

spliceosomal complex

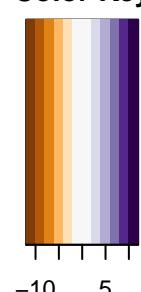

Color Key

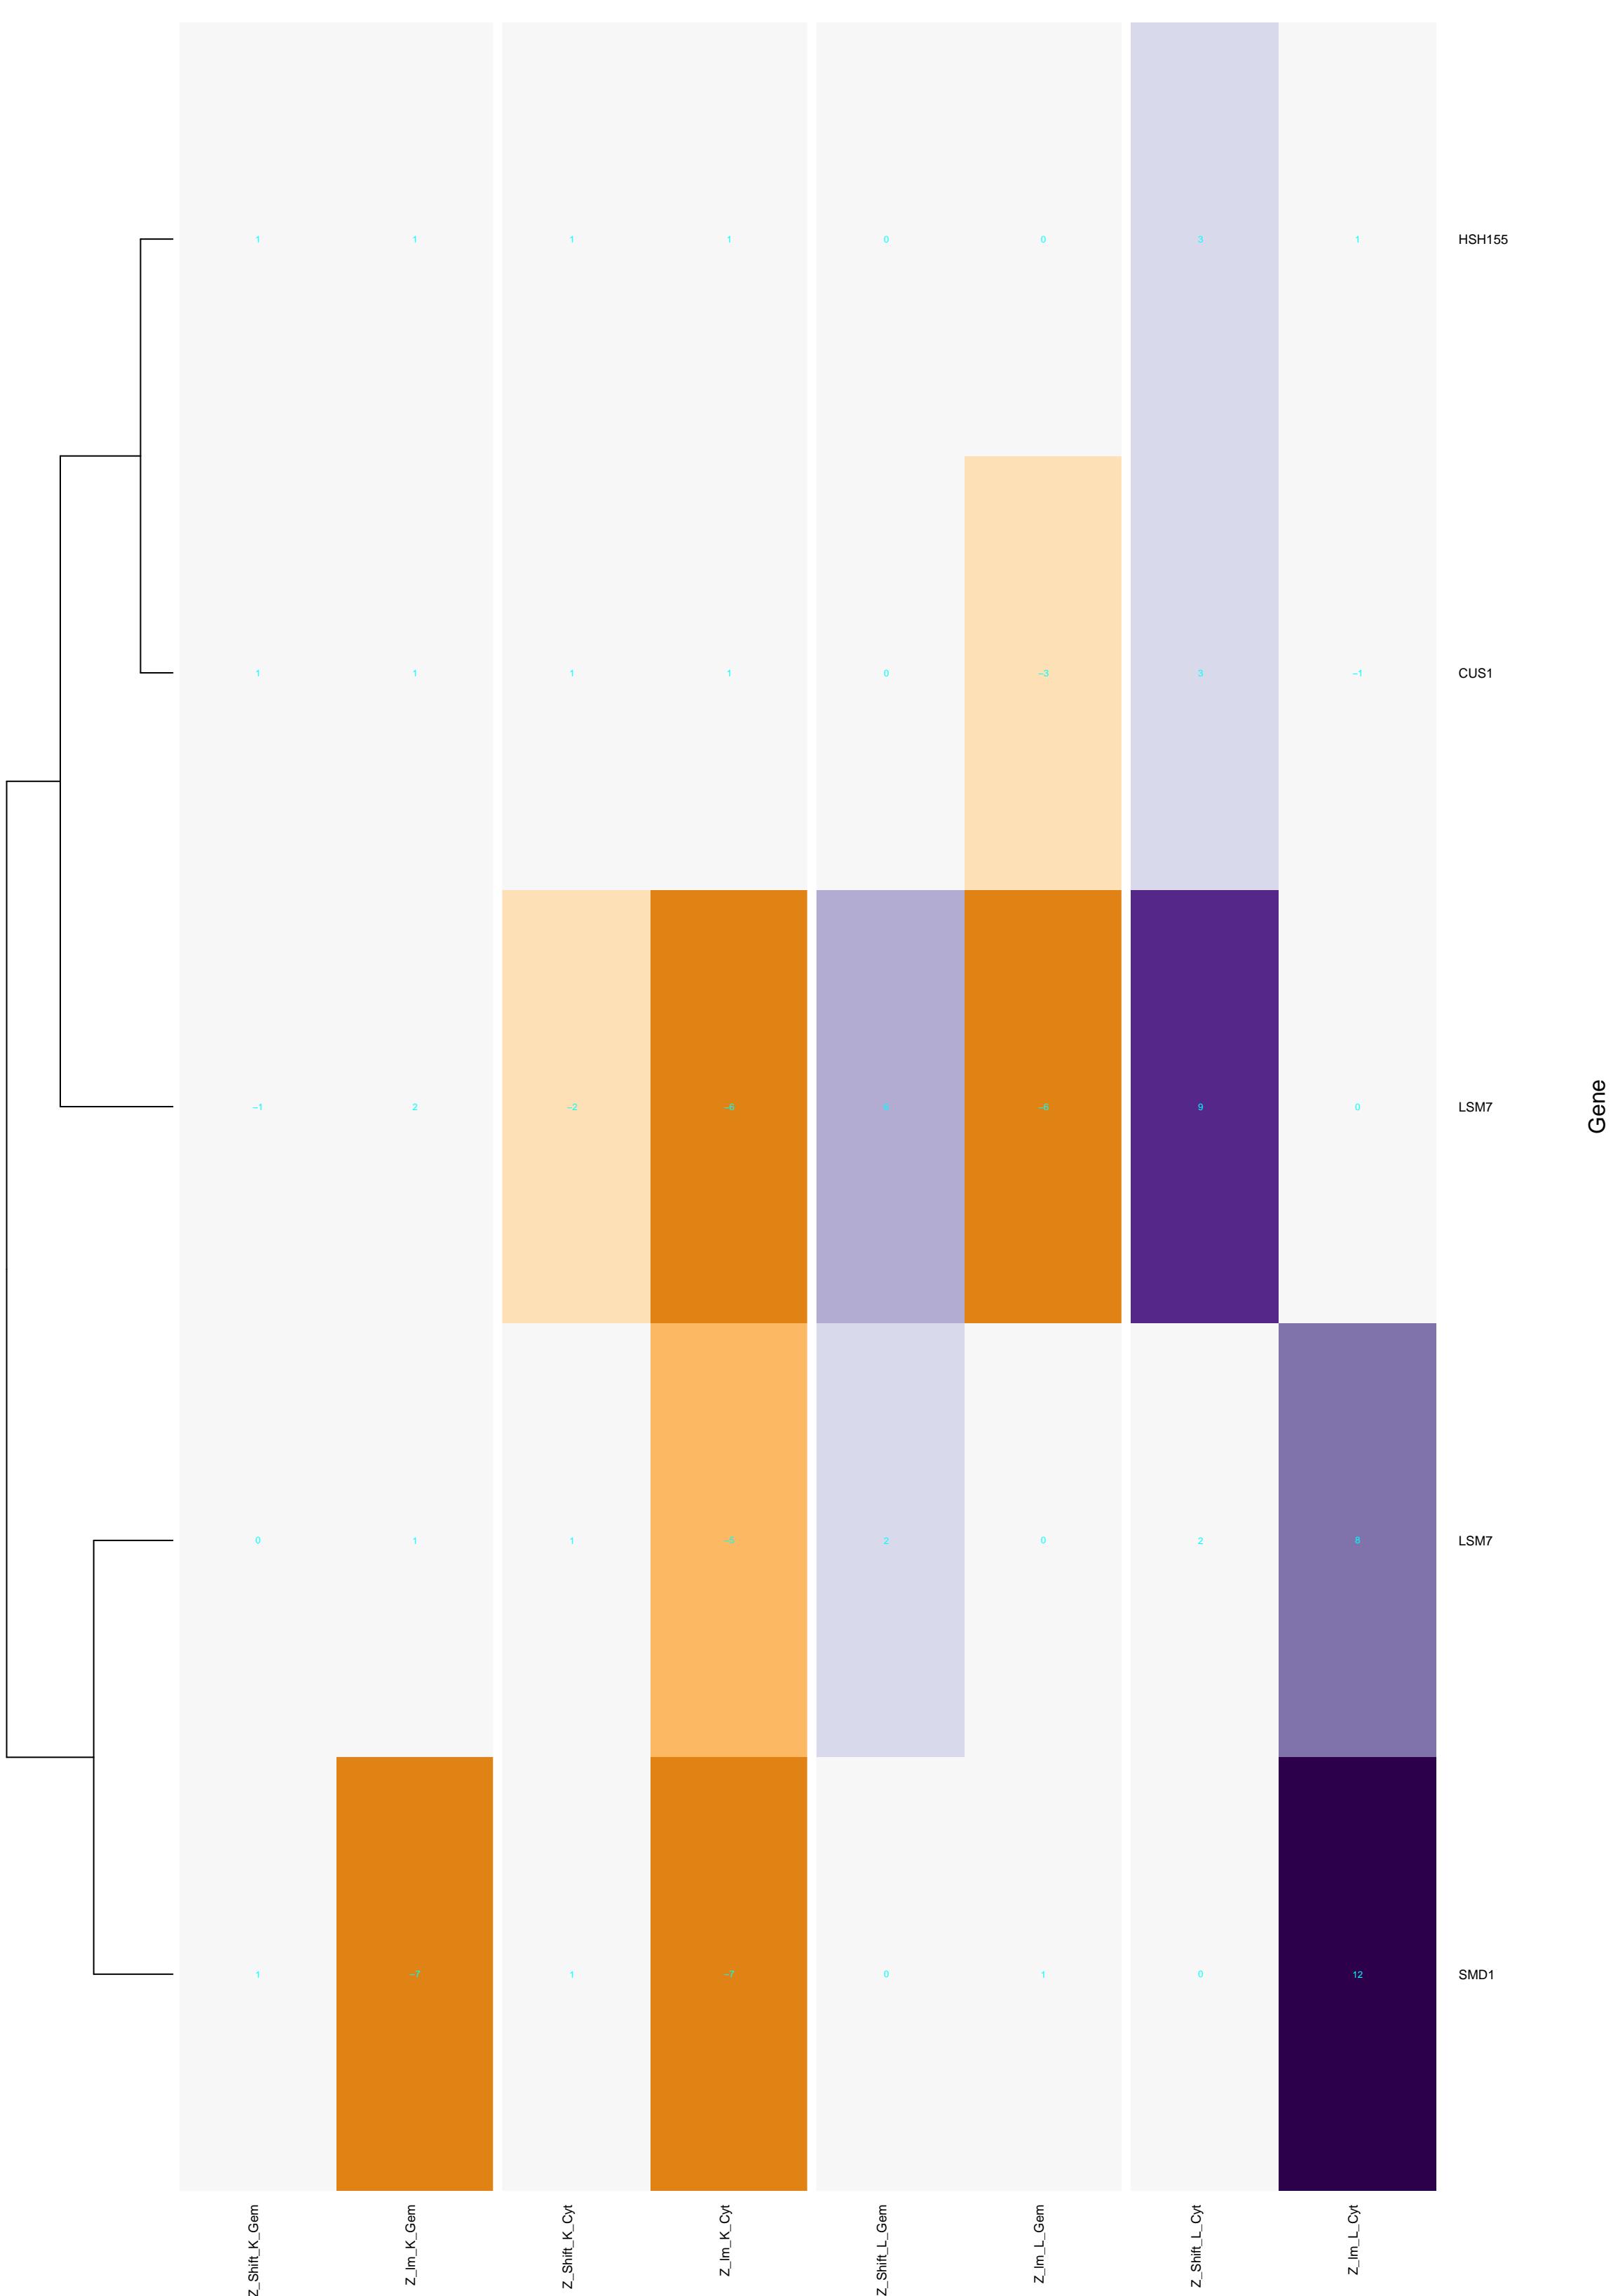

U2-type spliceosomal complex

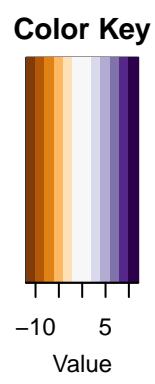

Color Key

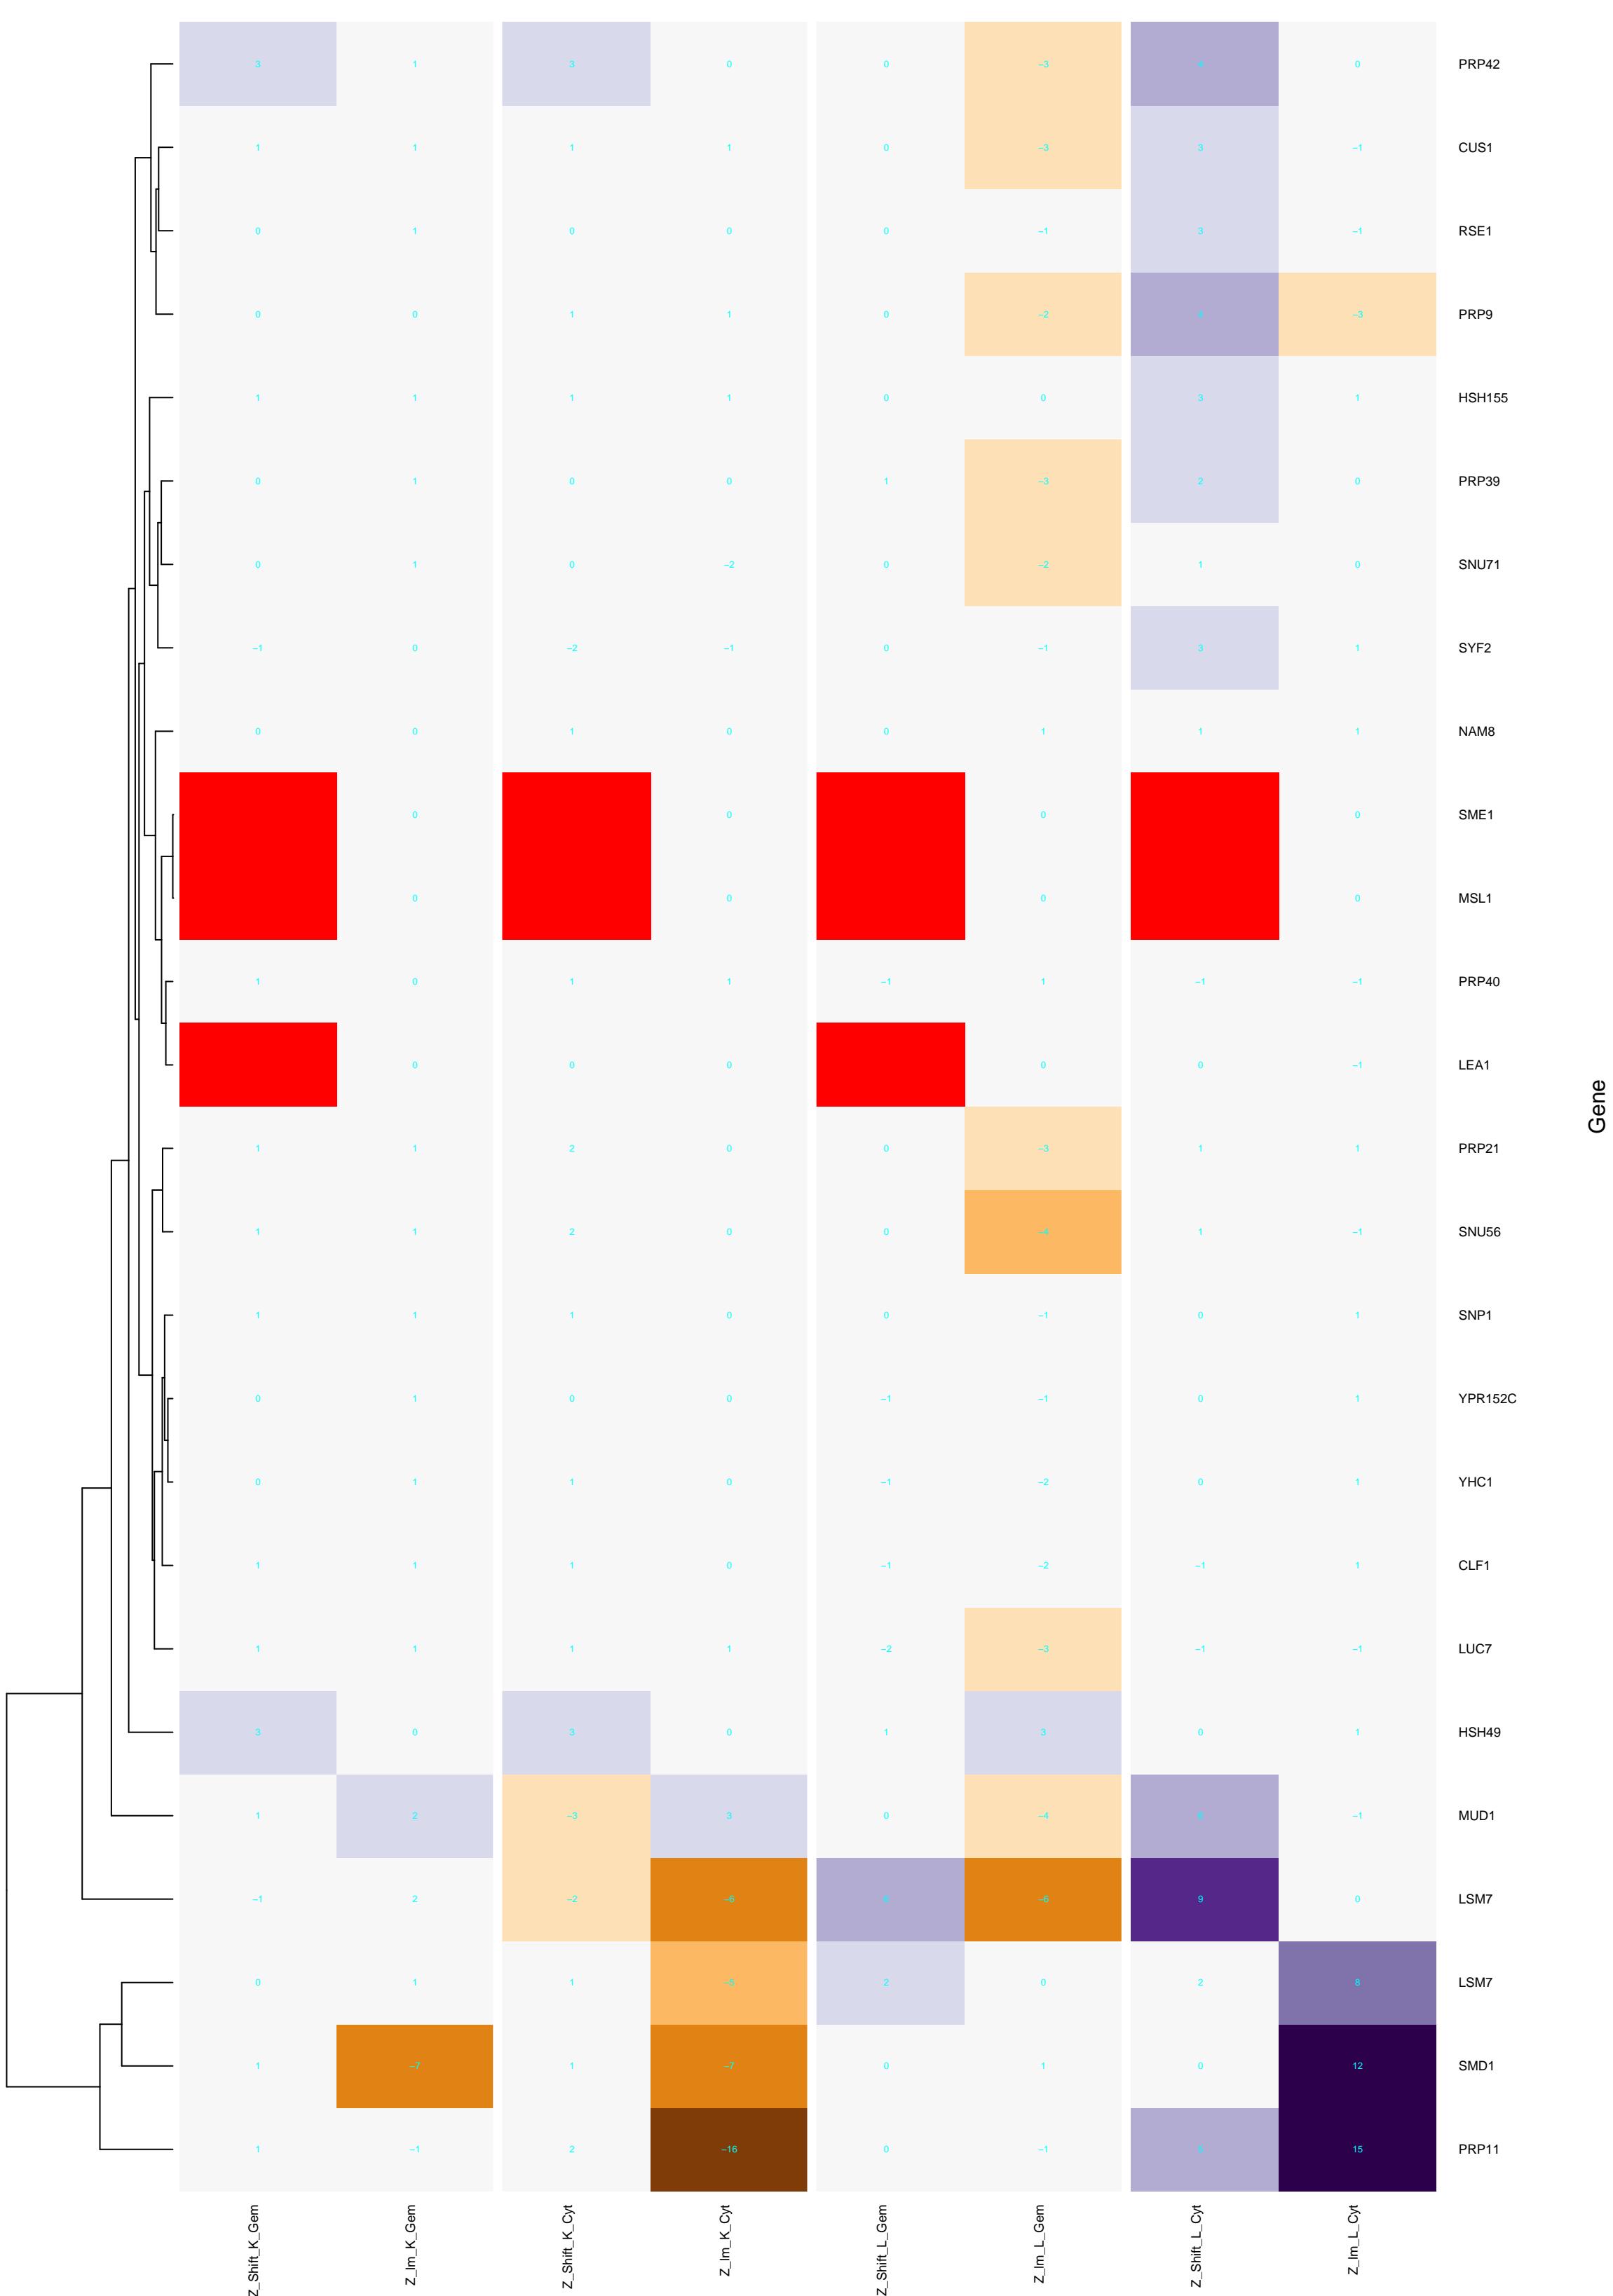

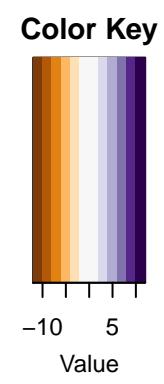

U12-type spliceosomal complex

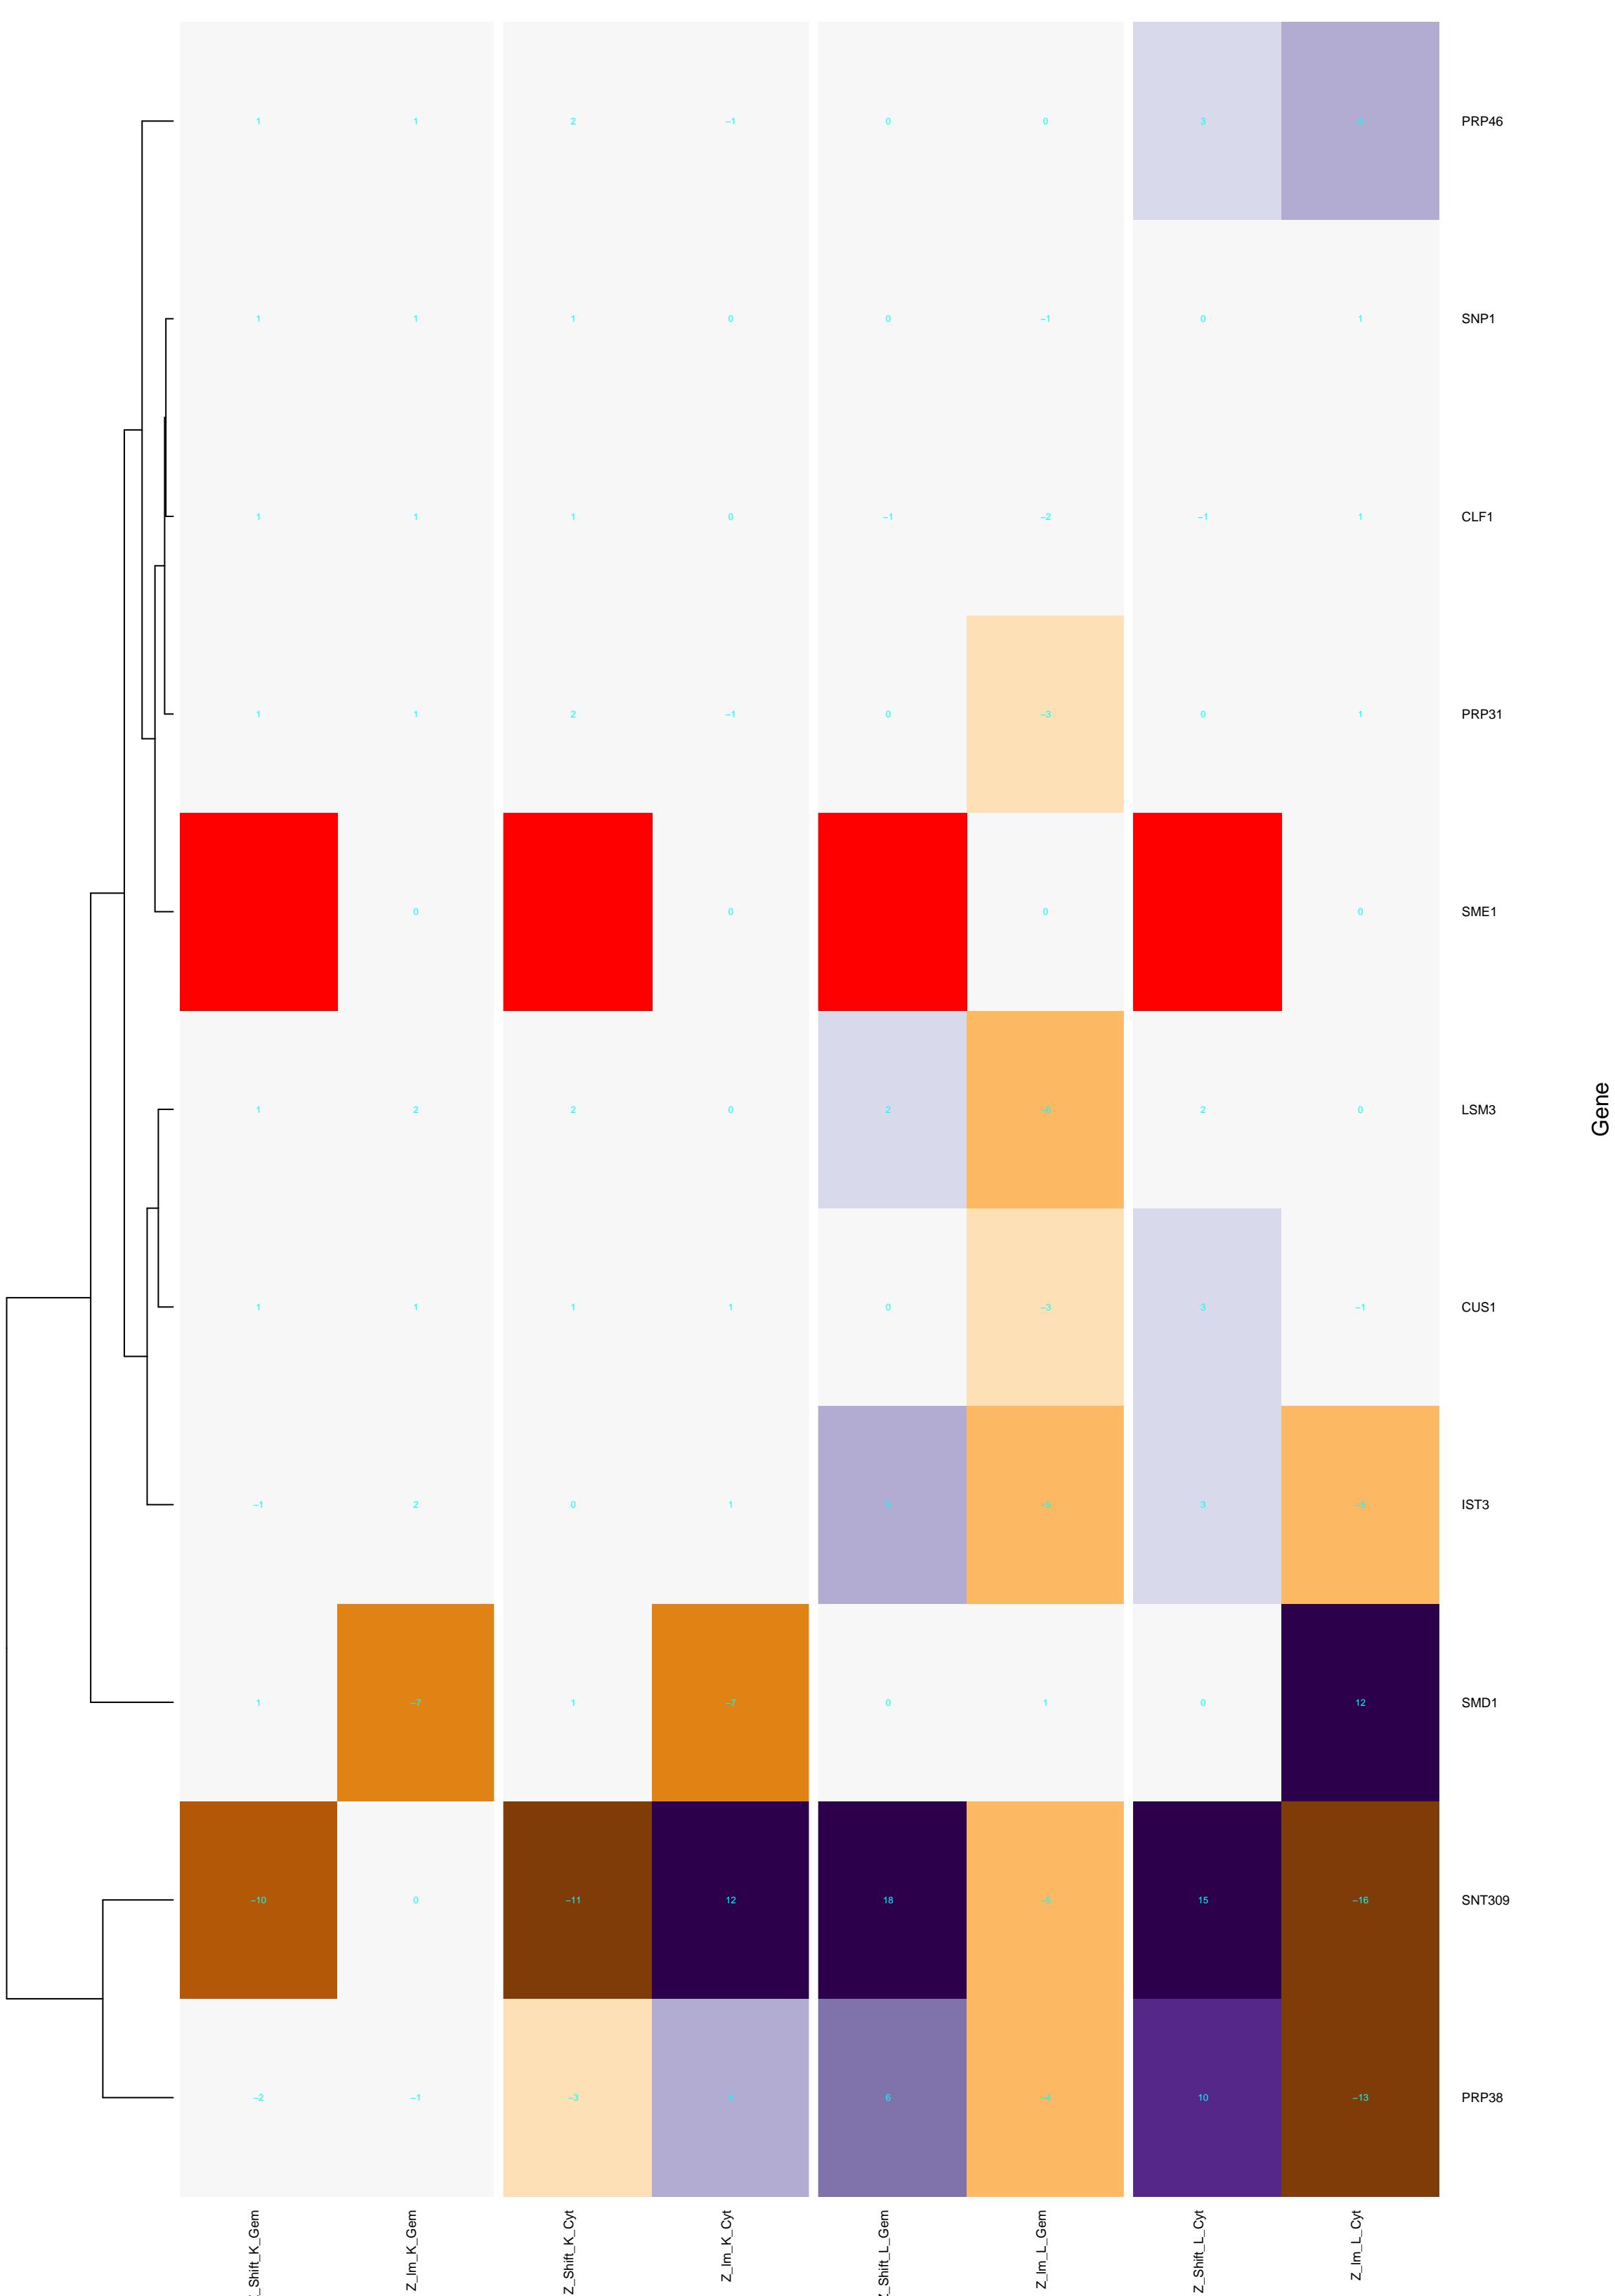

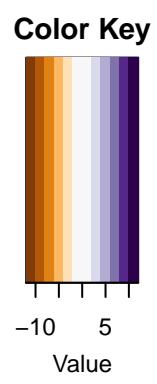

prespliceosome

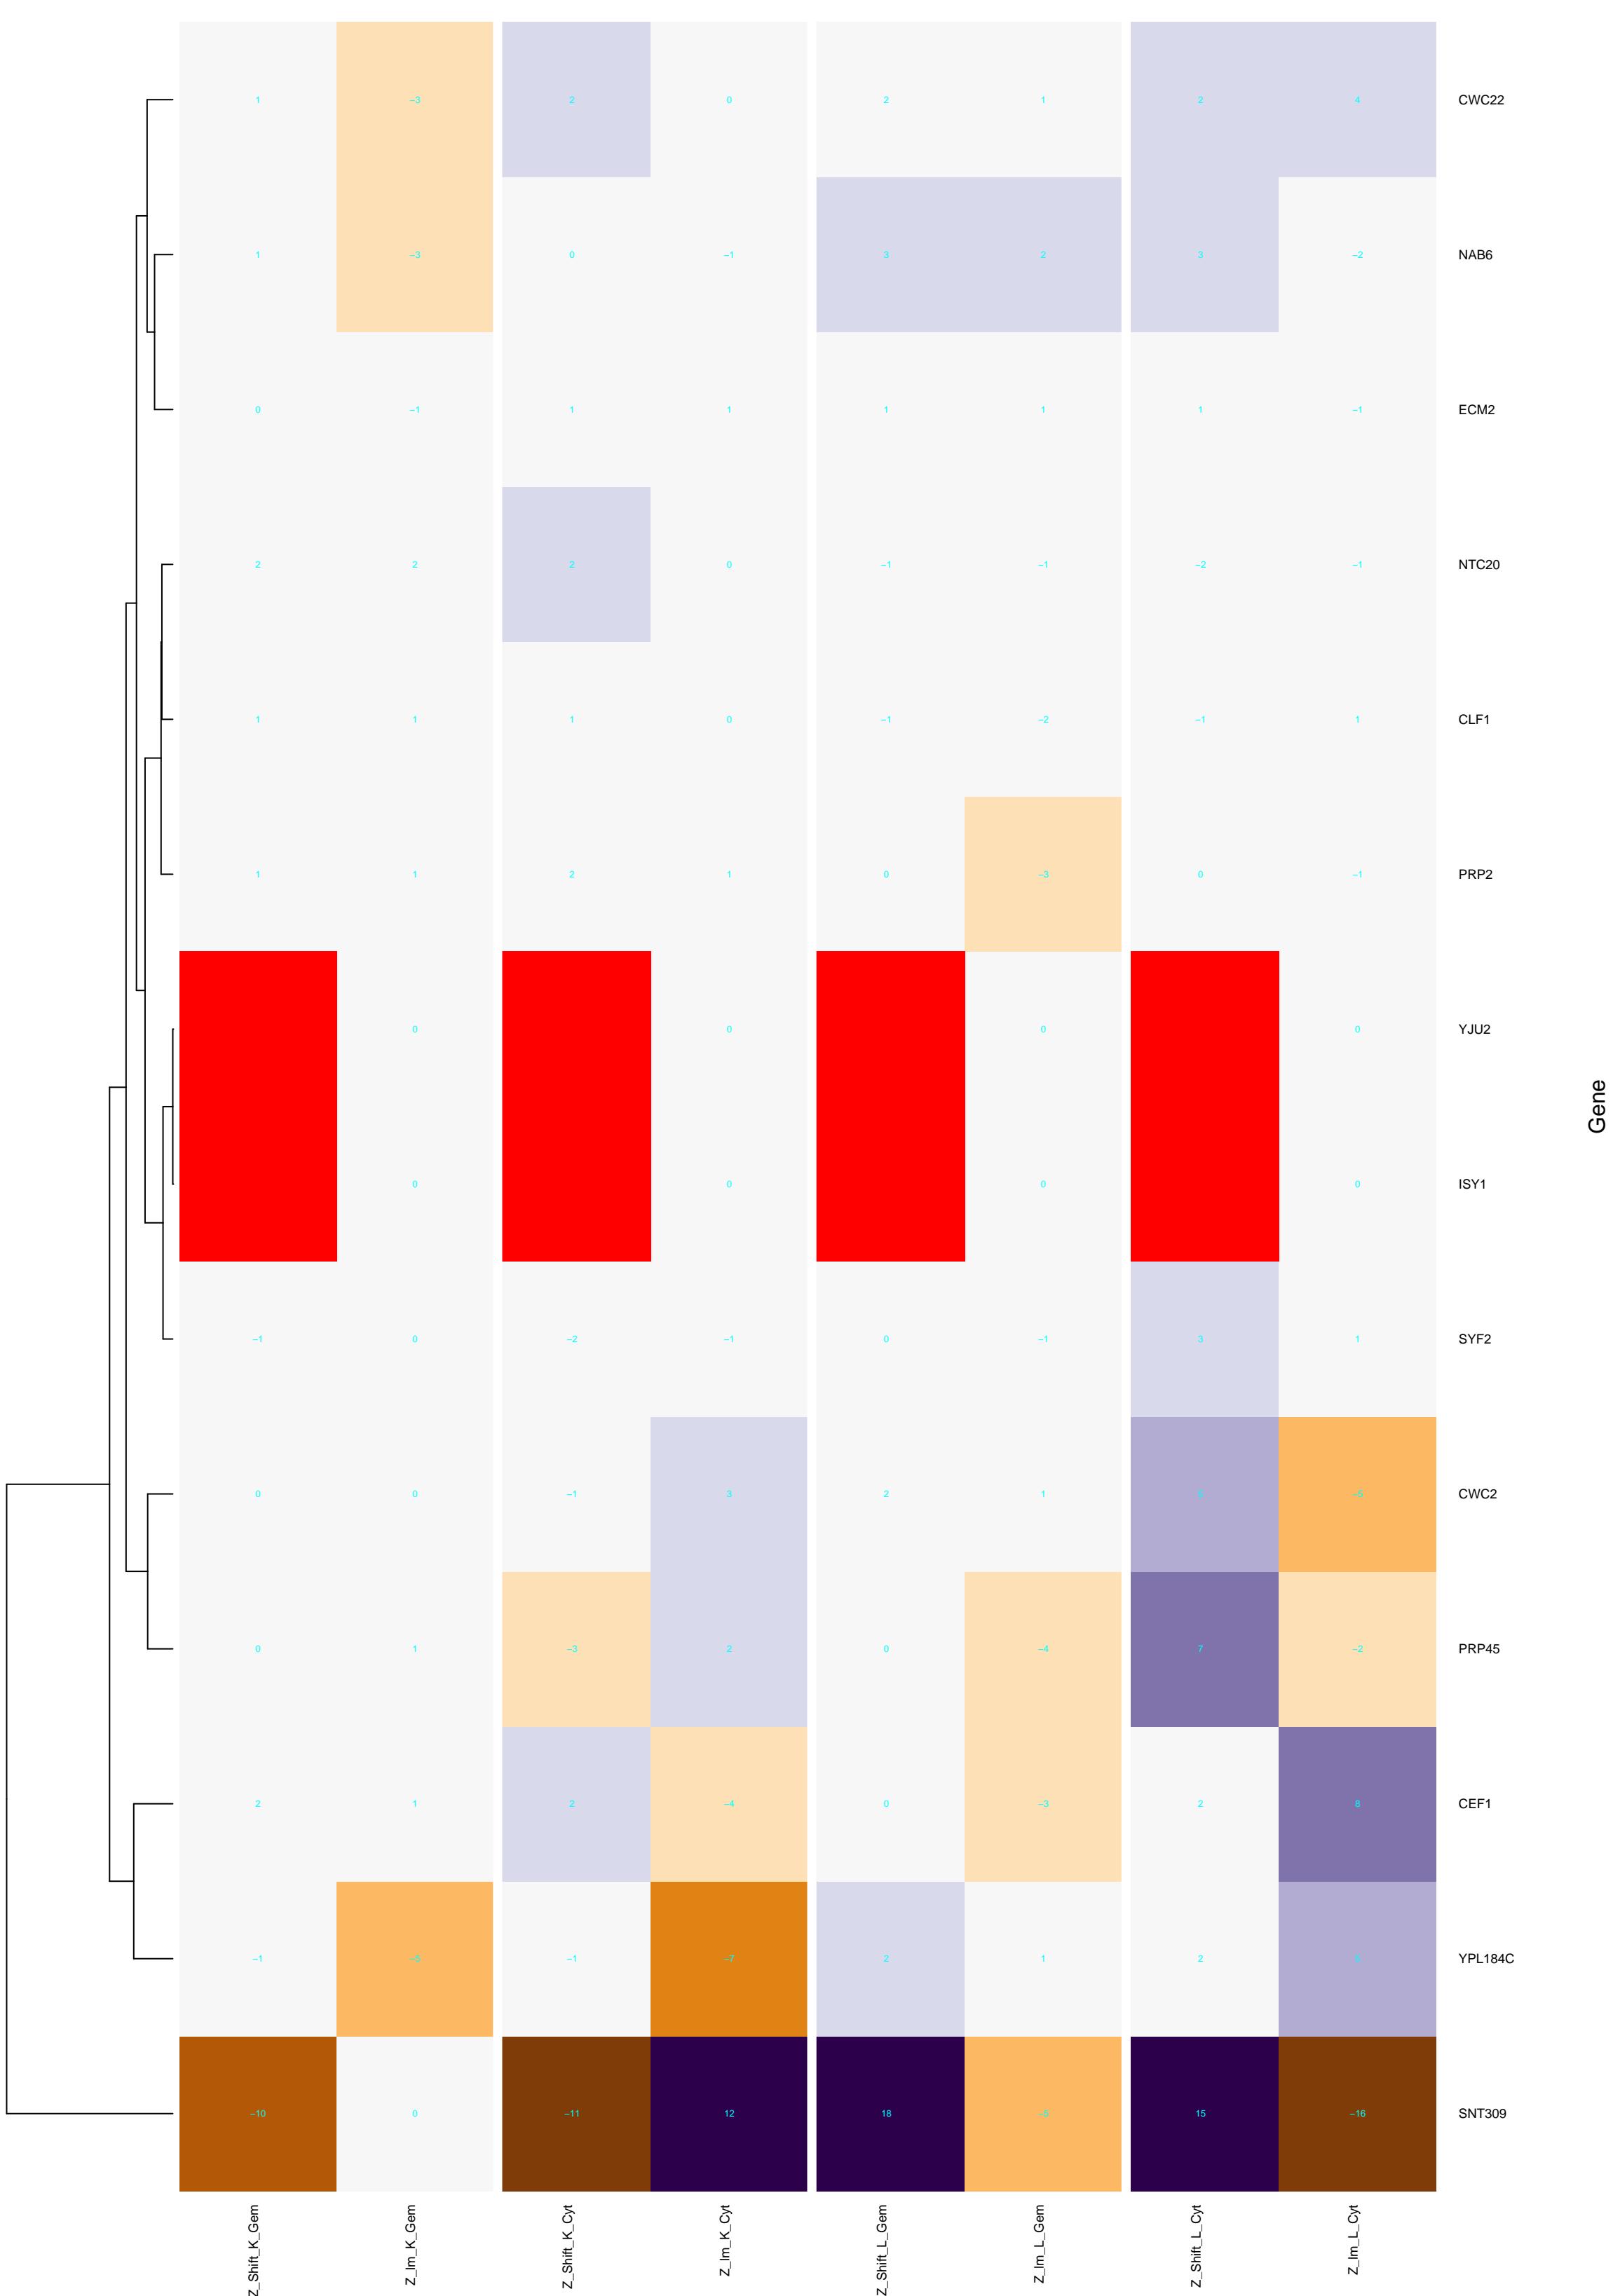

precatalytic spliceosome

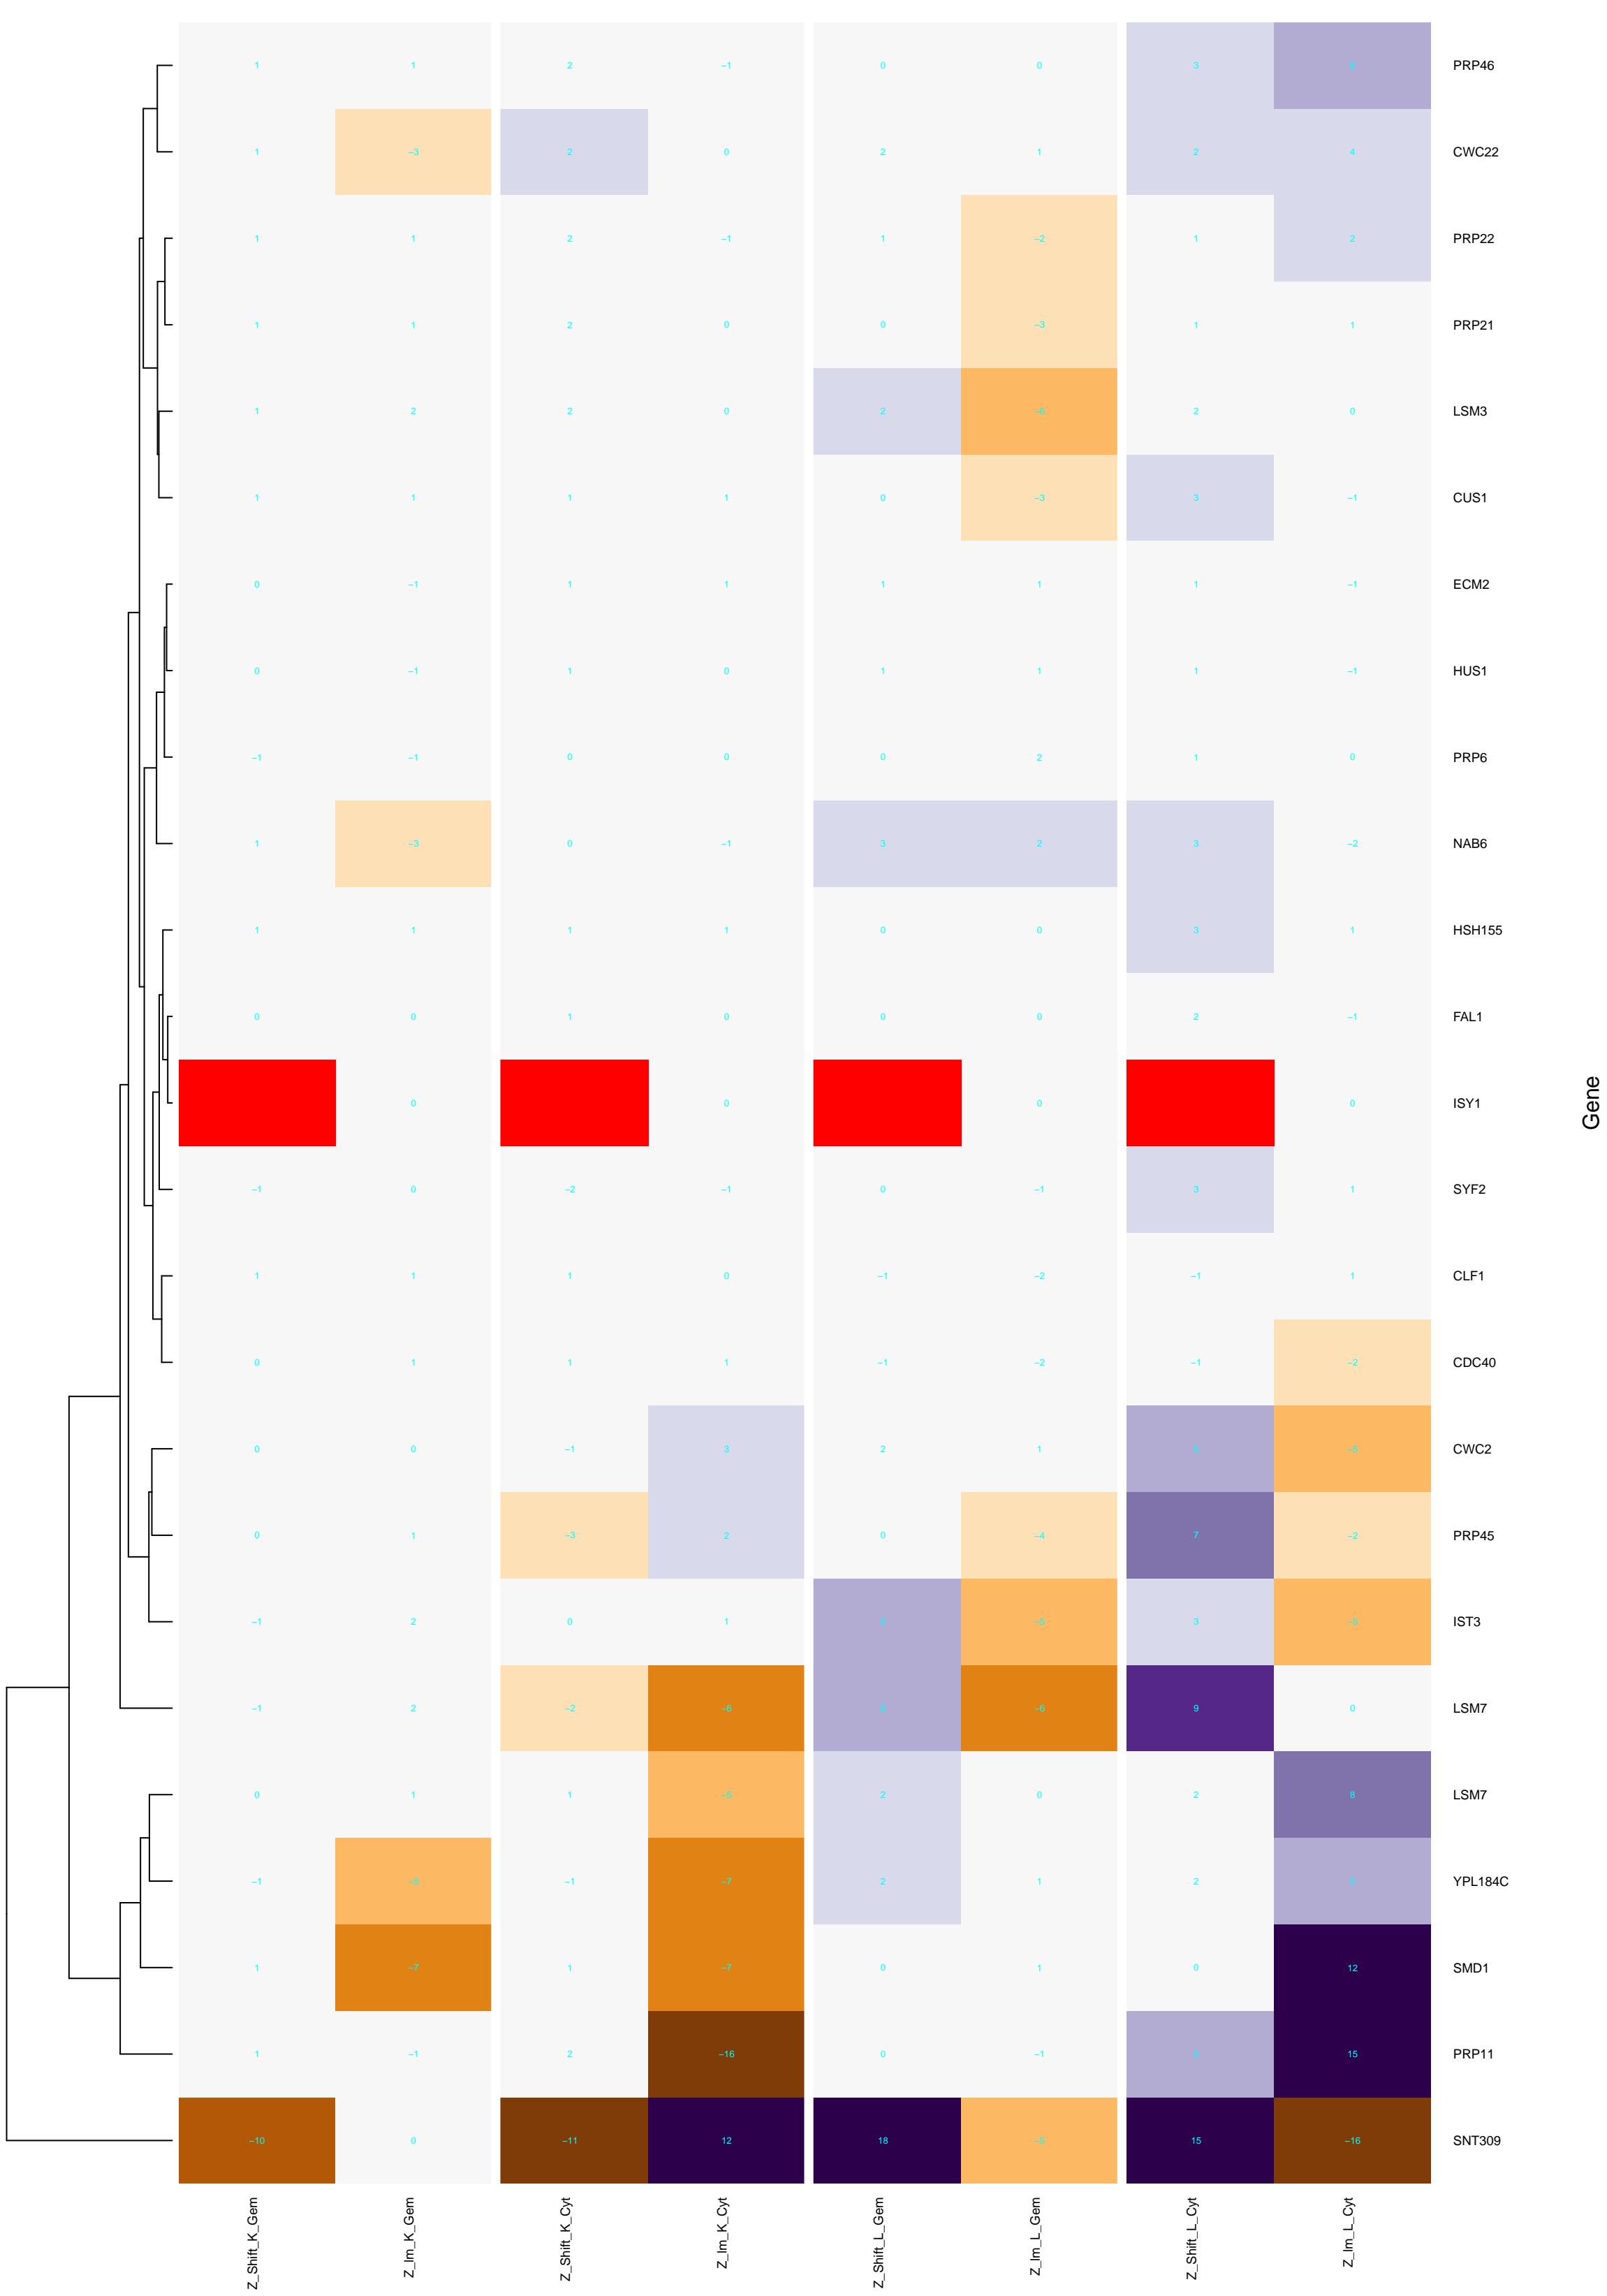

catalytic step 1 spliceosome

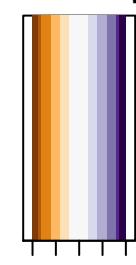

Color Key

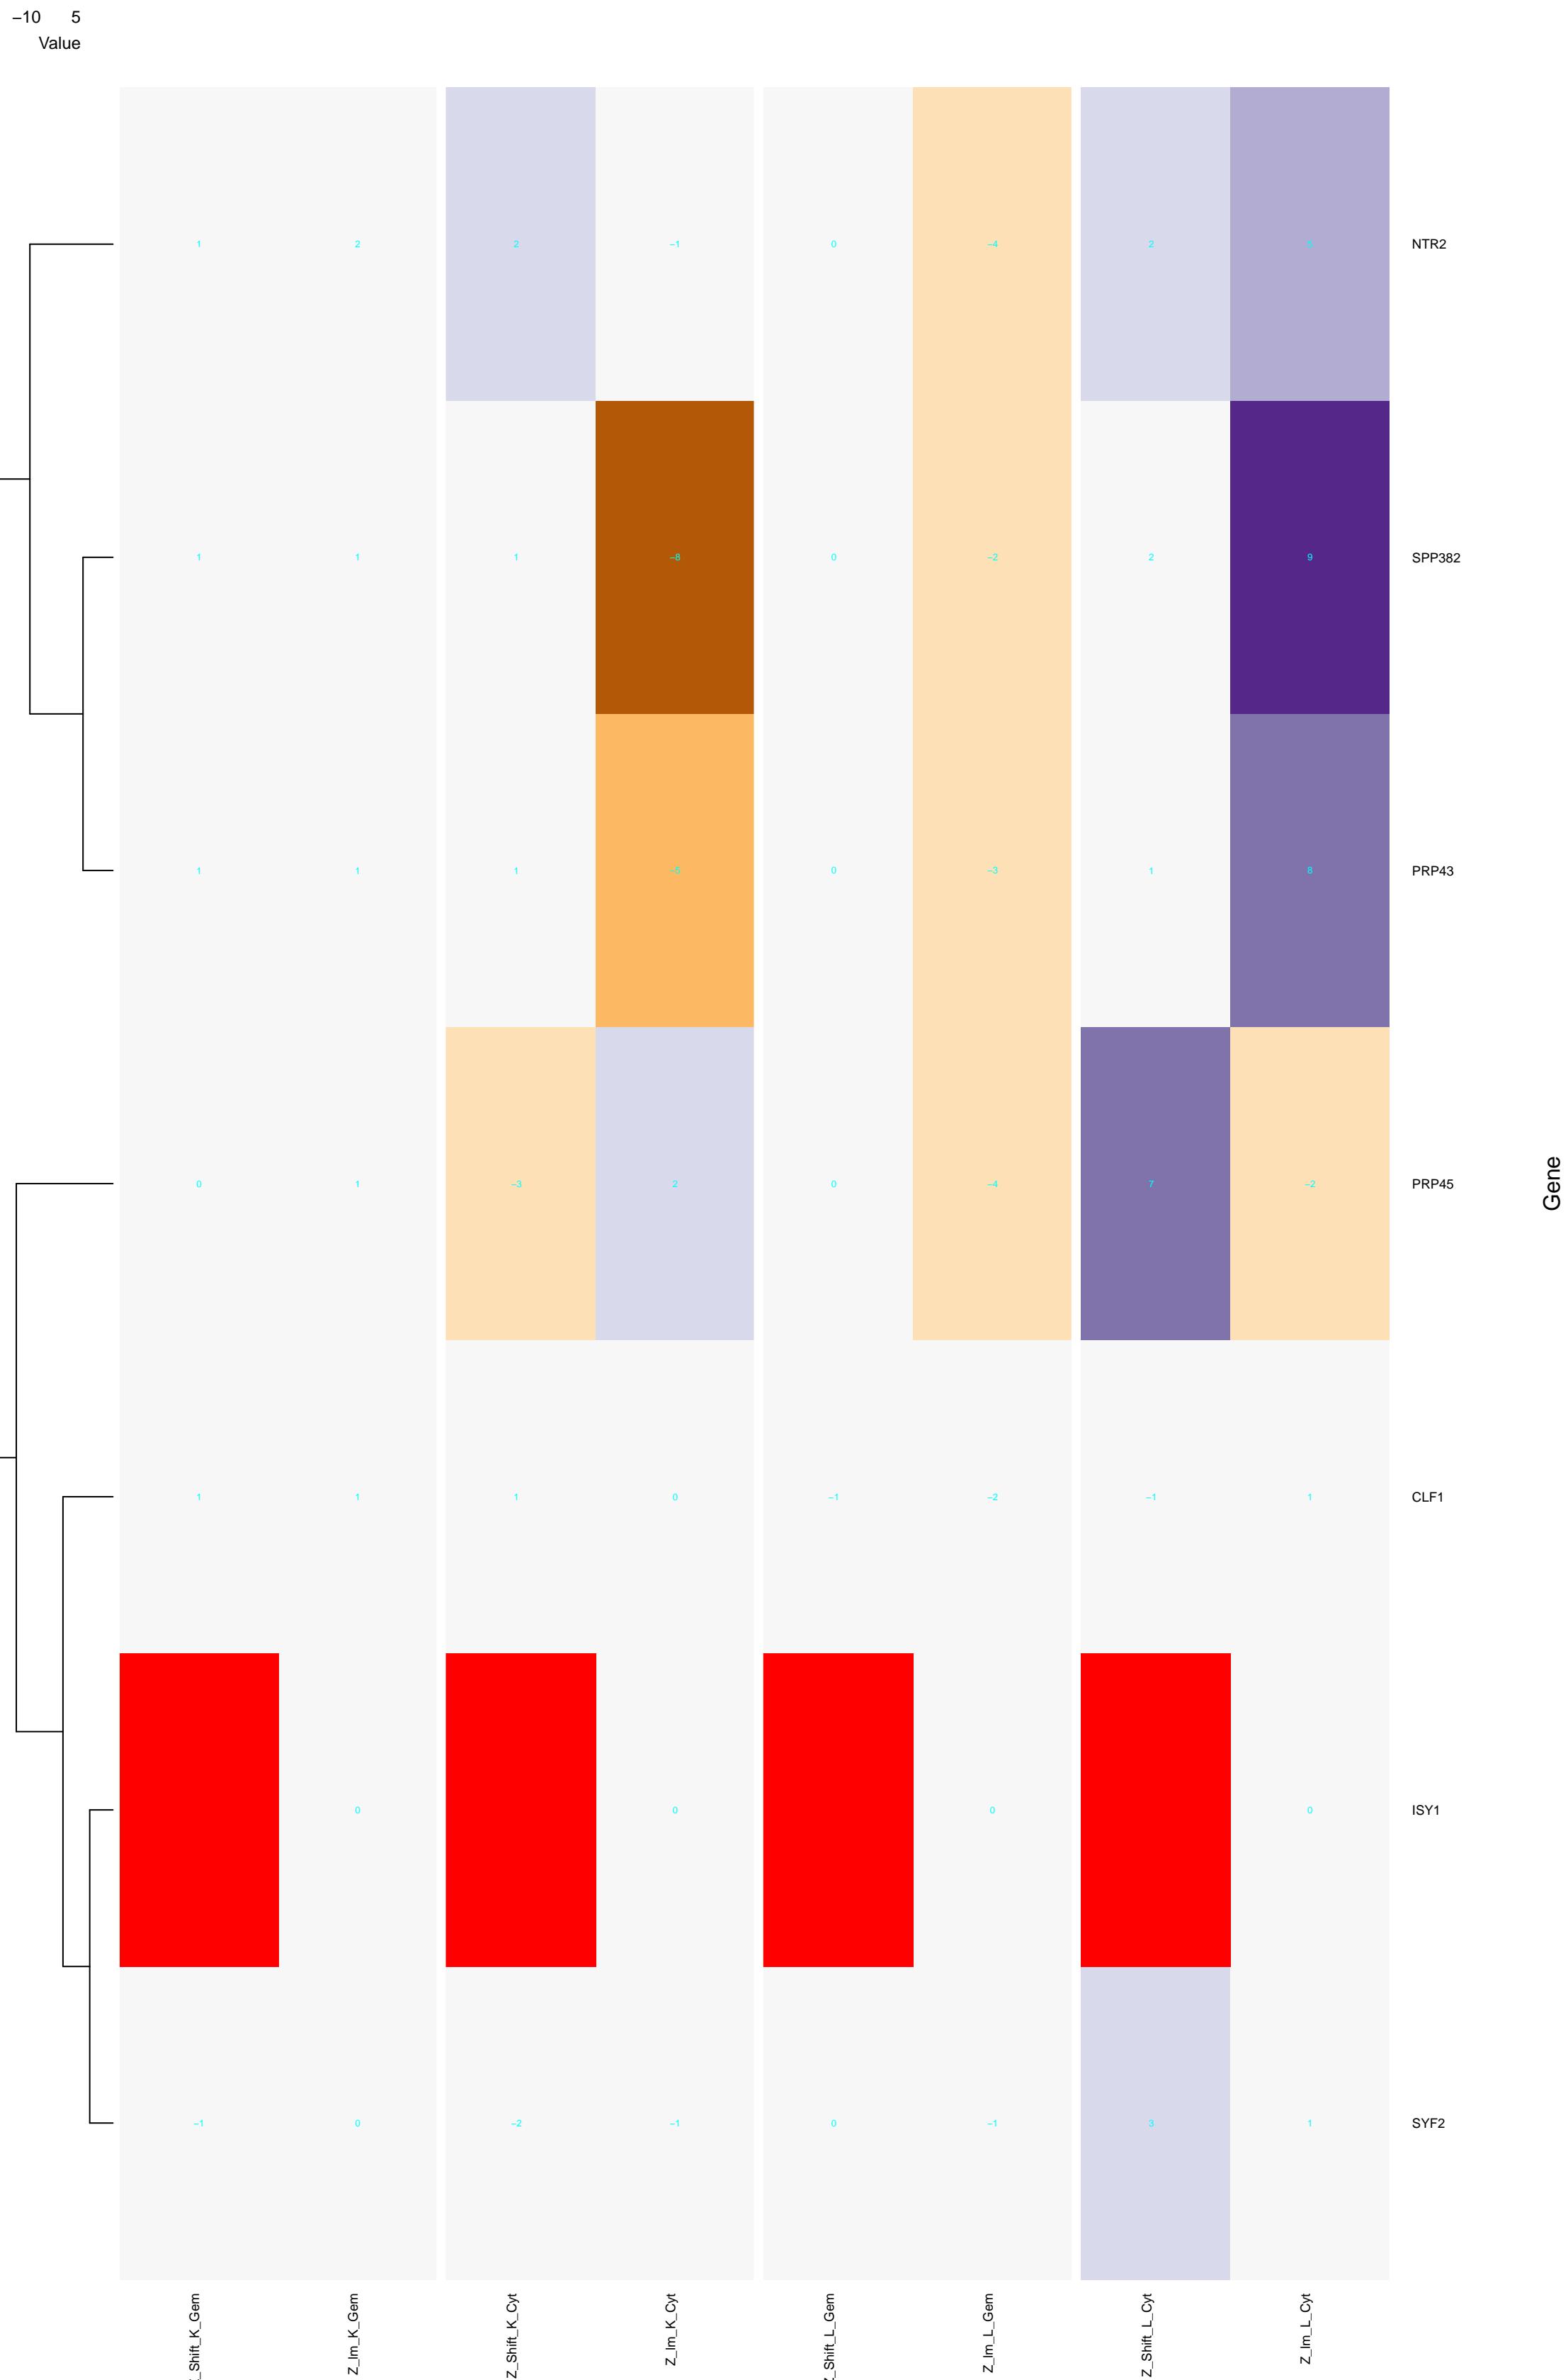

catalytic step 2 spliceosome

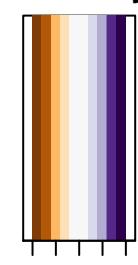

Color Key

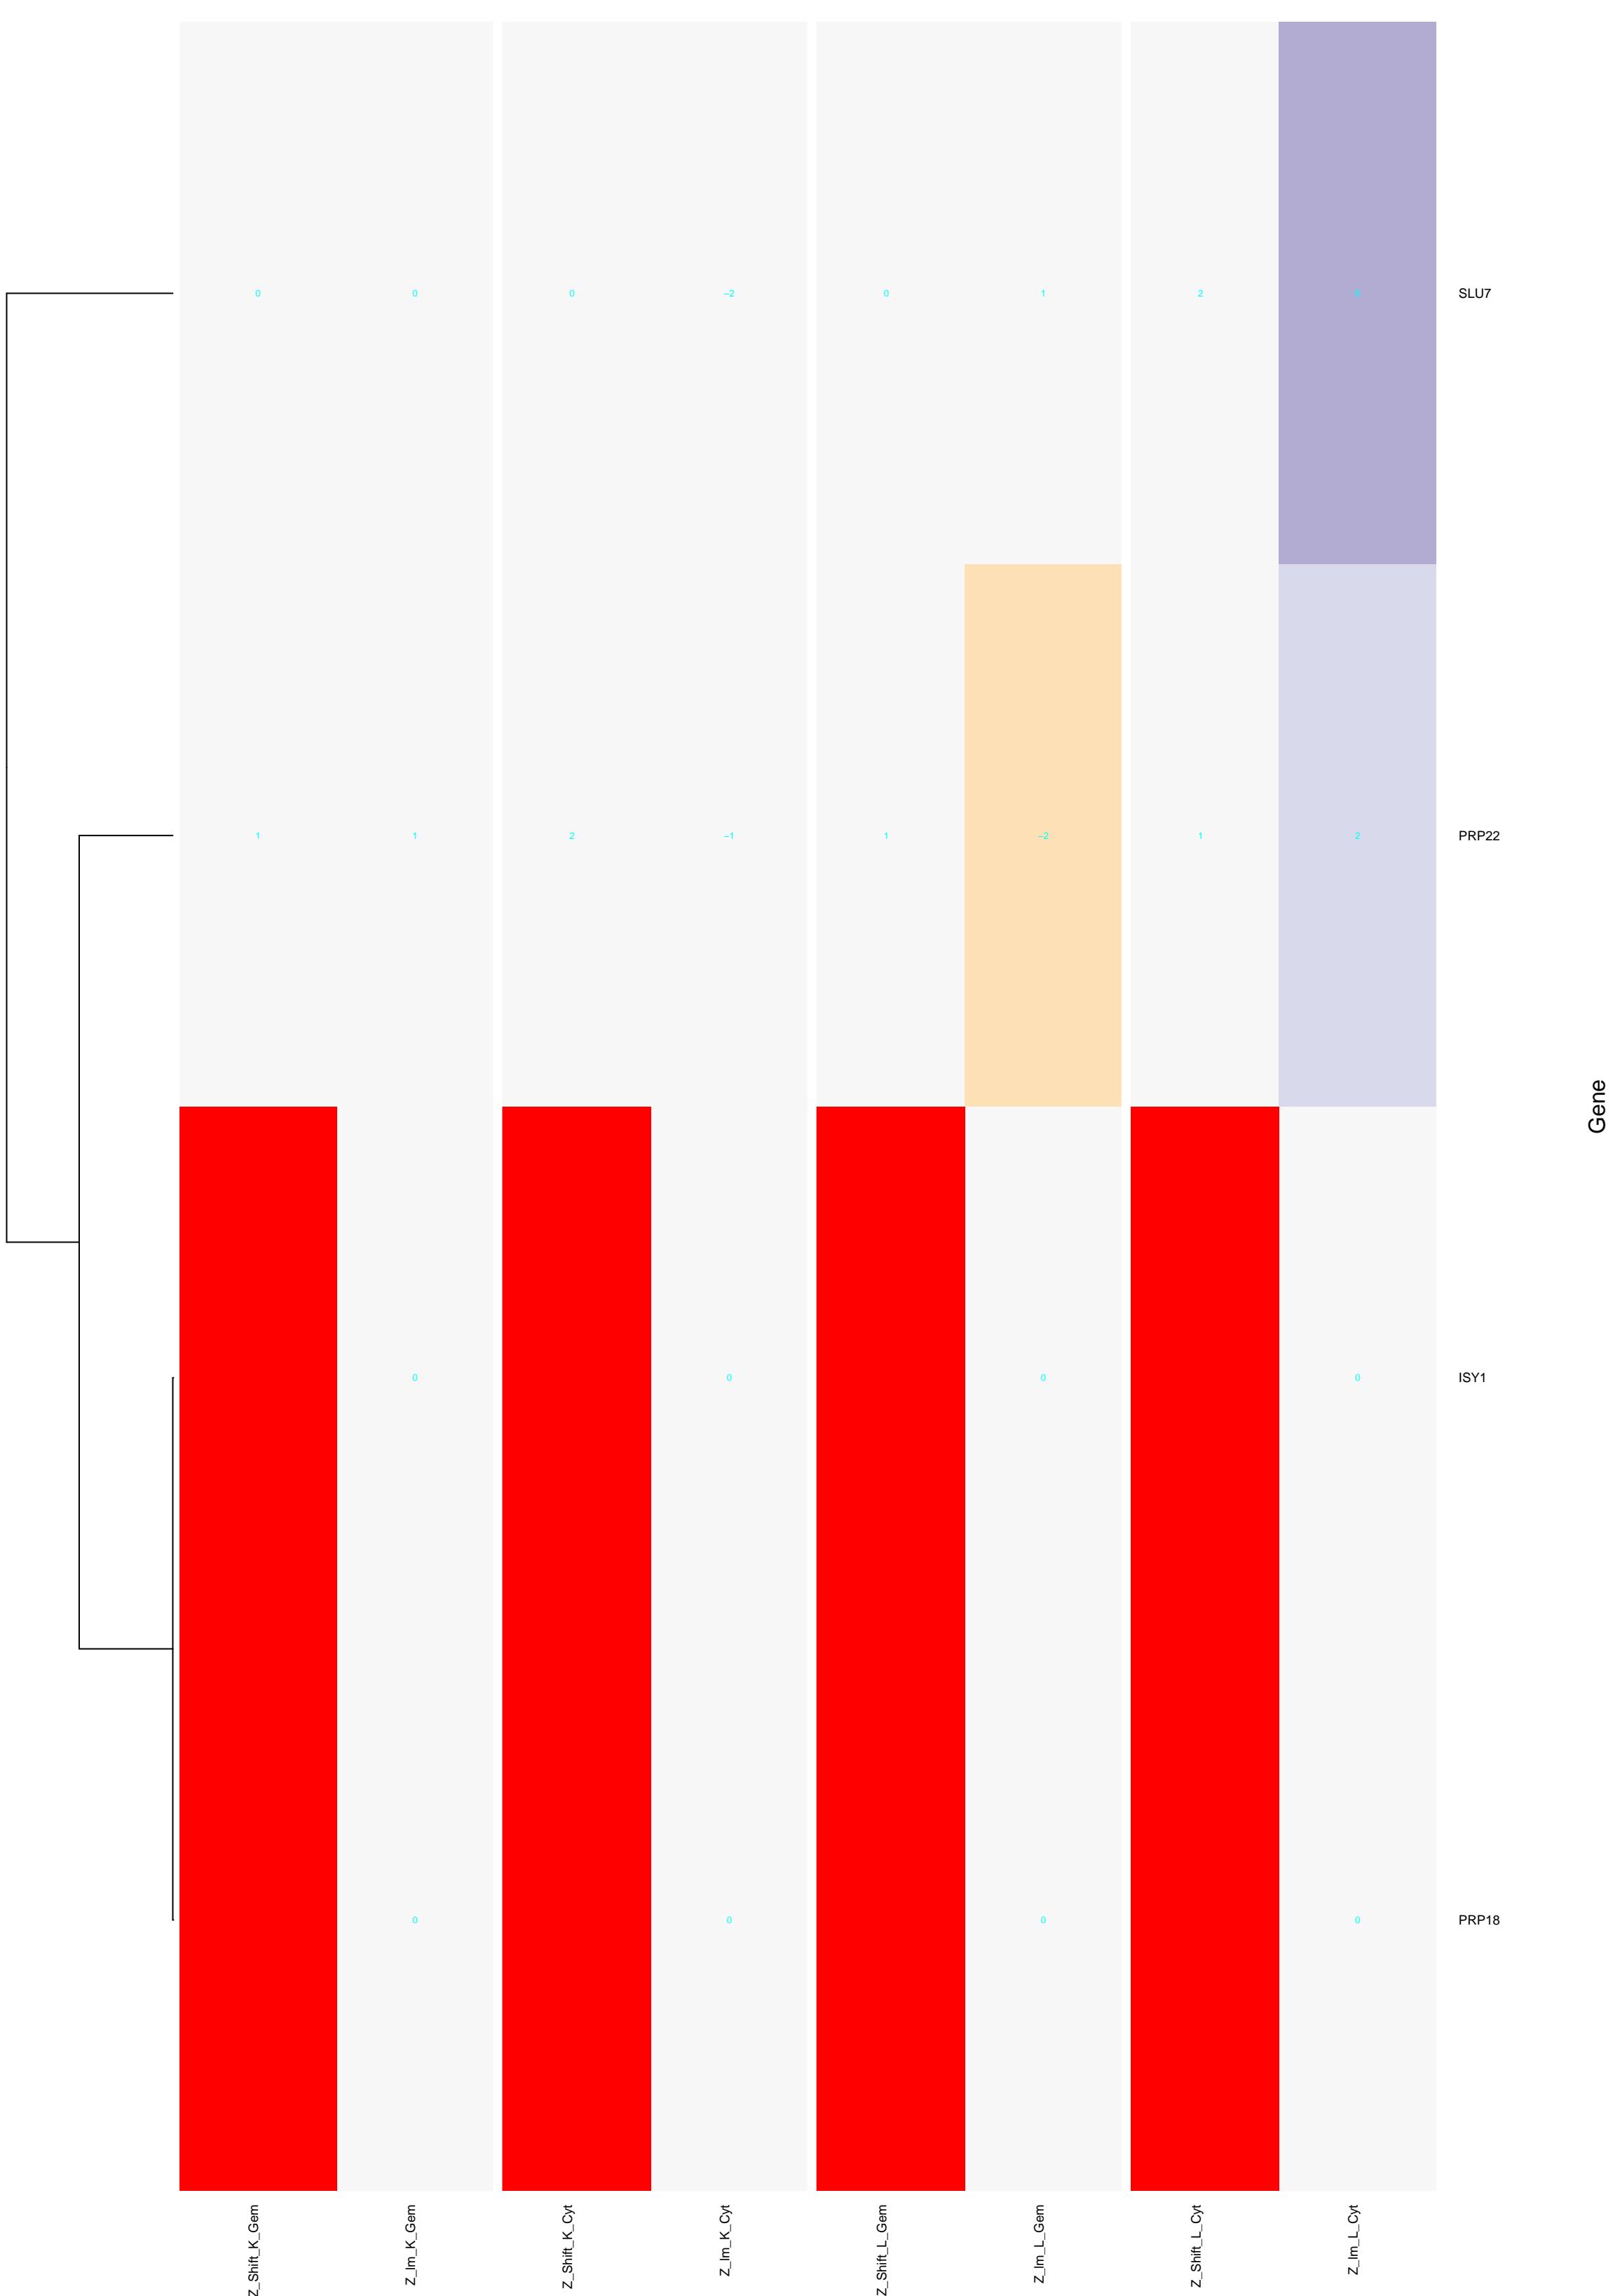

post-mRNA release spliceosomal complex

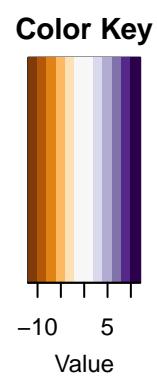

Color Key

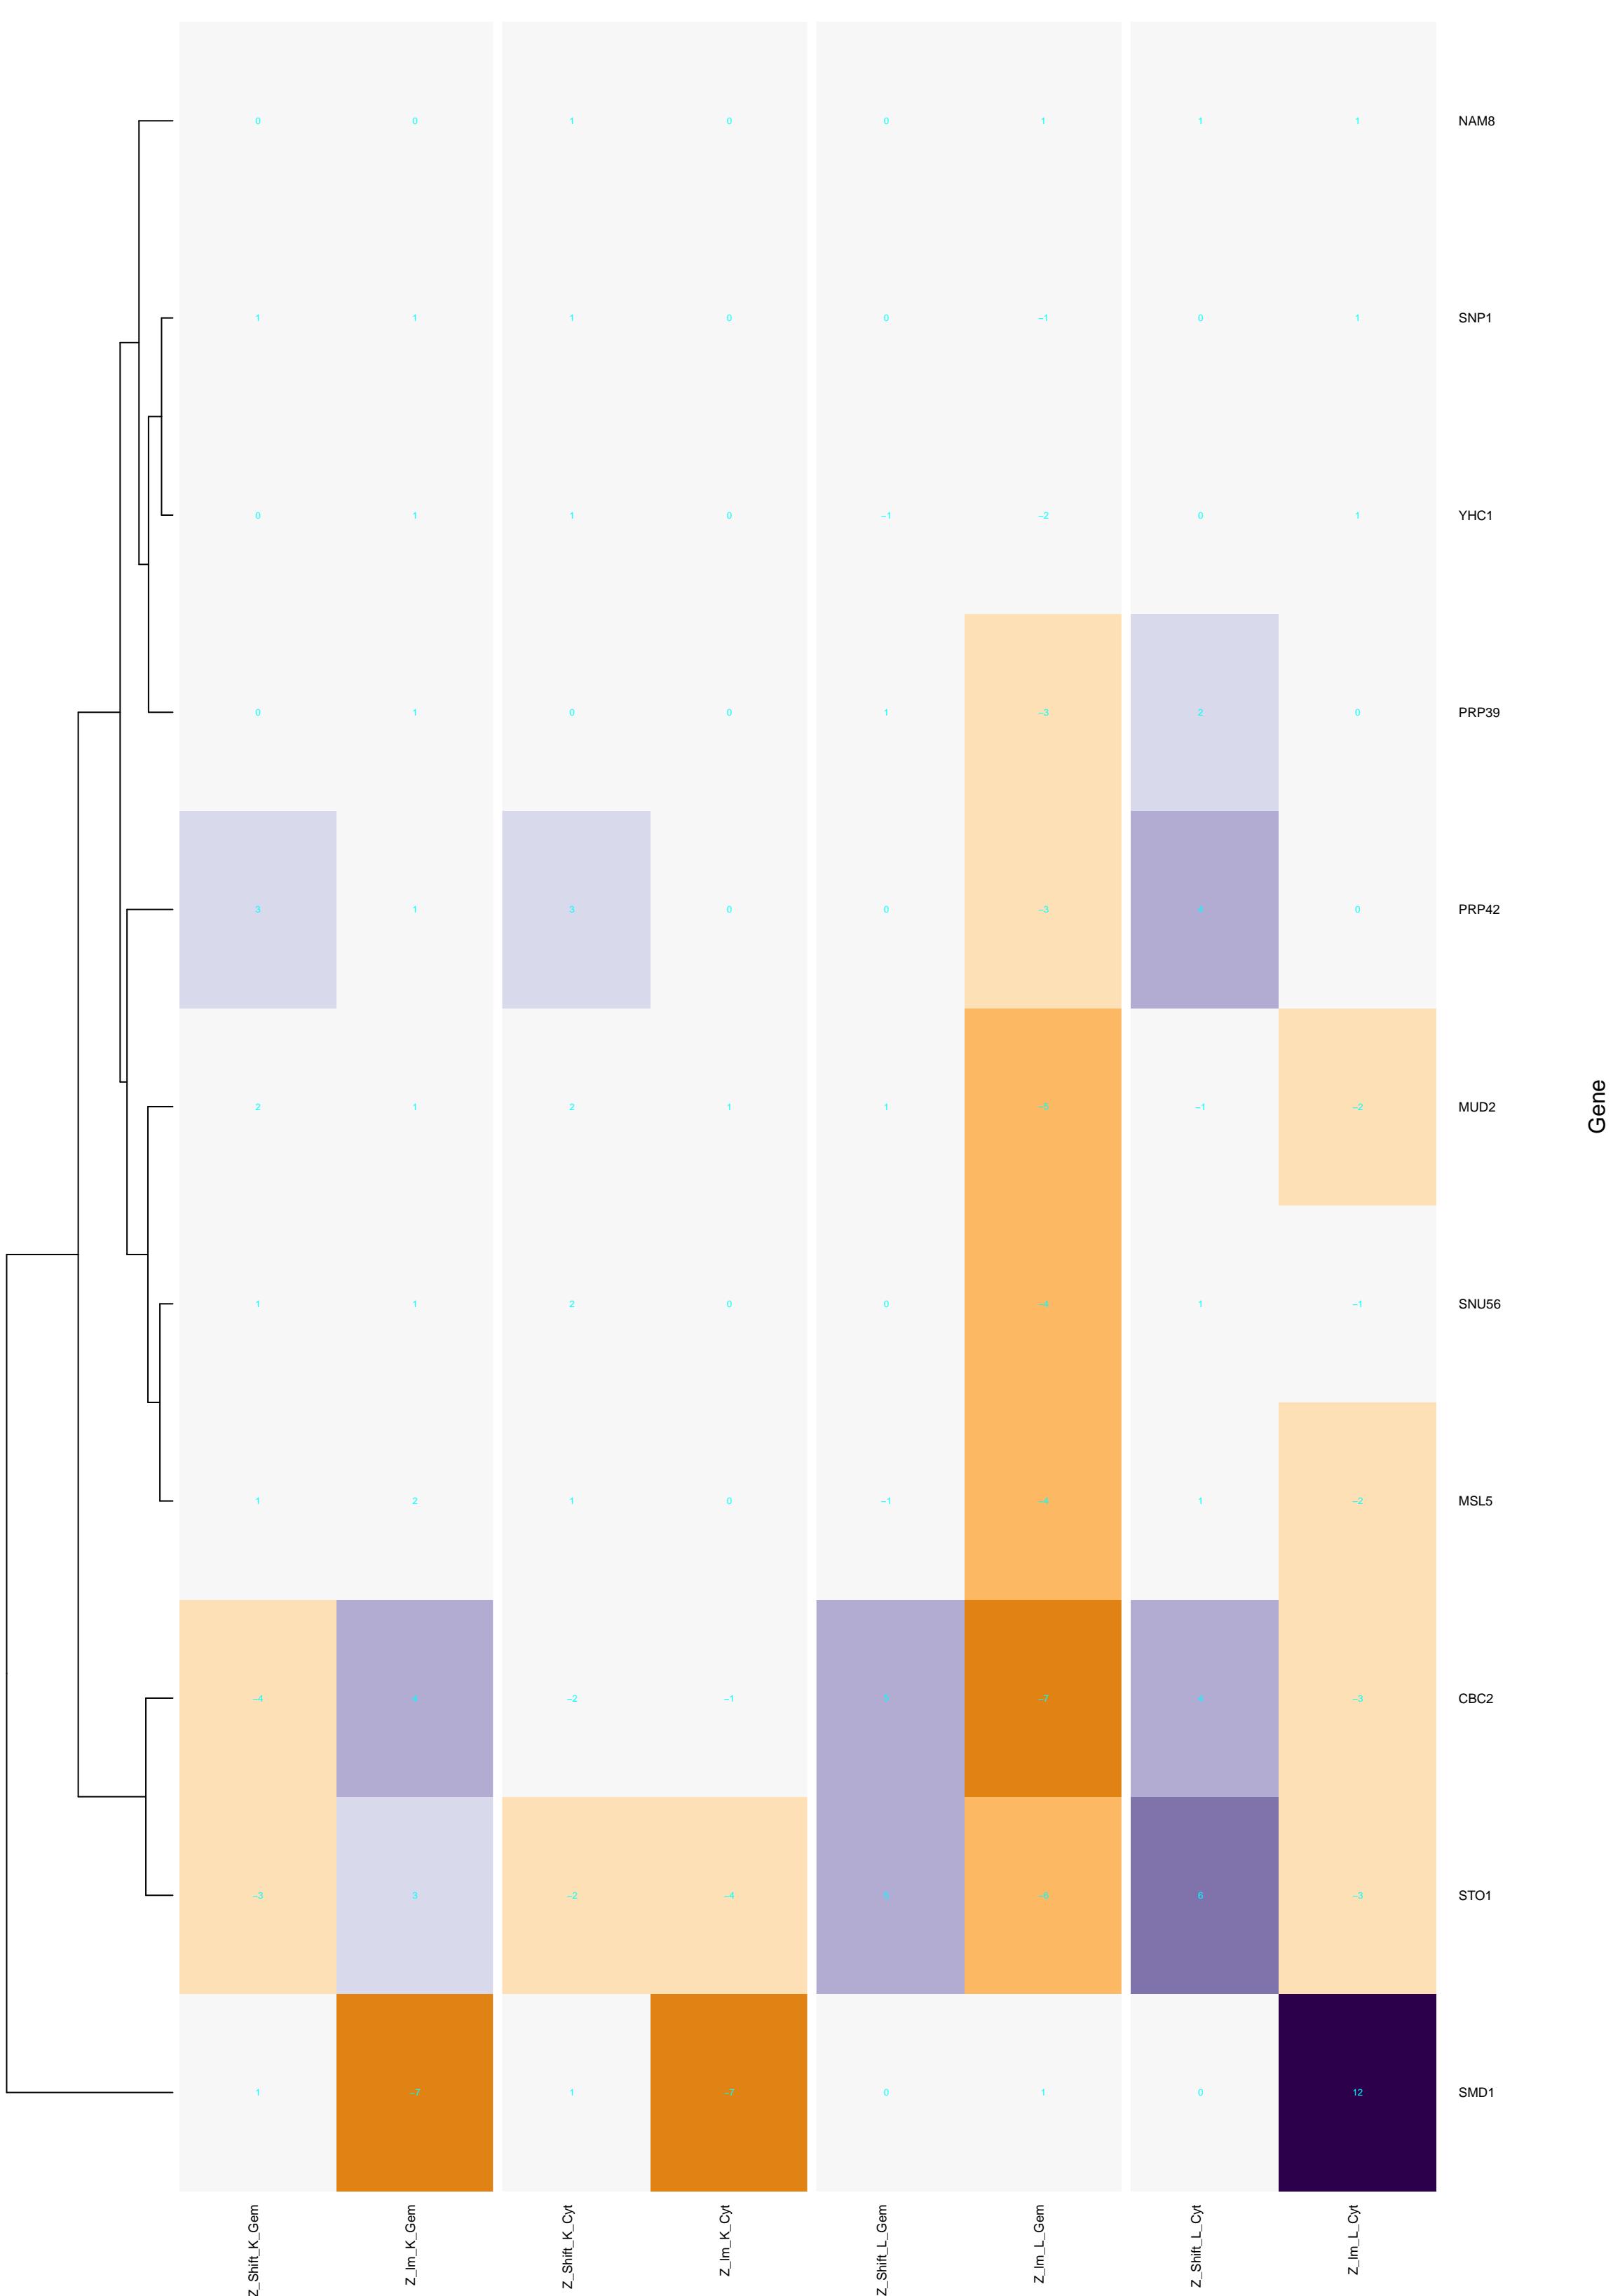

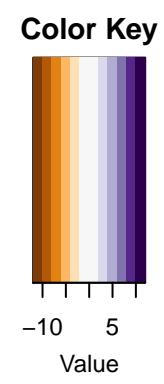

post-spliceosomal complex

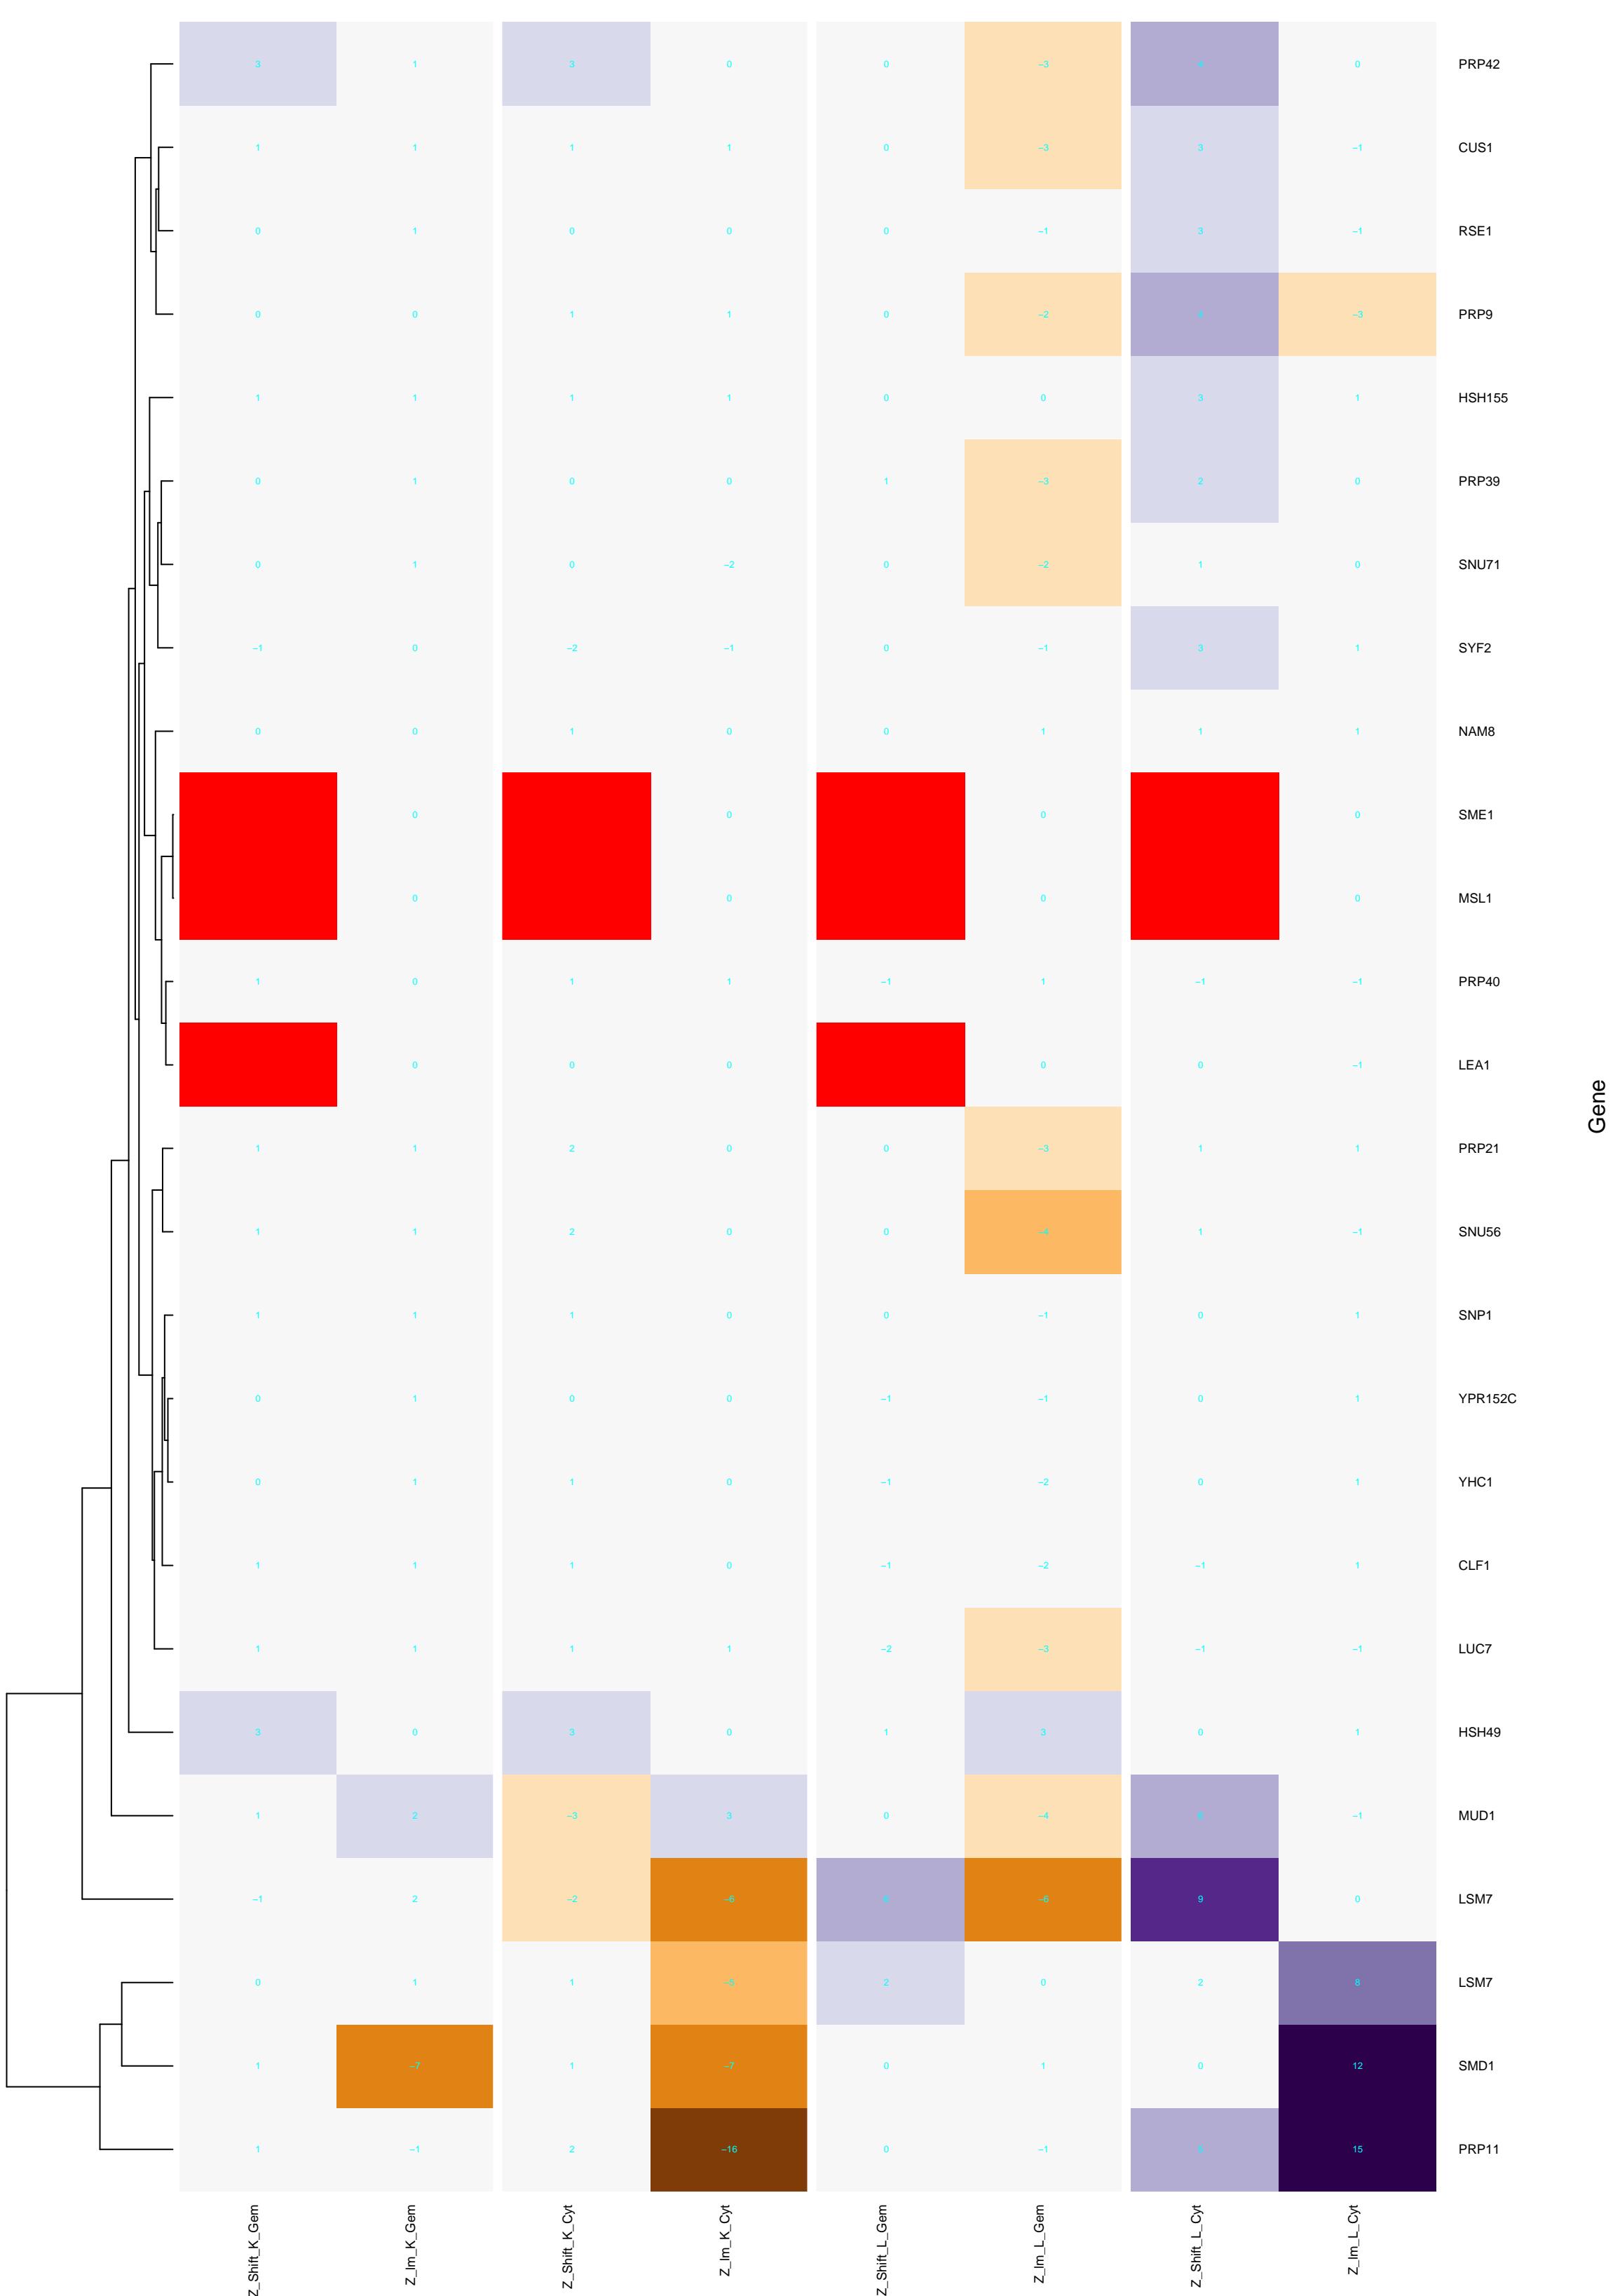

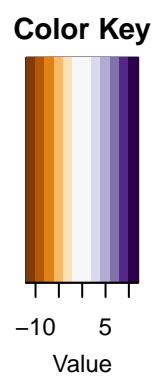

commitment complex

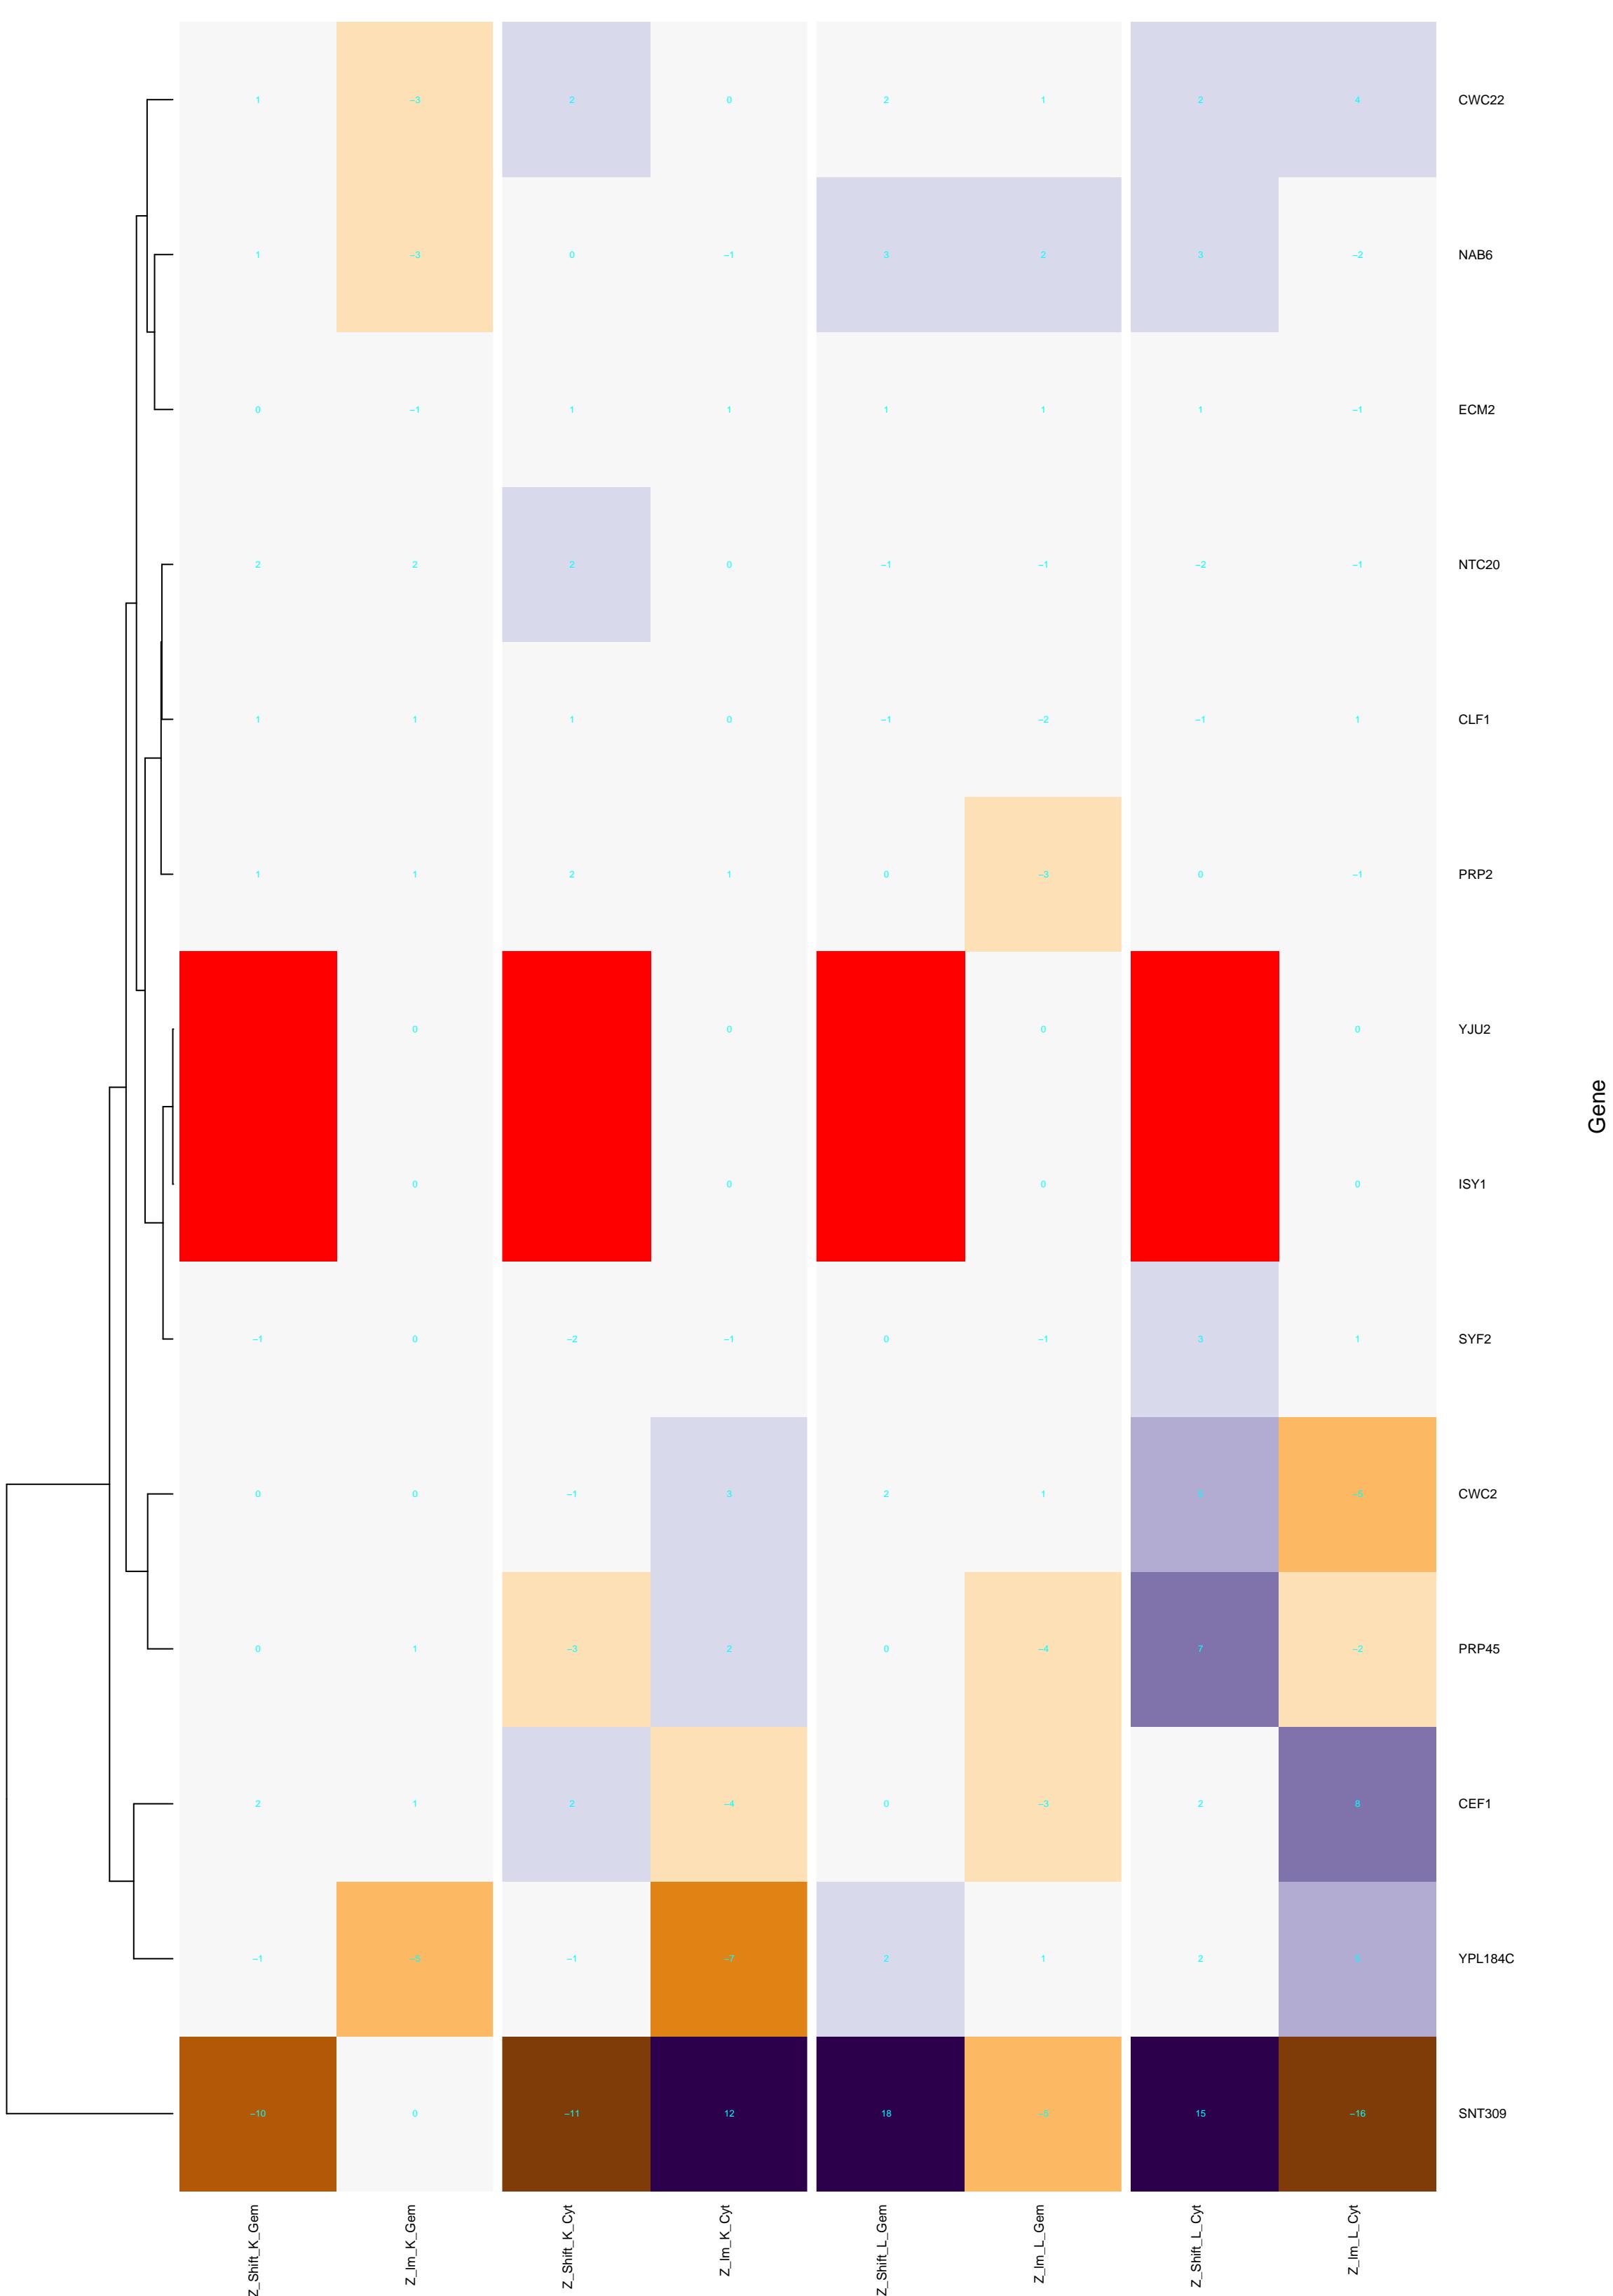

U2-type prespliceosome

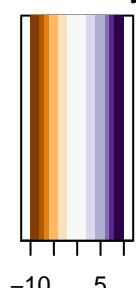

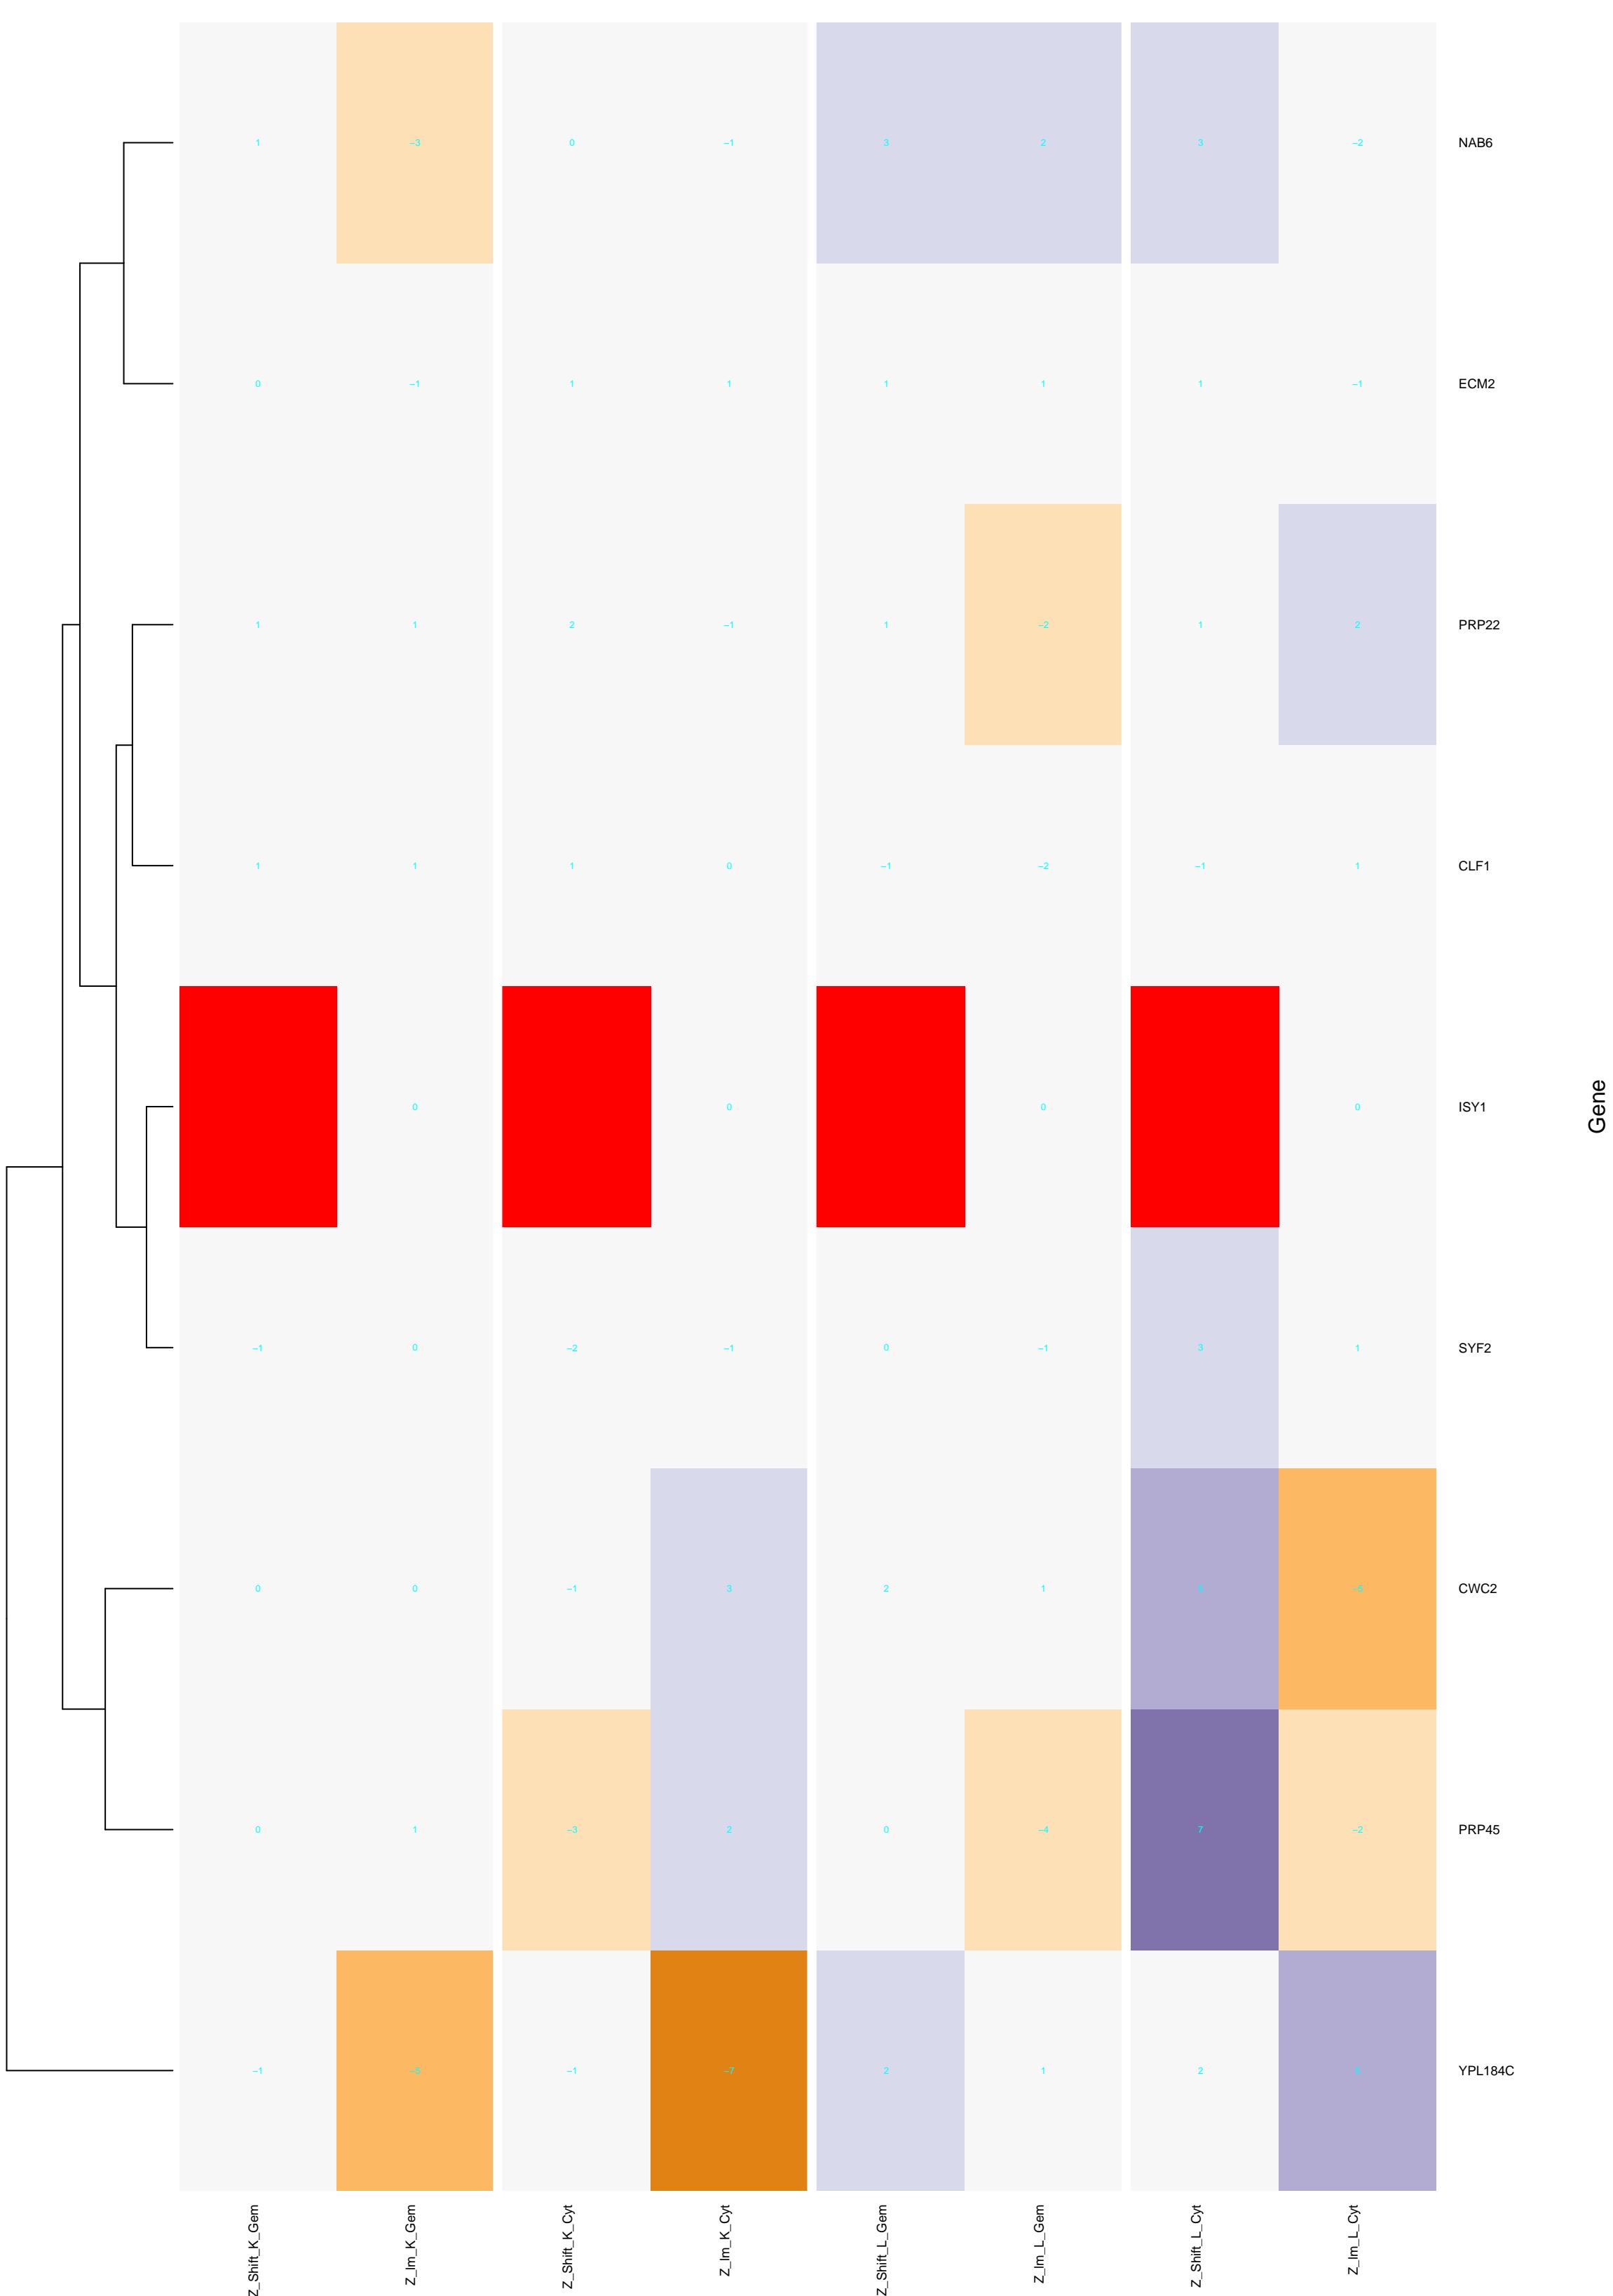

U2-type catalytic step 1 spliceosome

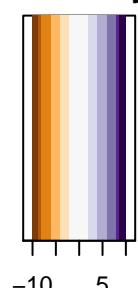

Color Key

U2-type catalytic step 2 spliceosome

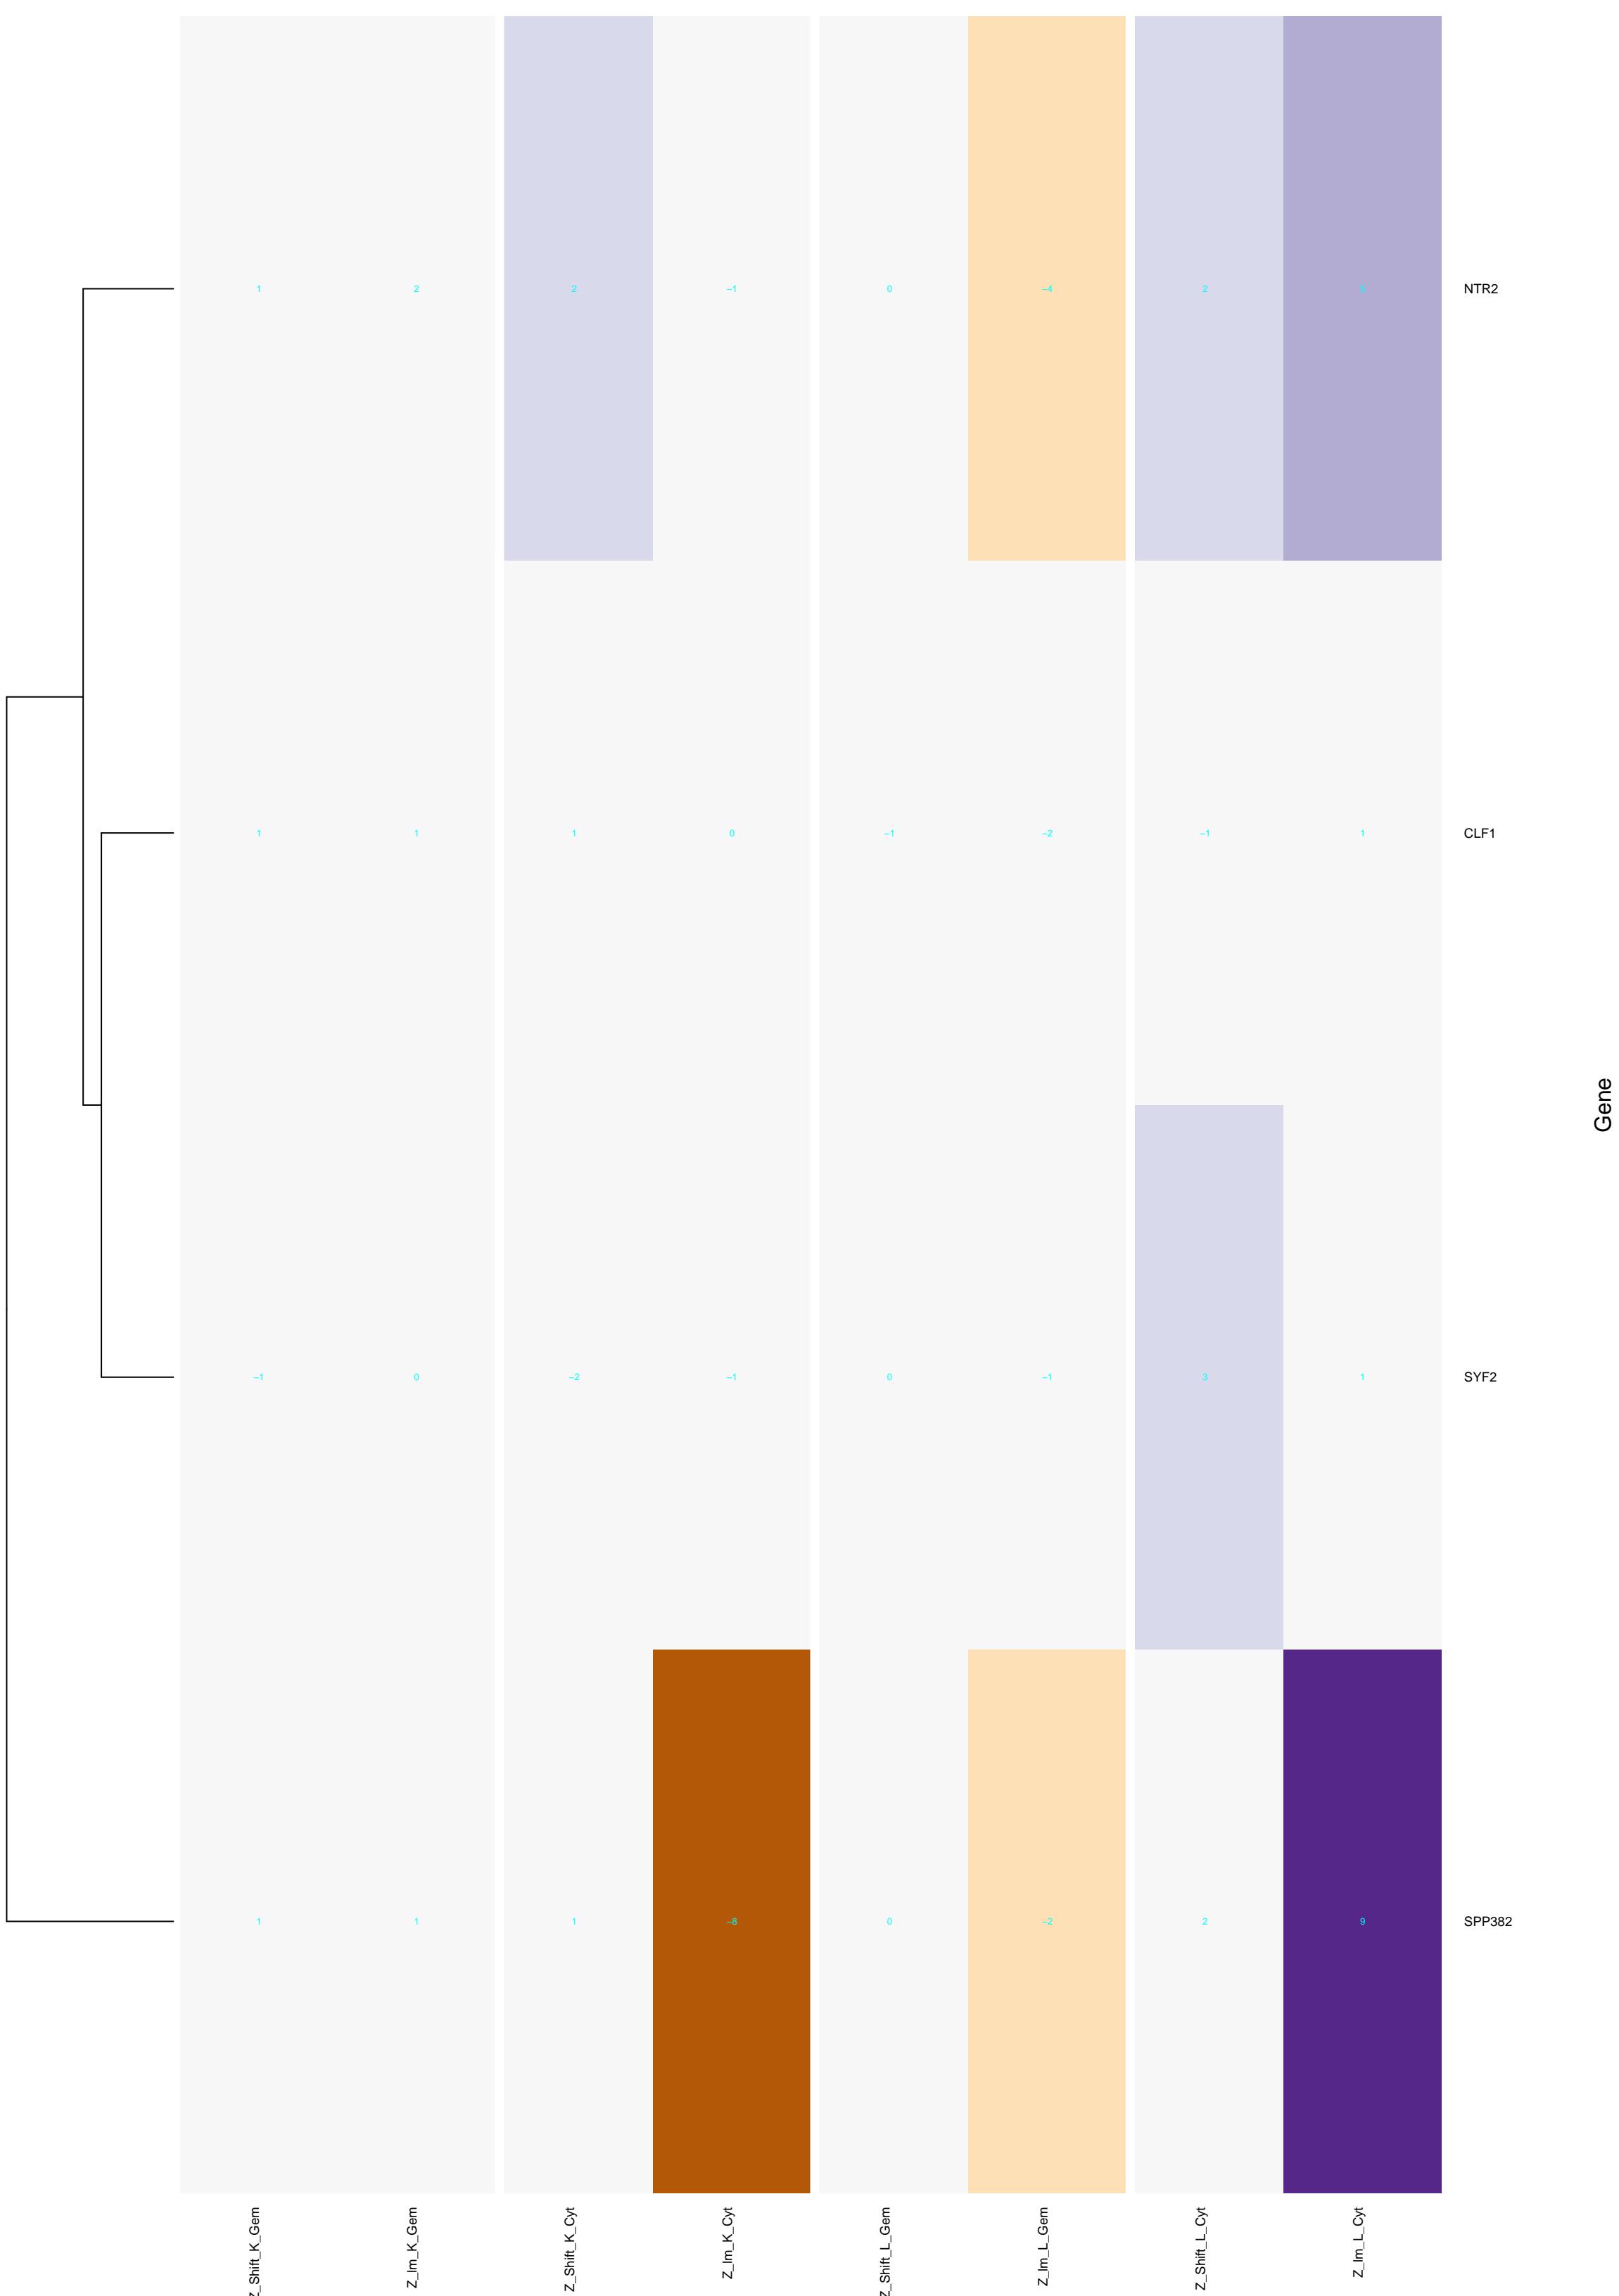

Color Key

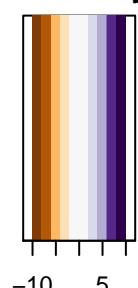

-10 5
Value

U2-type post-mRNA release spliceosomal complex

Color Key

U2-type post-spliceosomal complex

-10 5
Value
