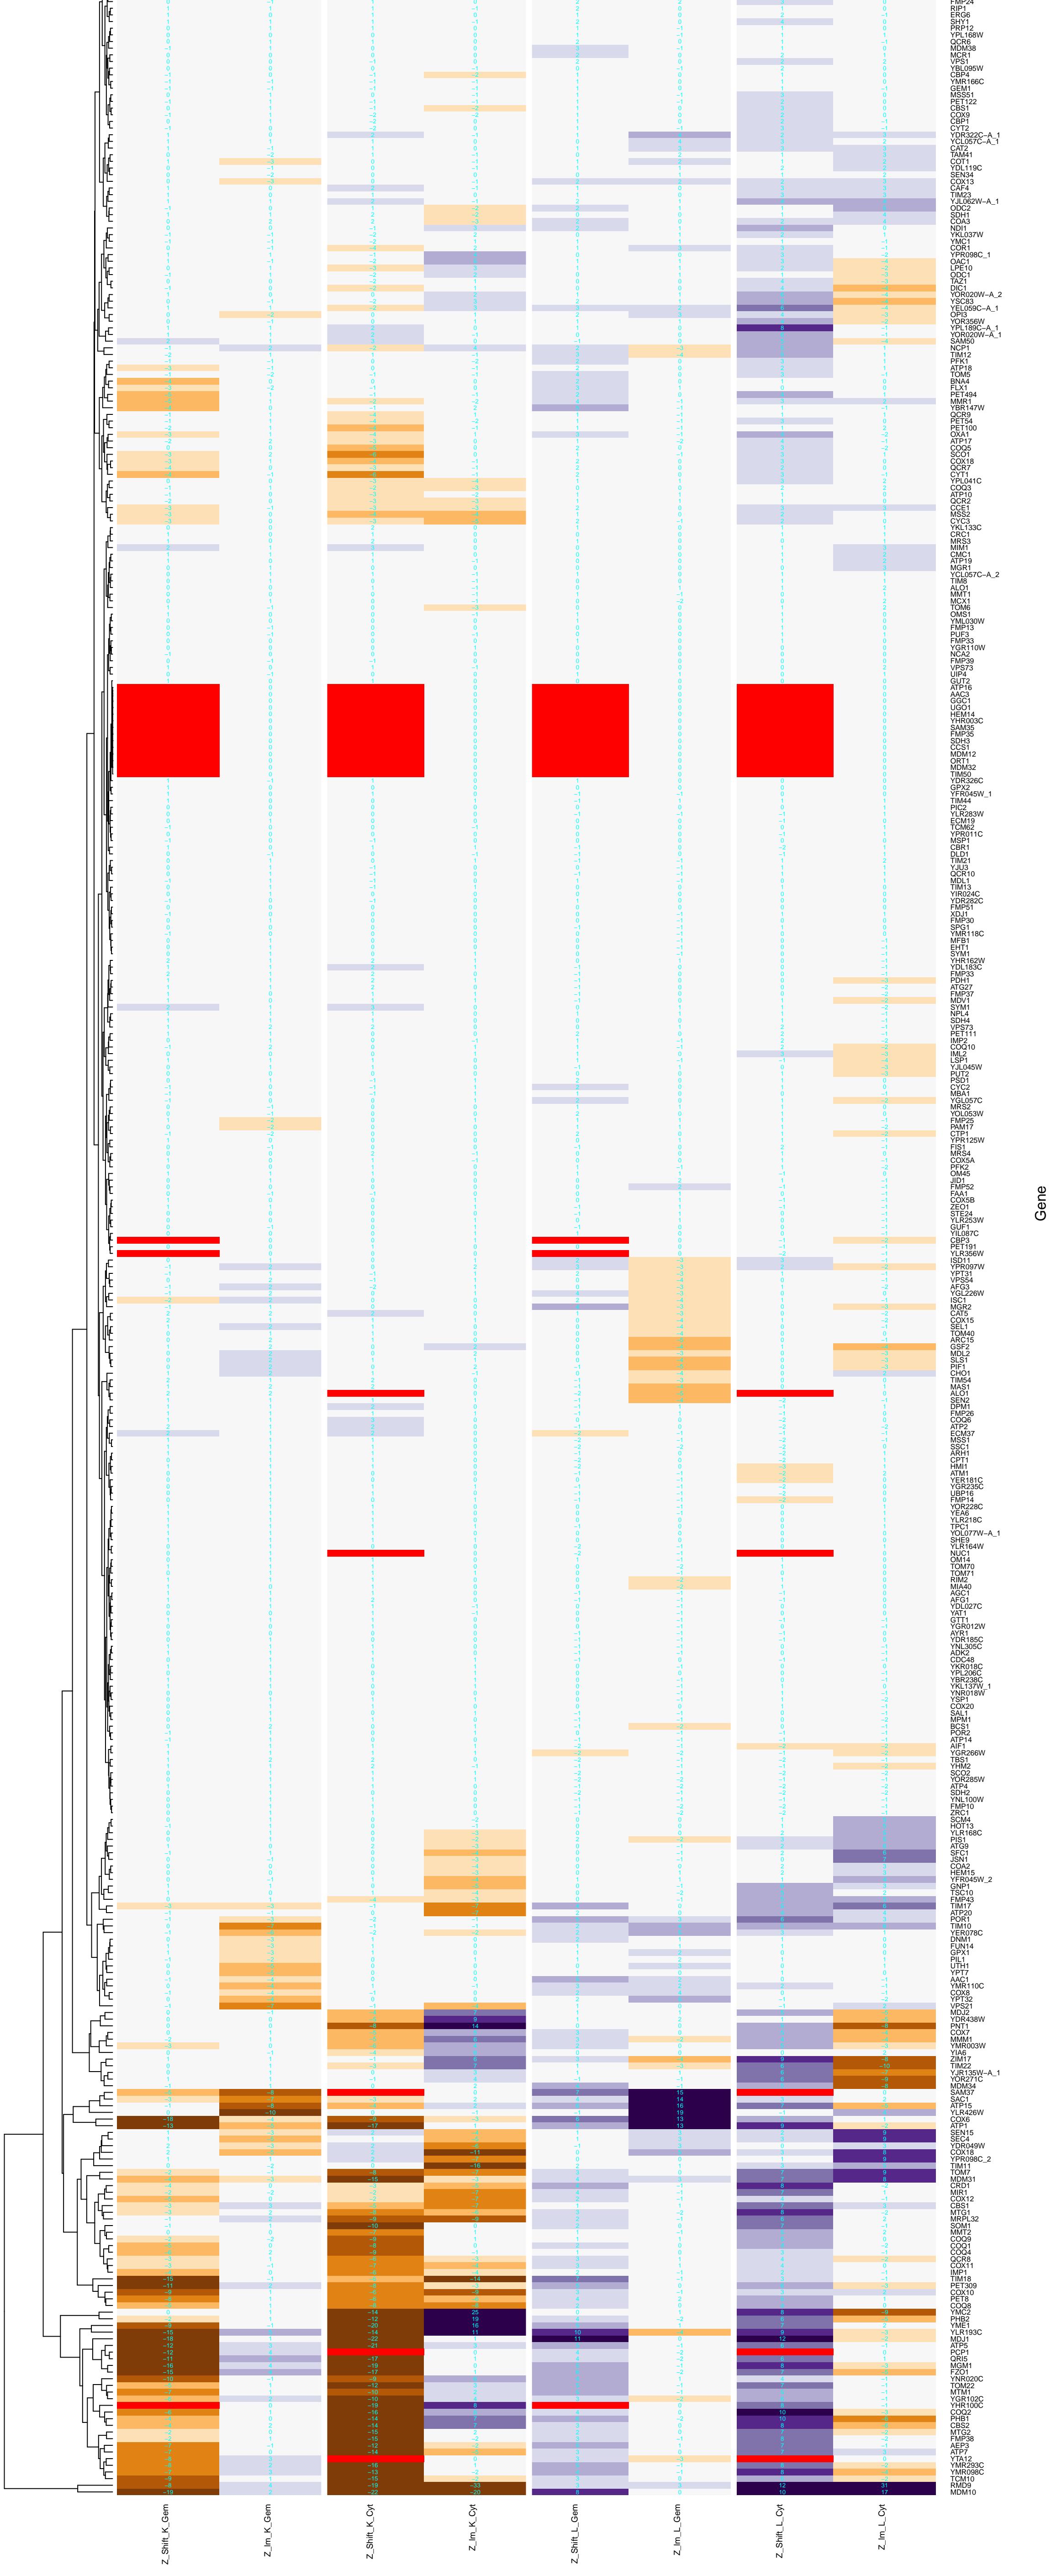

## nuclear membrane

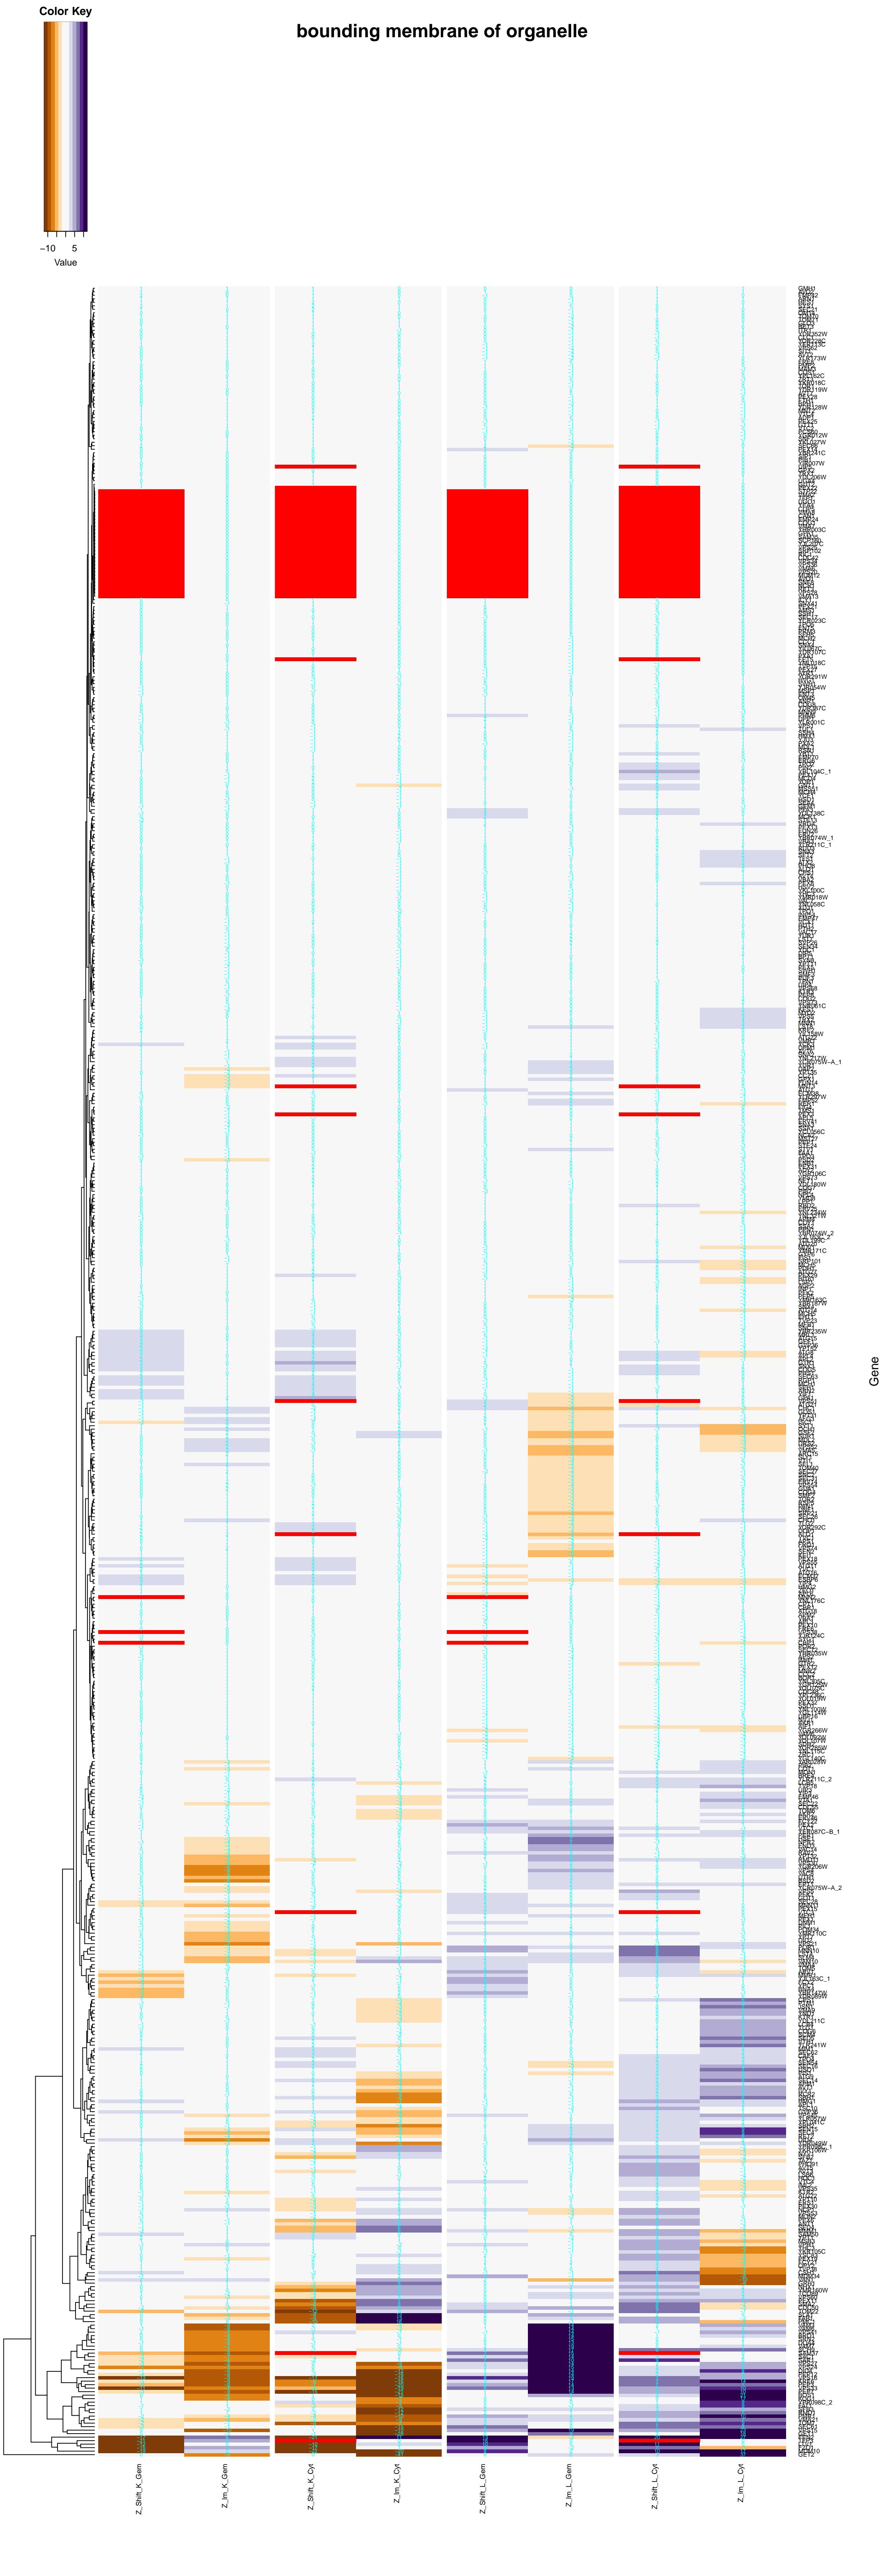

## Color Key

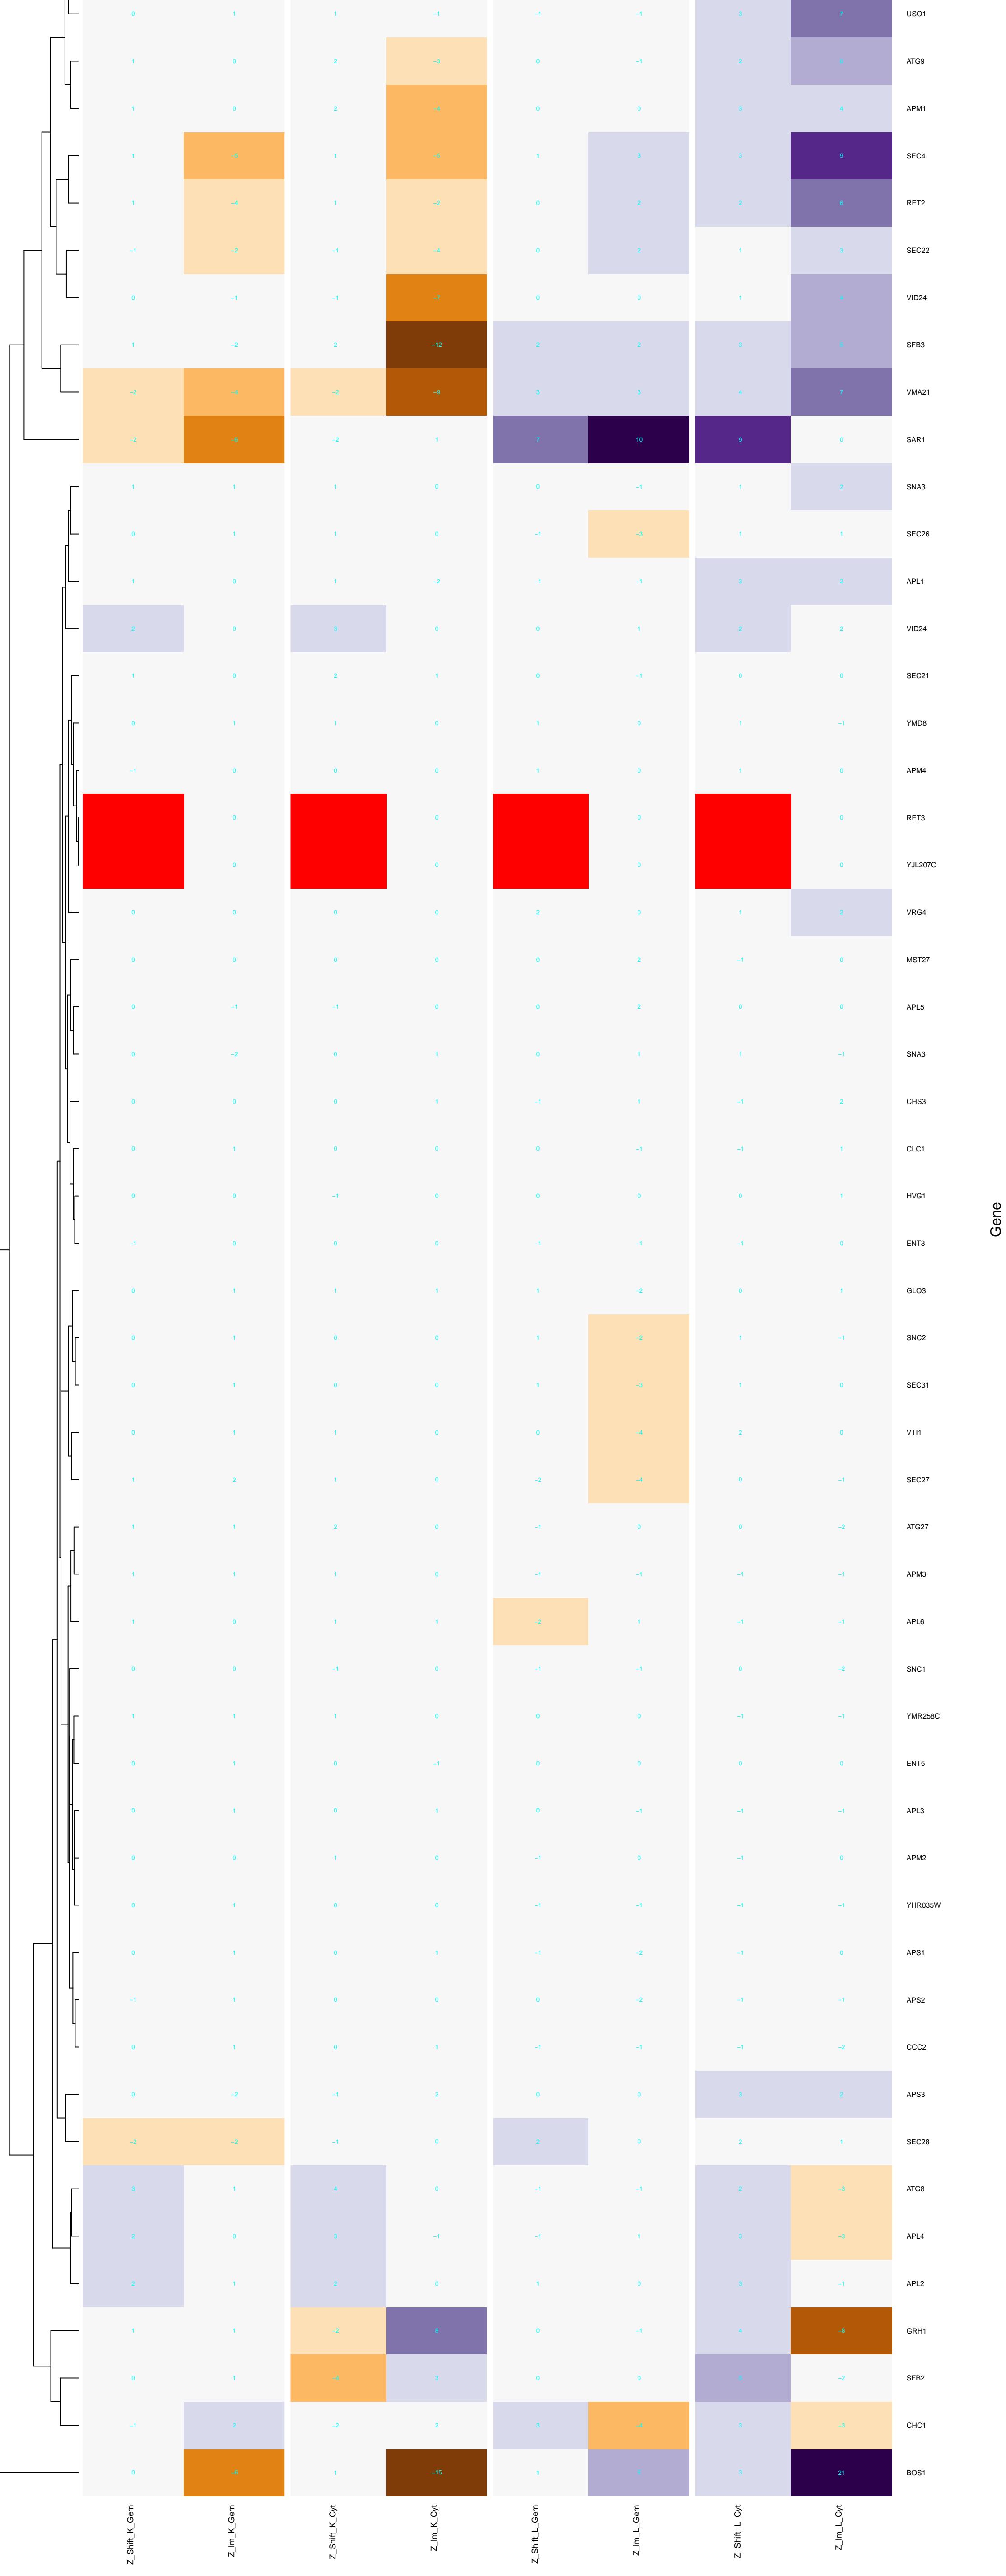

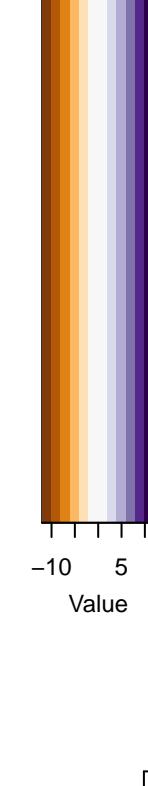

## mitochondrial membrane

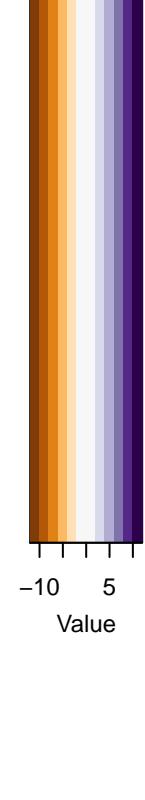

# cytoplasmic vesicle membrane

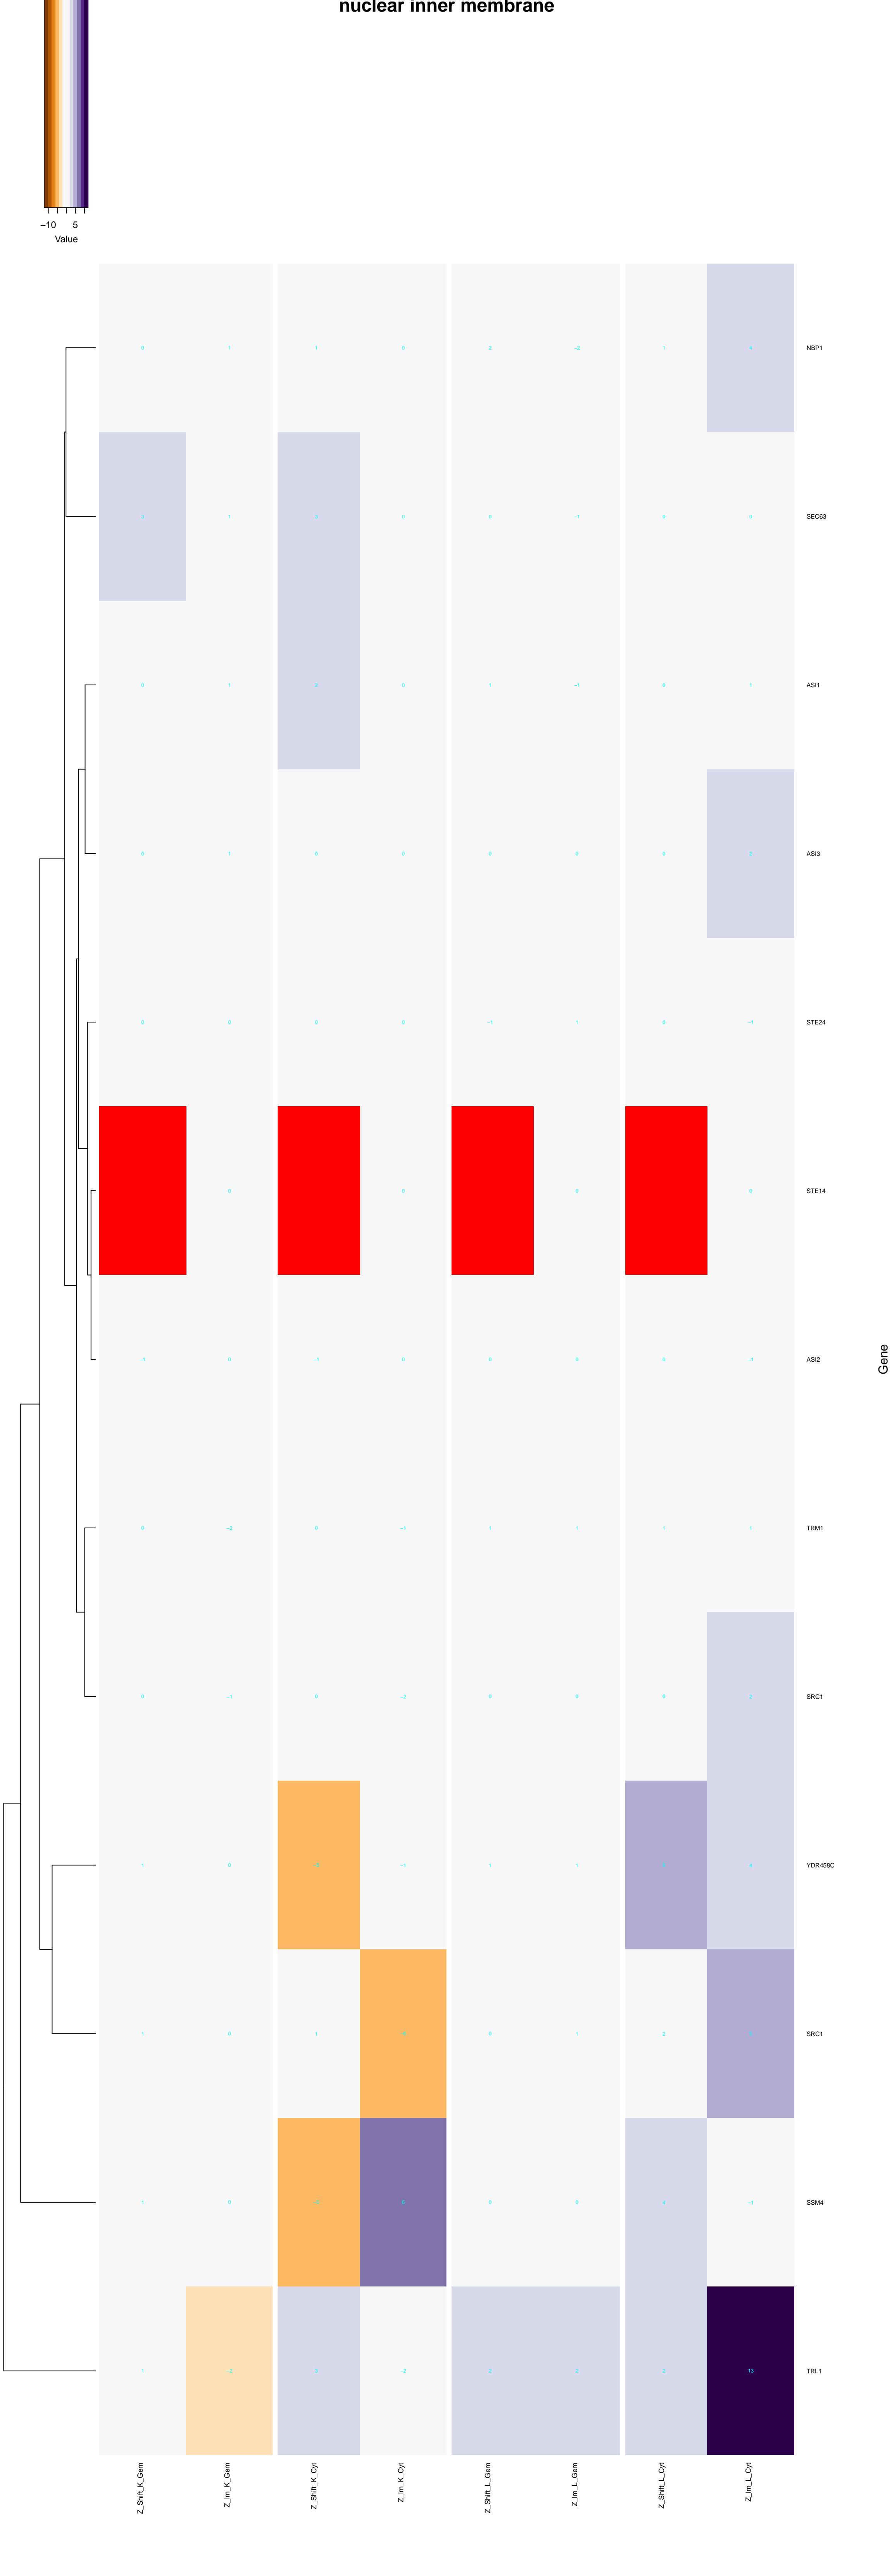

**Color Key**

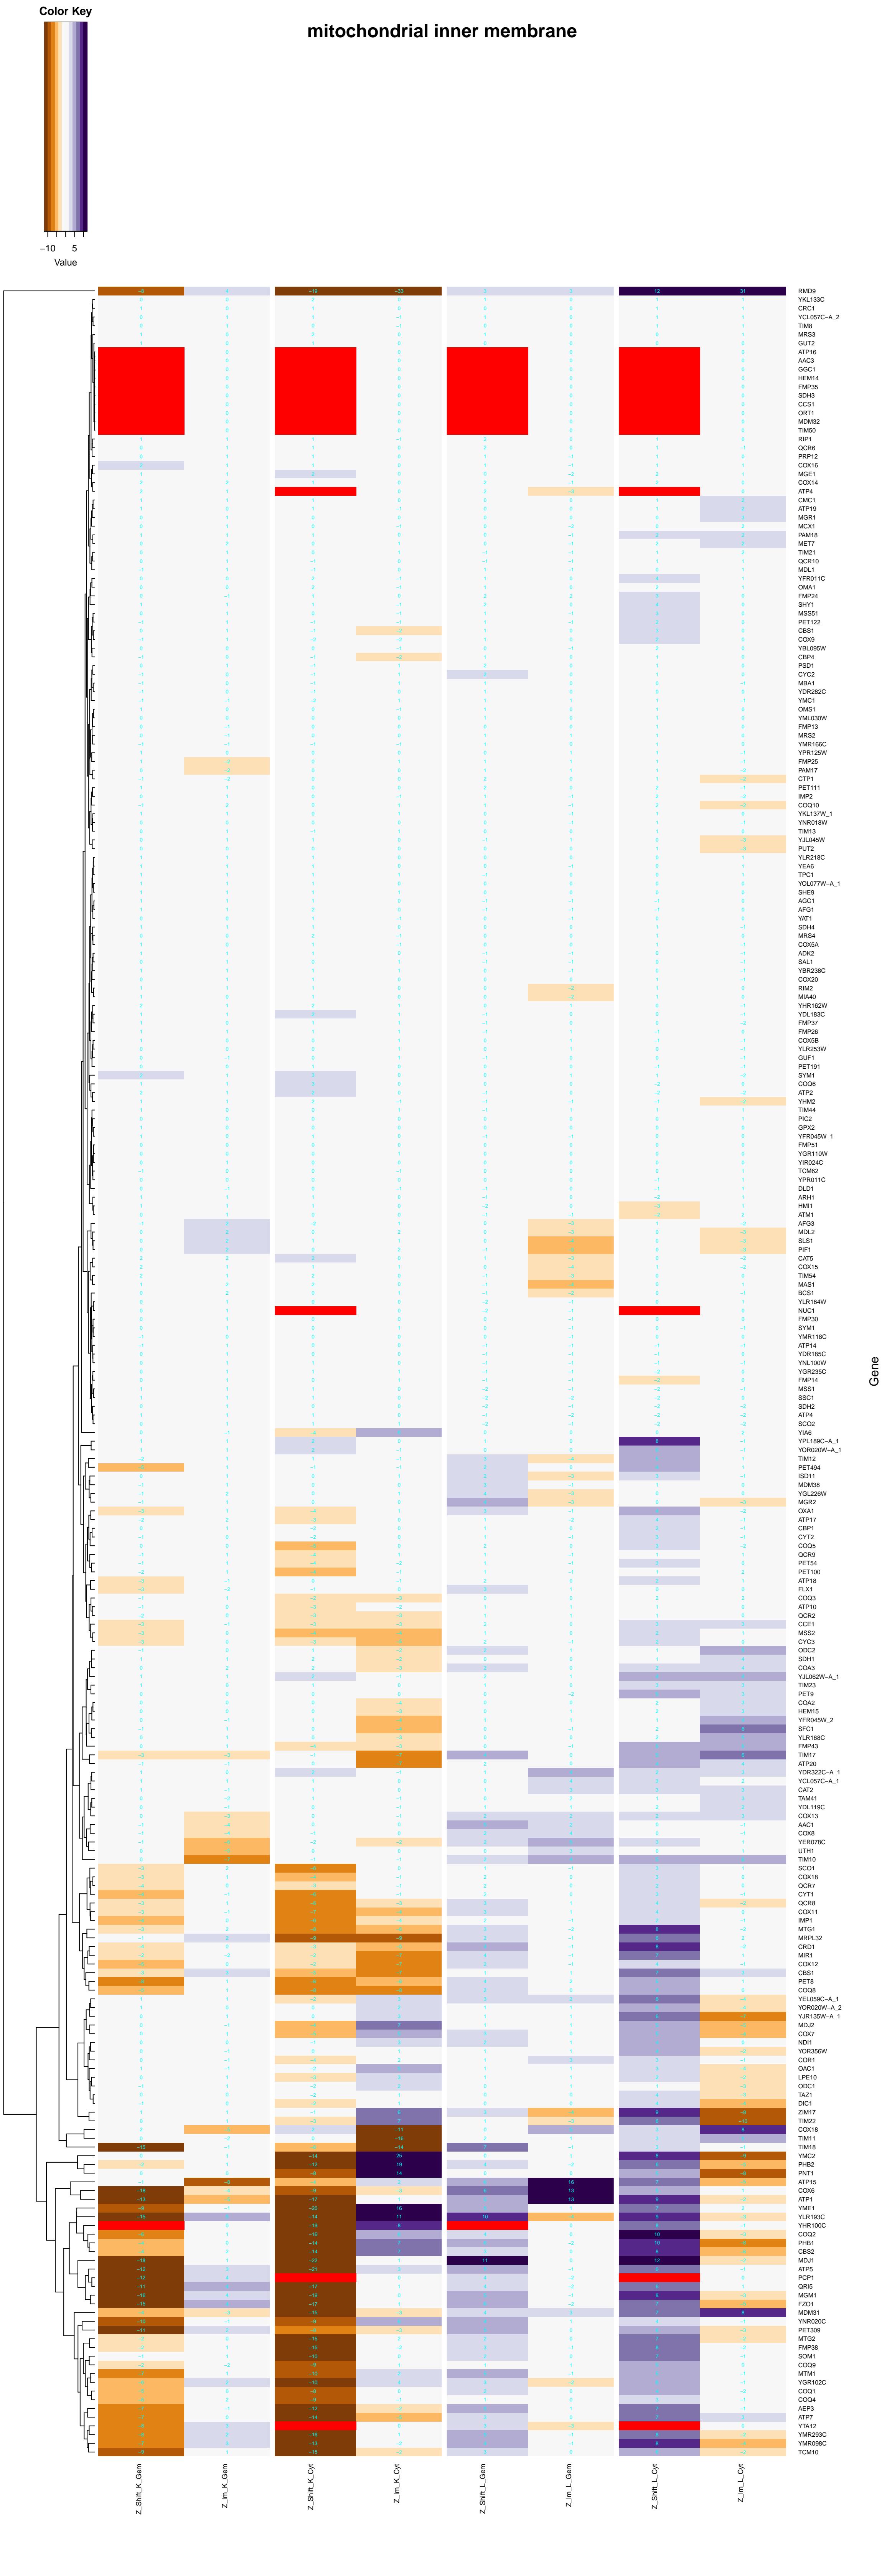

## Color Key

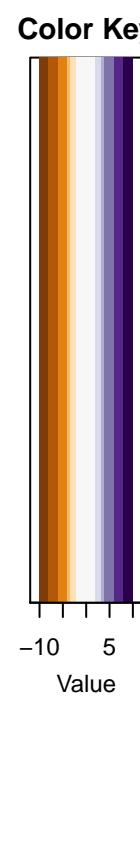

## nuclear inner membrane

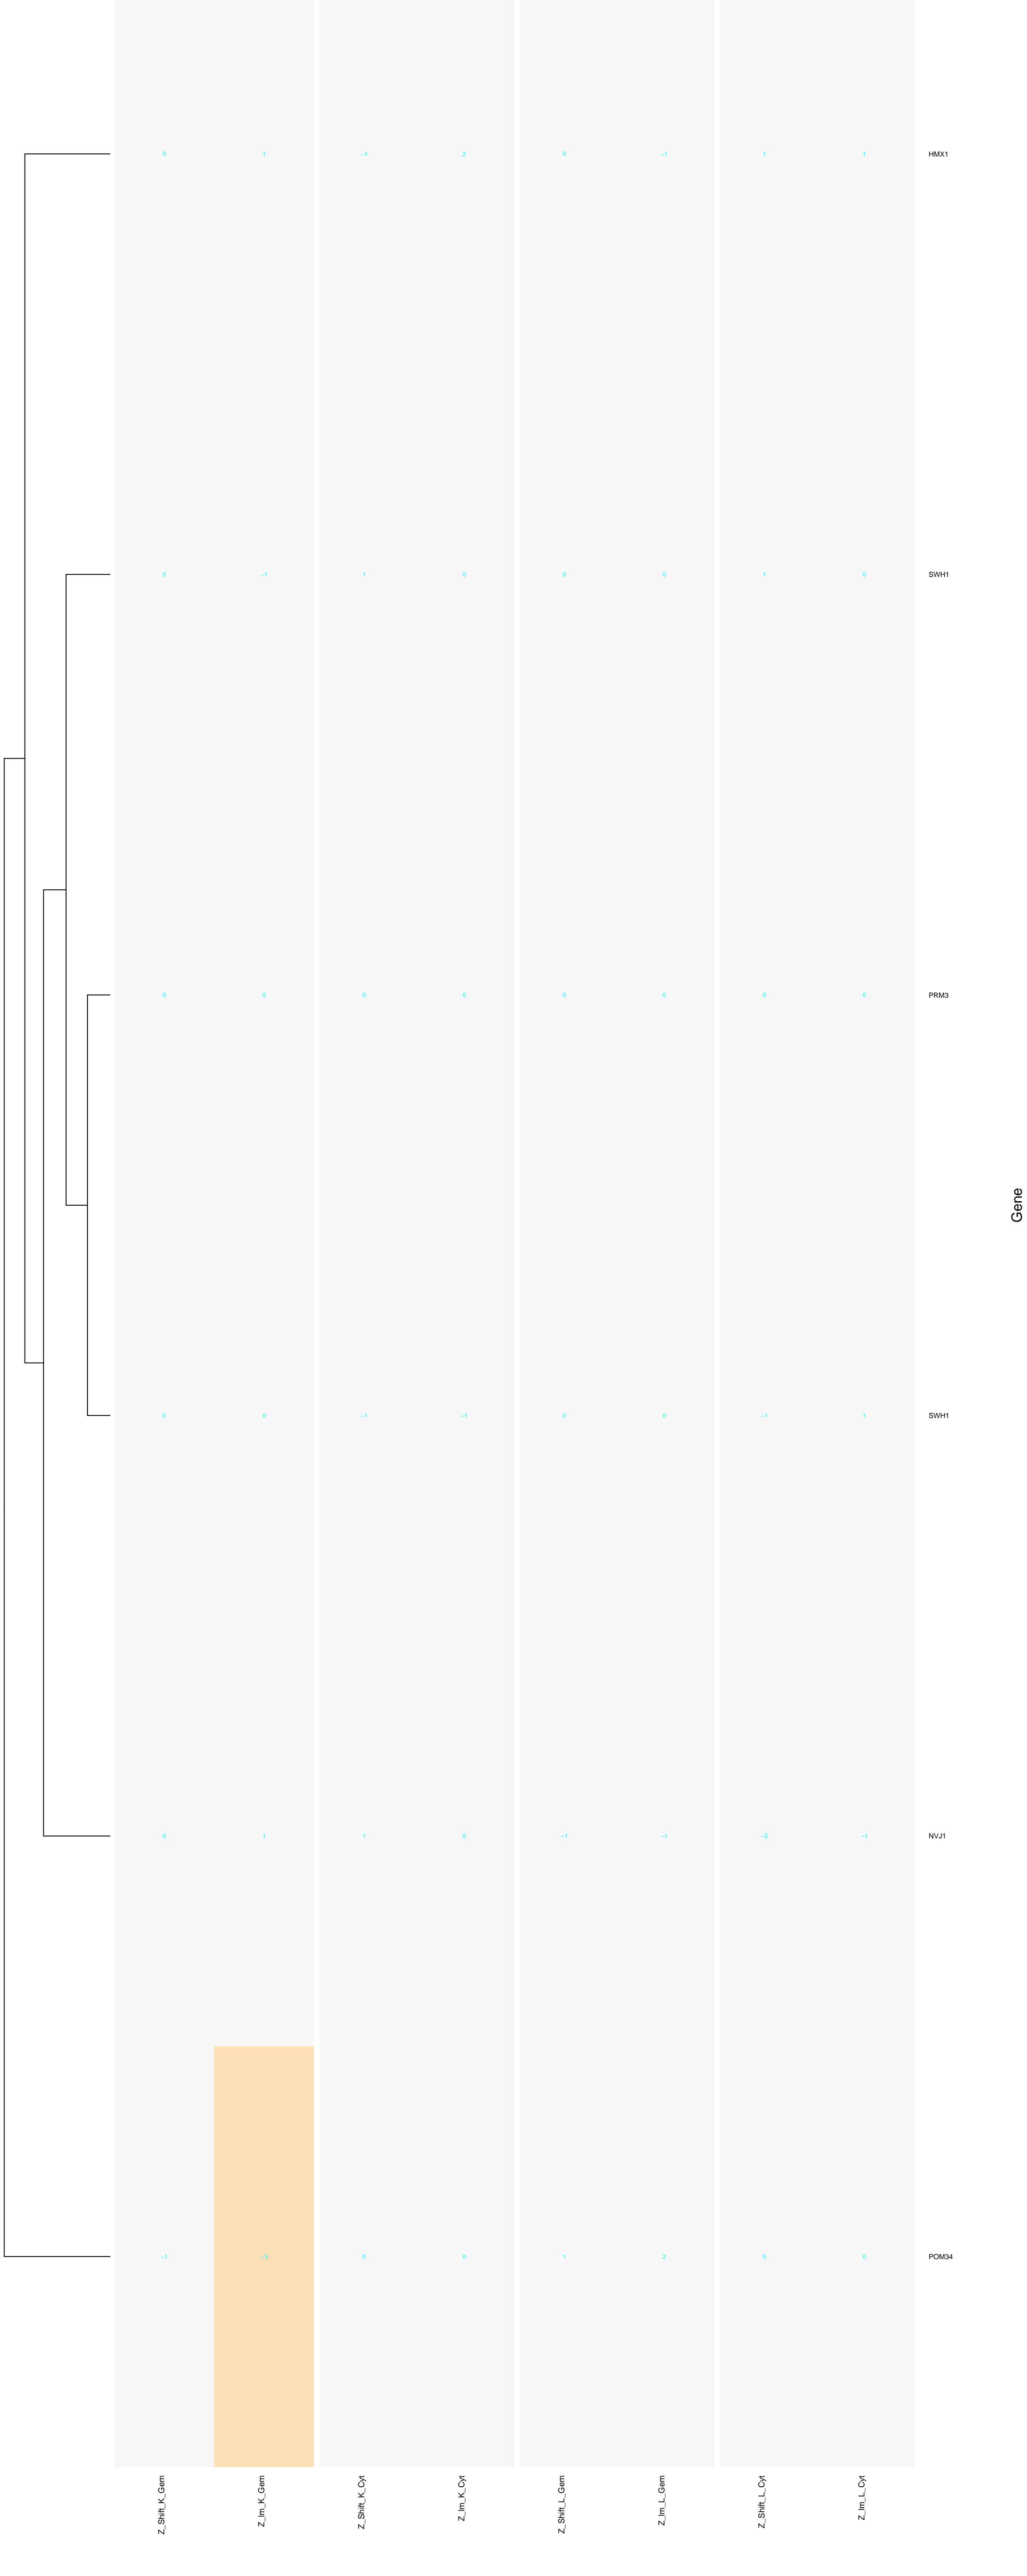

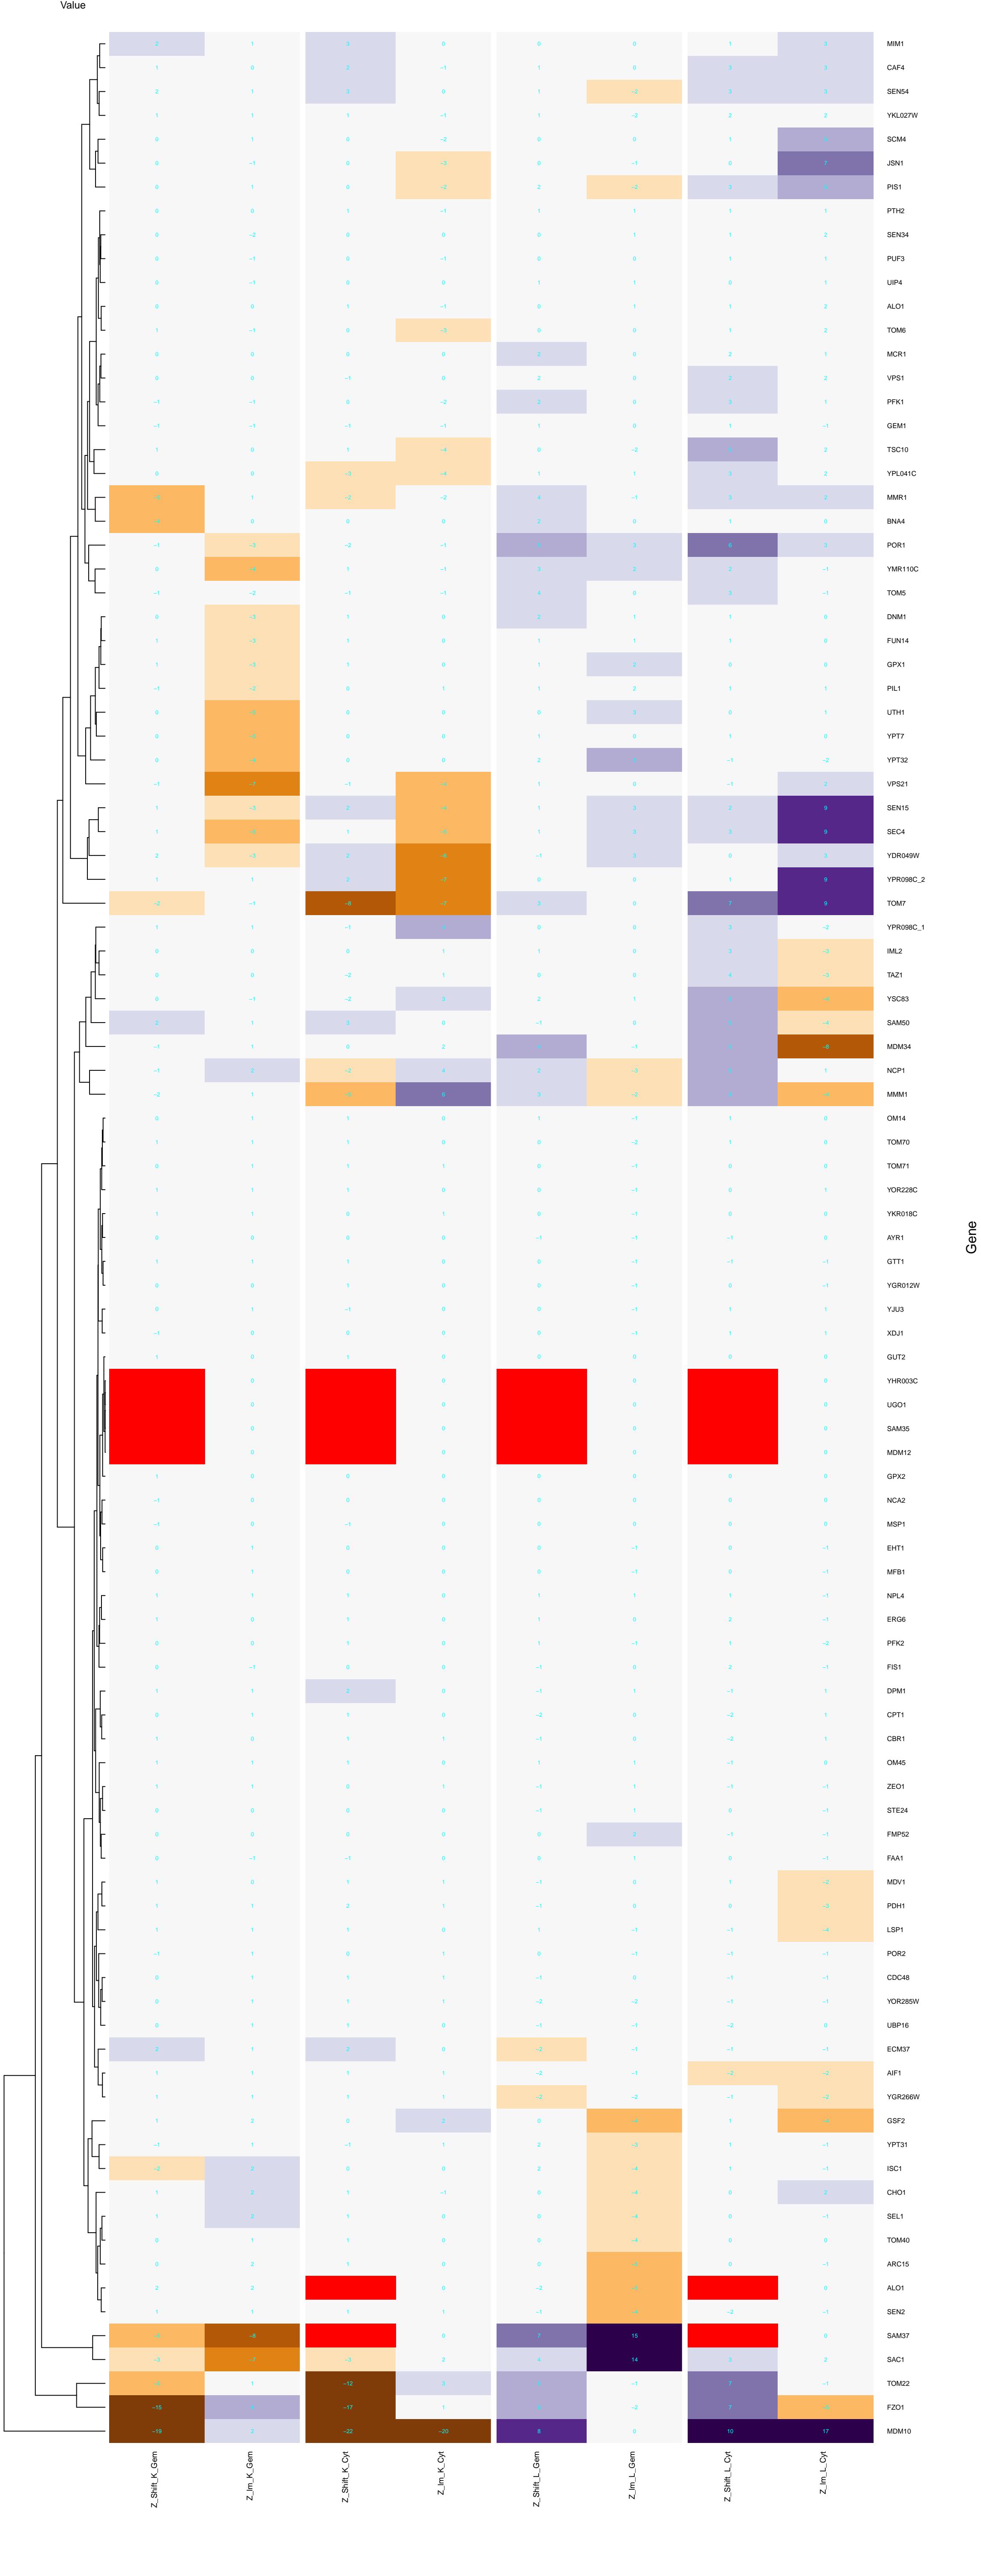

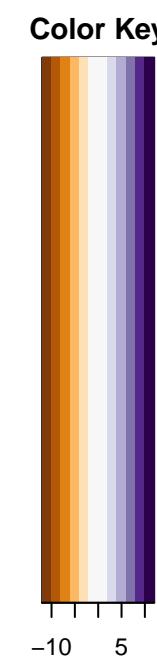

Color Key

## nuclear outer membrane

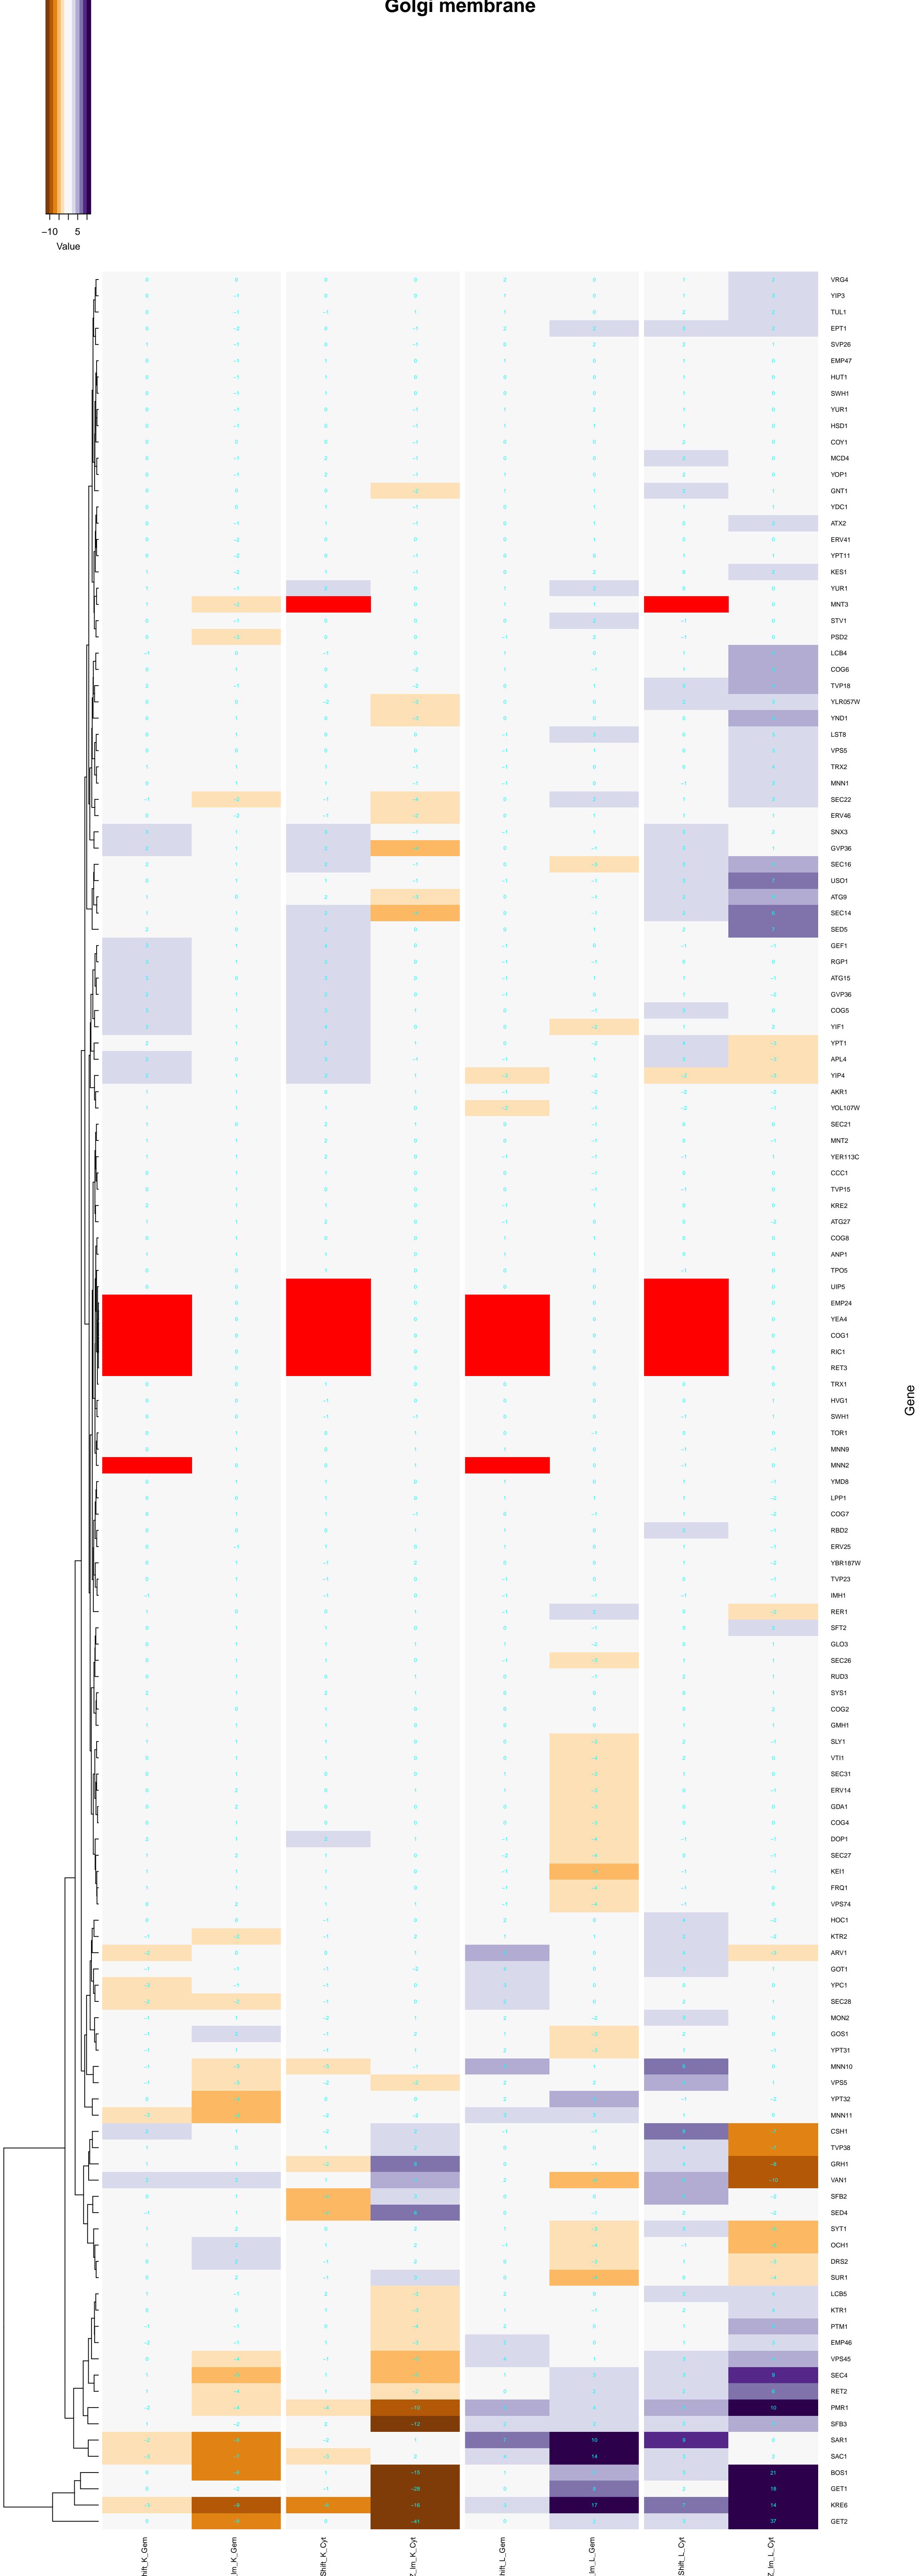

# mitochondrial outer membrane

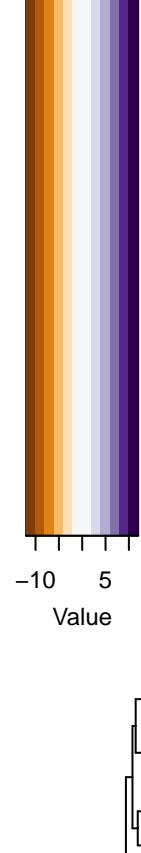

## Color Key

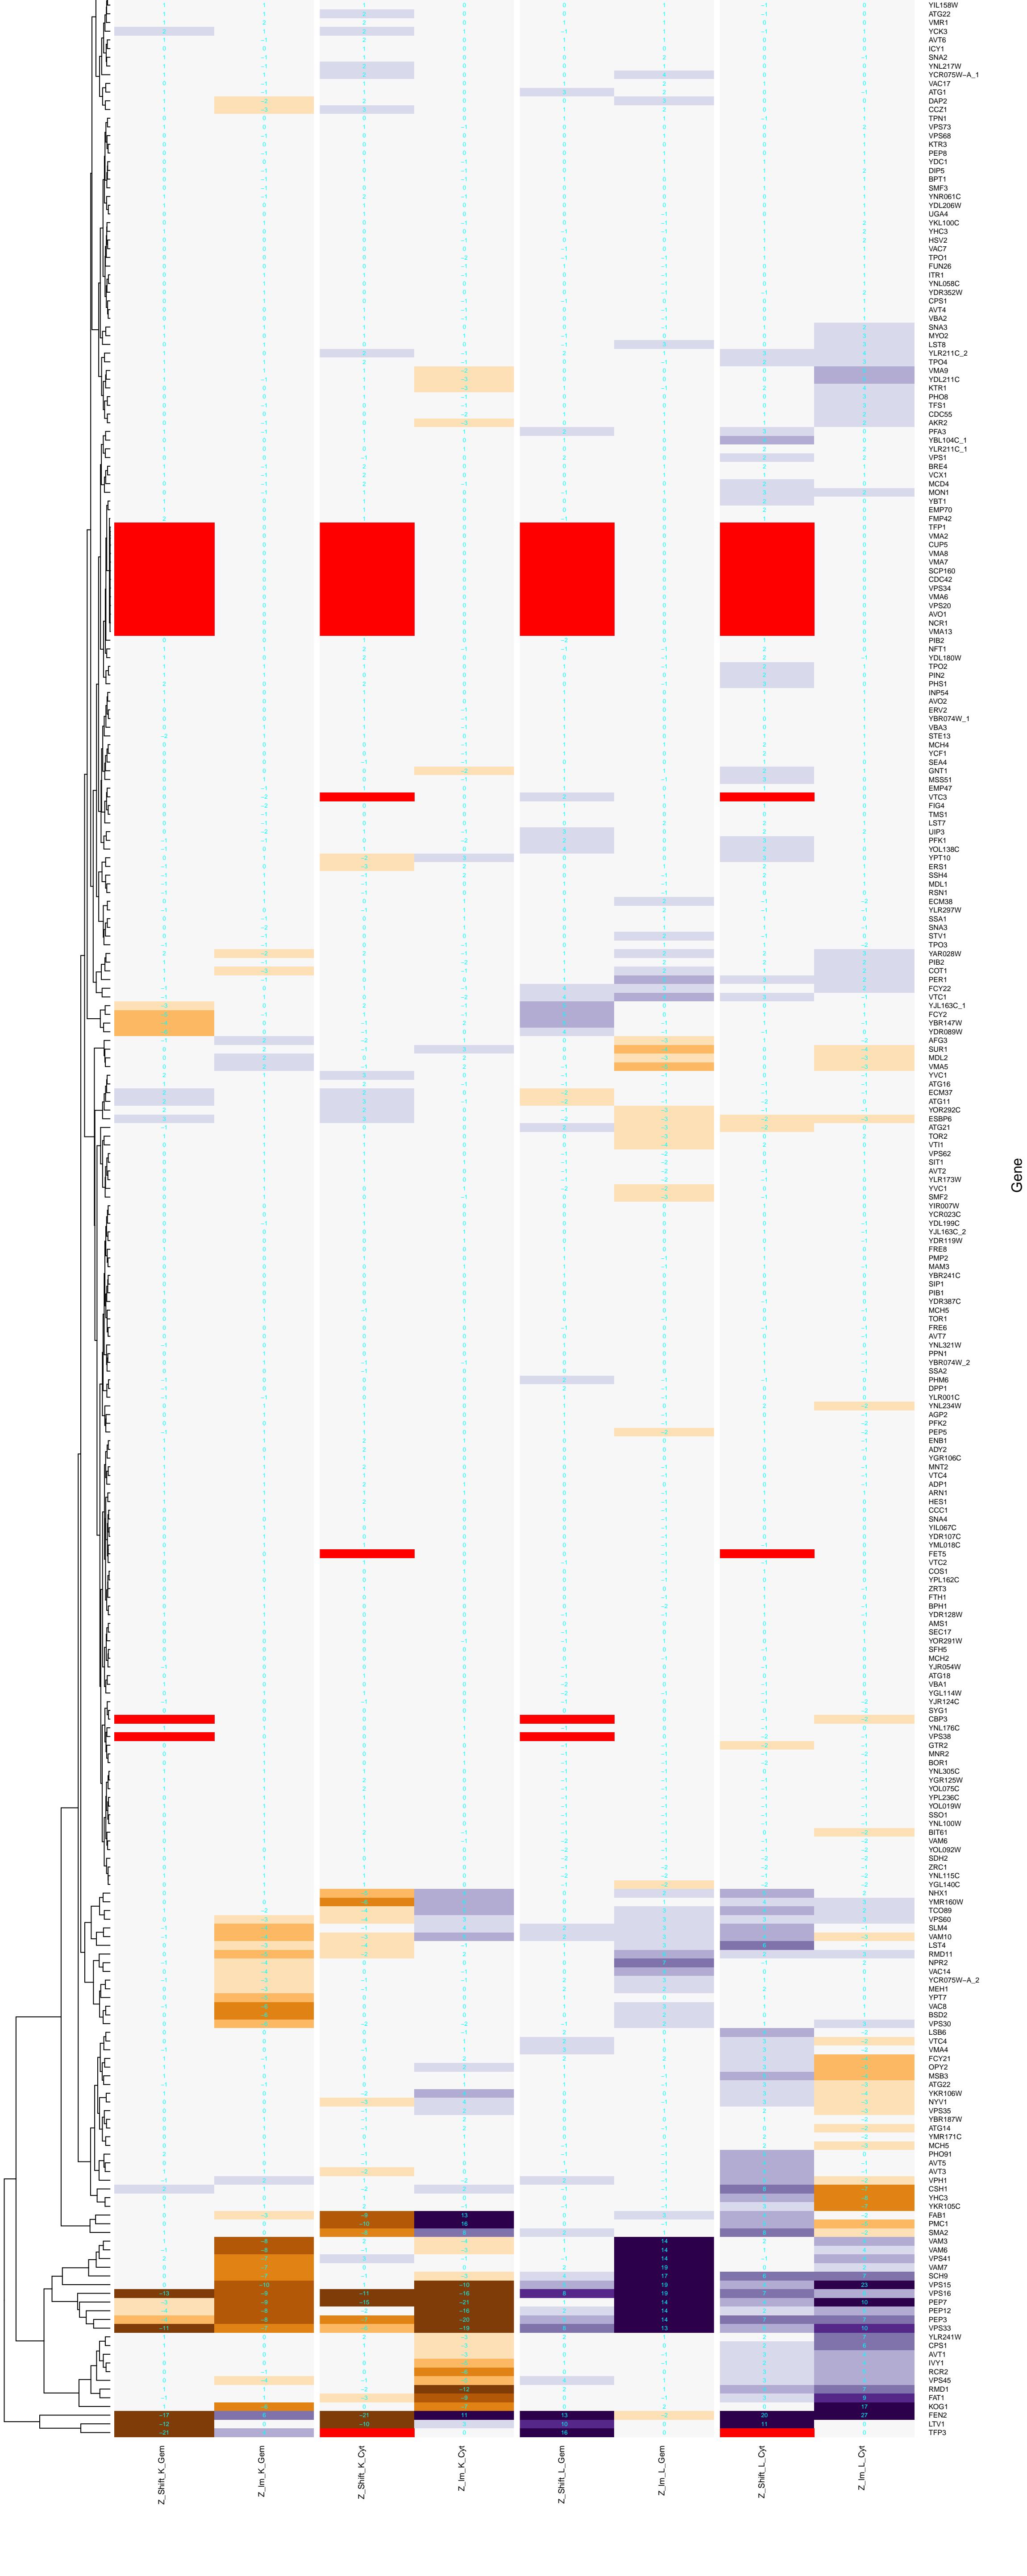

## Golgi membrane

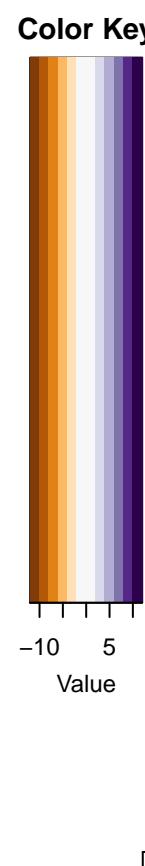

## Color Key

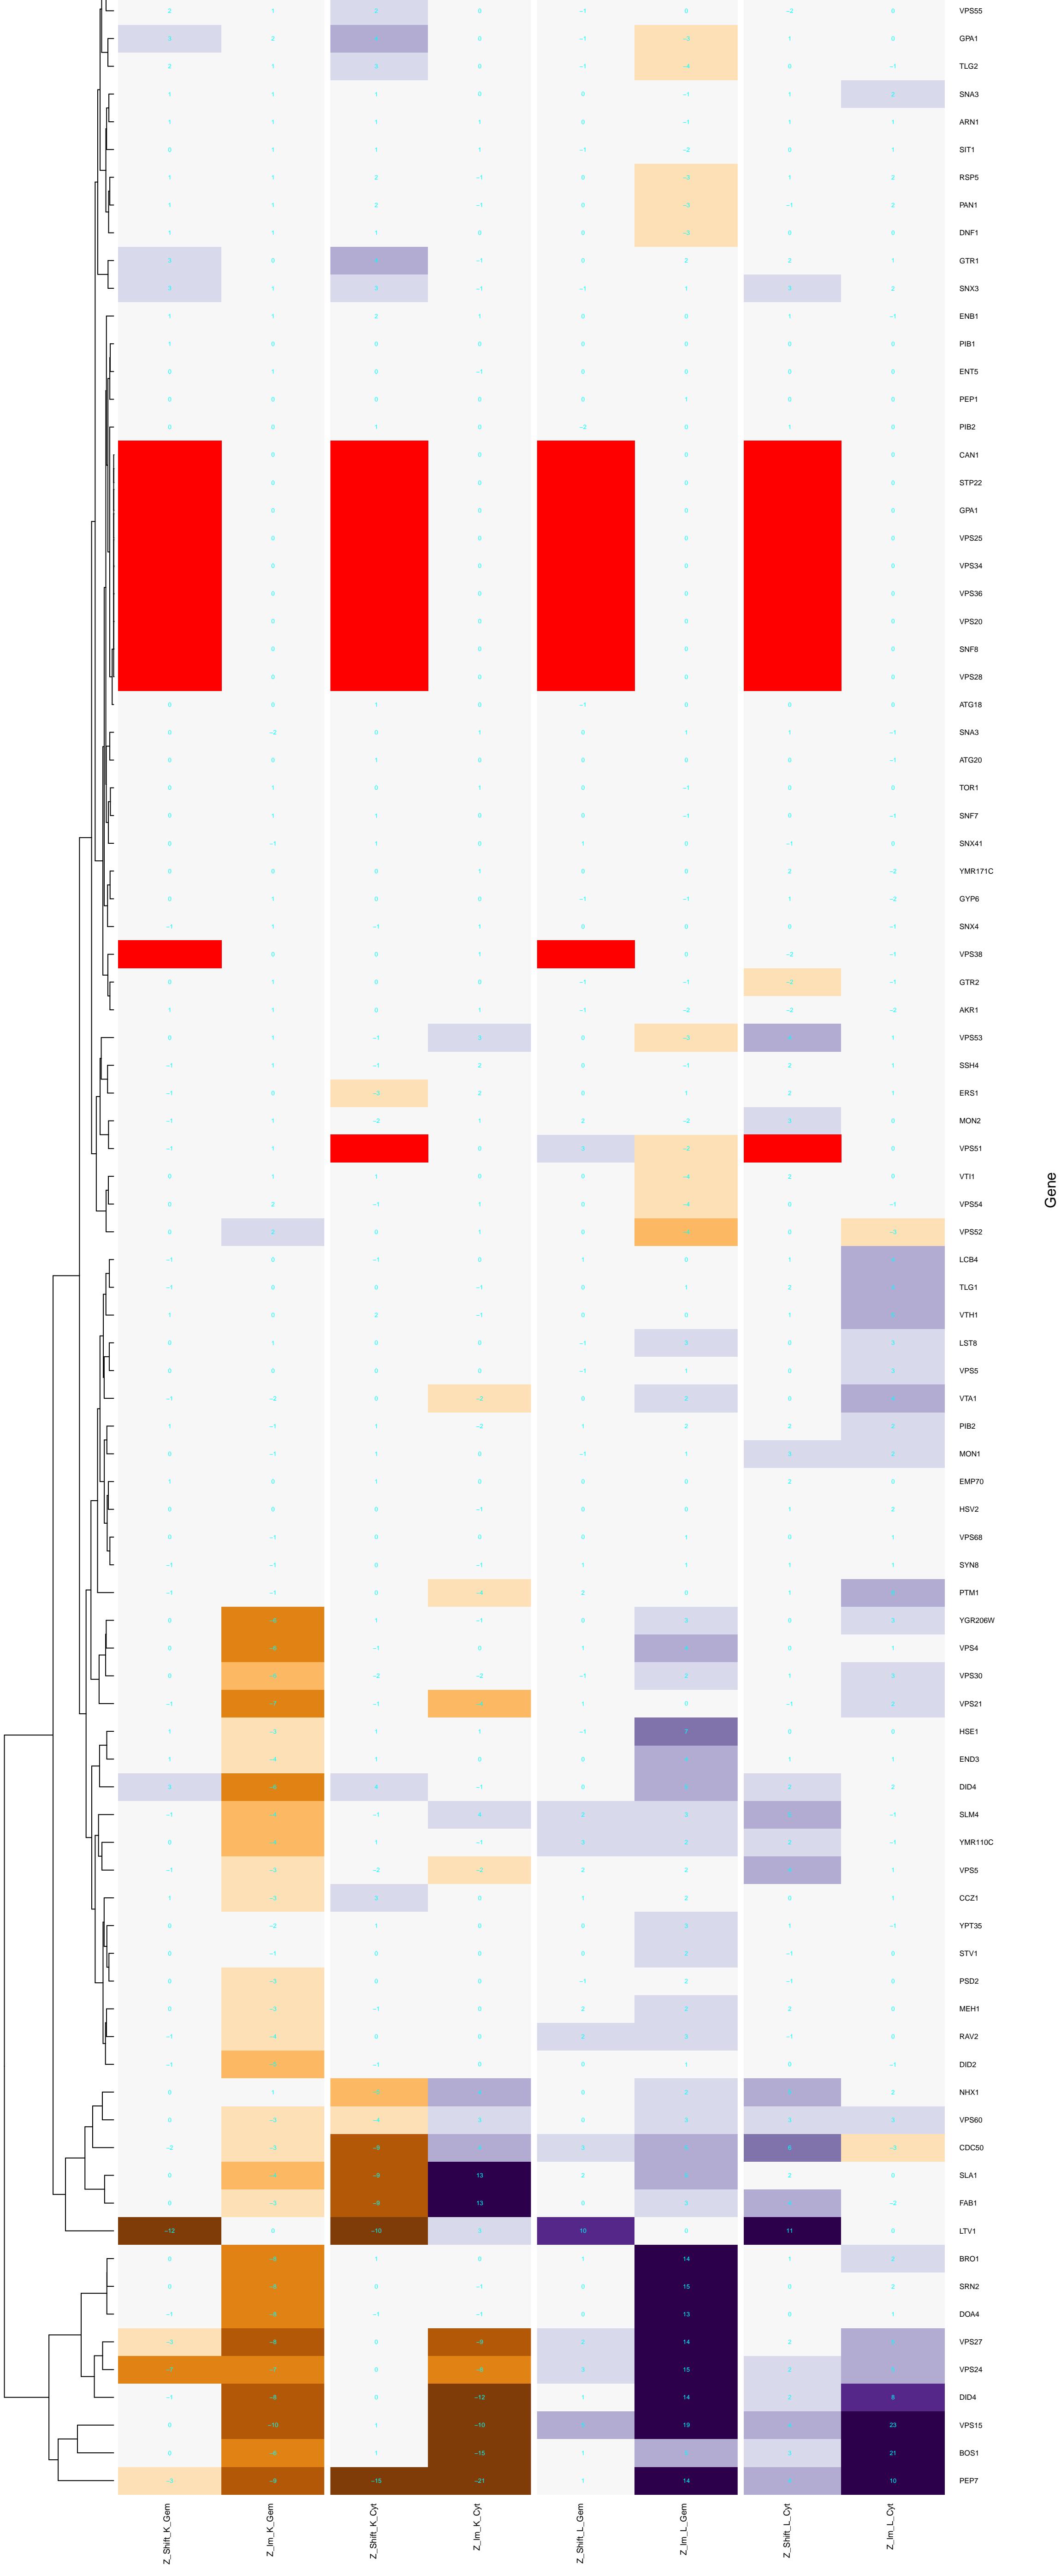

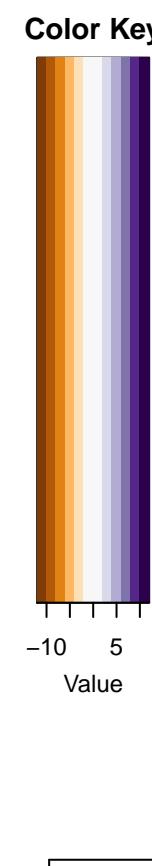

## vacuolar membrane

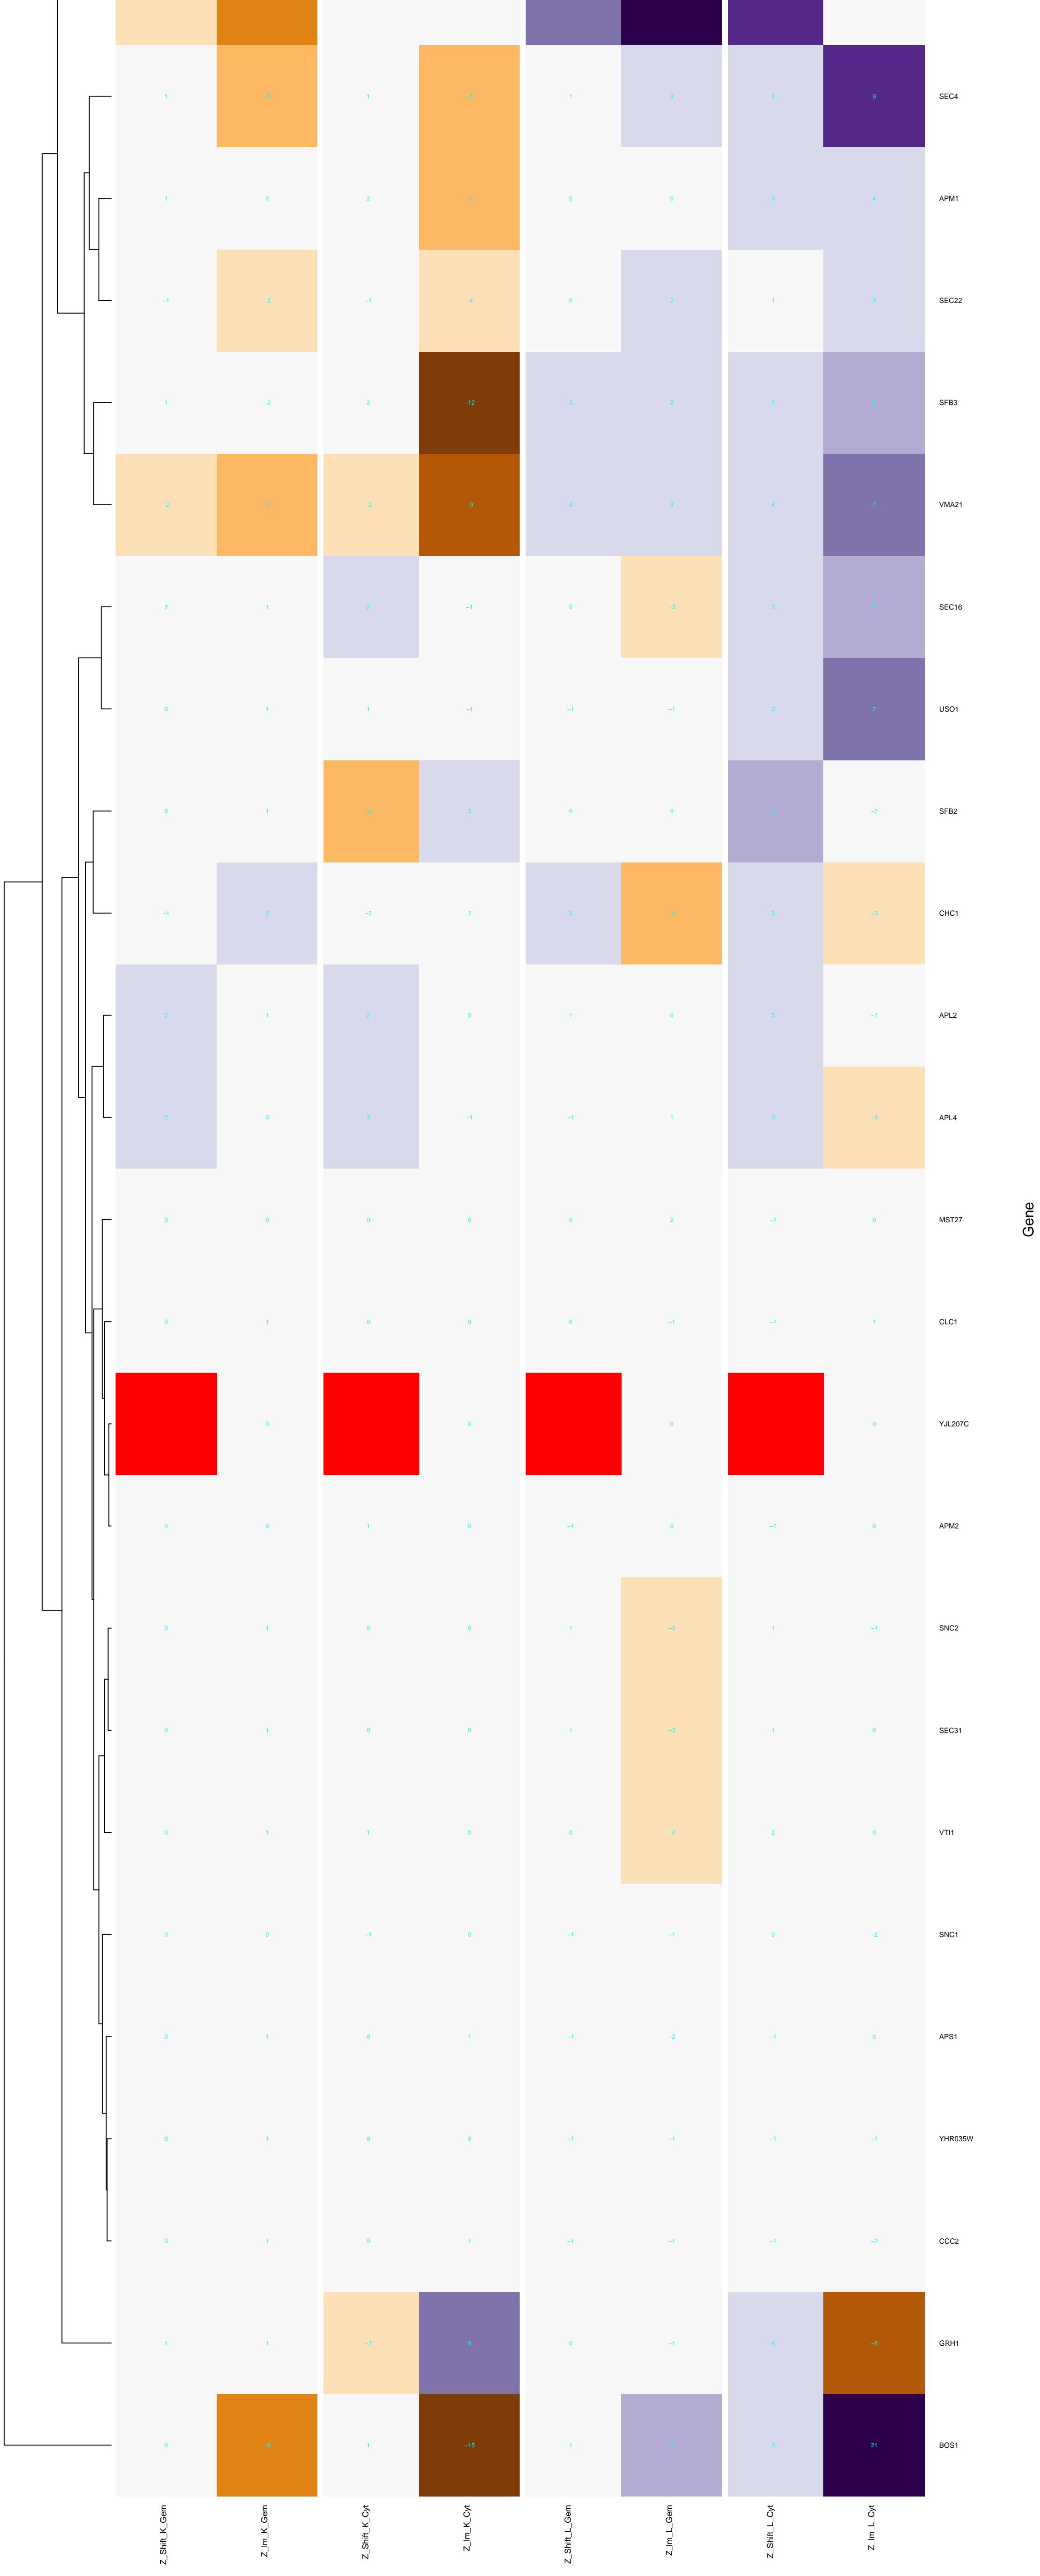

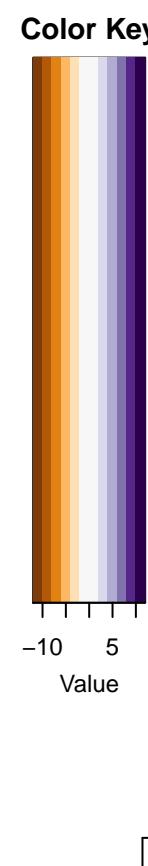

endosome membrane

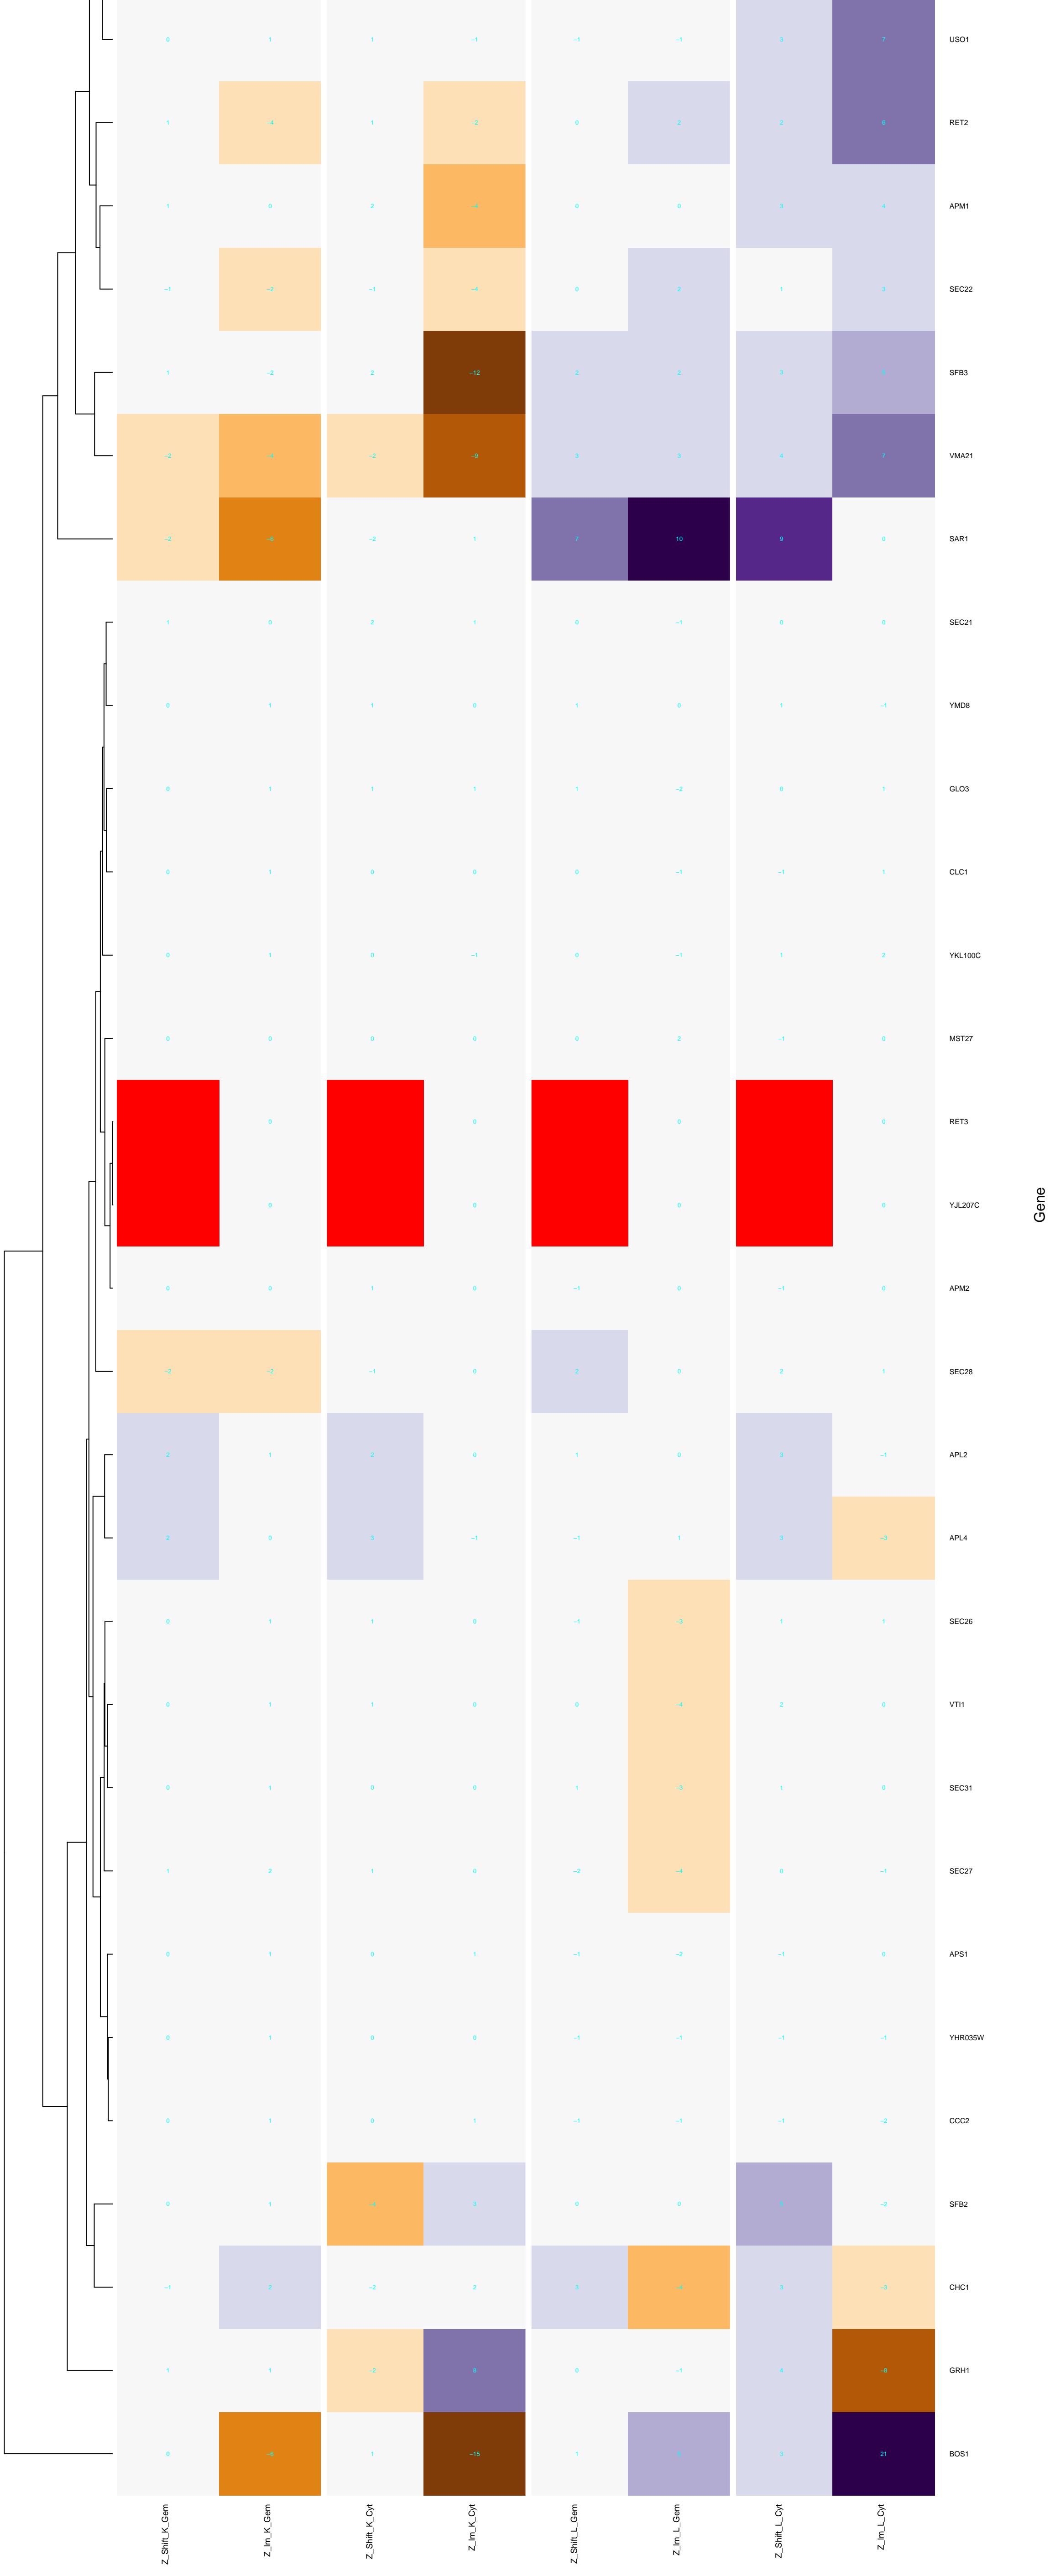

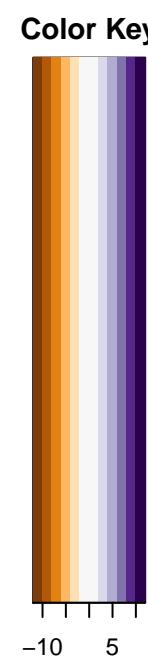

**transport vesicle membrane**

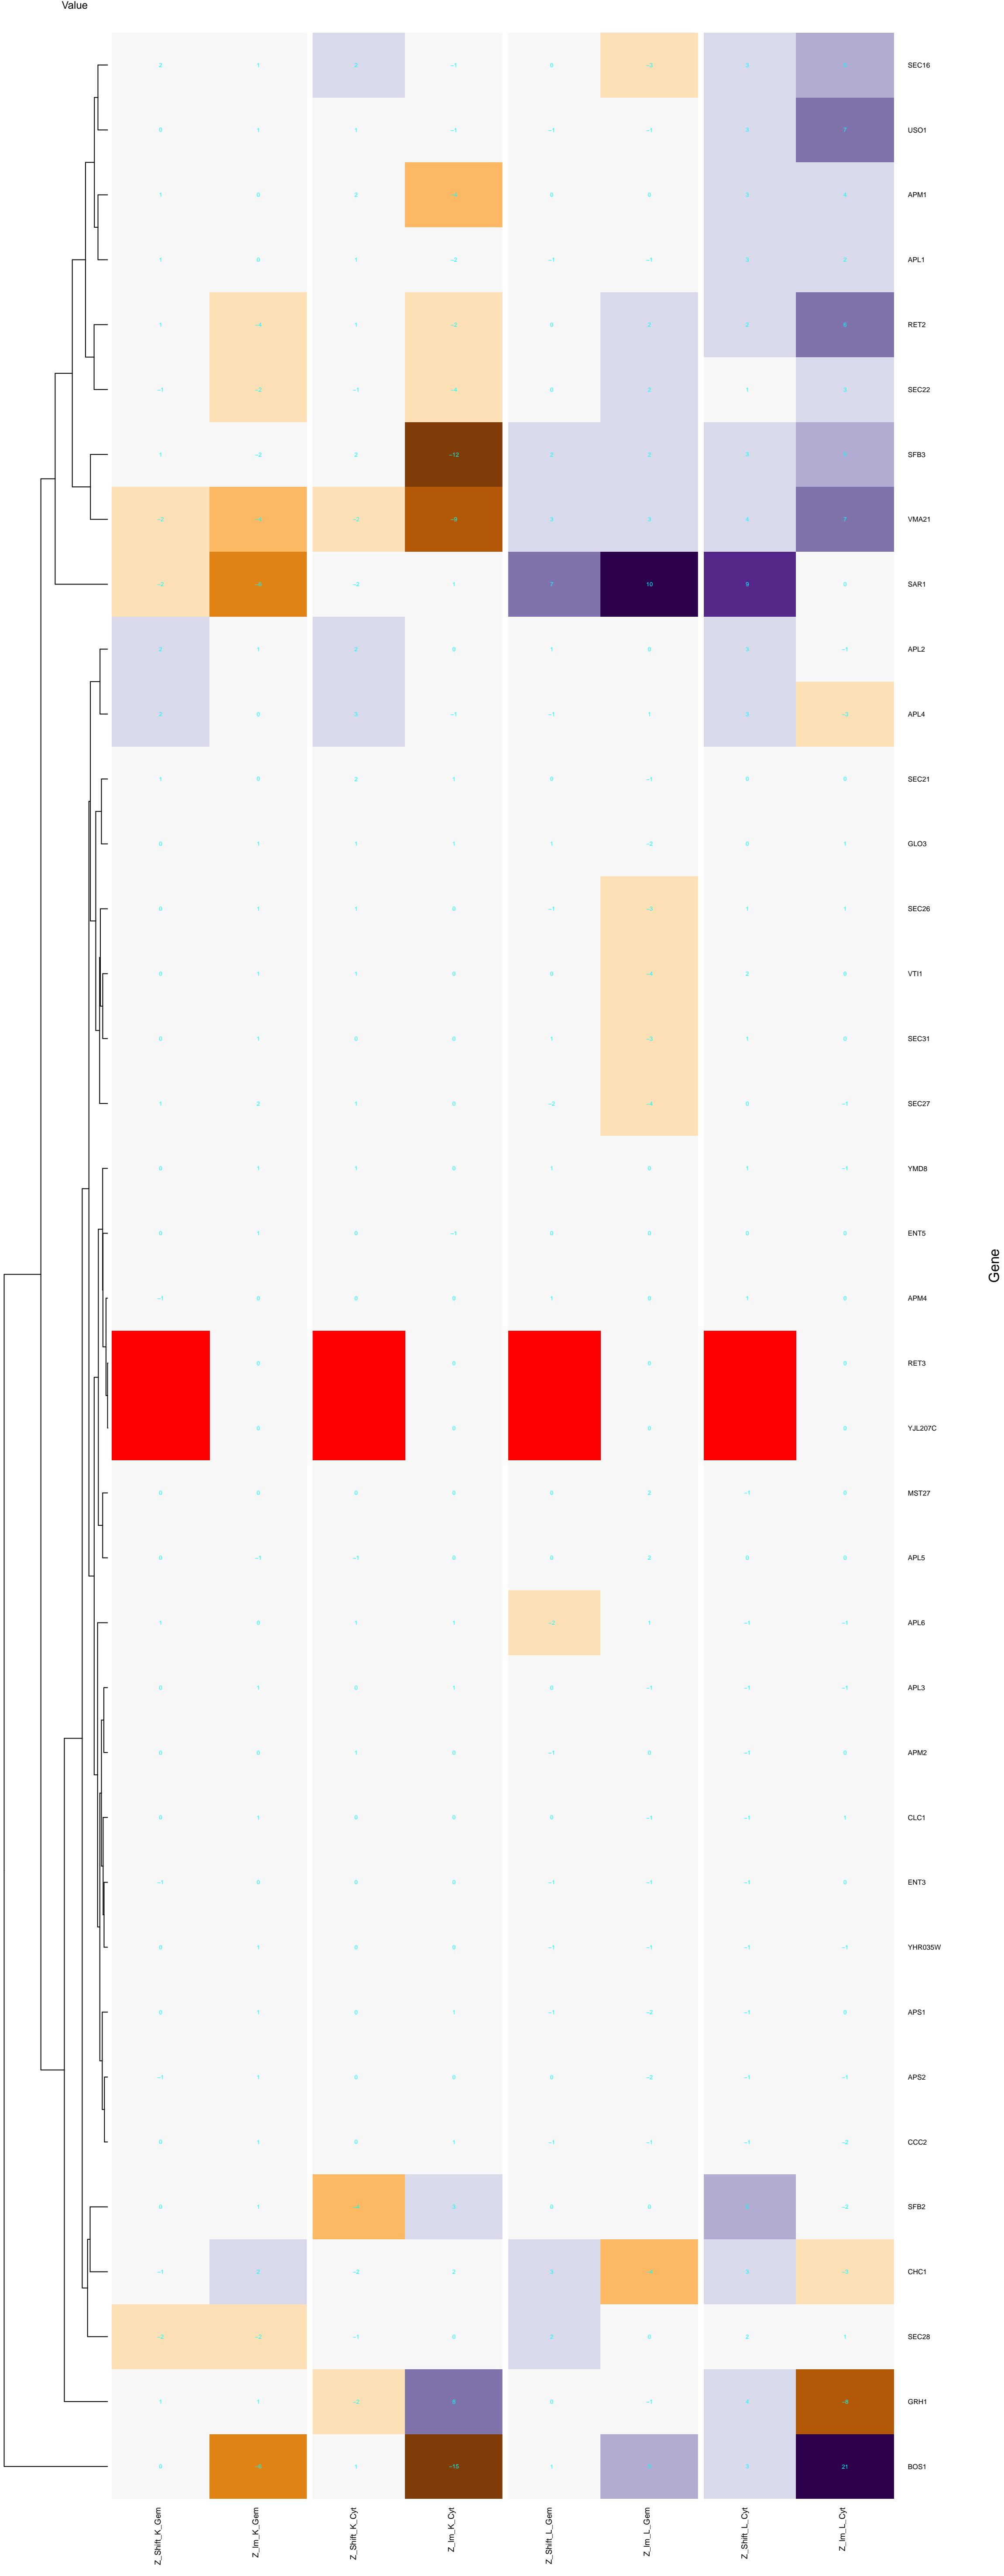

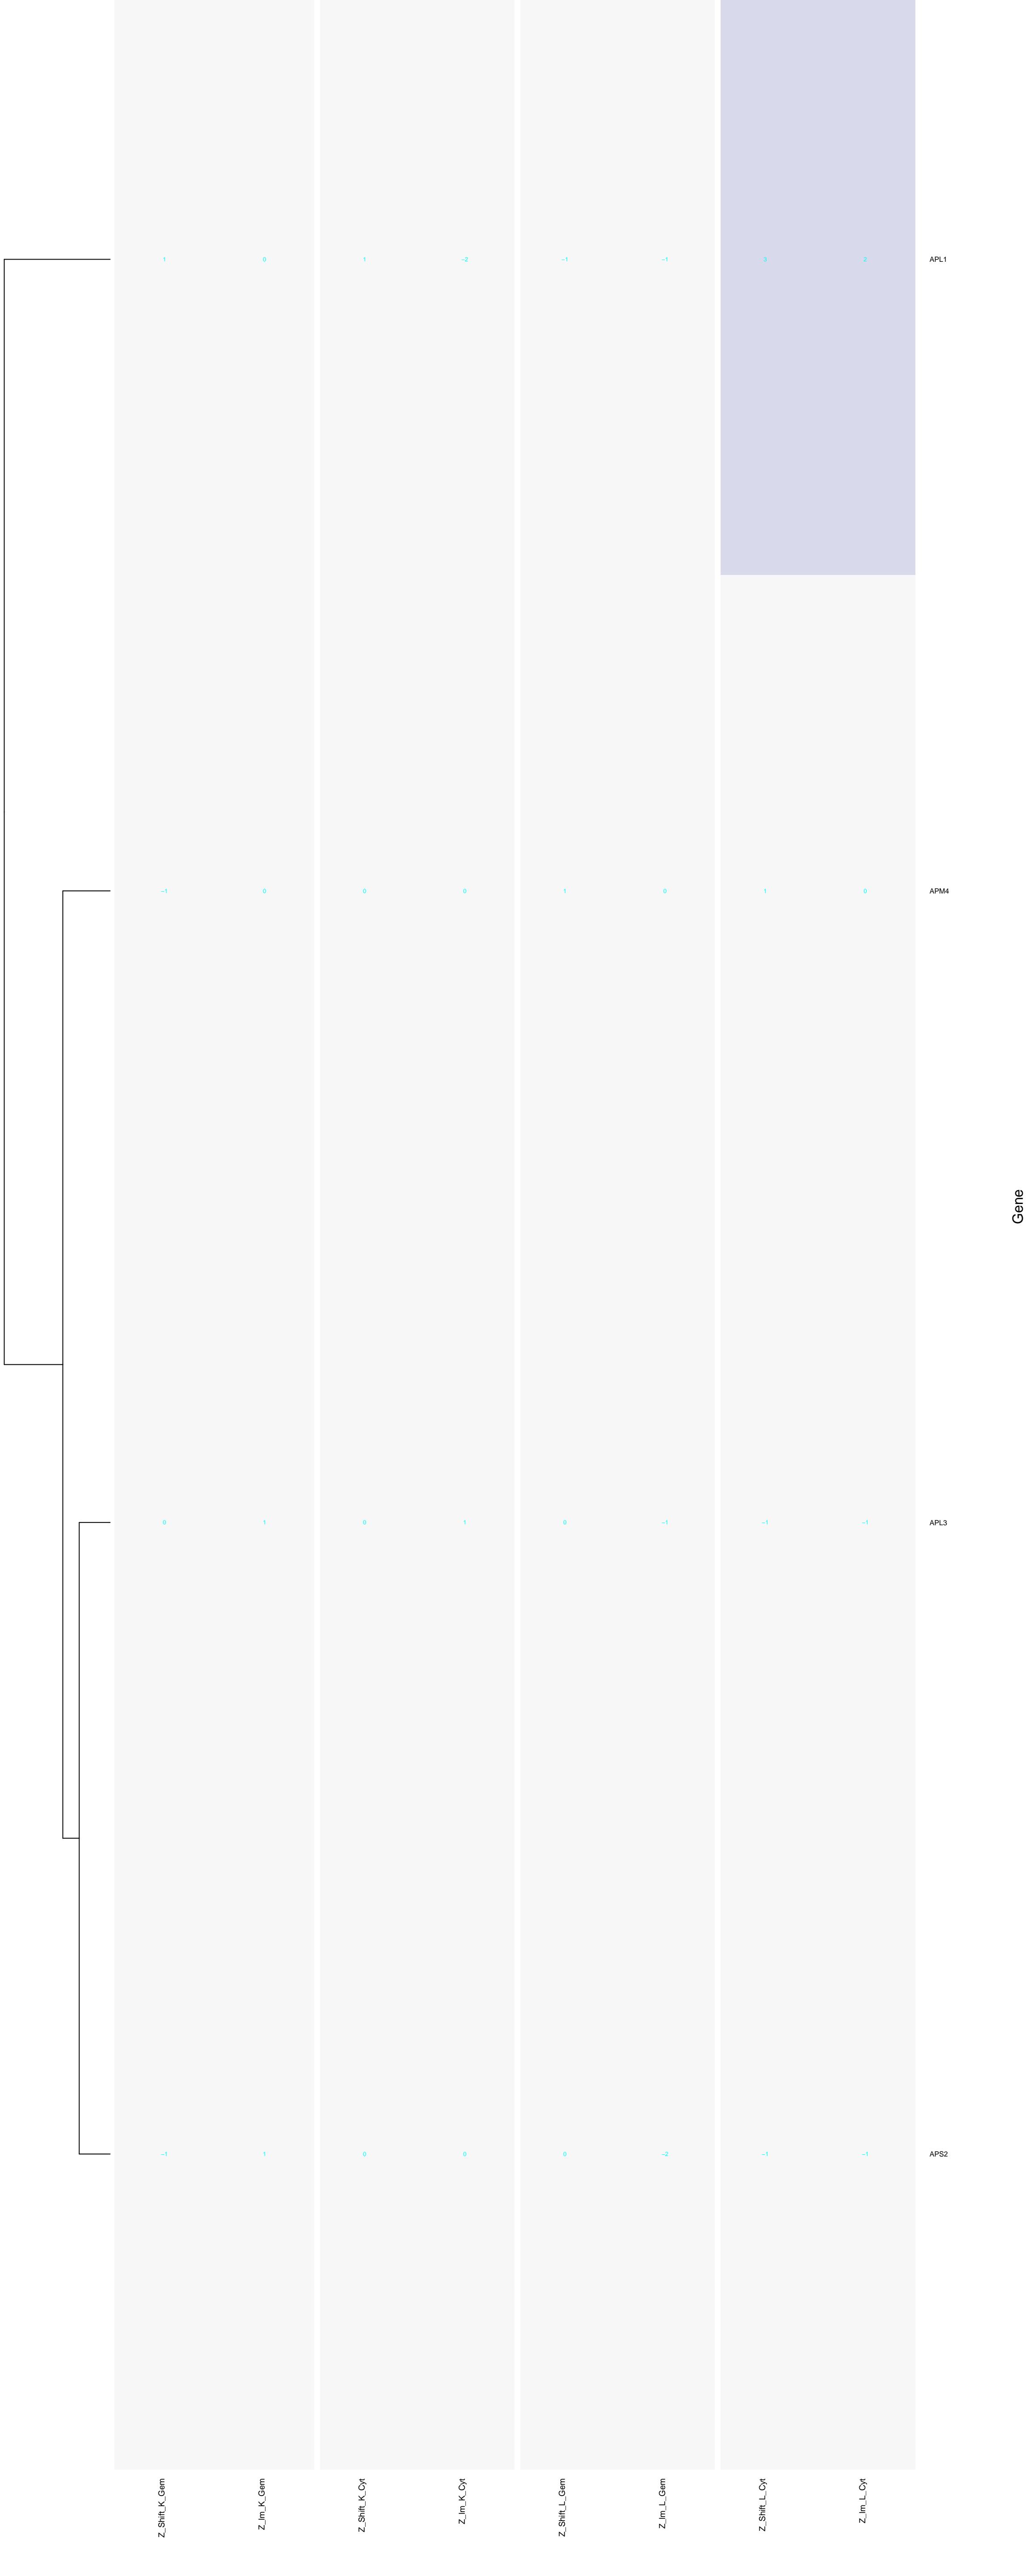

## Golgi-associated vesicle membrane

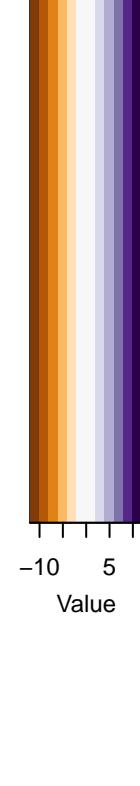

## coated vesicle membrane

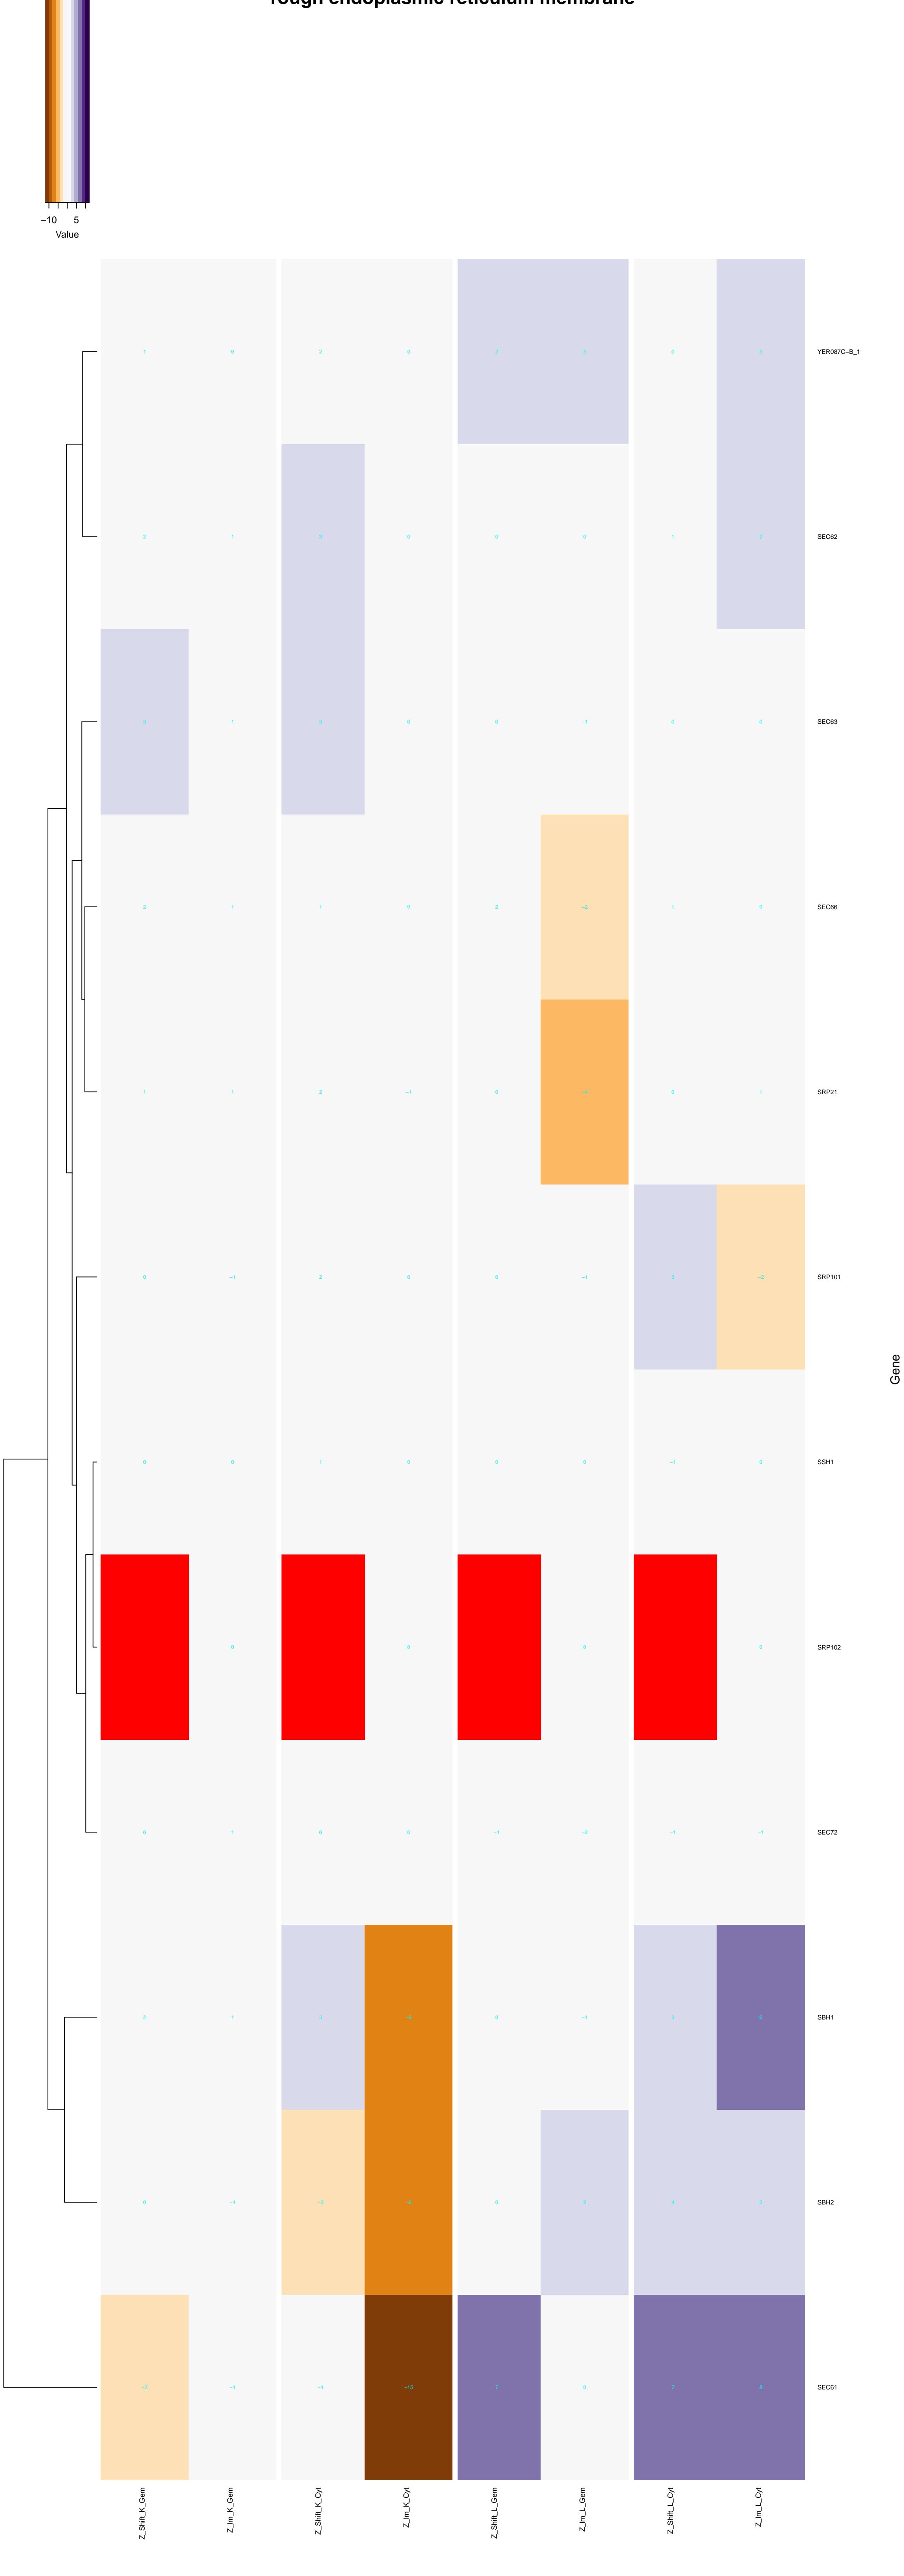

**Color Key****endocytic vesicle membrane**

Color Key

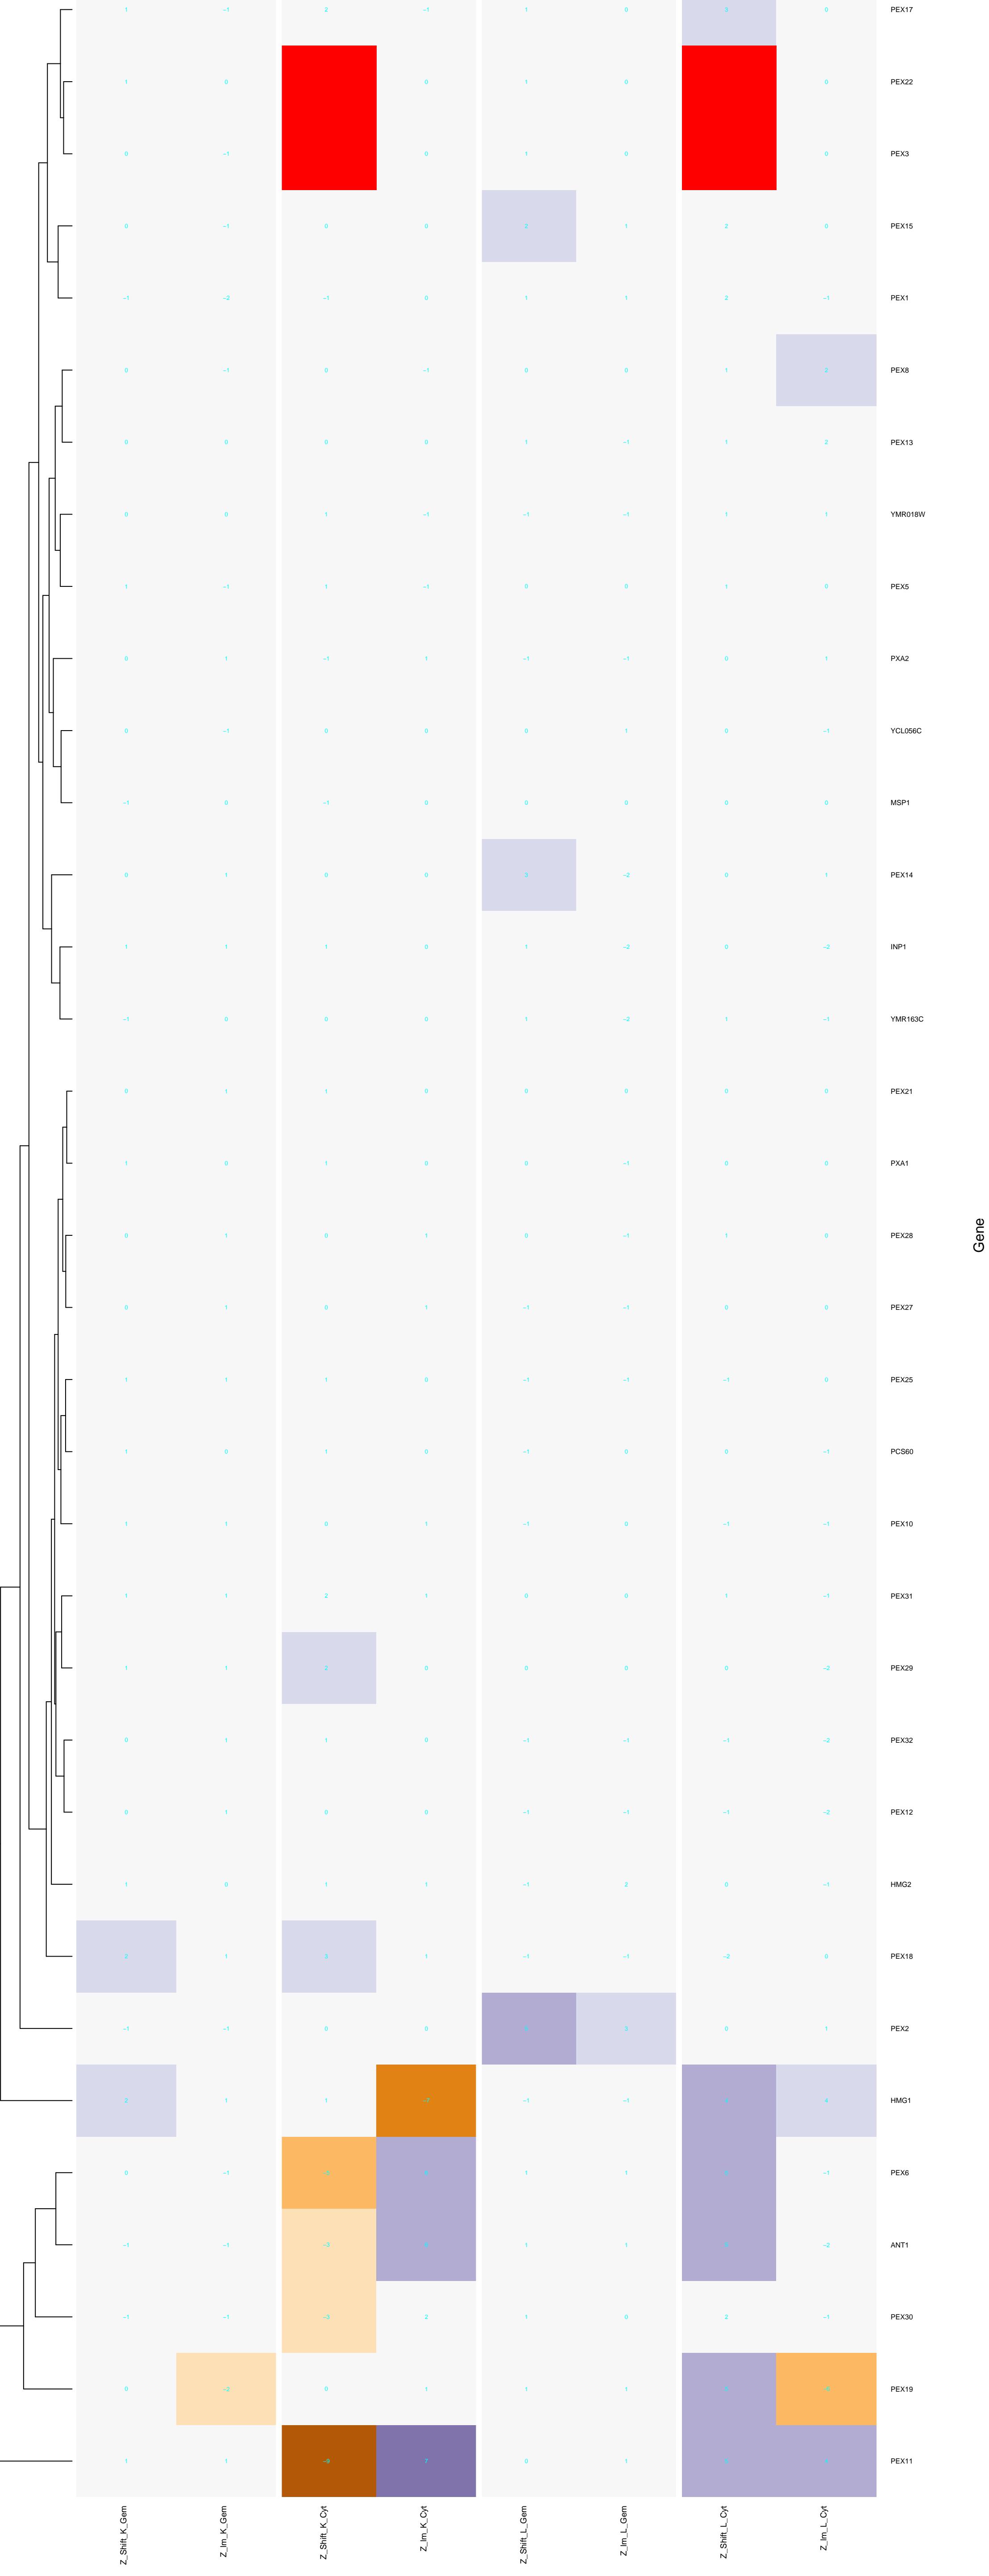

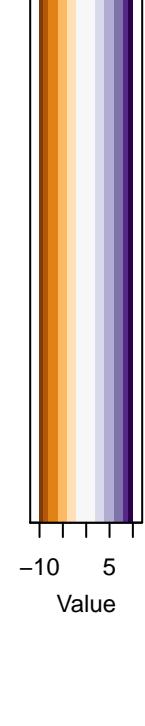

## rough endoplasmic reticulum membrane

# microbody membrane

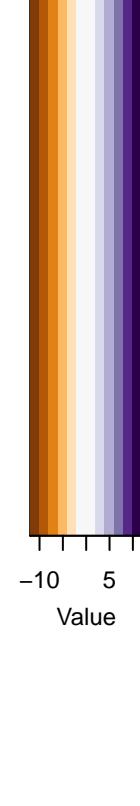

**Color Key**

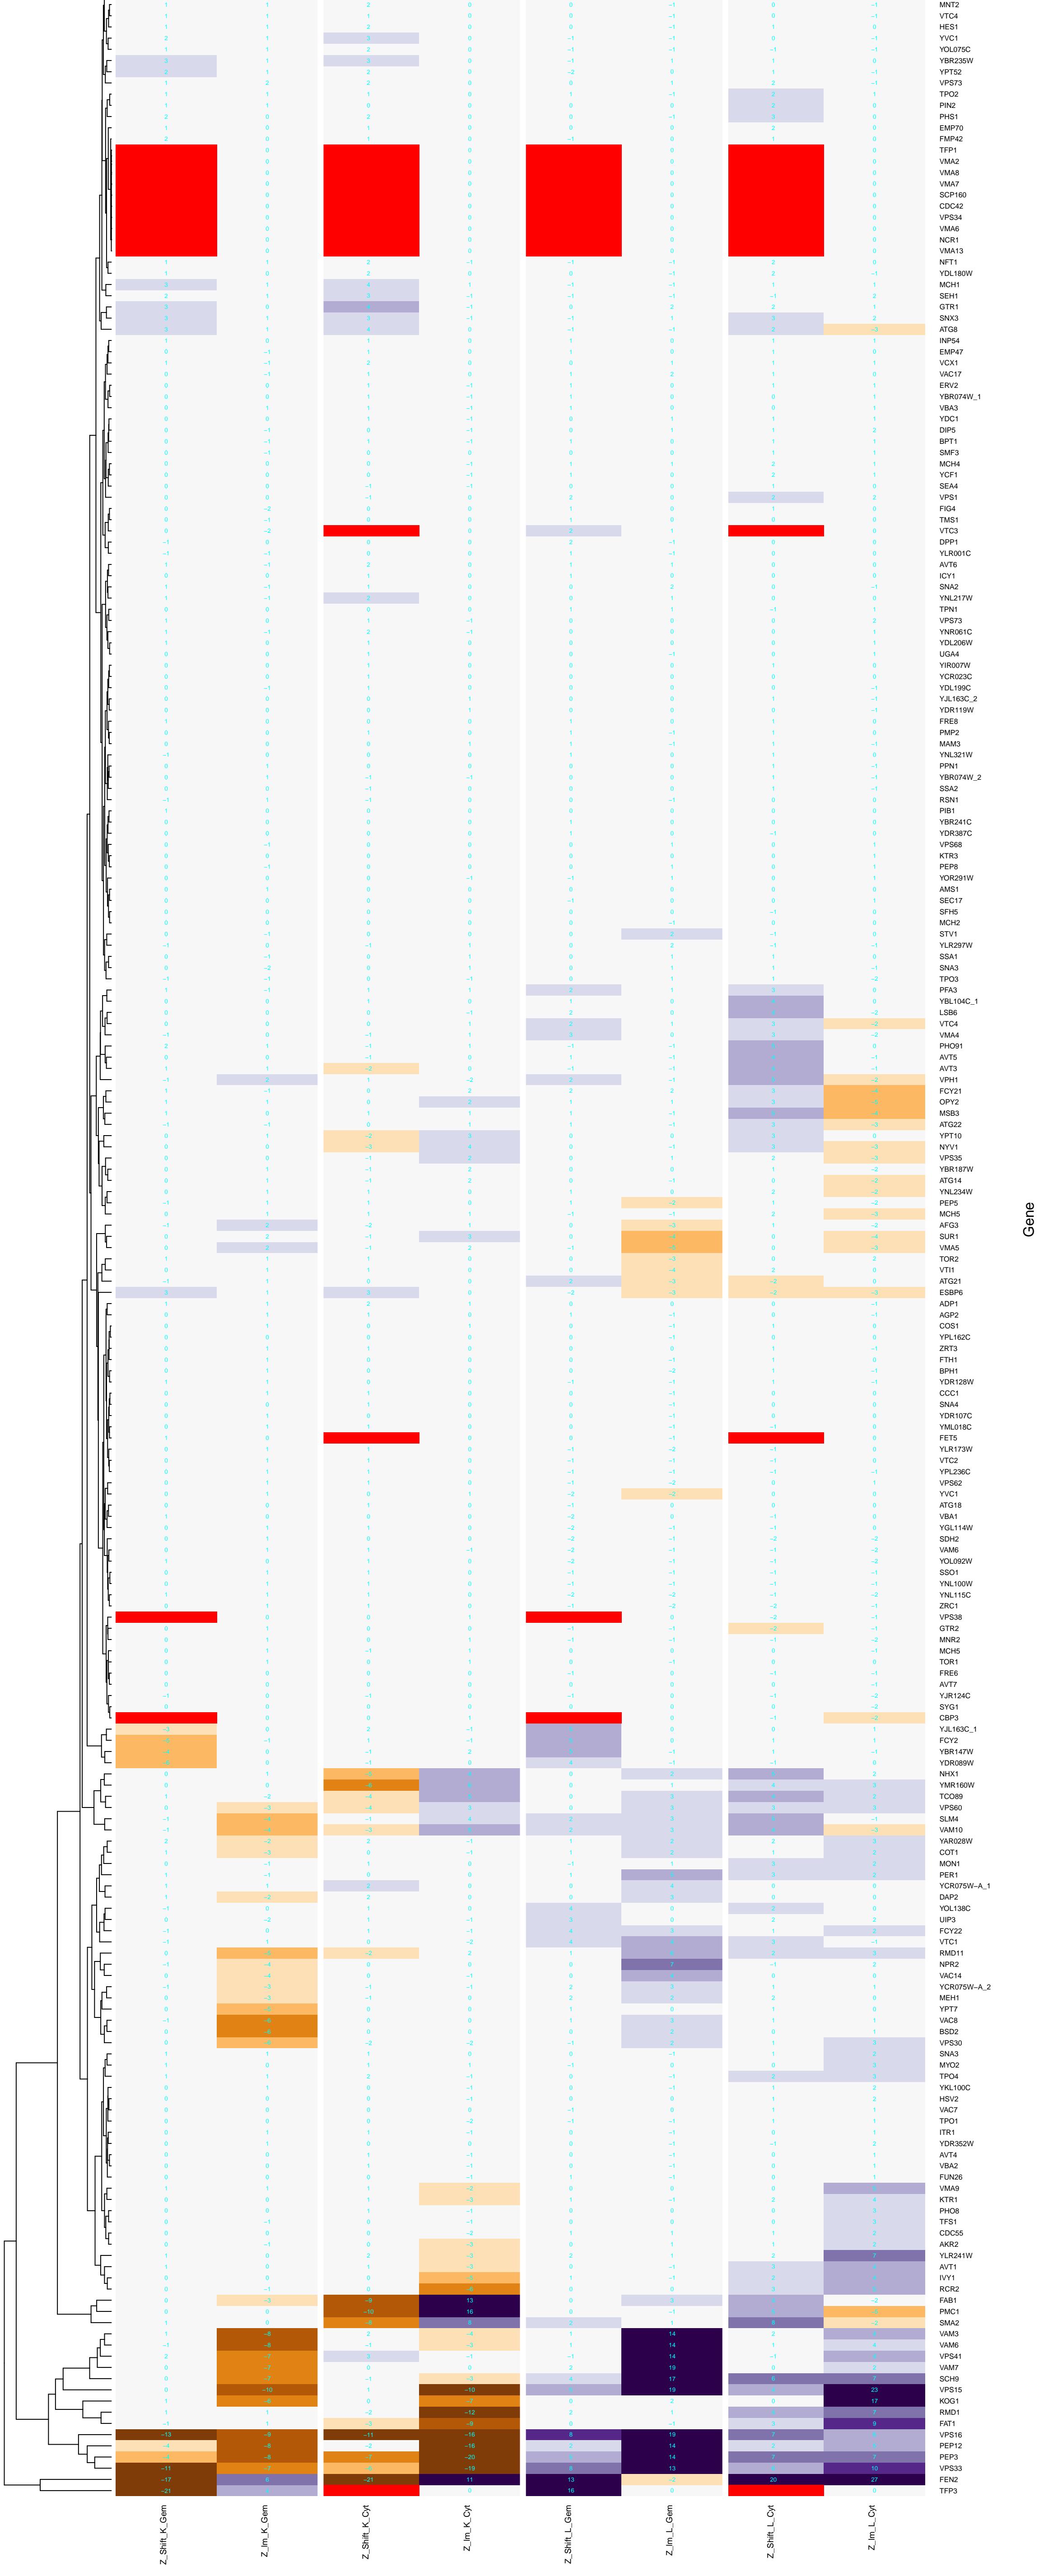

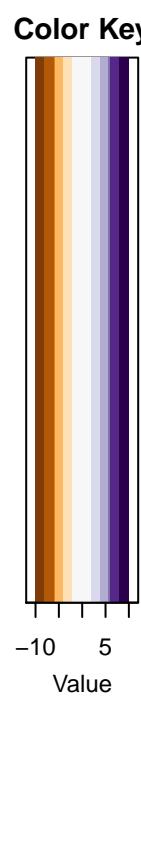

## Color Key

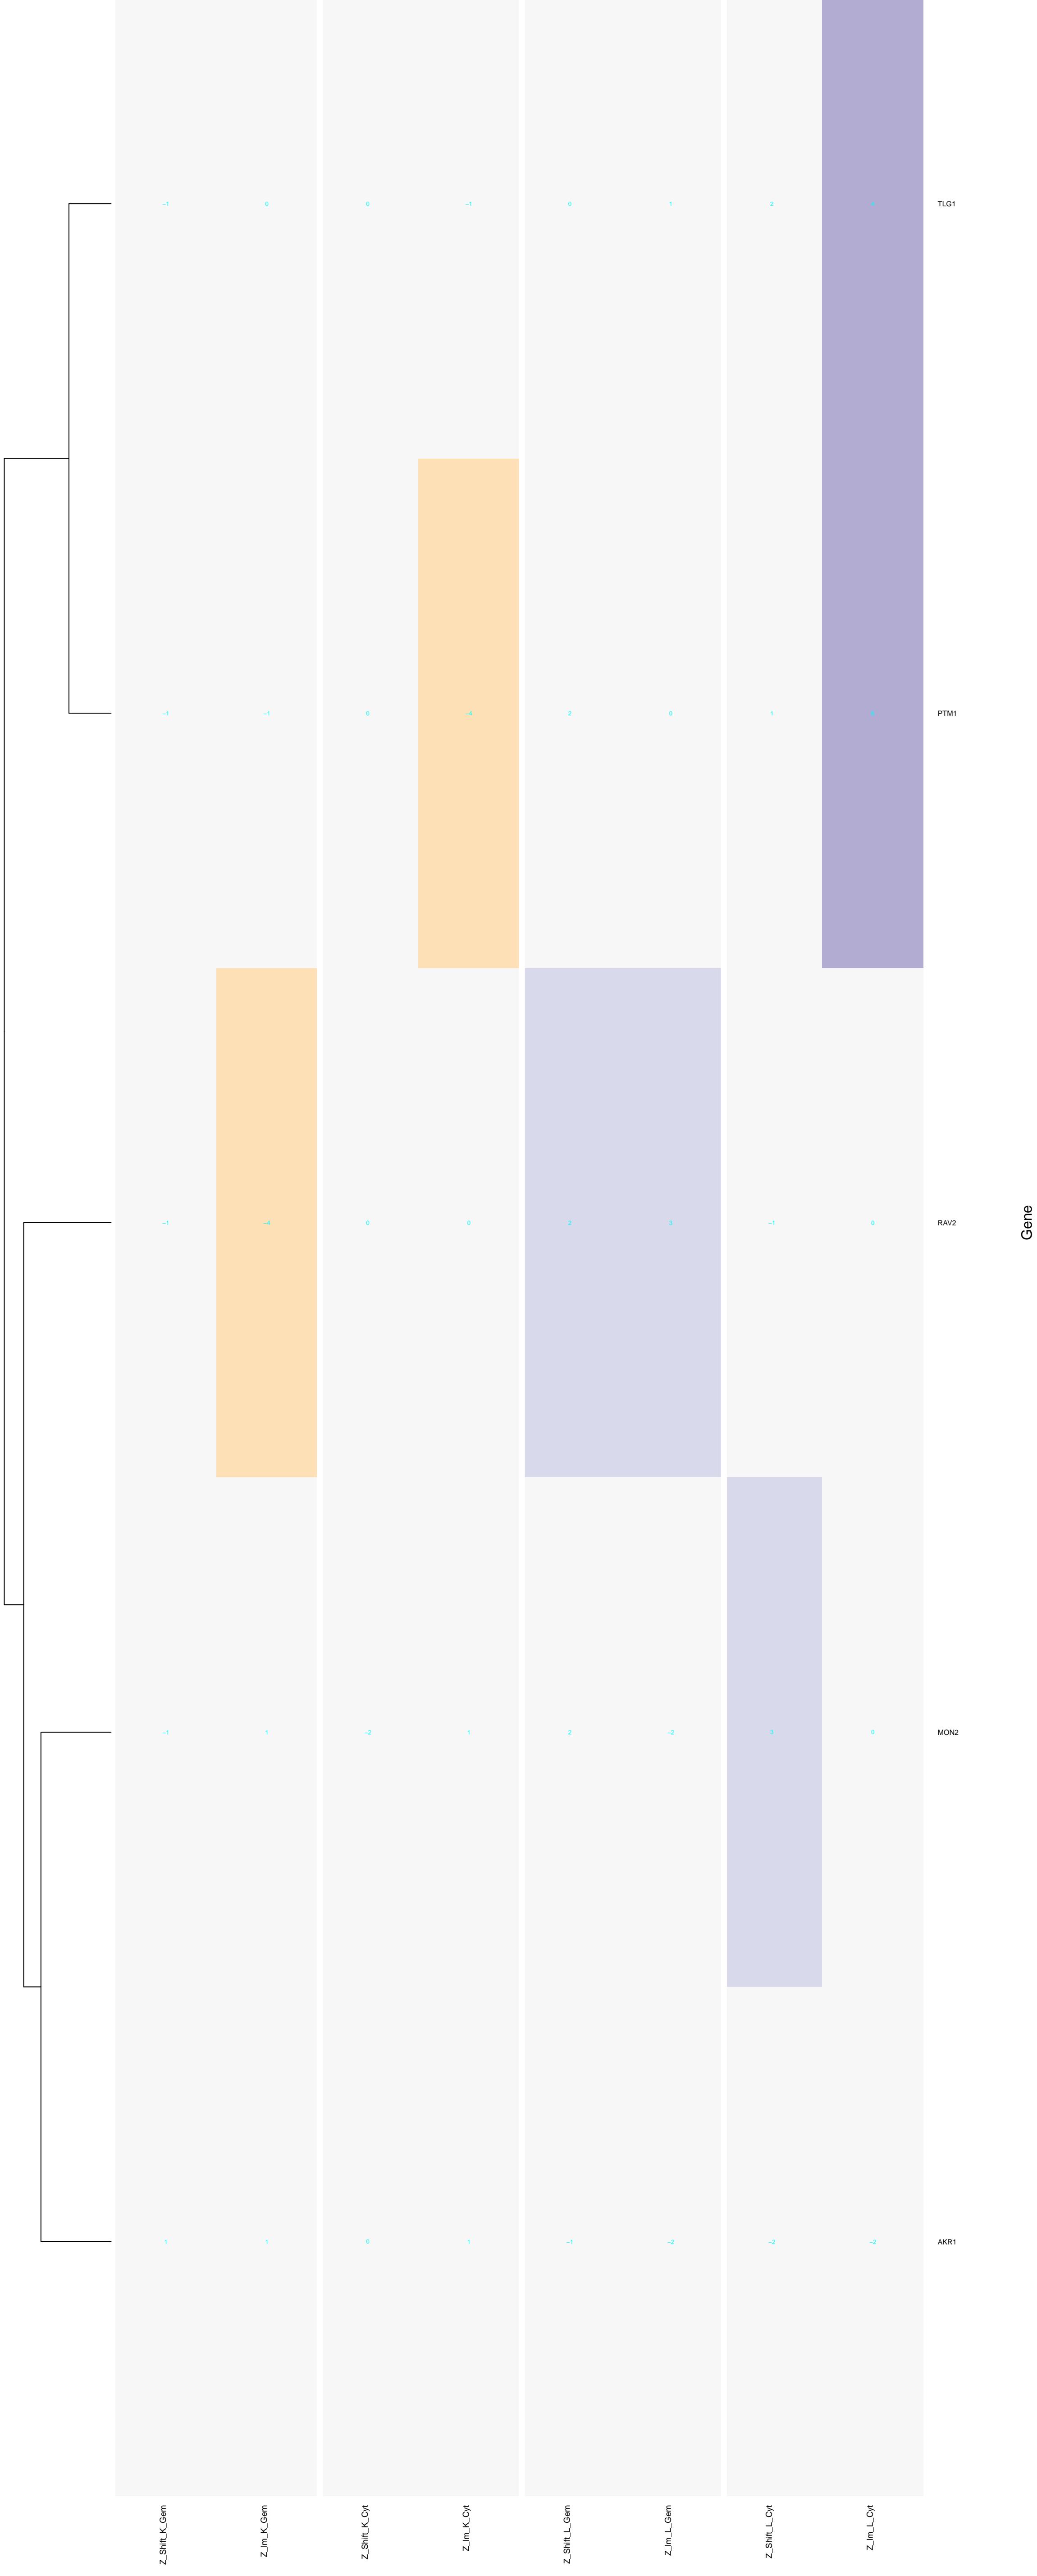

## lytic vacuole membrane

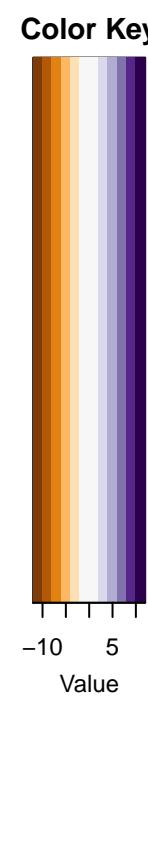

Color Key

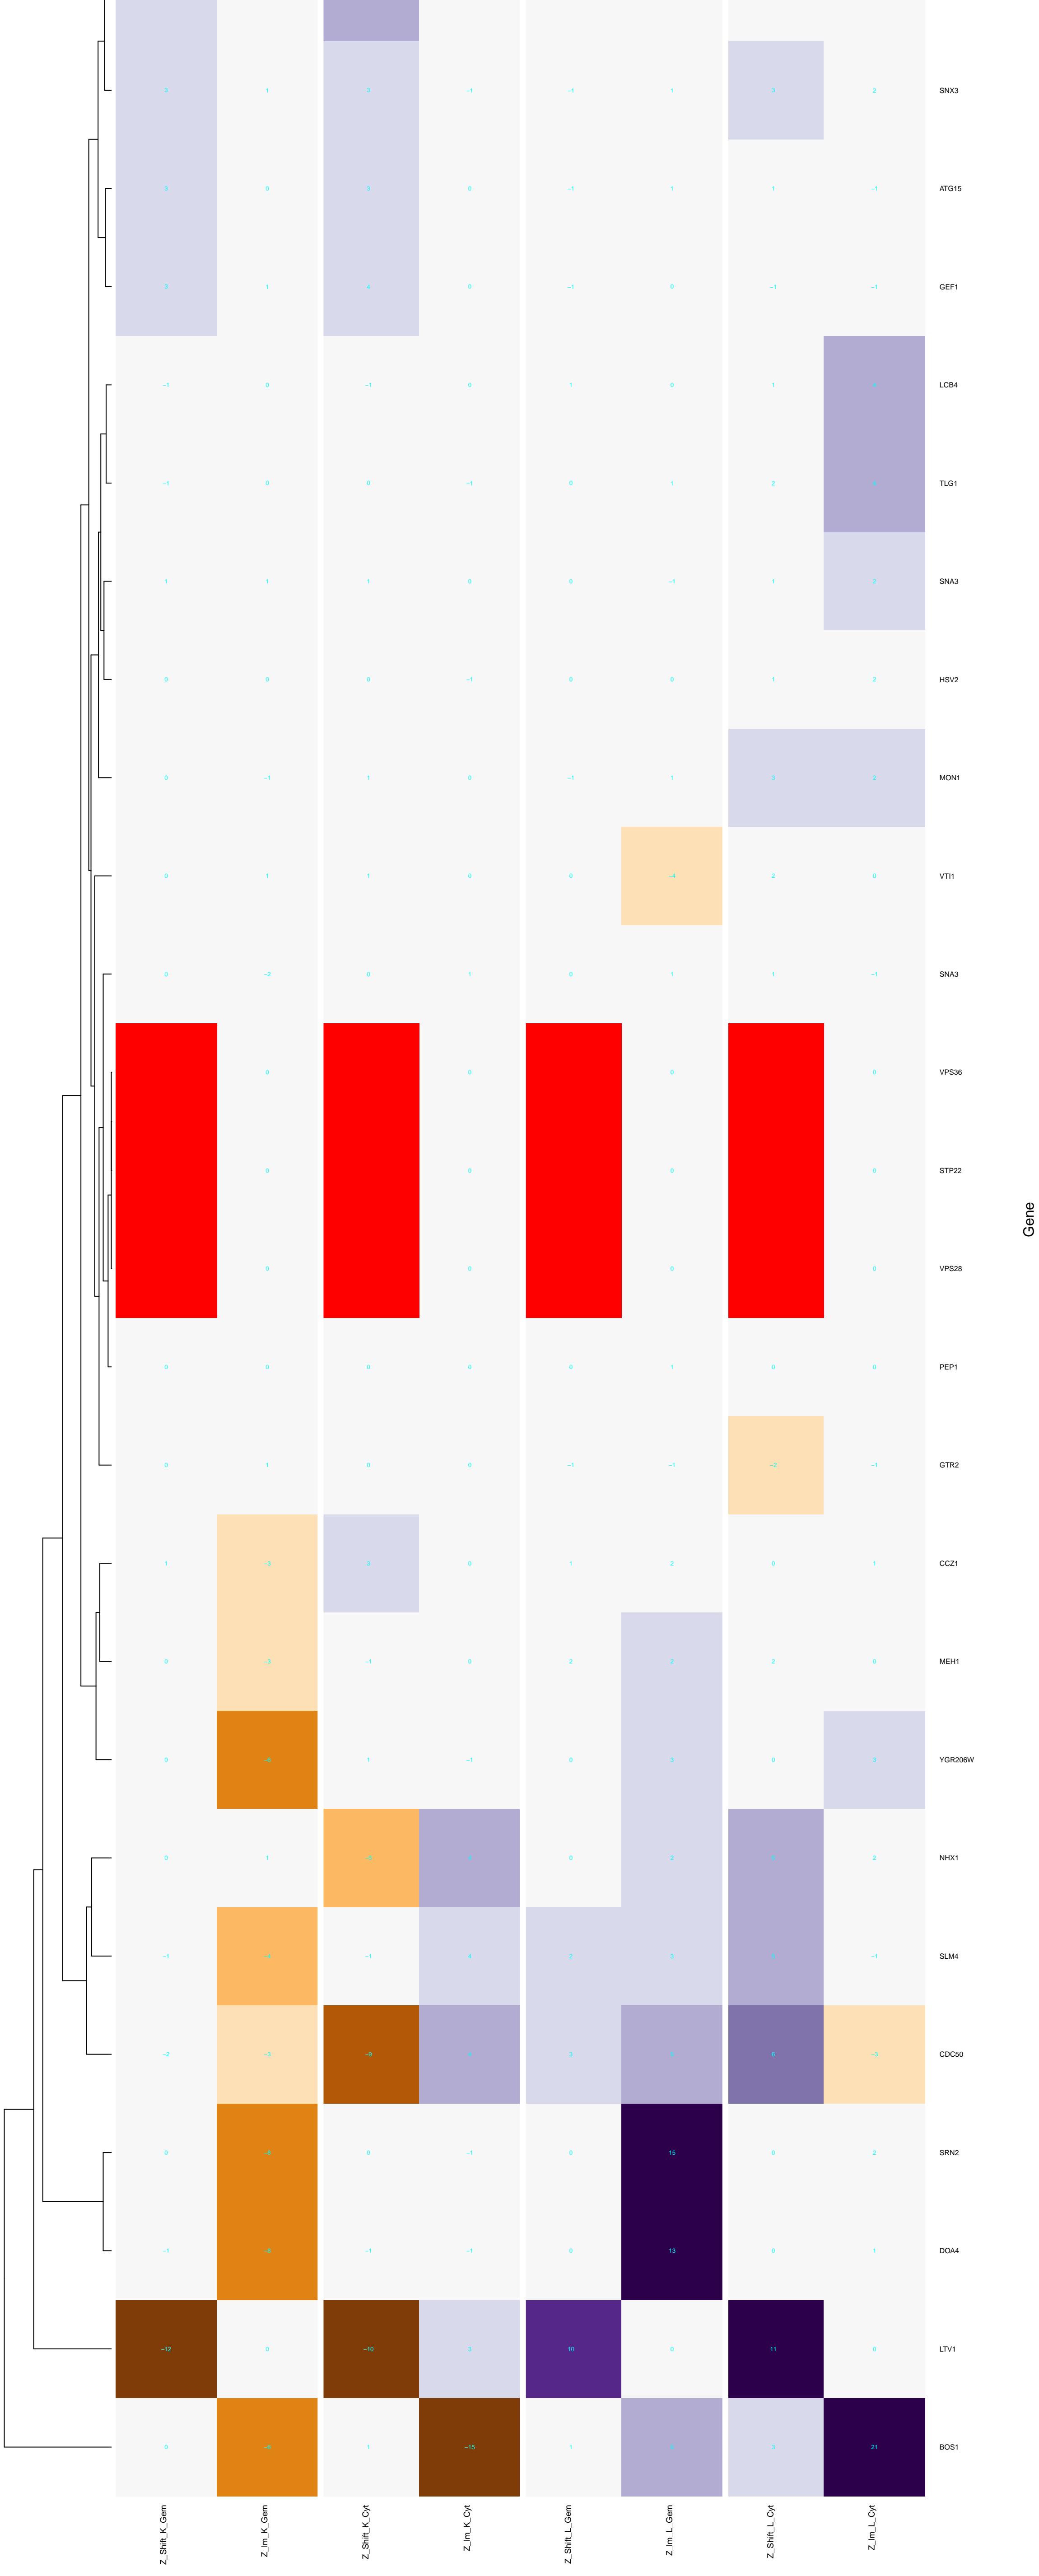

## early endosome membrane

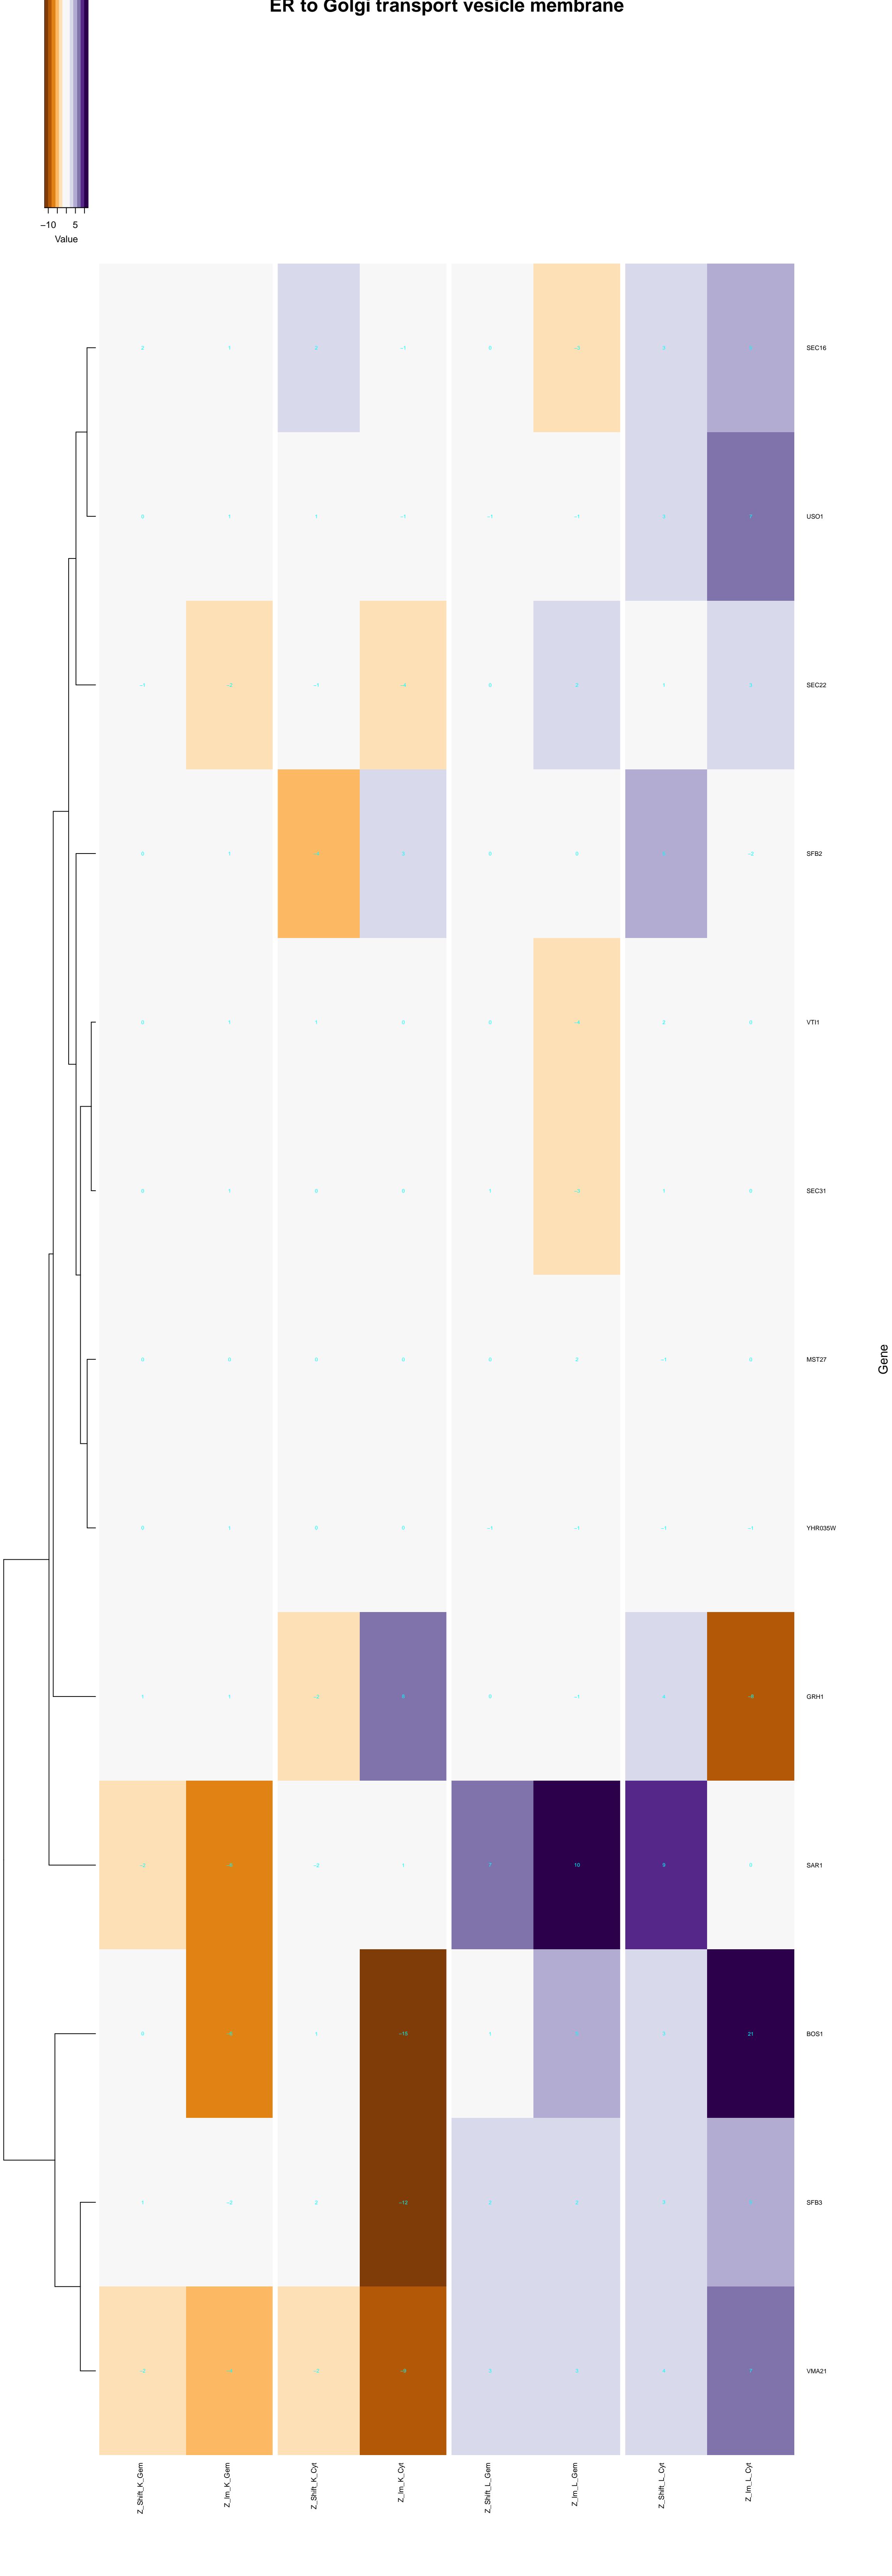

### late endosome membrane

Color Key

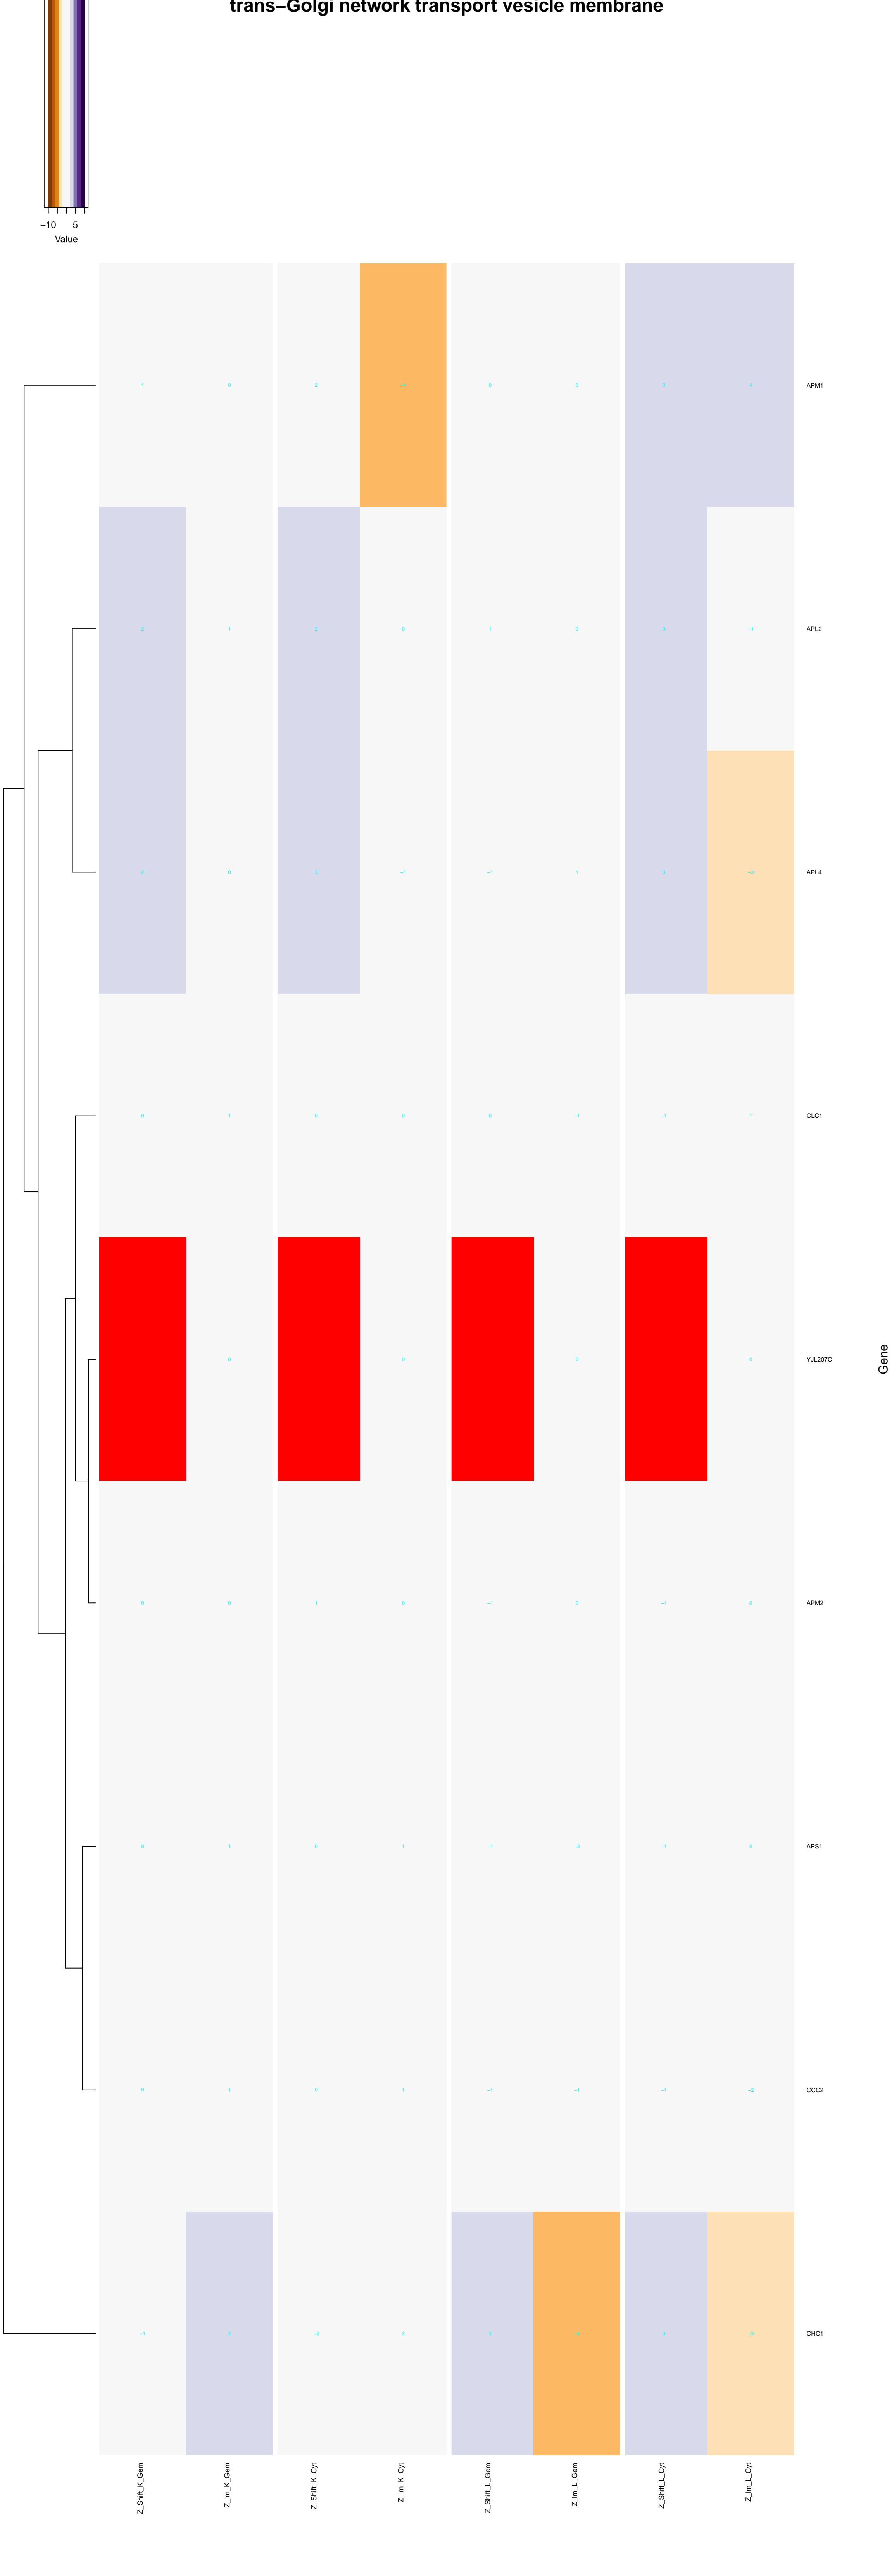

## ER to Golgi transport vesicle membrane

Color Key

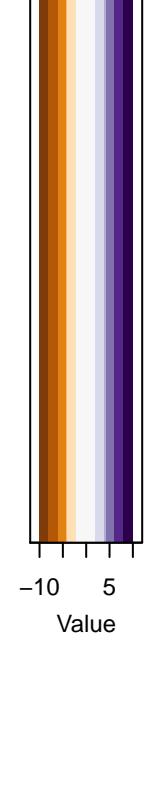

## trans-Golgi network transport vesicle membrane

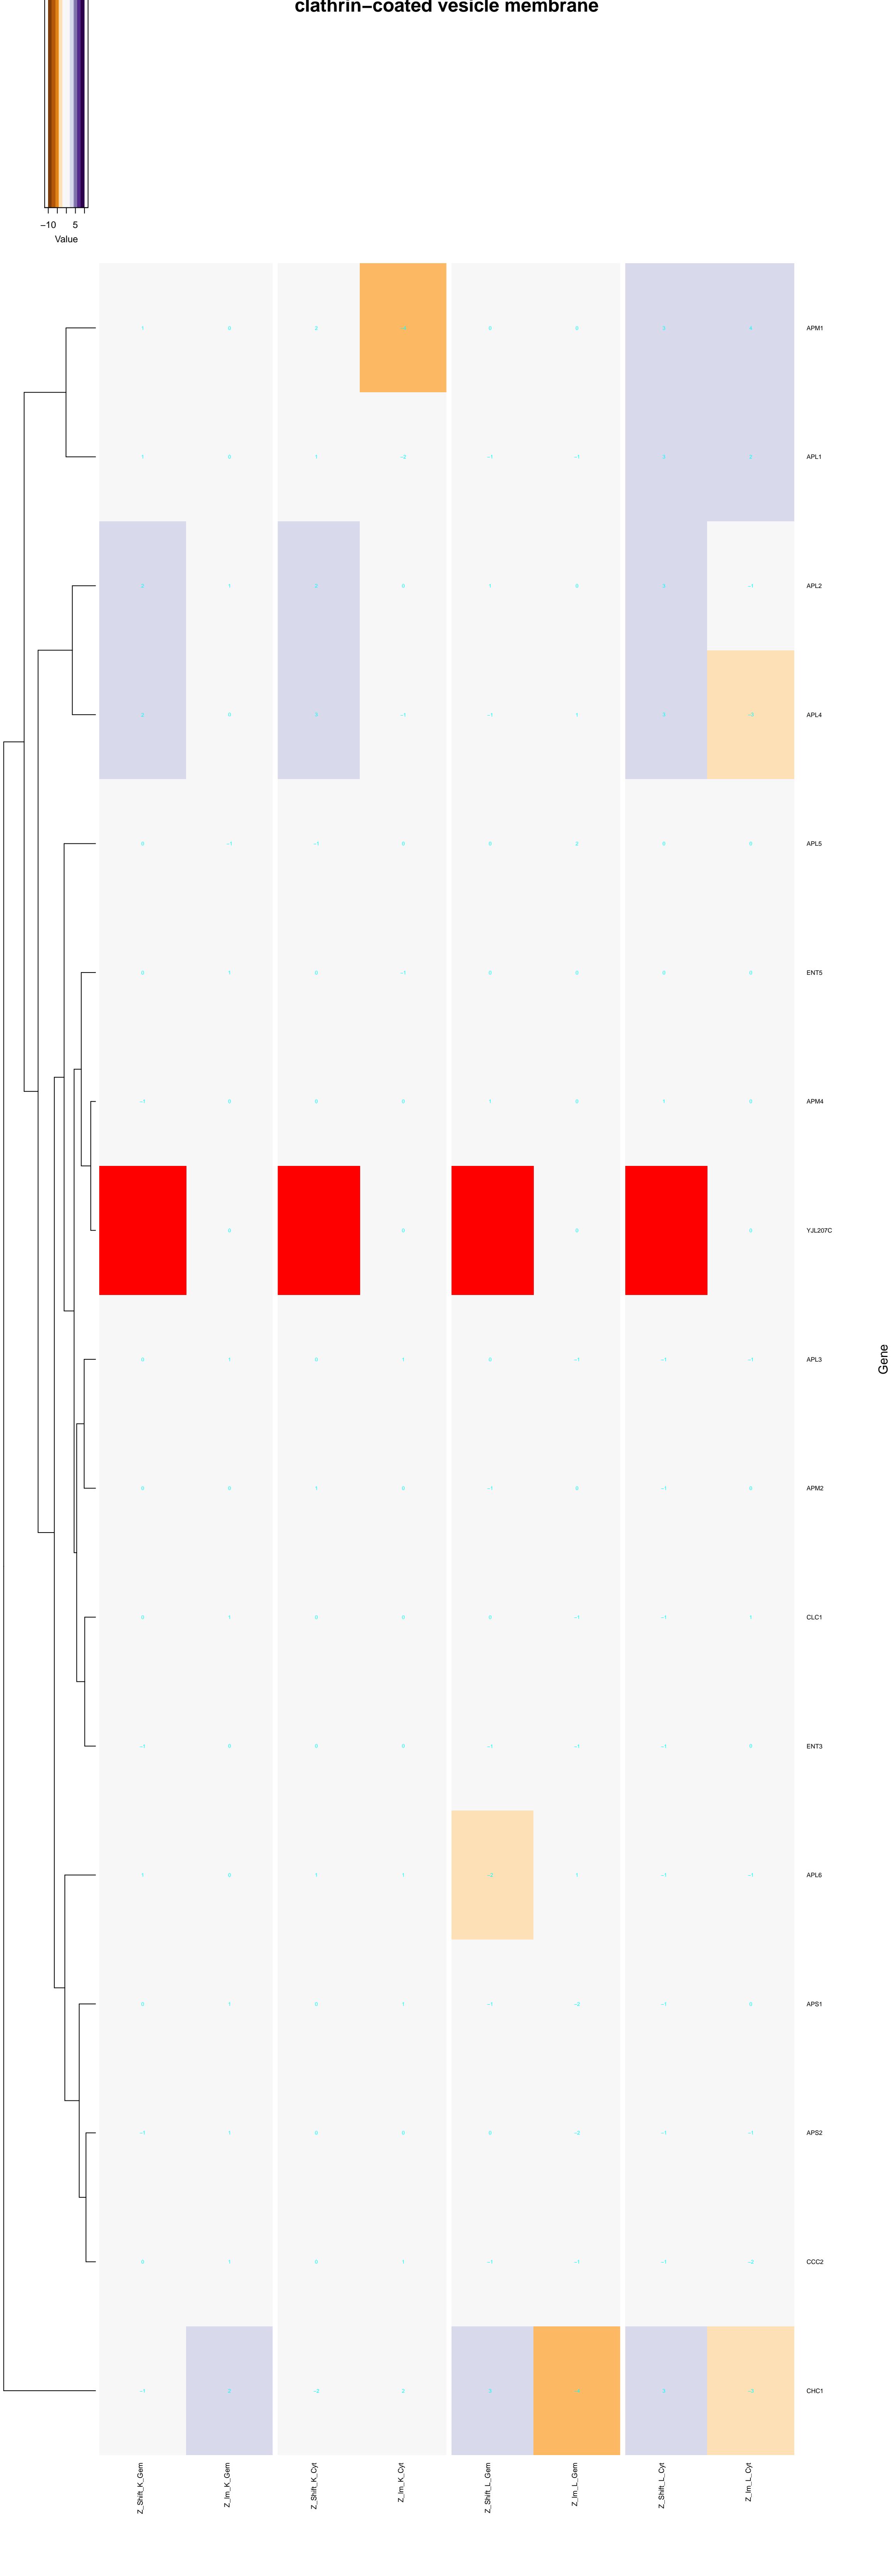

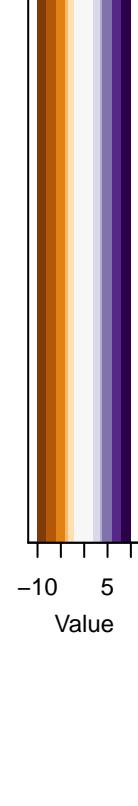

Color Key

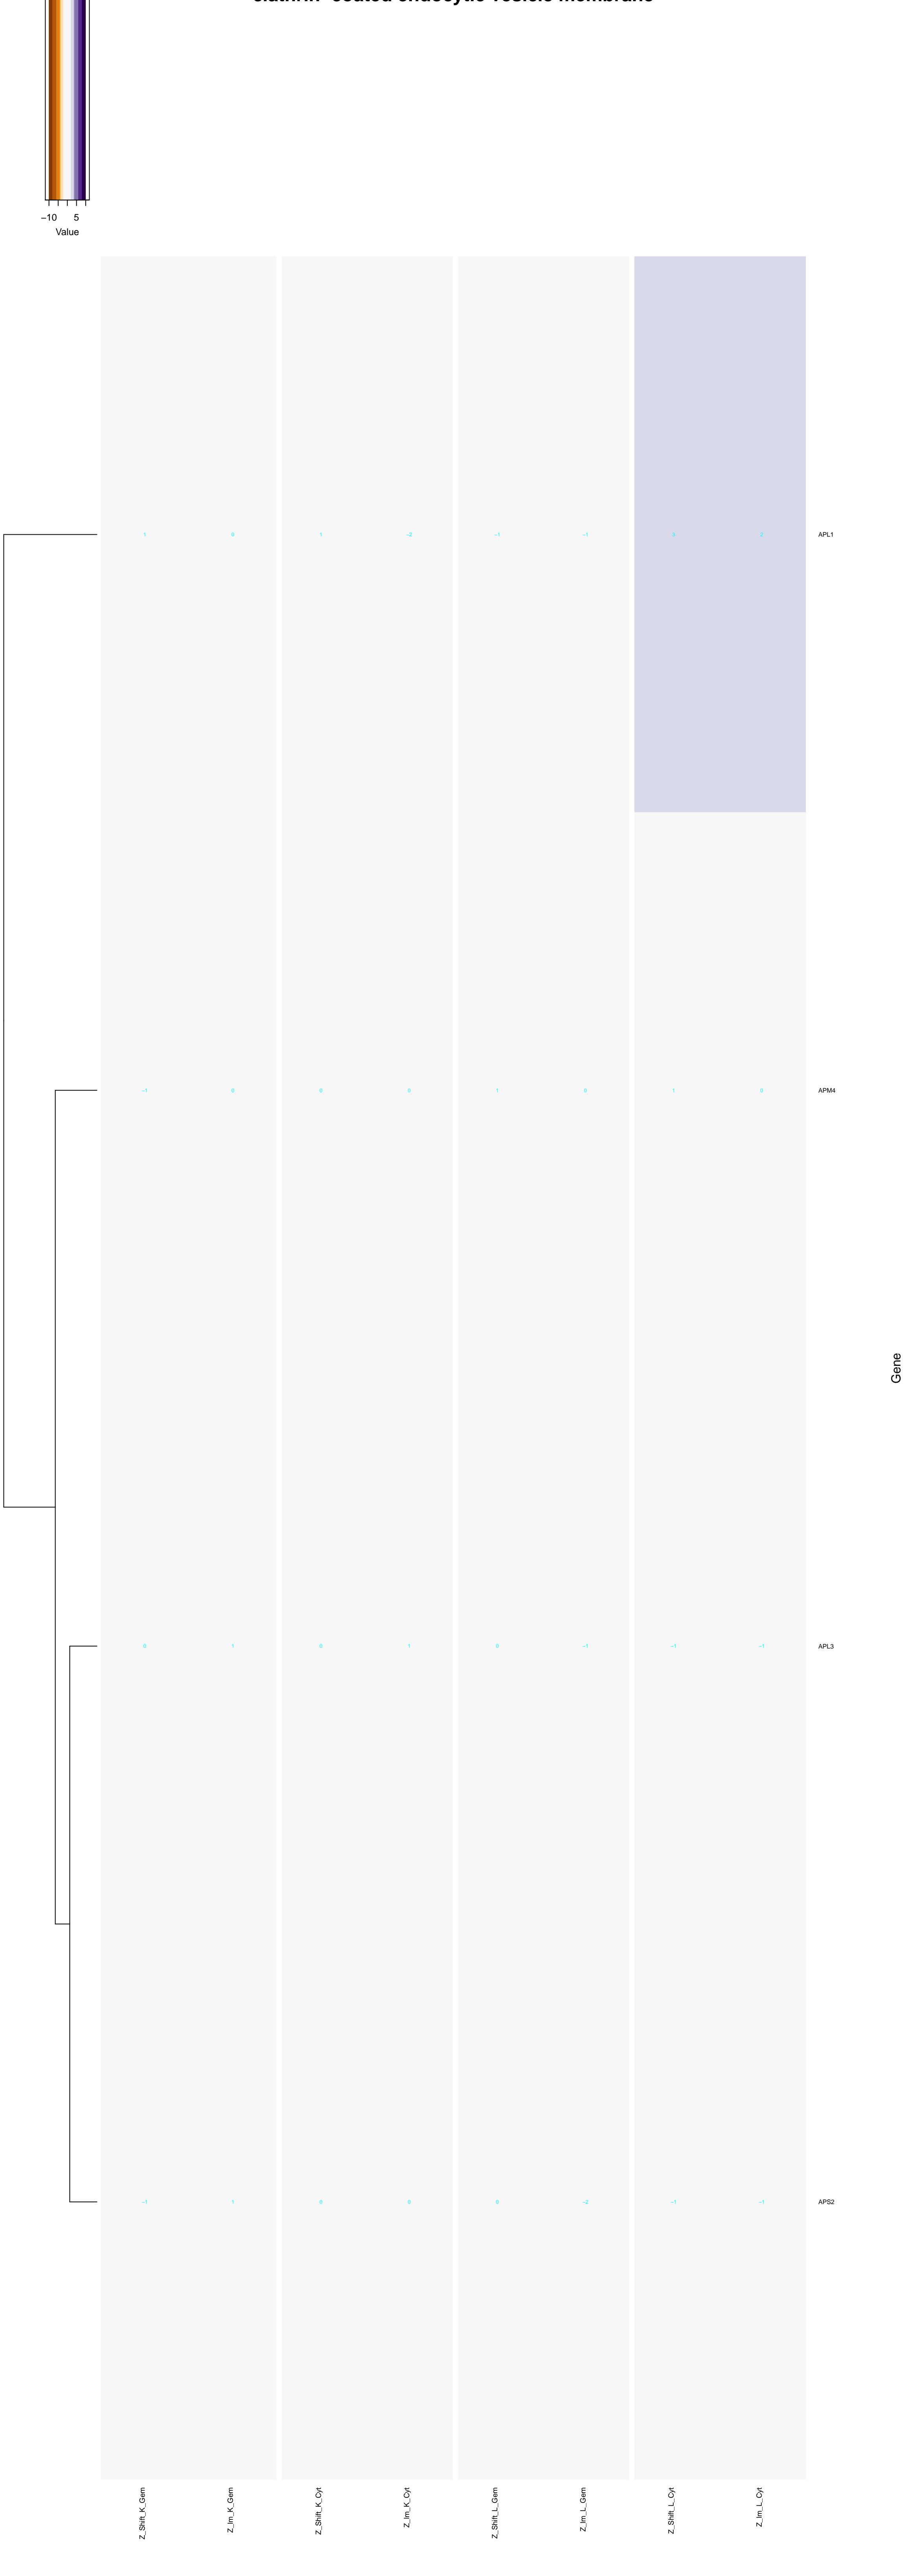

## clathrin-coated vesicle membrane

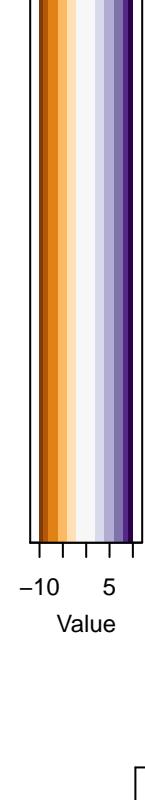

Color Key

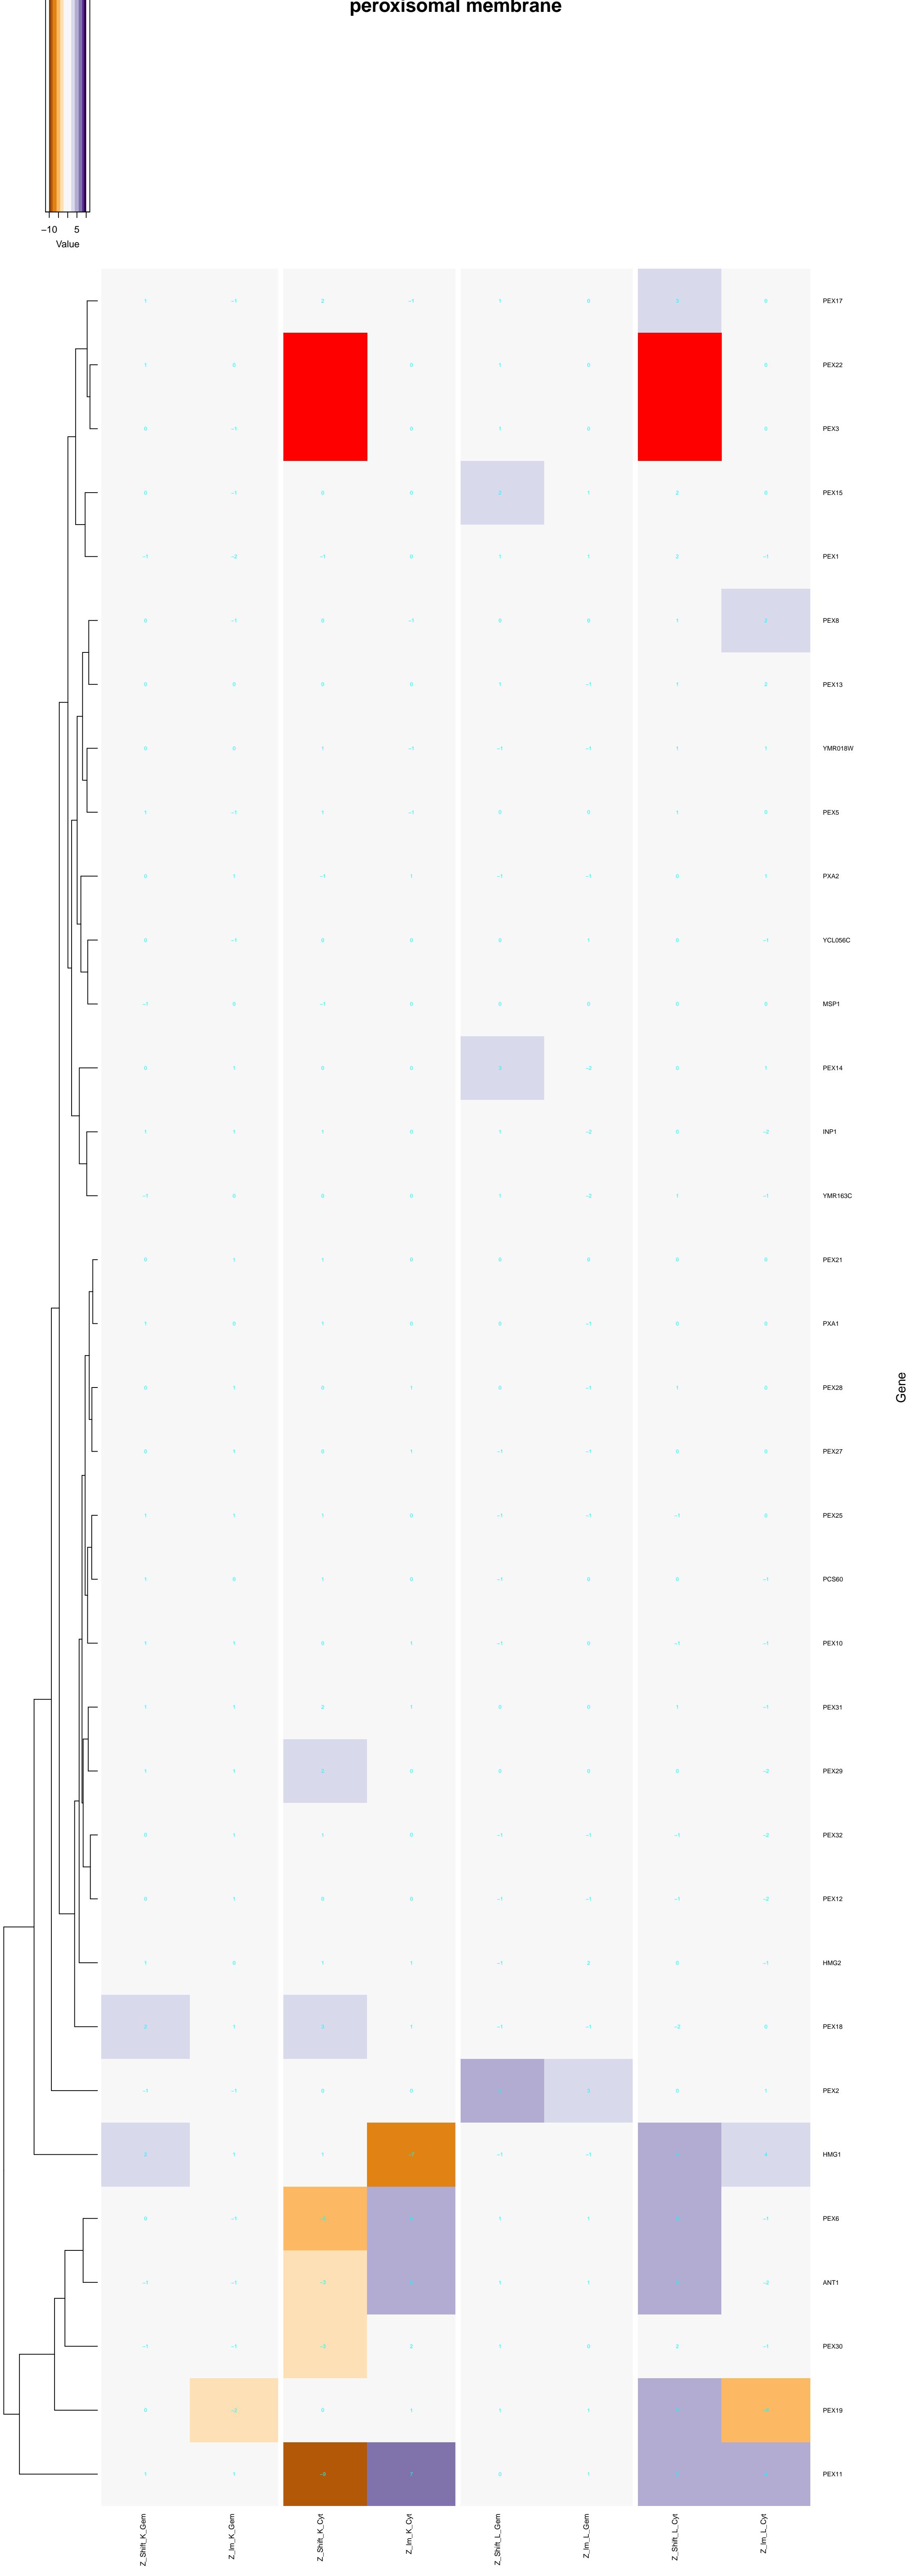

## clathrin-coated endocytic vesicle membrane

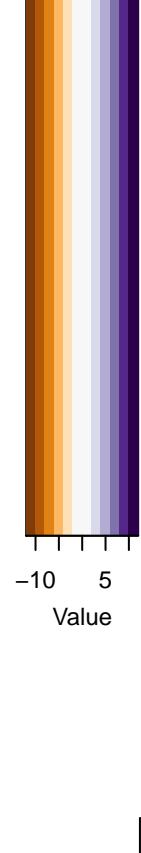

## Color Key

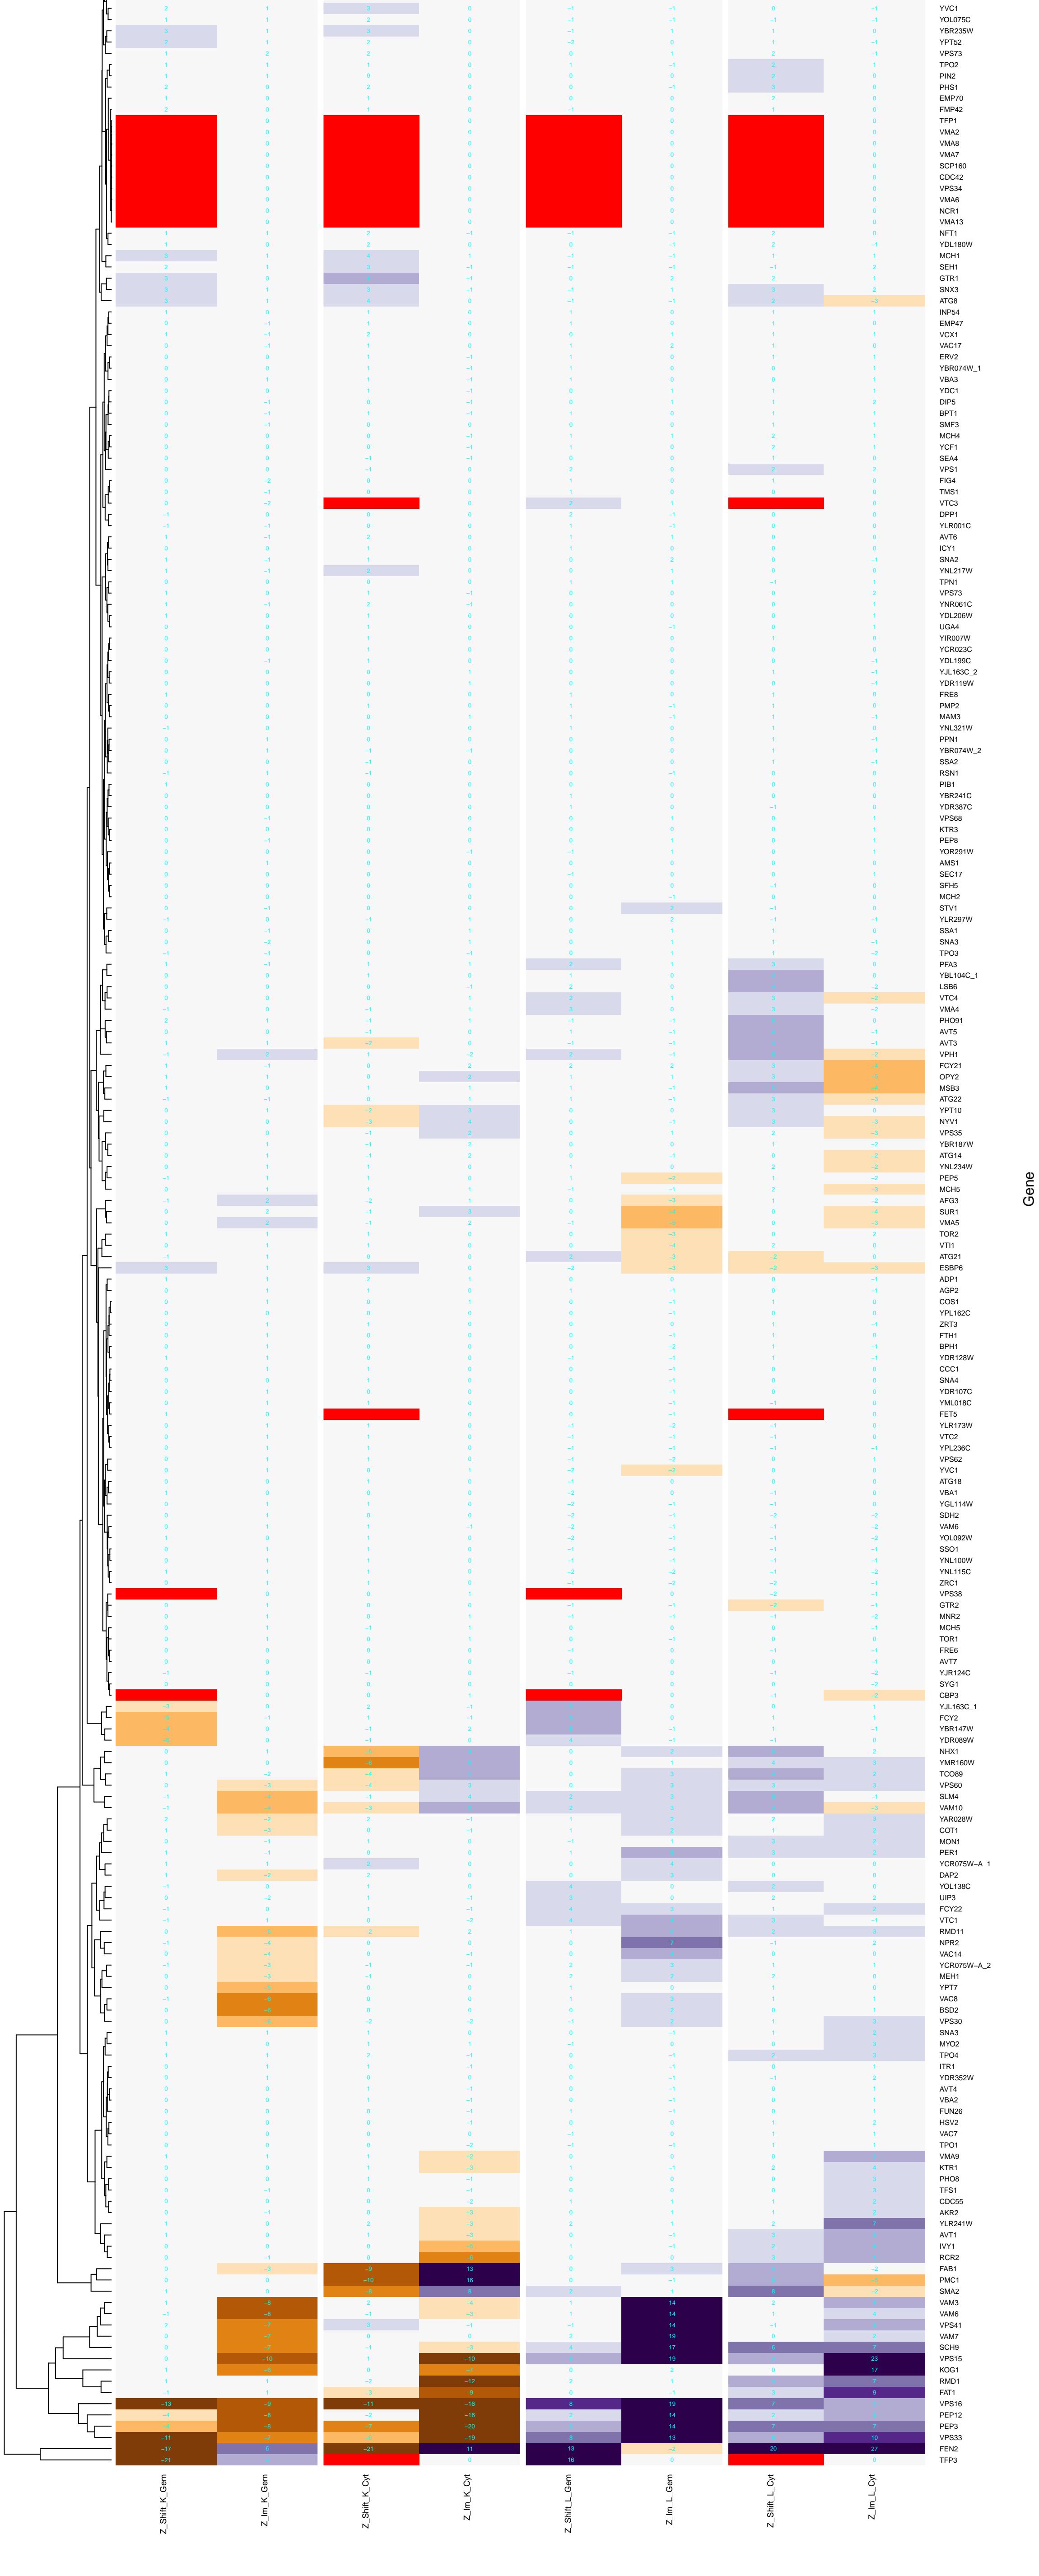

## peroxisomal membrane

## Color Key

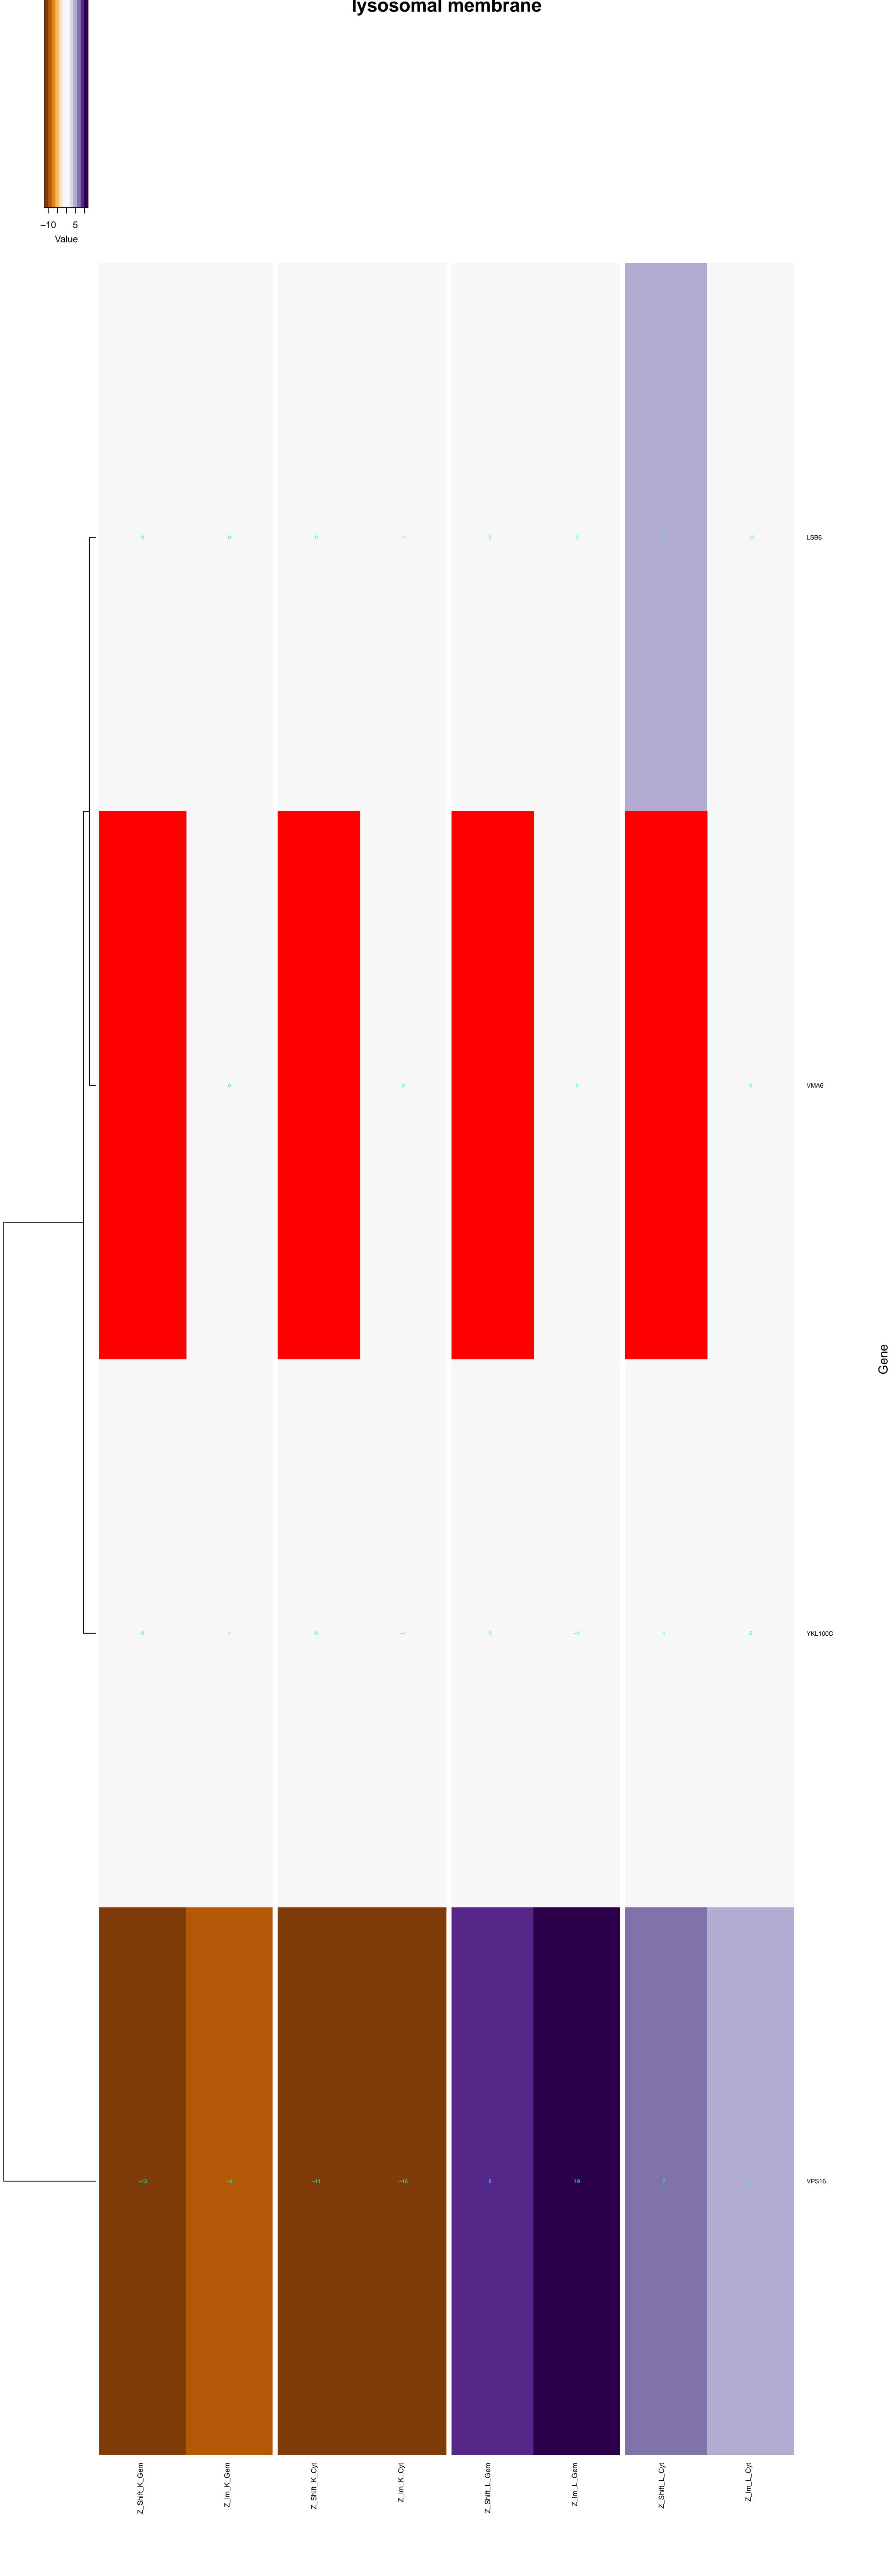

## fungal-type vacuole membrane

Color Key

## lysosomal membrane

Color Key

## multivesicular body membrane
