

Color Key

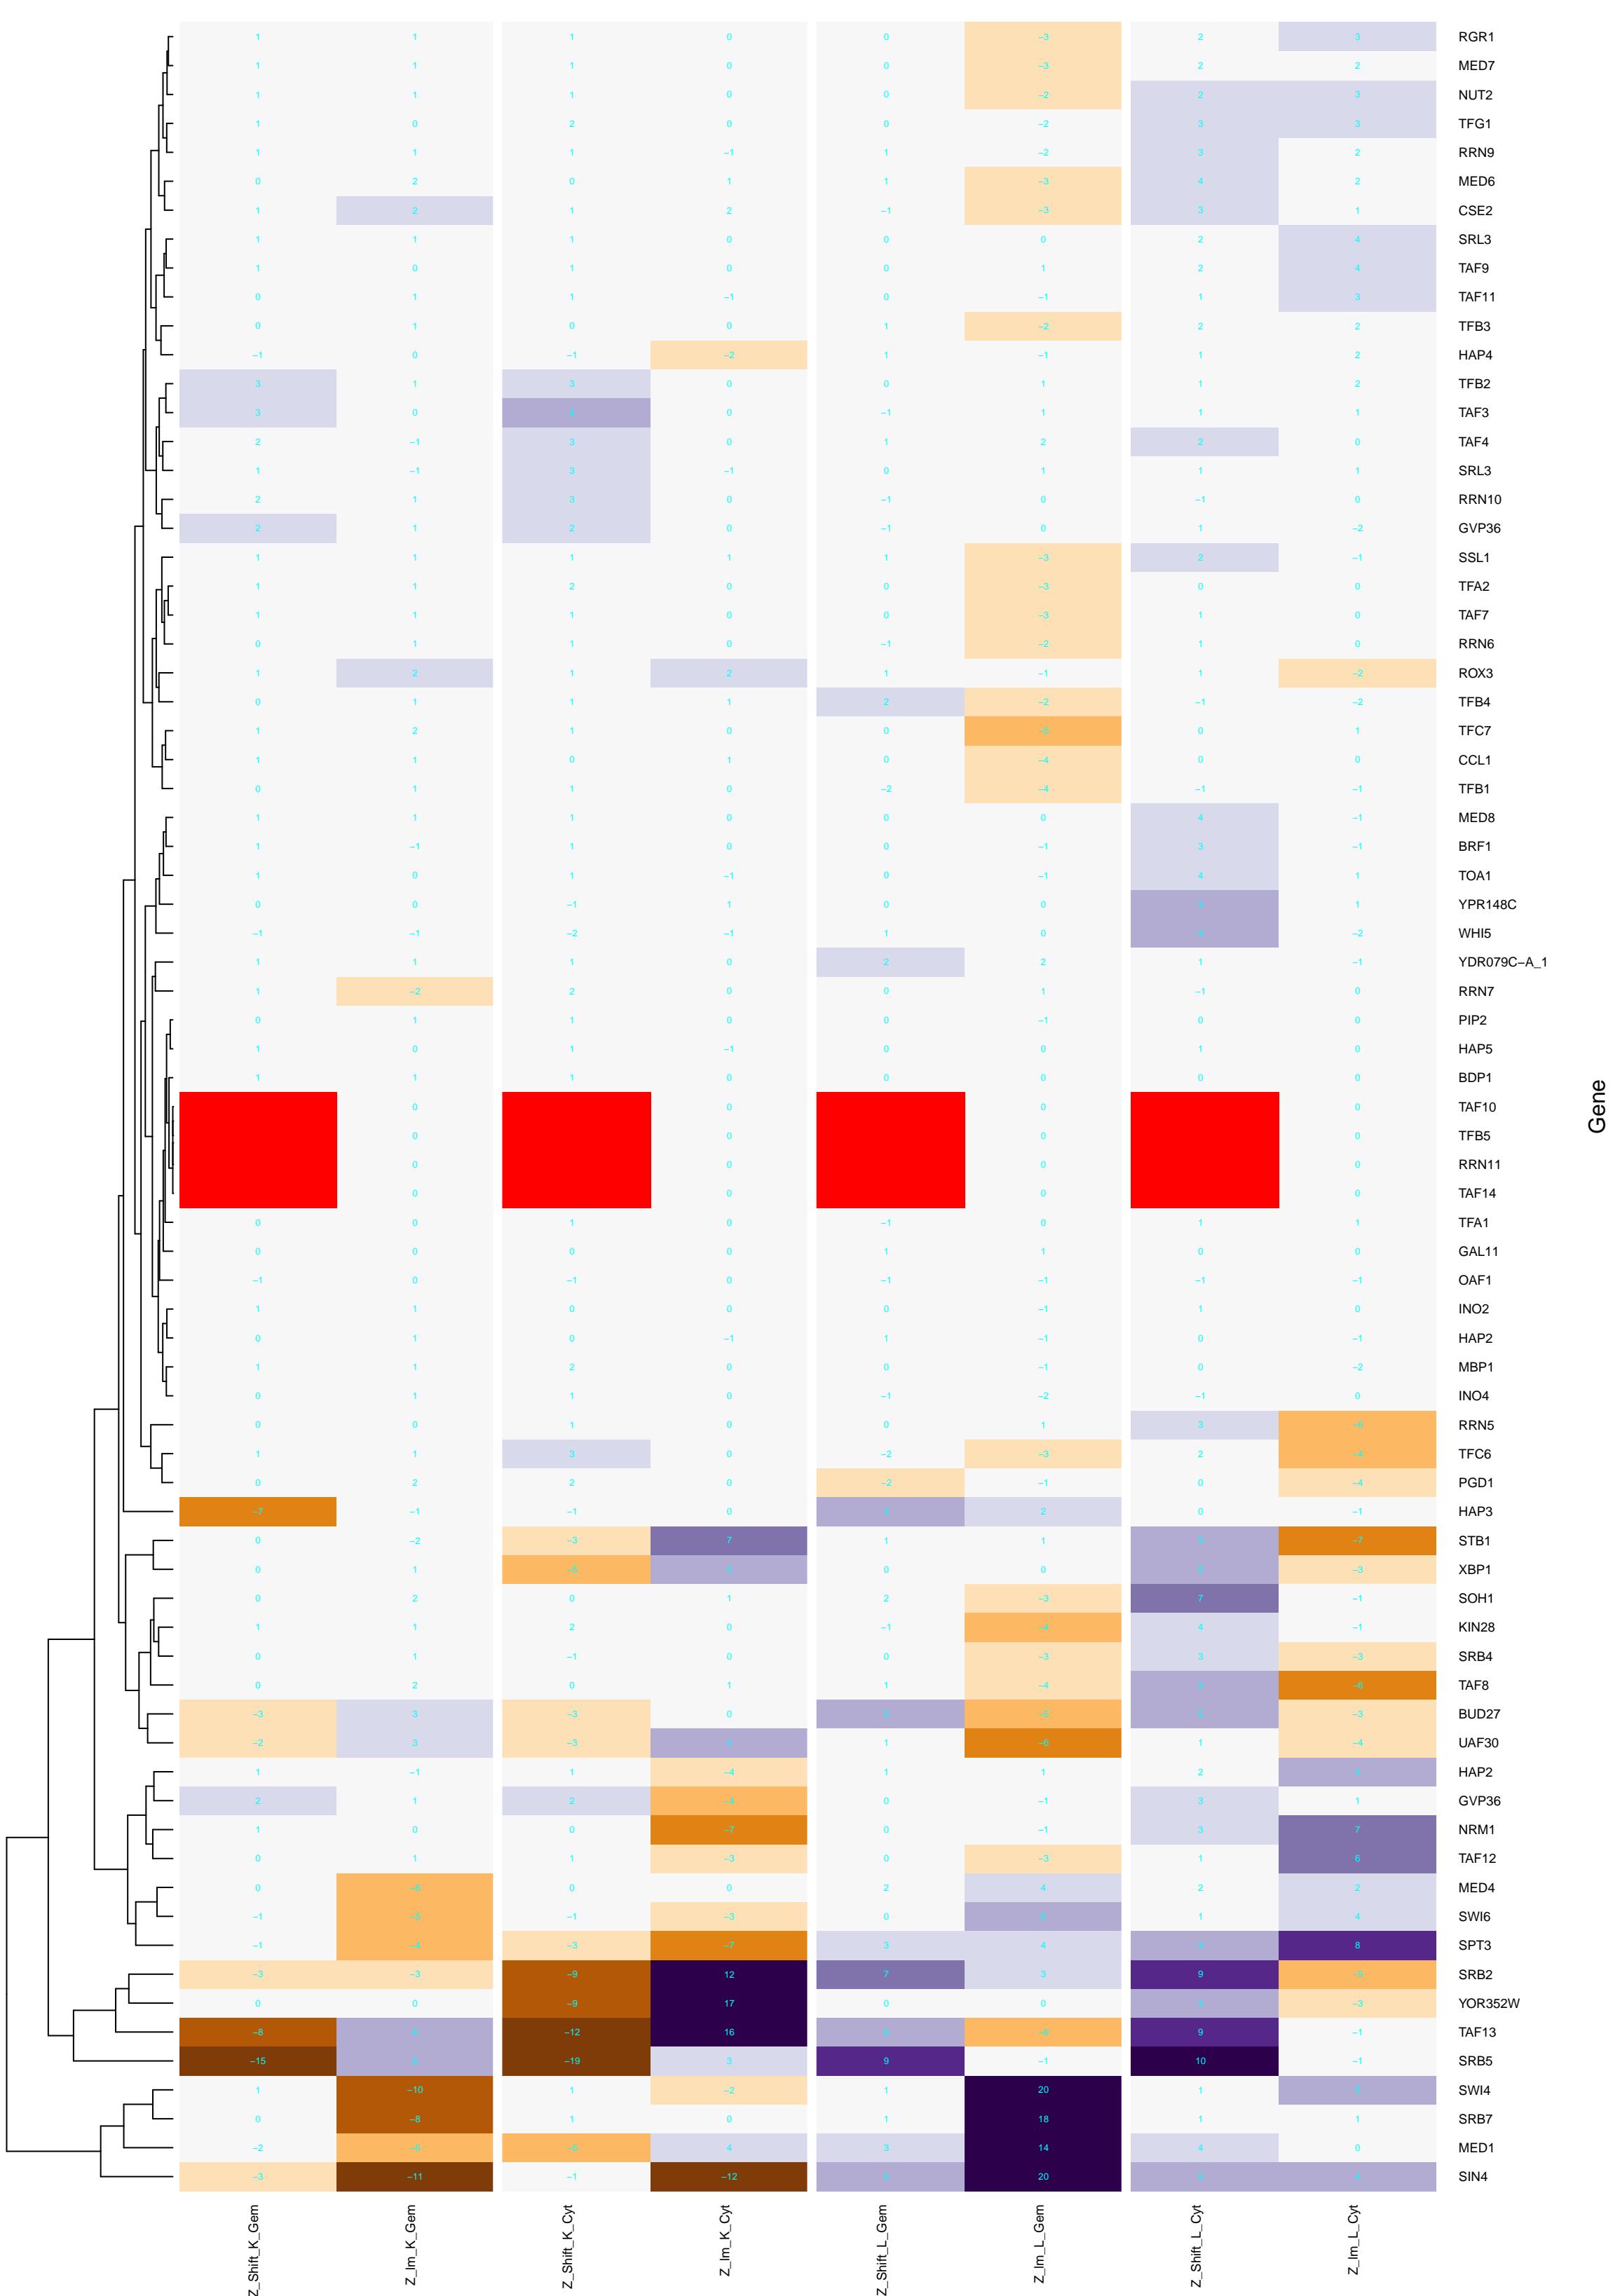

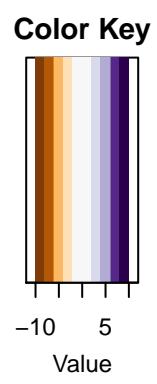

transcription factor complex

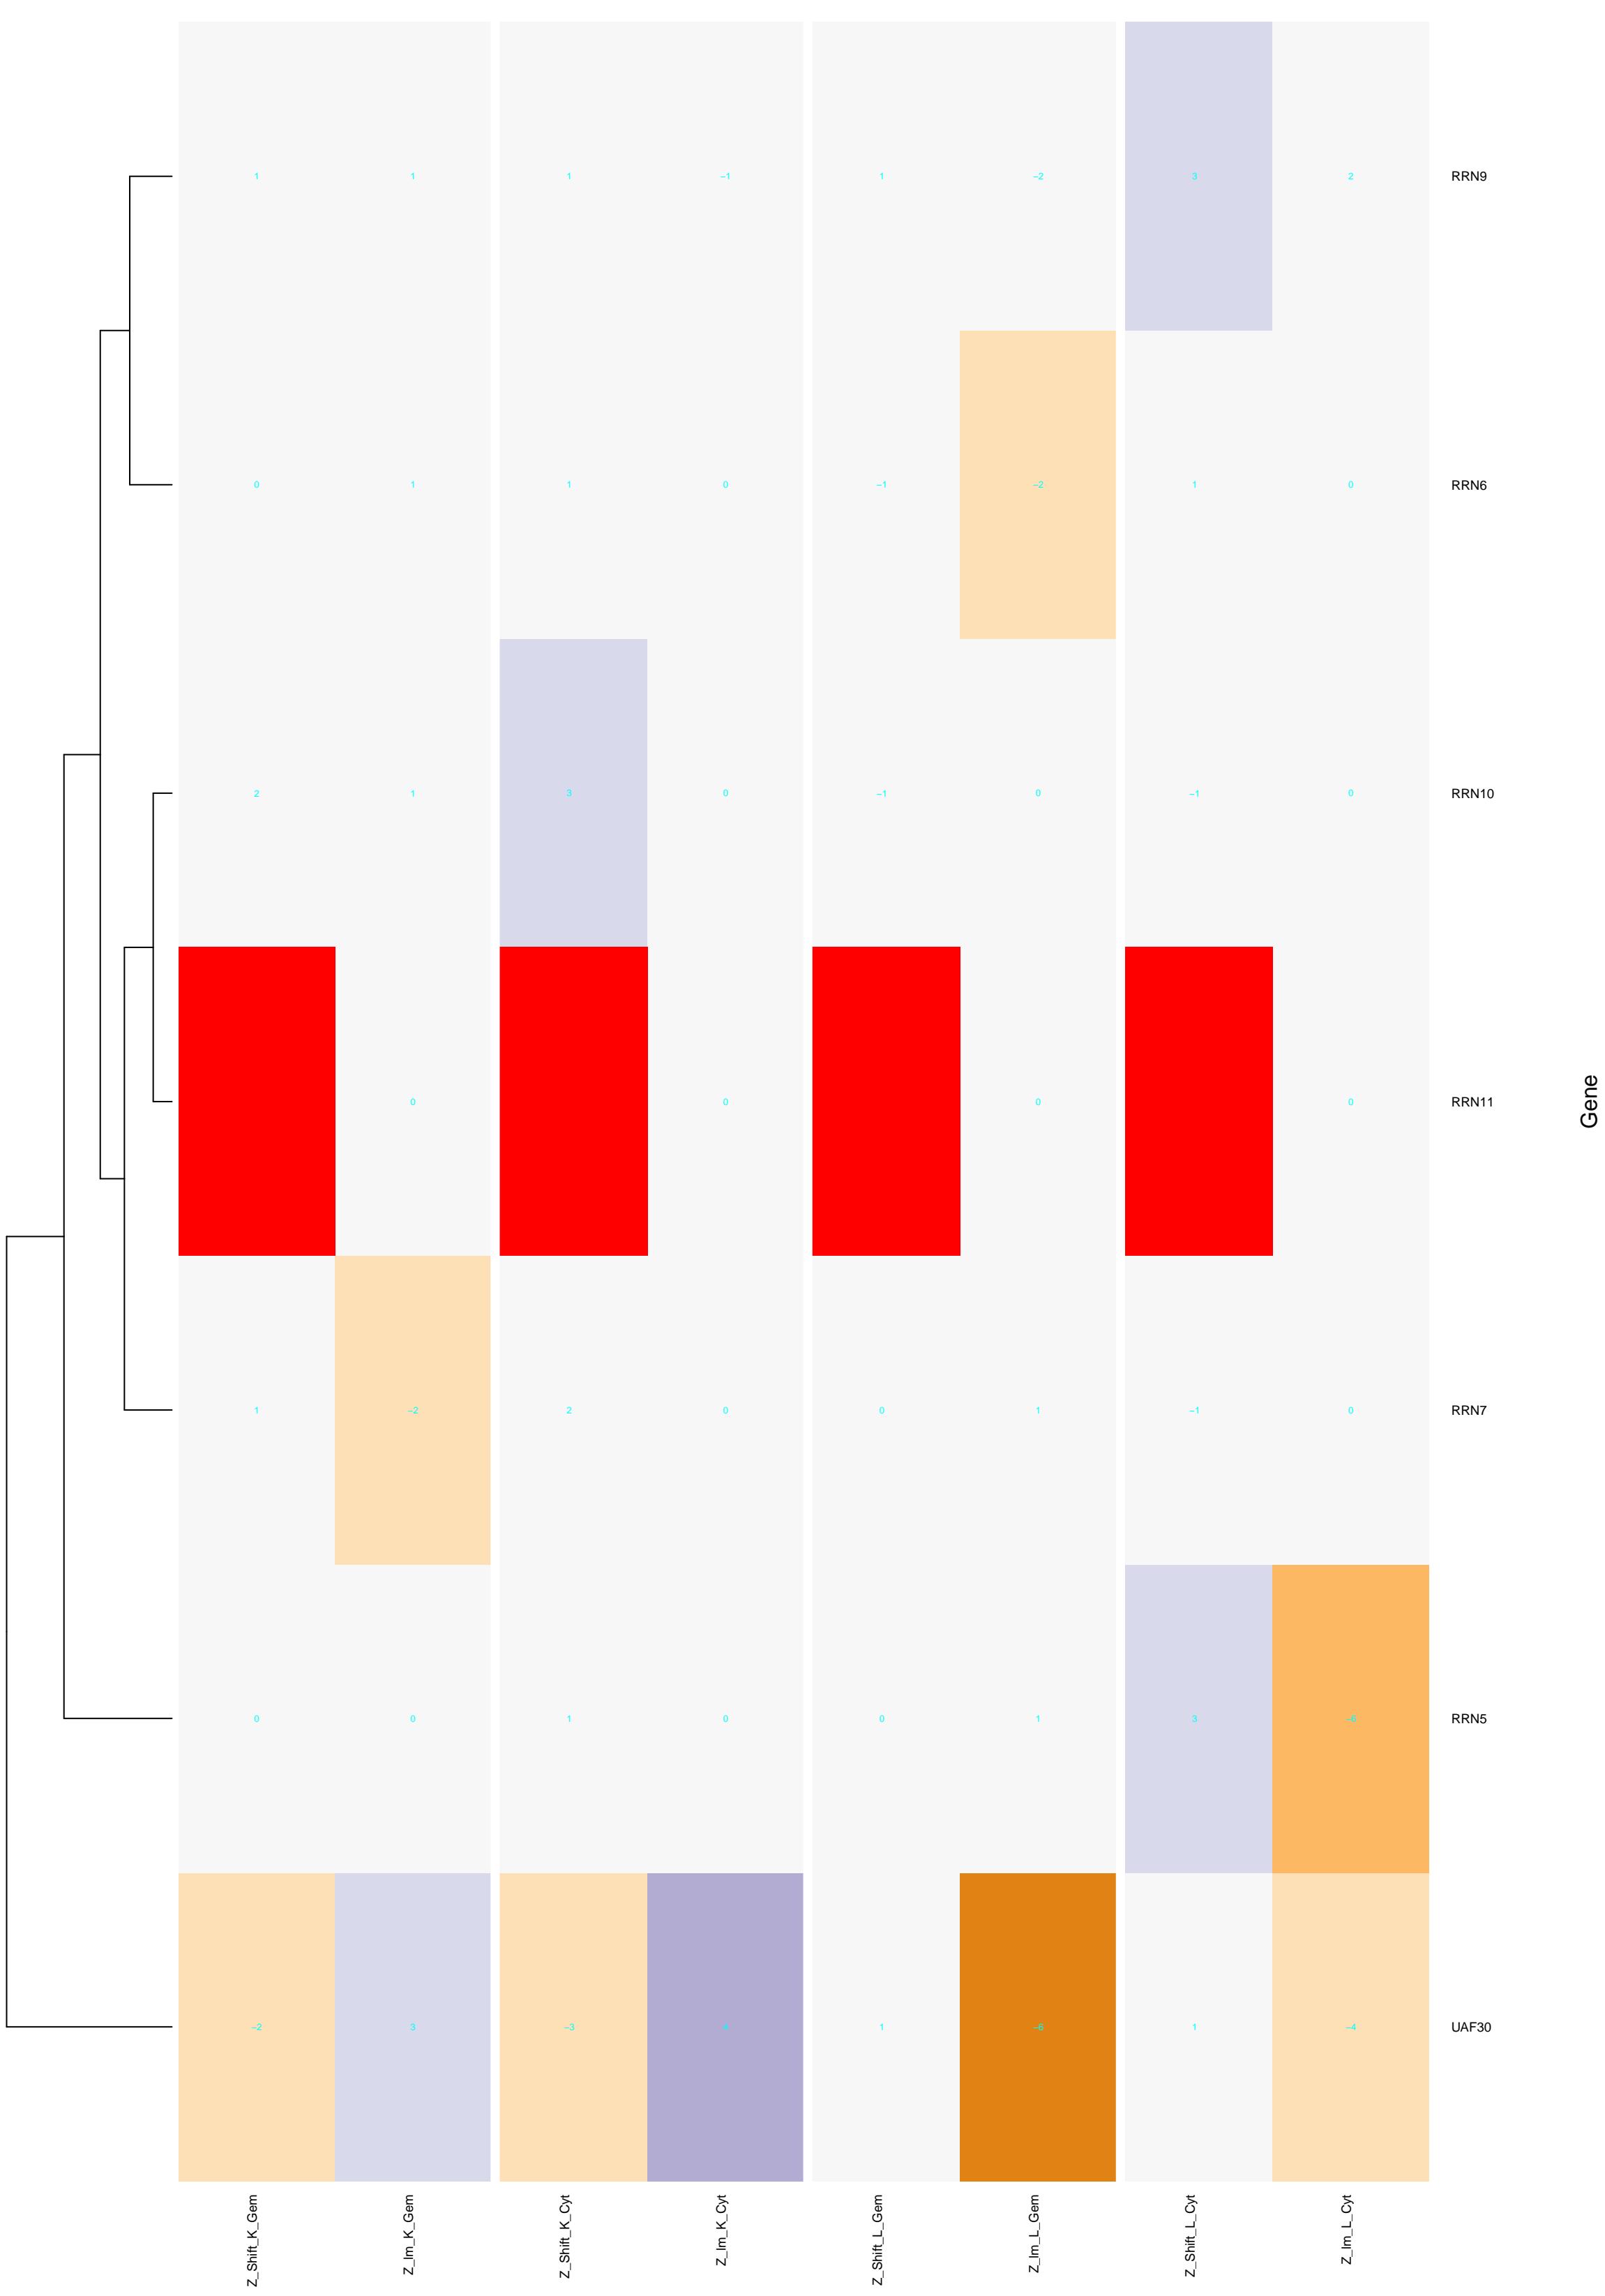

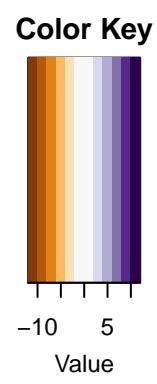

nuclear transcription factor complex

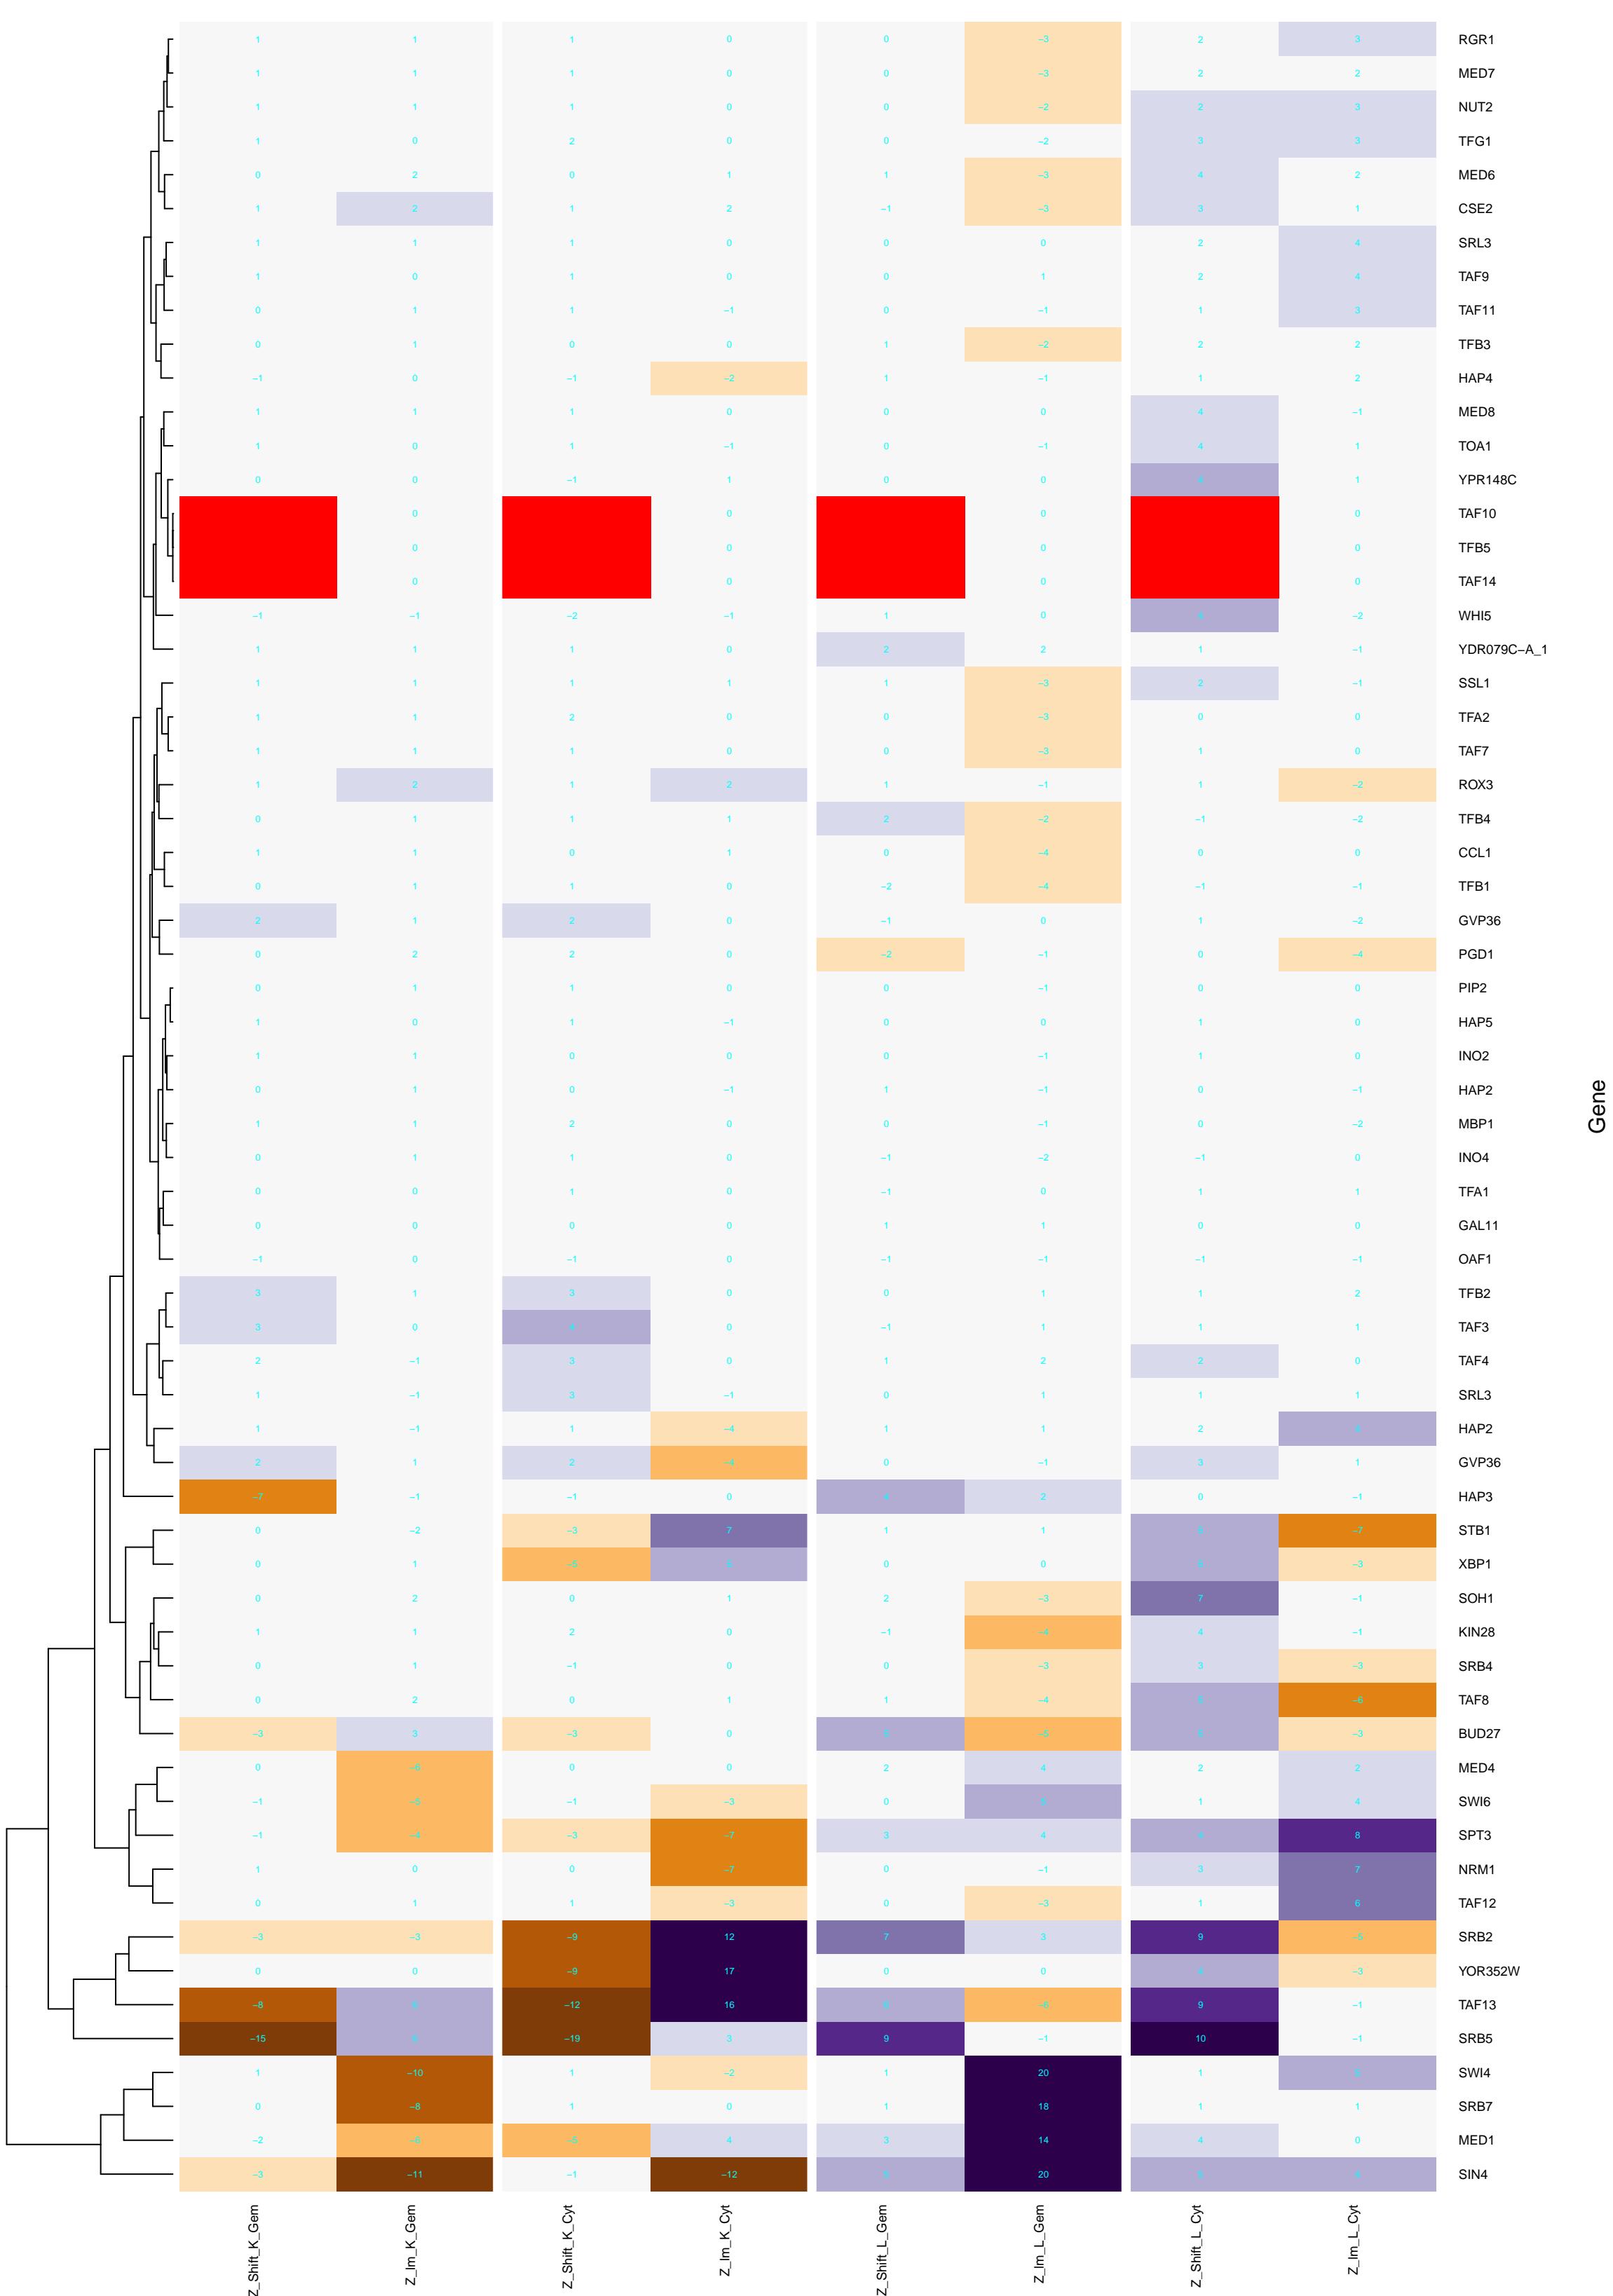

RNA polymerase I transcription factor complex

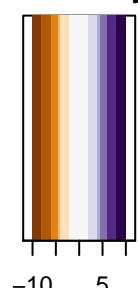

RNA polymerase II transcription factor complex

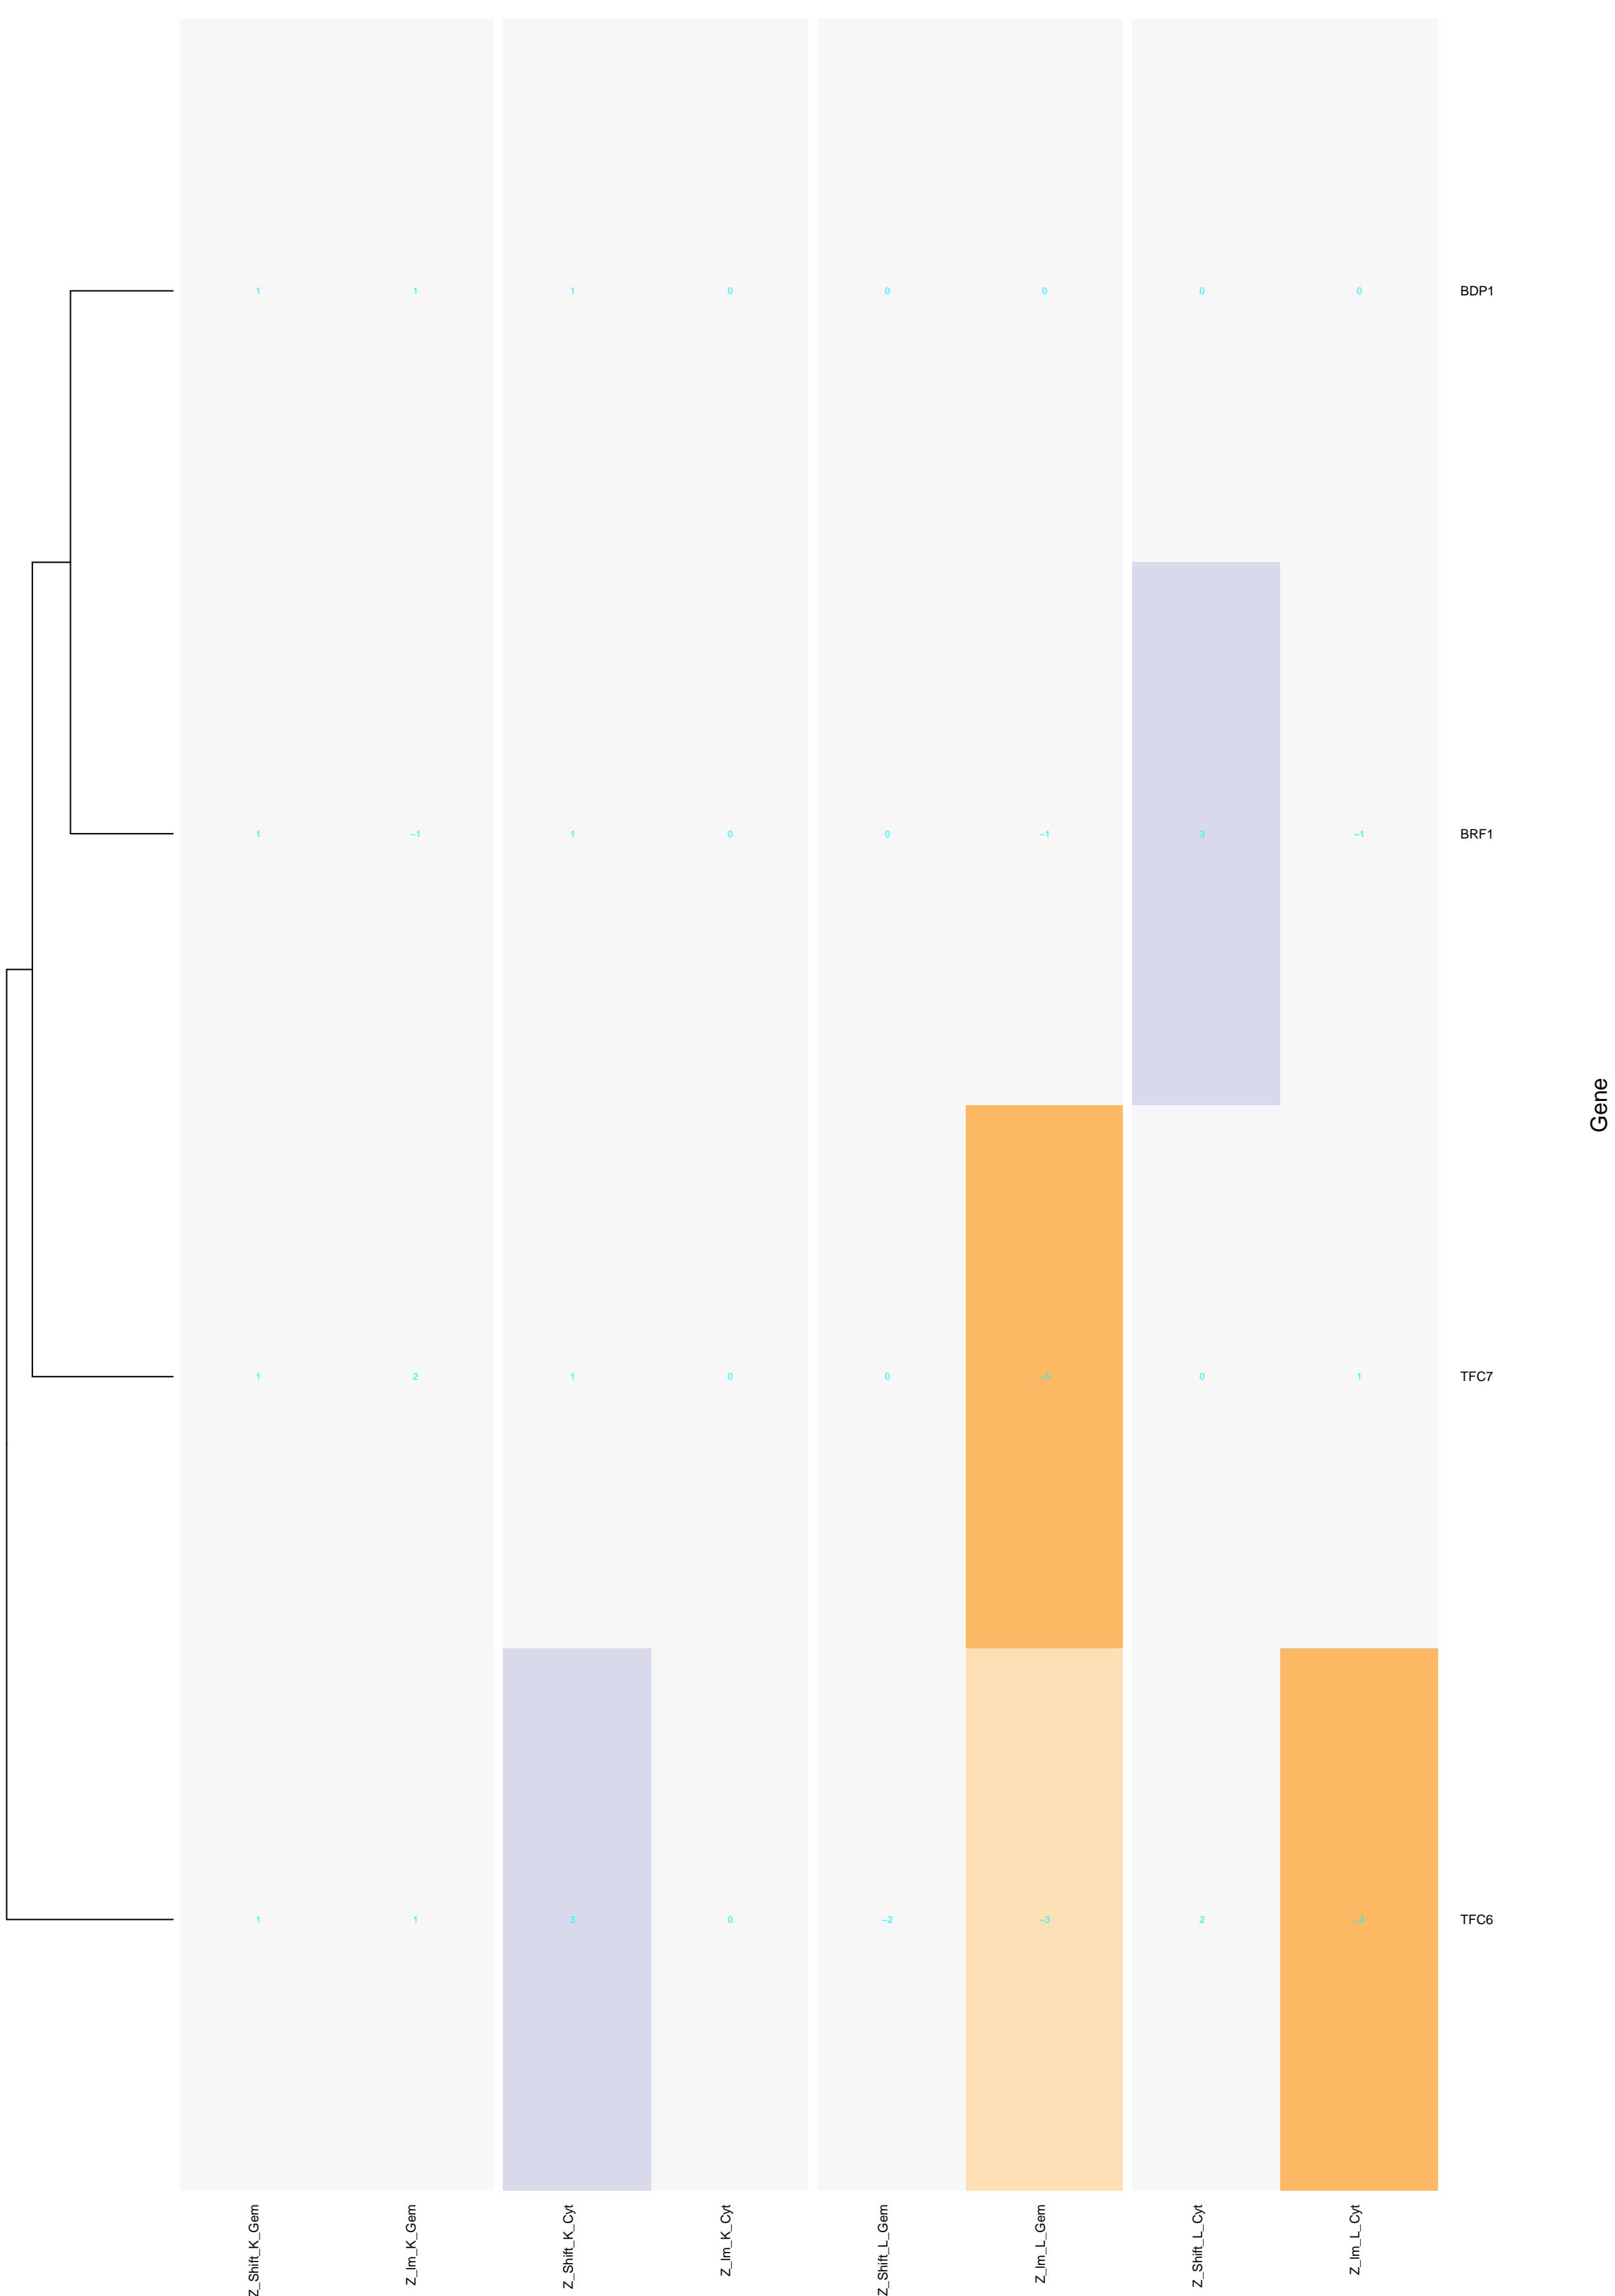

Color Key

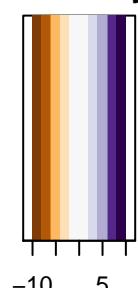

-10 5
Value

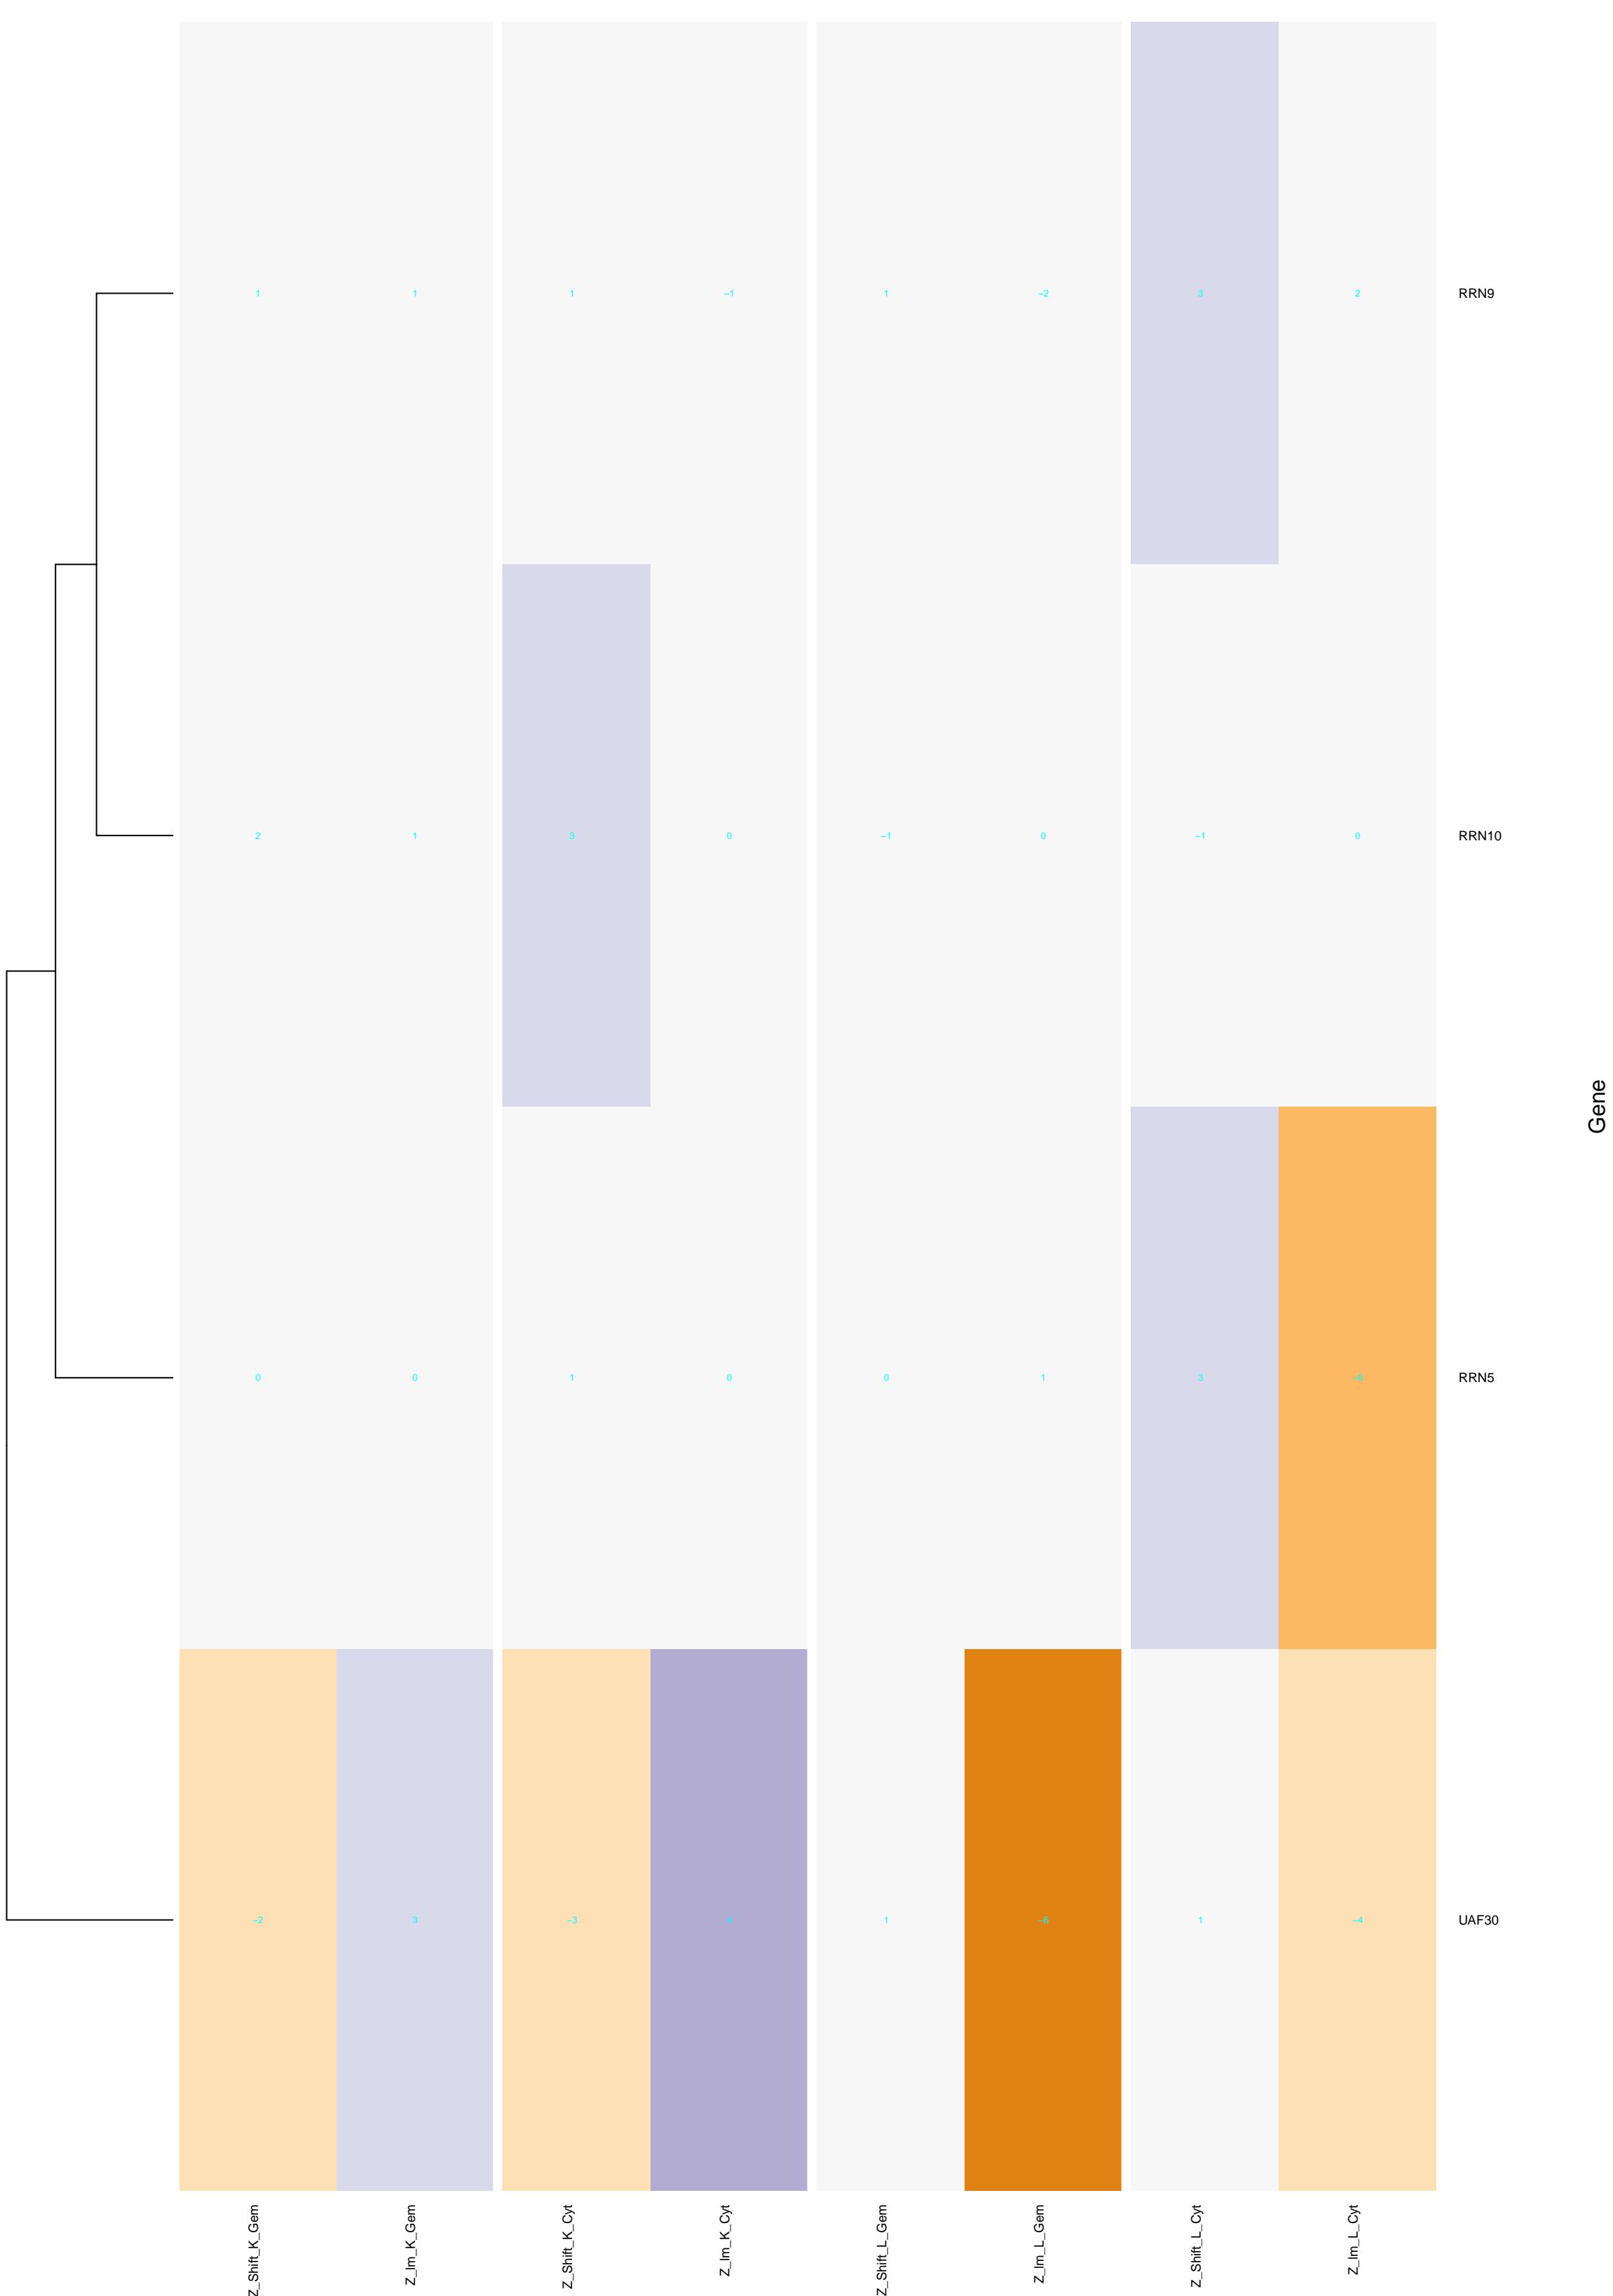

RNA polymerase III transcription factor complex

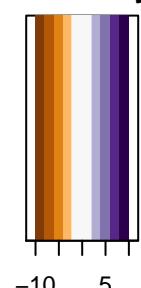

Color Key

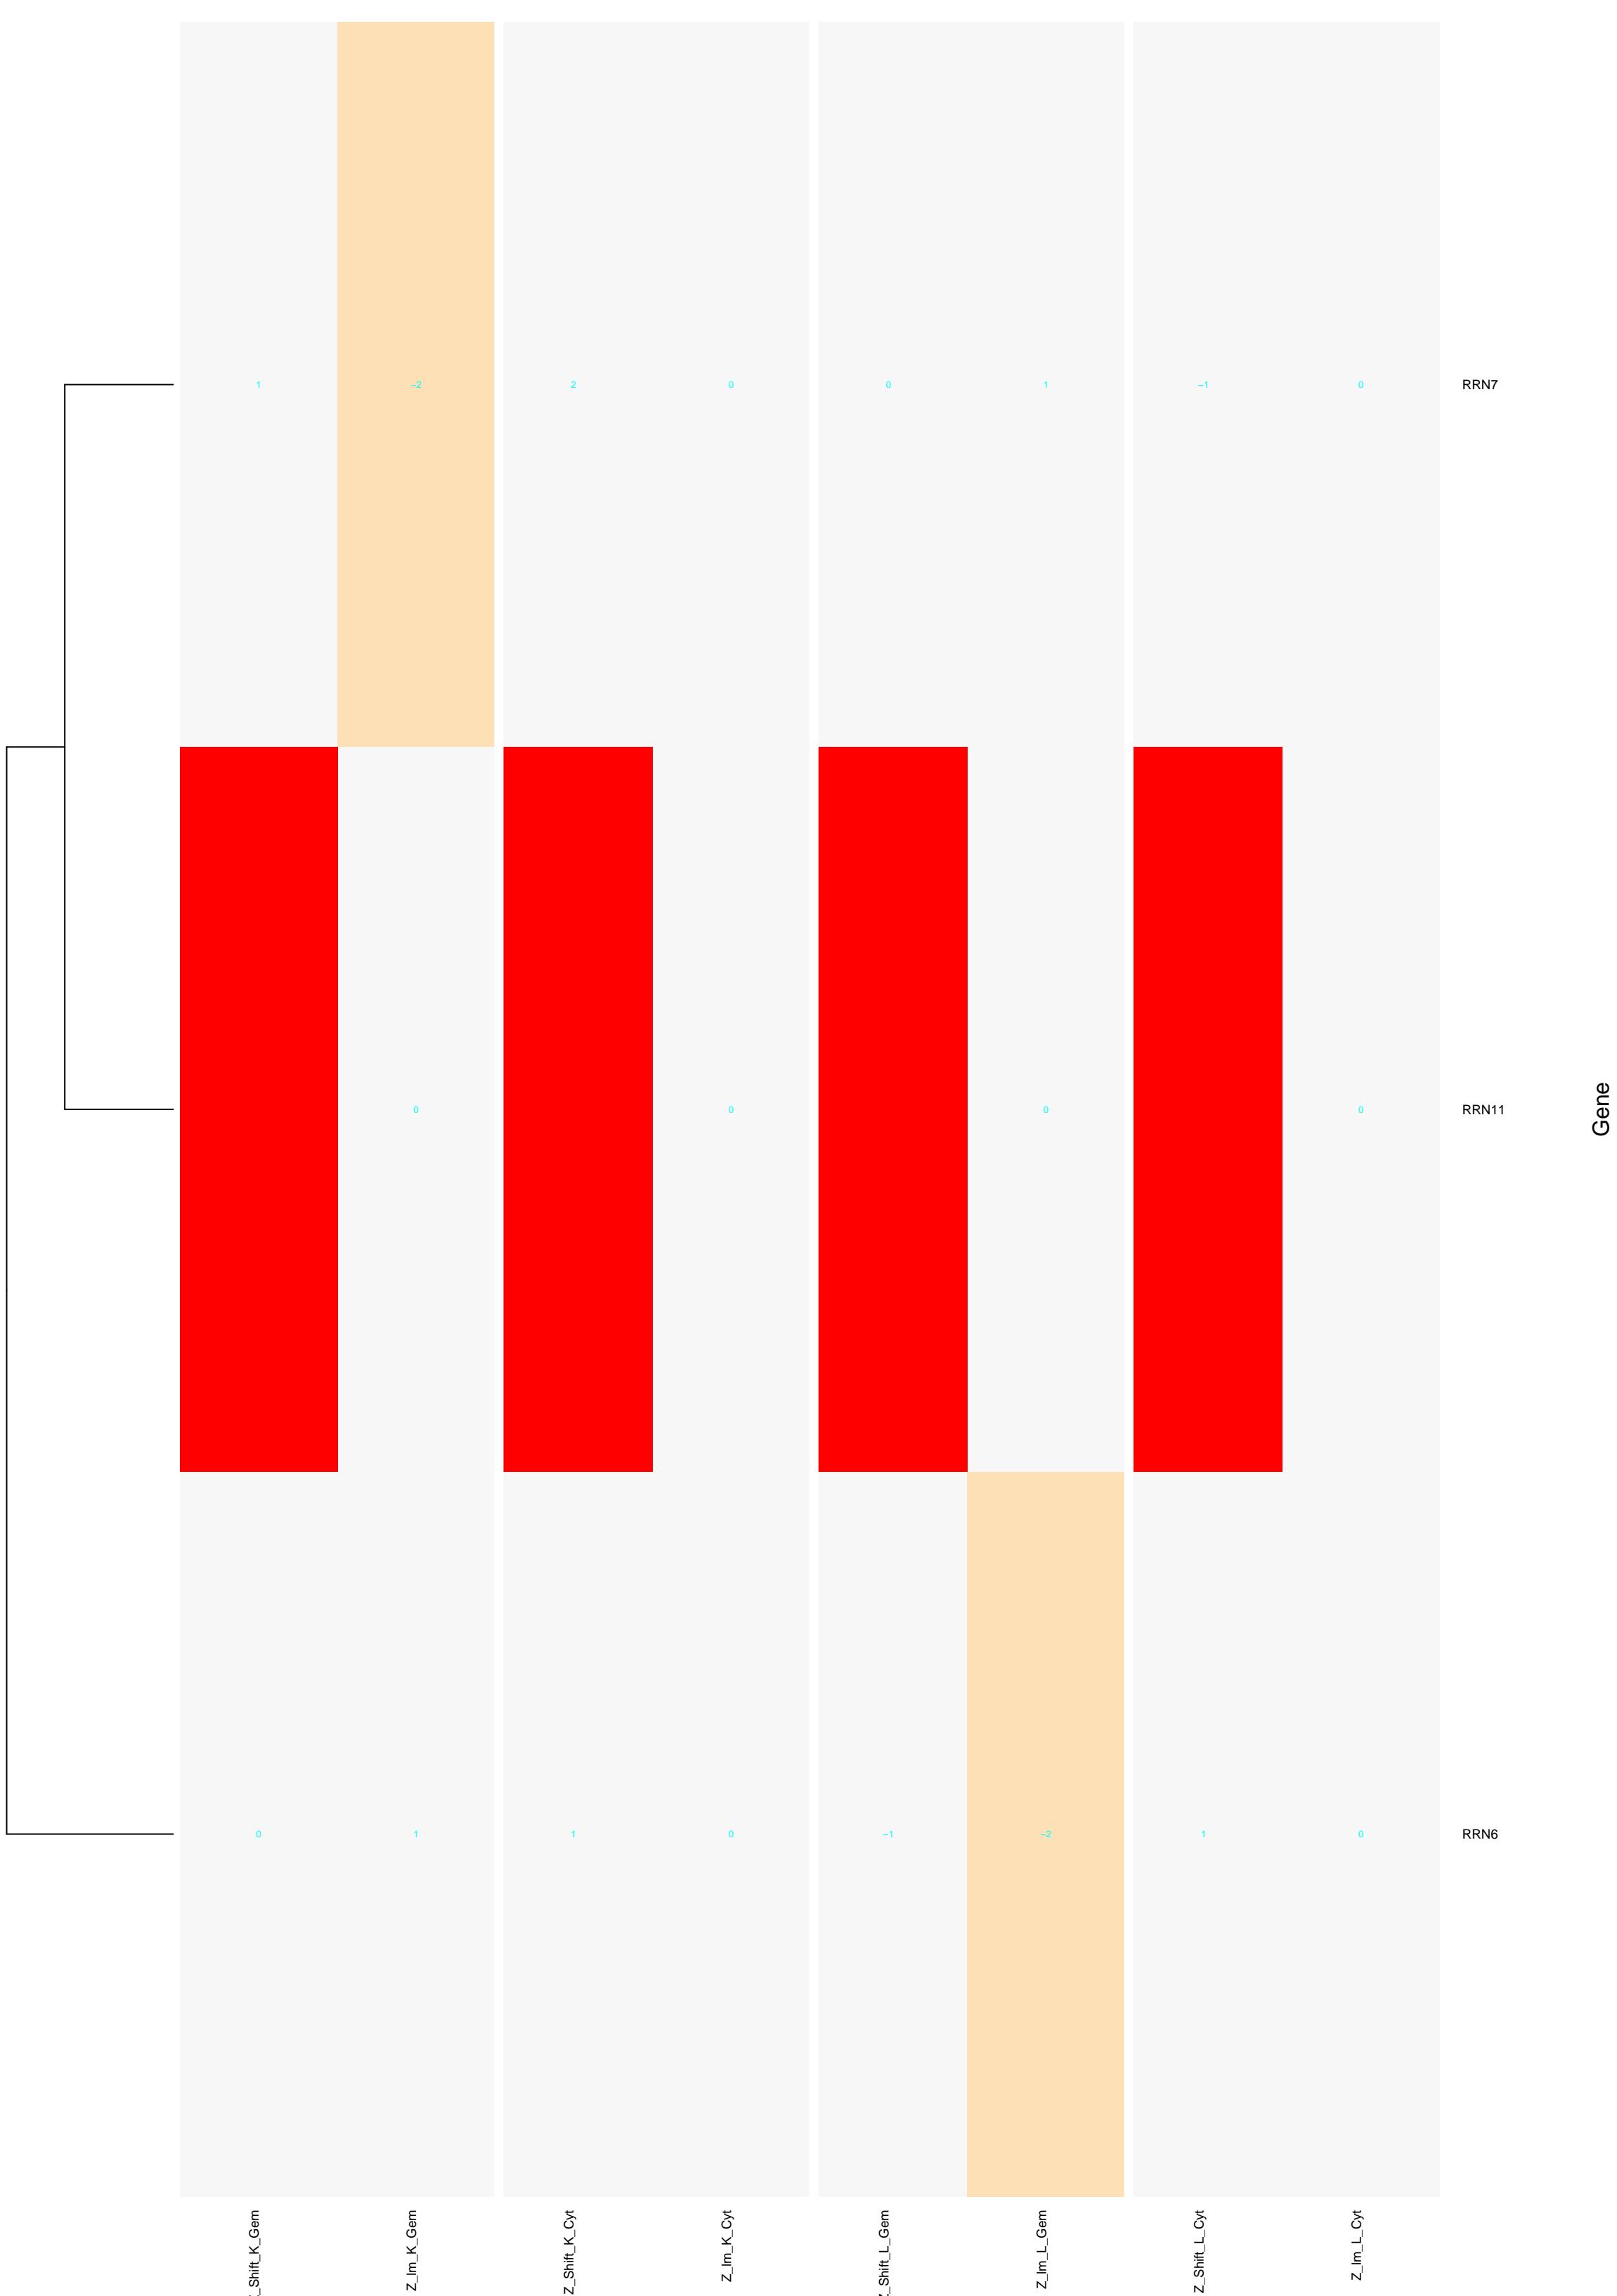

RNA polymerase I upstream activating factor complex

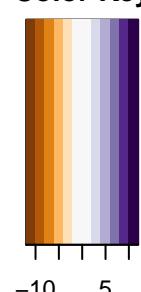

Color Key

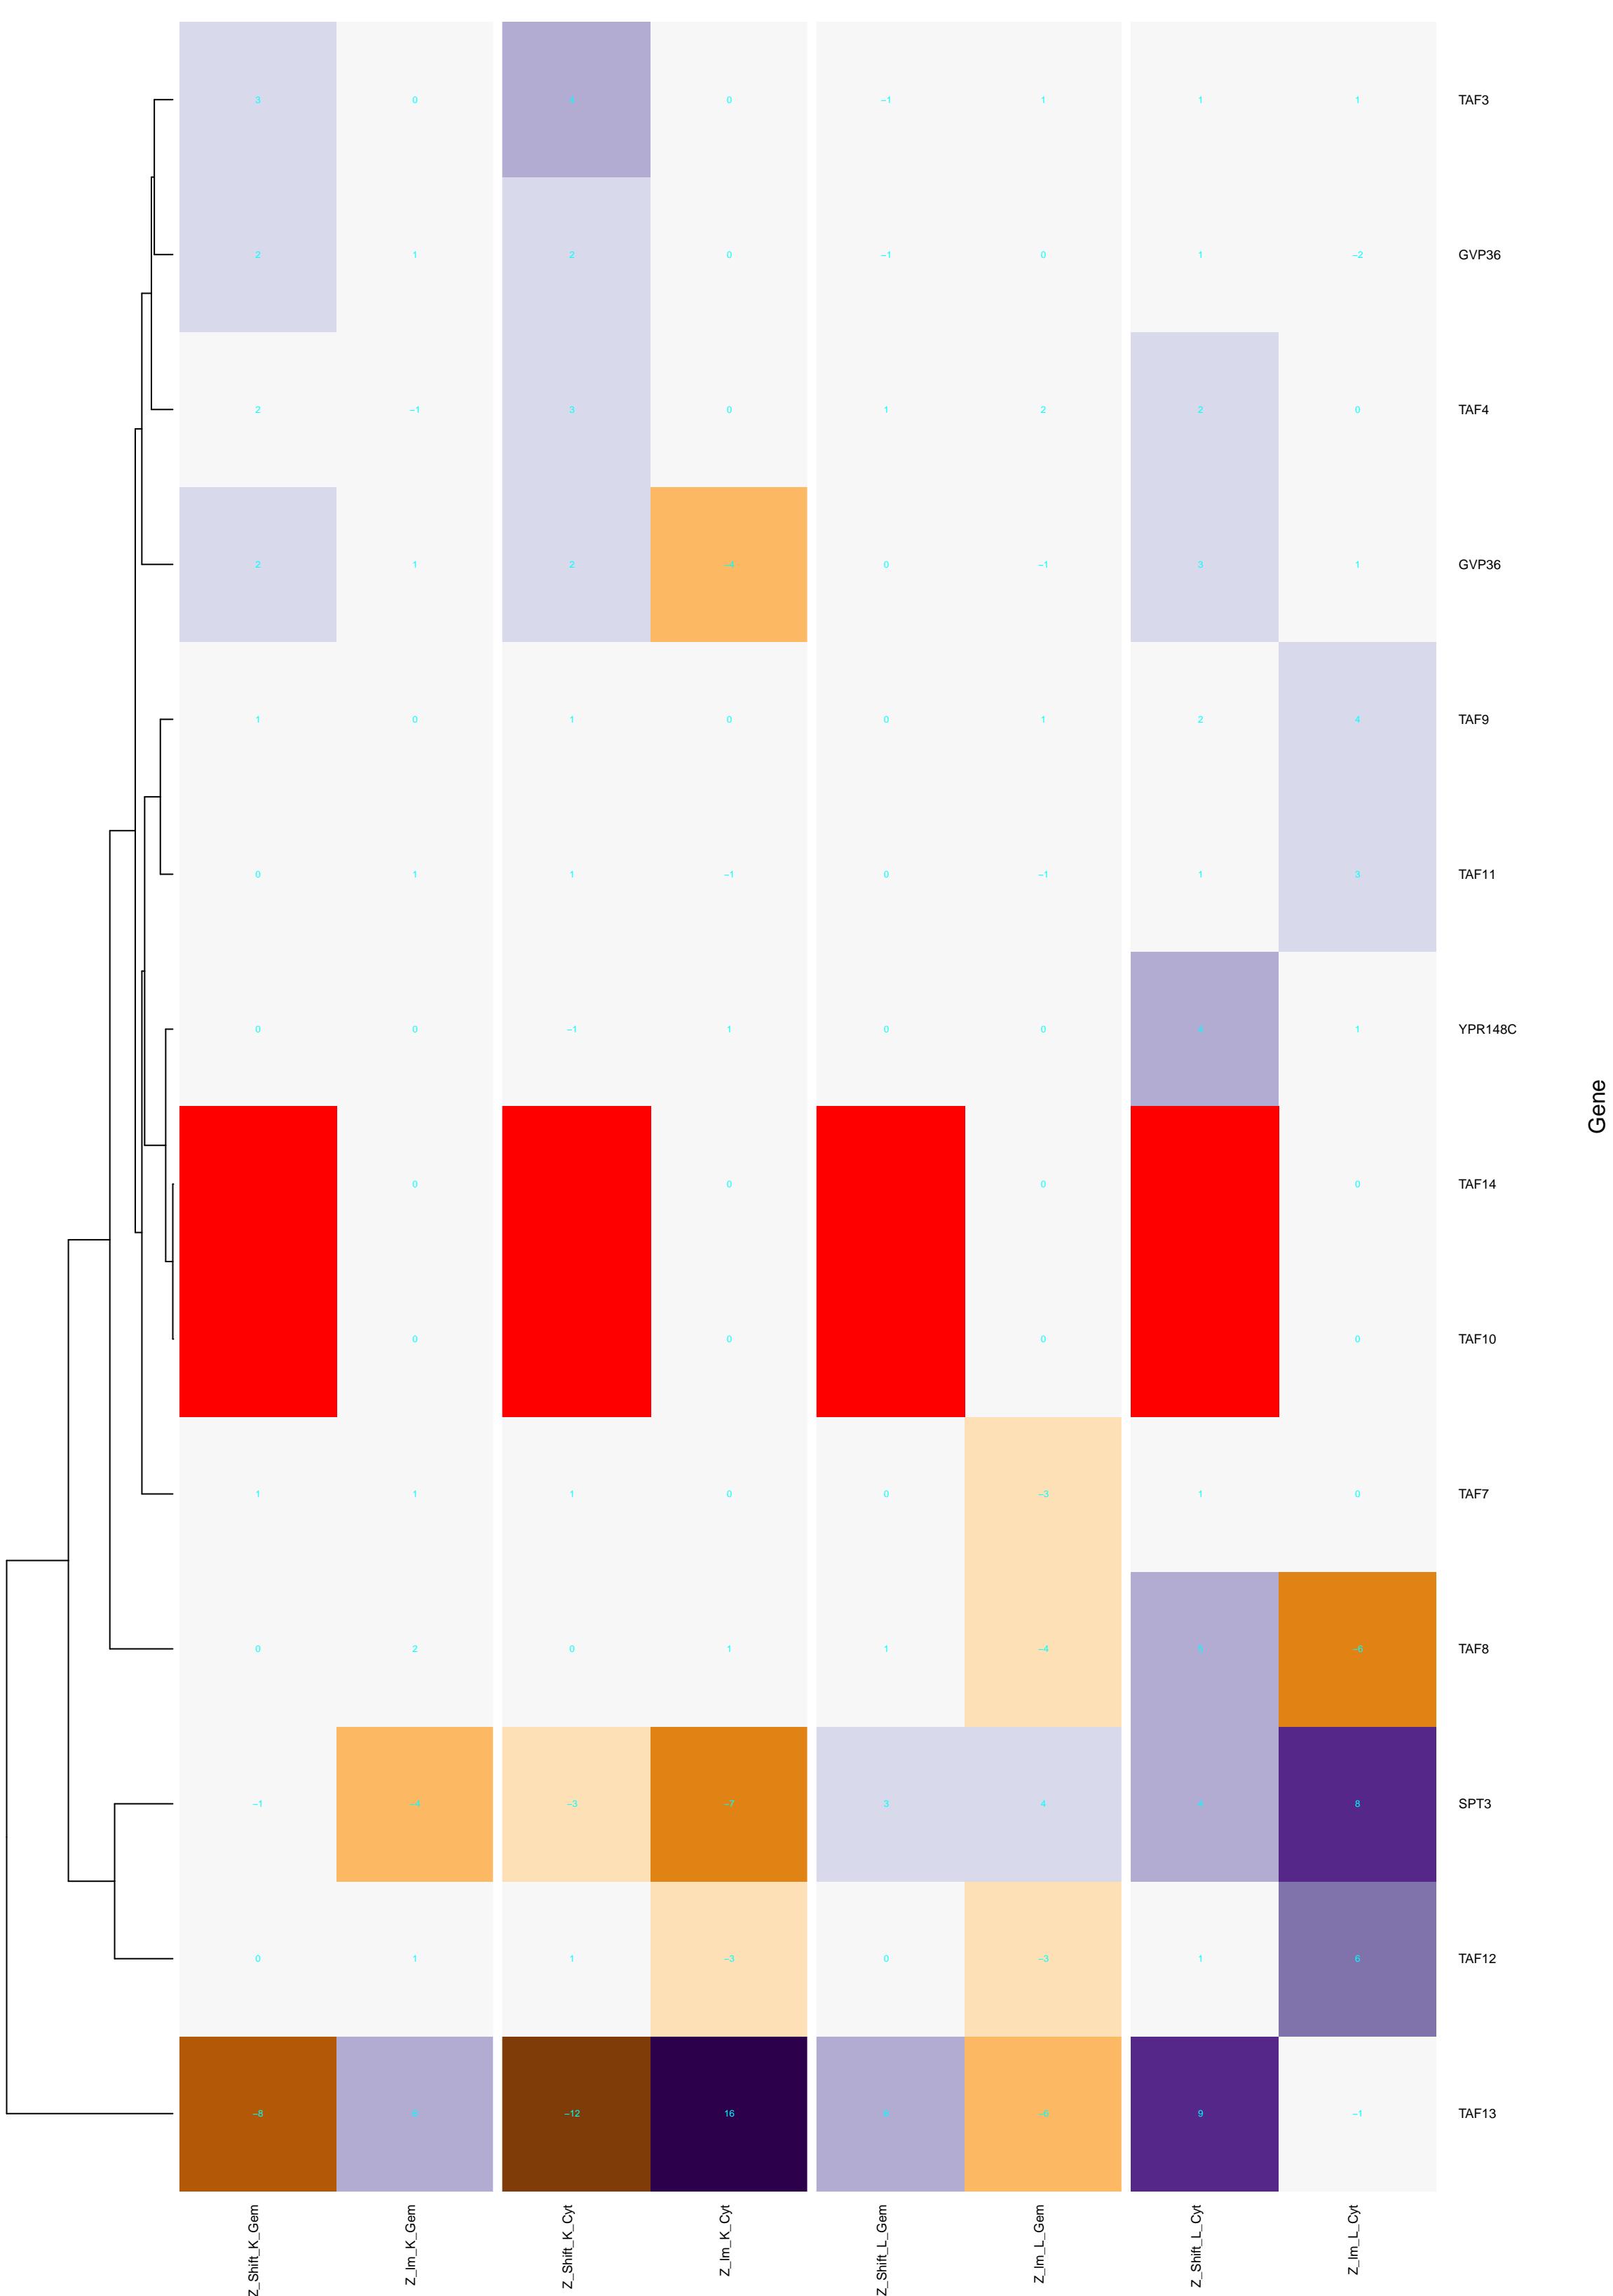

RNA polymerase I core factor complex

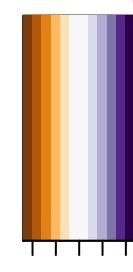

Color Key

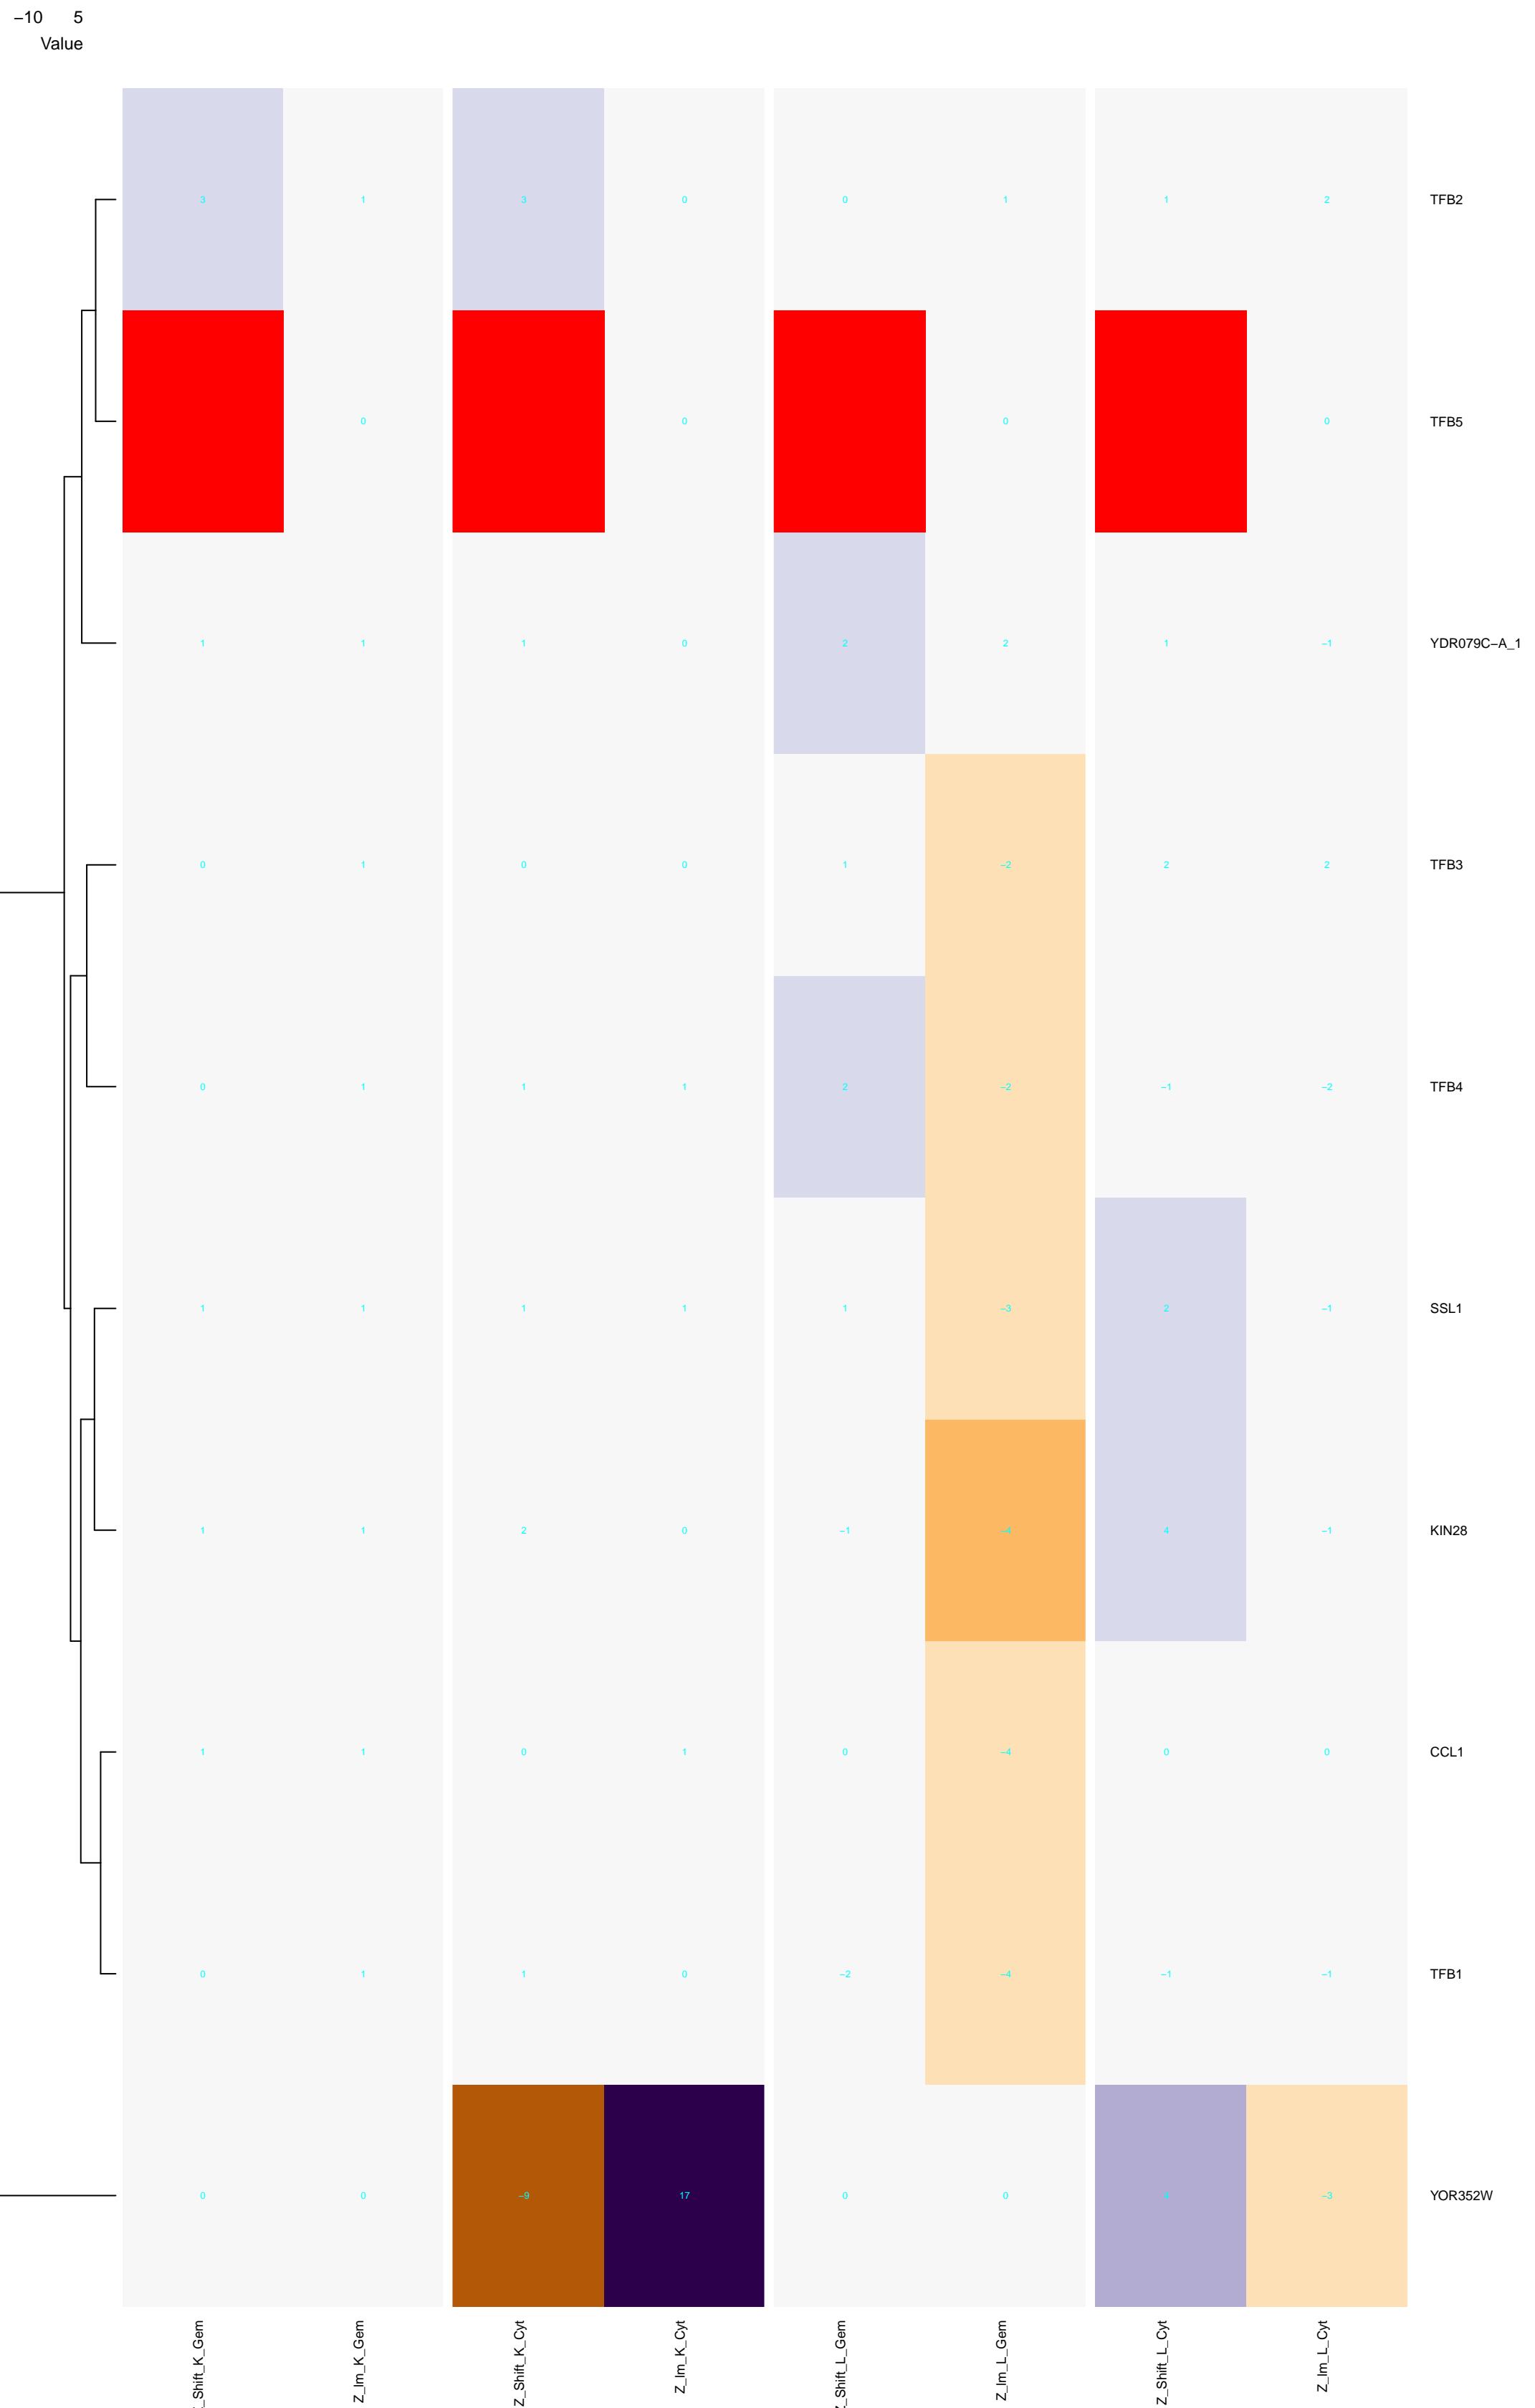

transcription factor TFIID complex

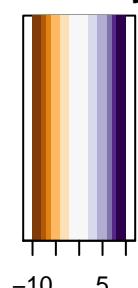

Color Key

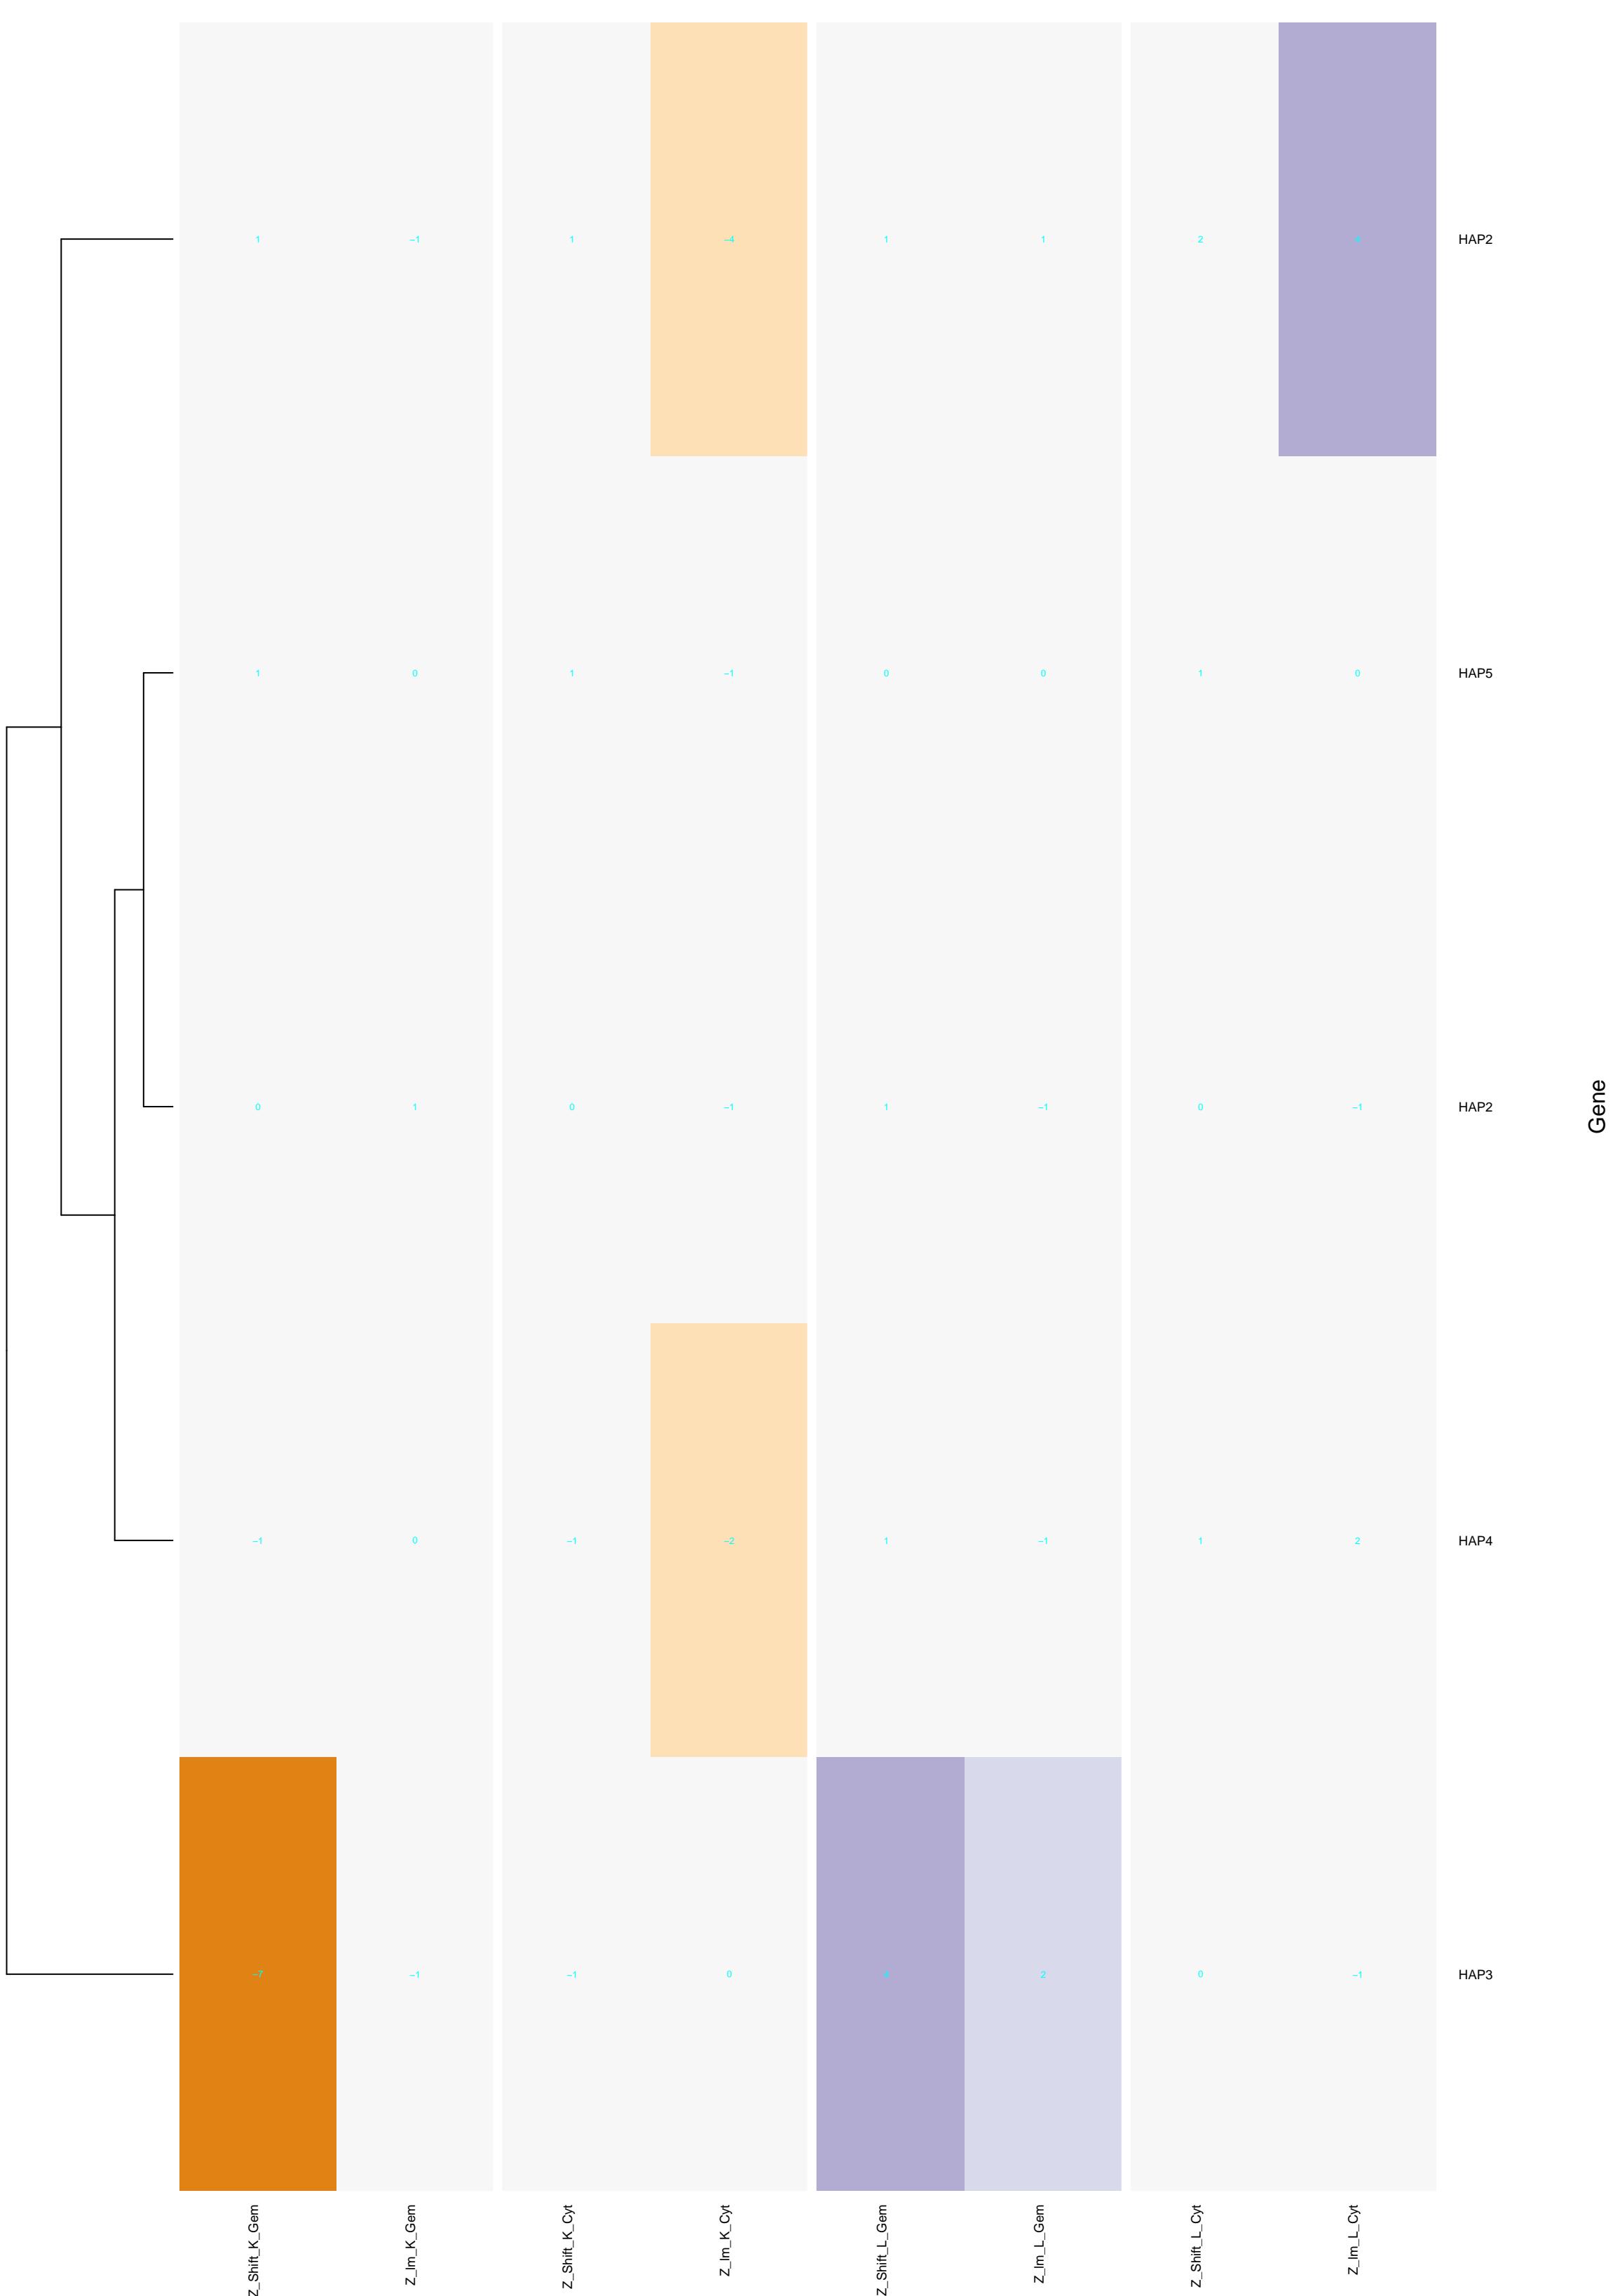

holo TFIIH complex

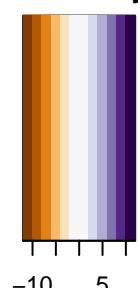

Color Key

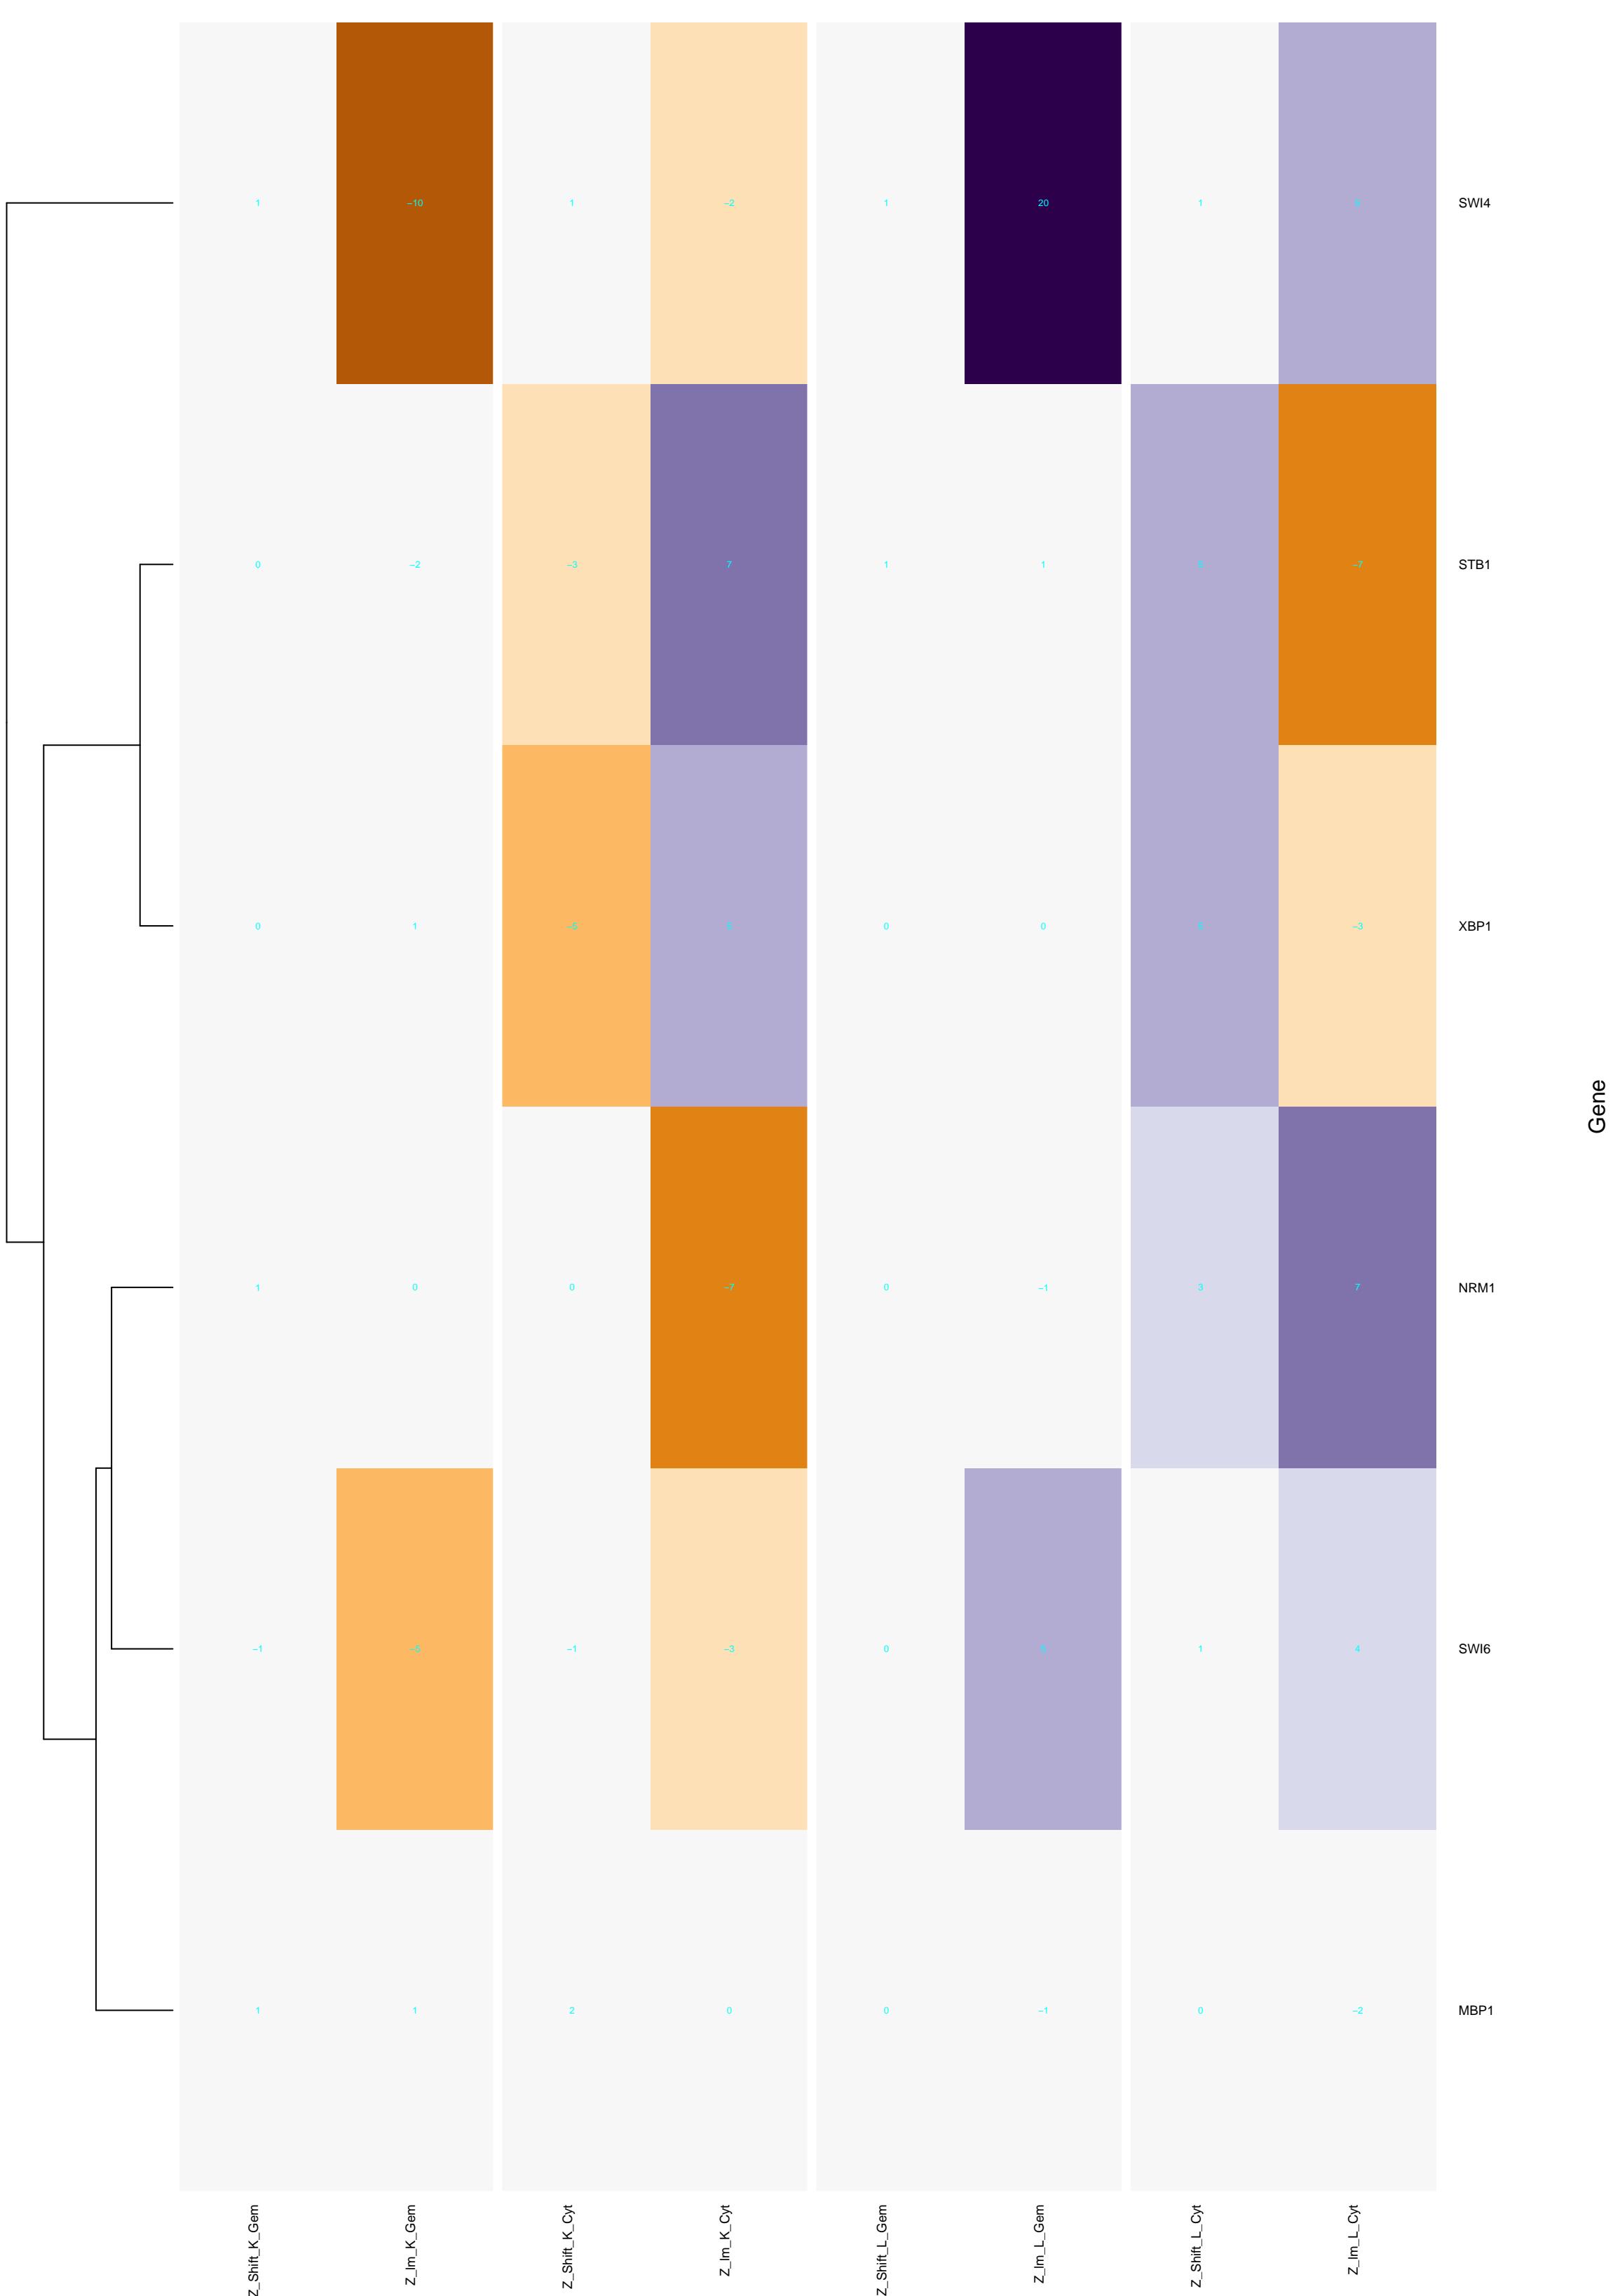

CCAAT-binding factor complex

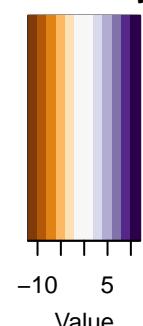

Color Key

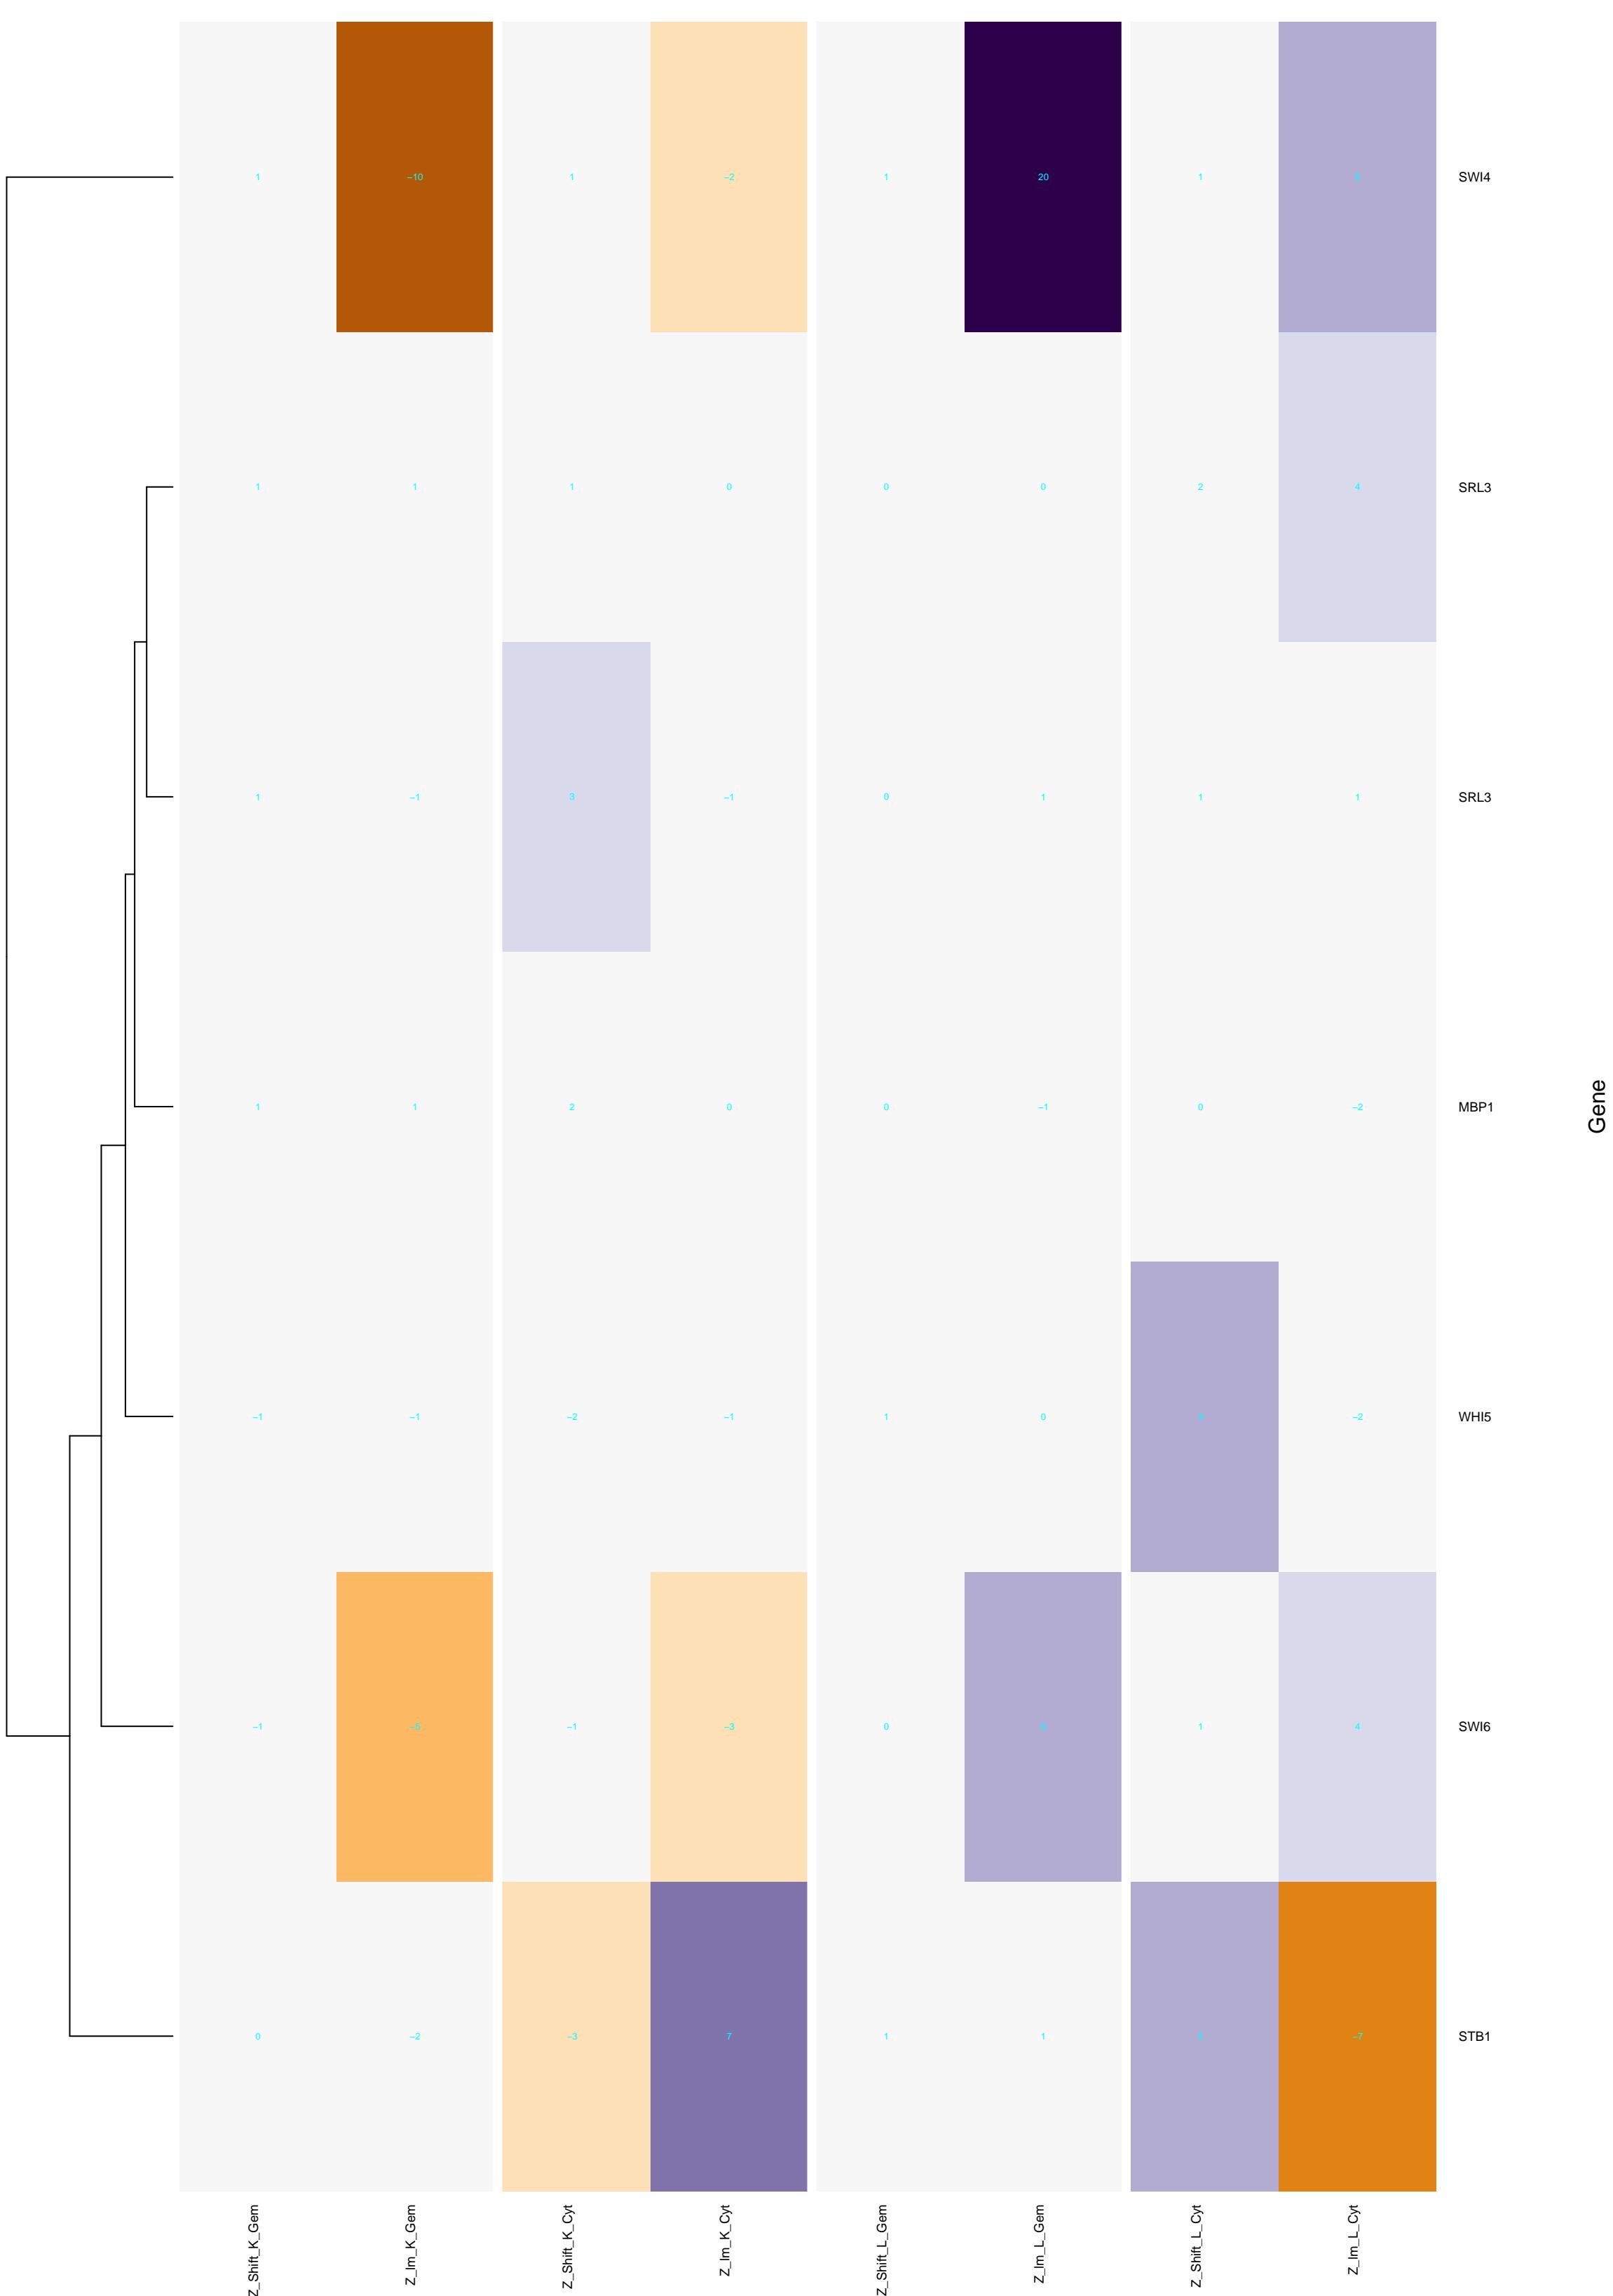

MBF transcription complex

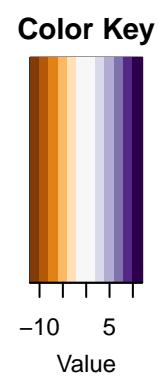

Color Key

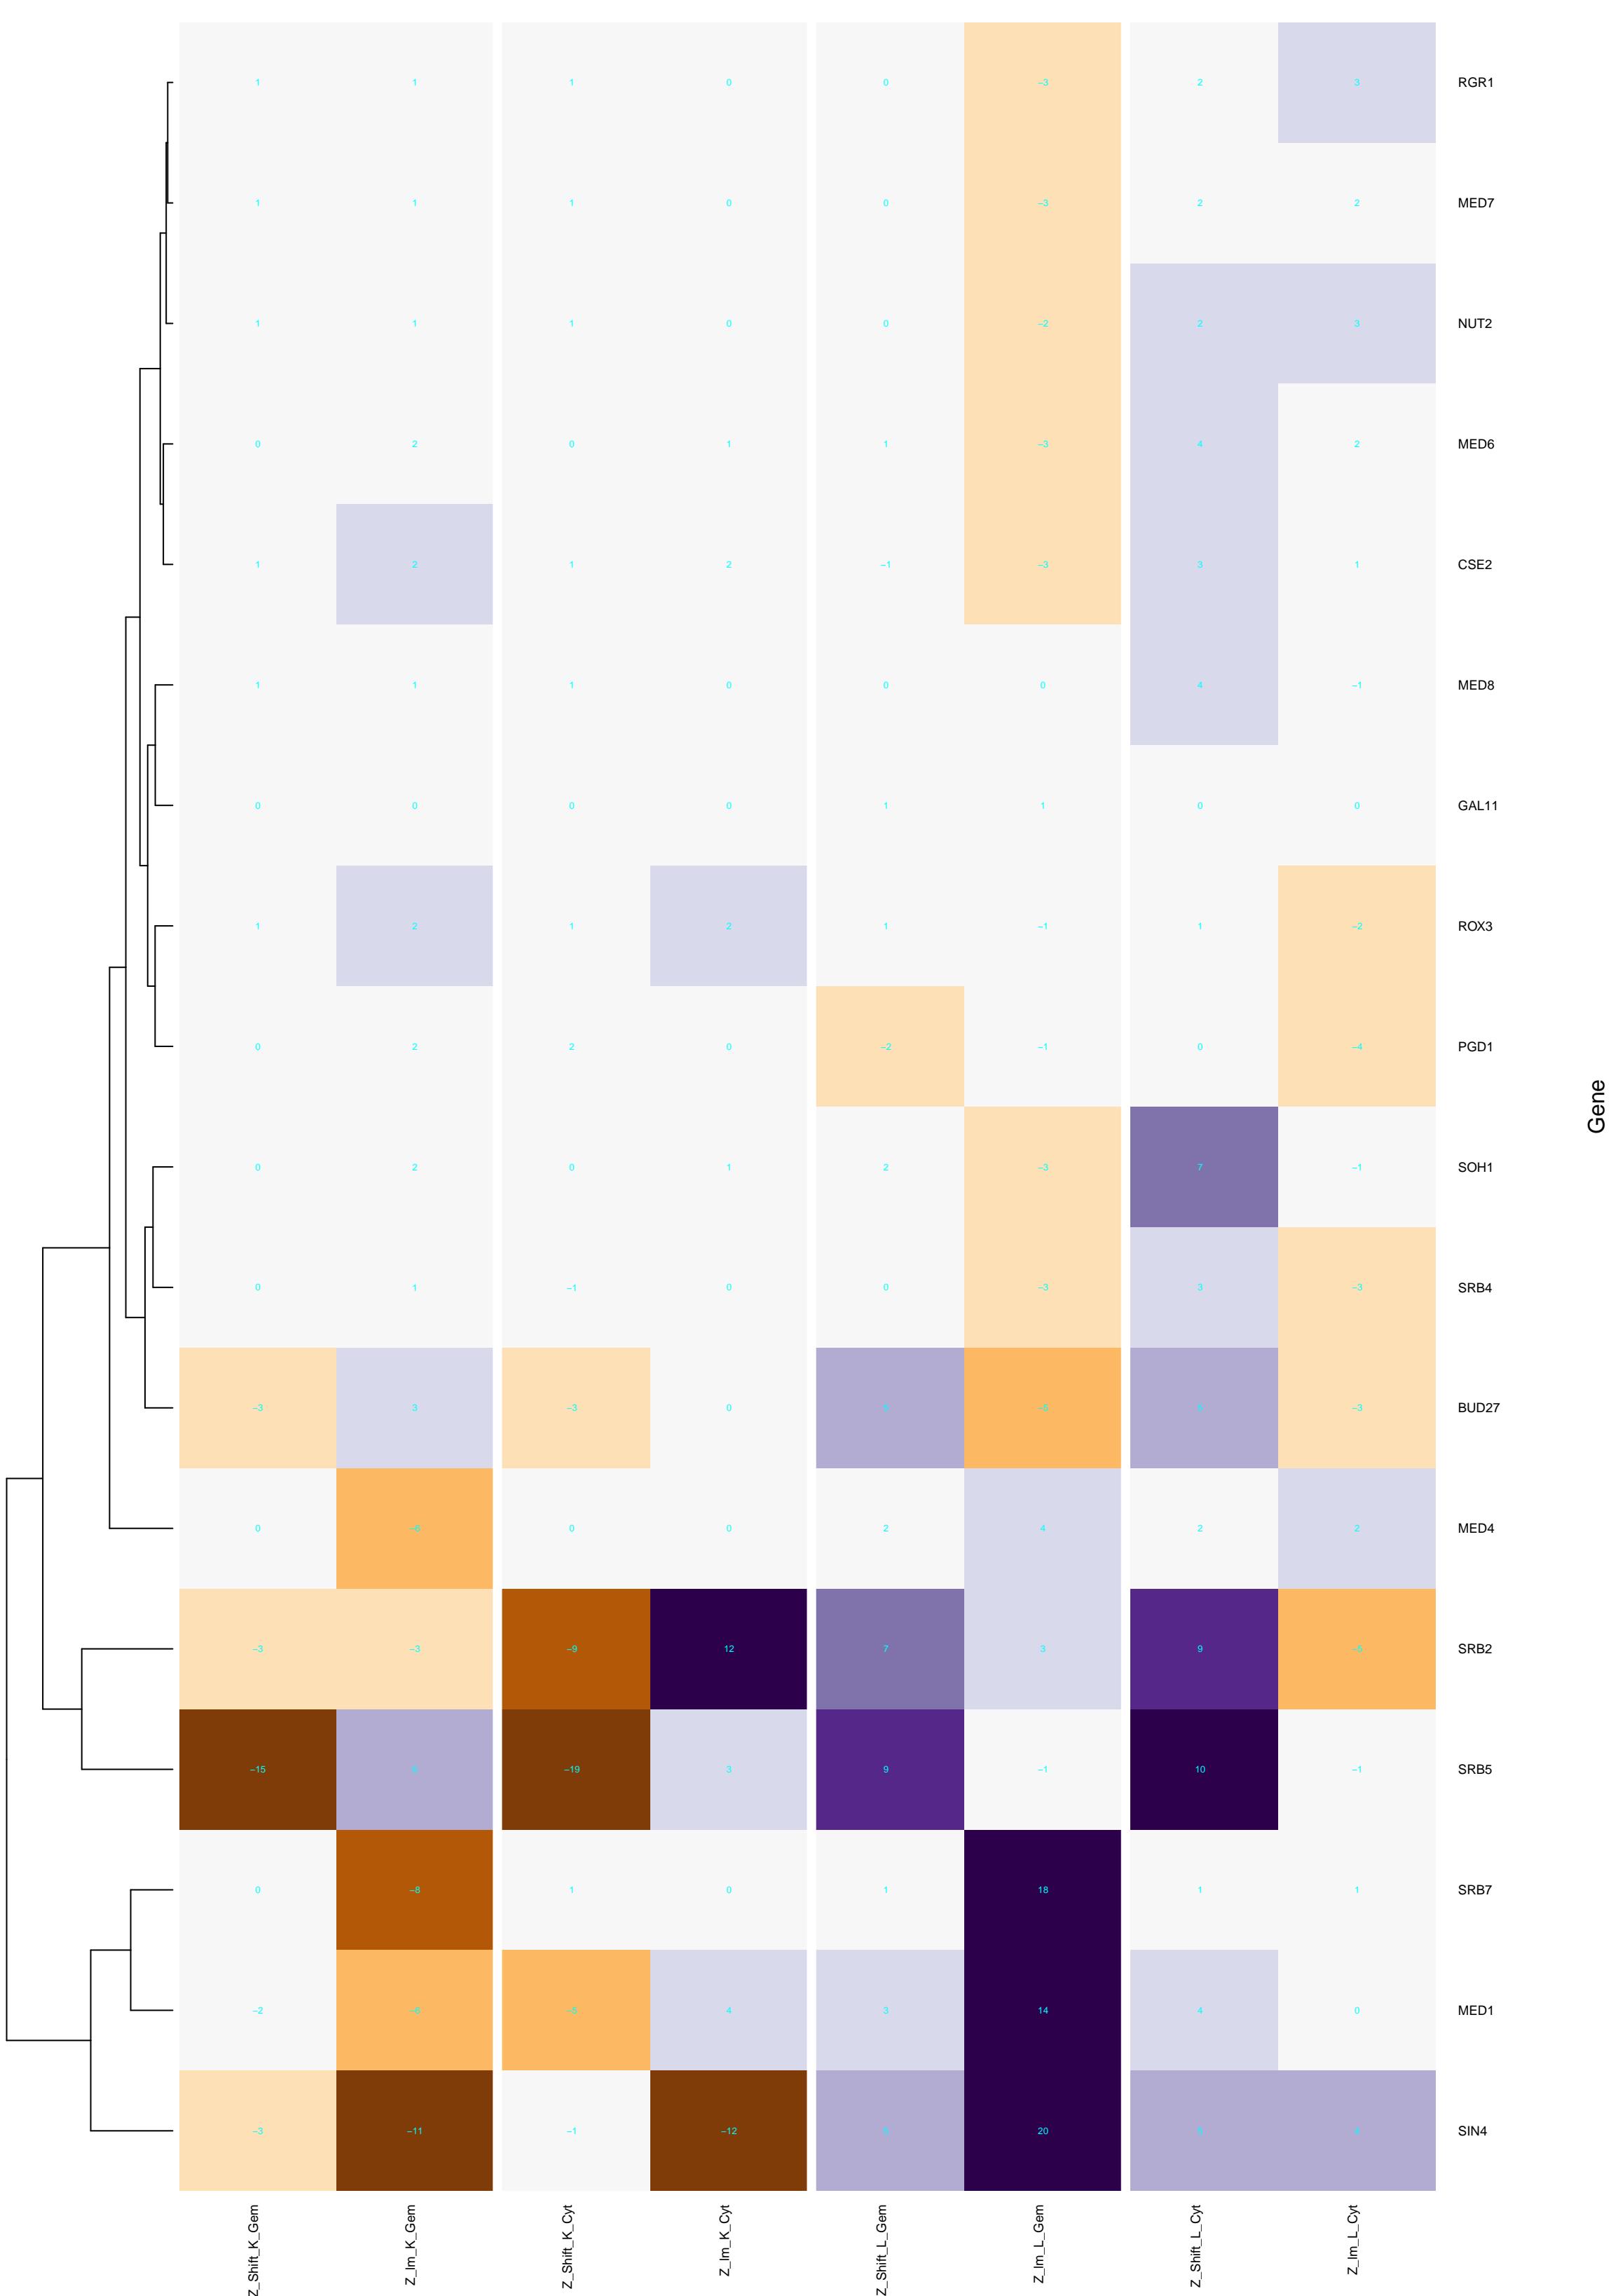

SBF transcription complex

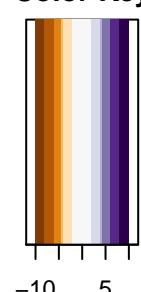

core mediator complex

Color Key

TFIIC complex
