

Color Key

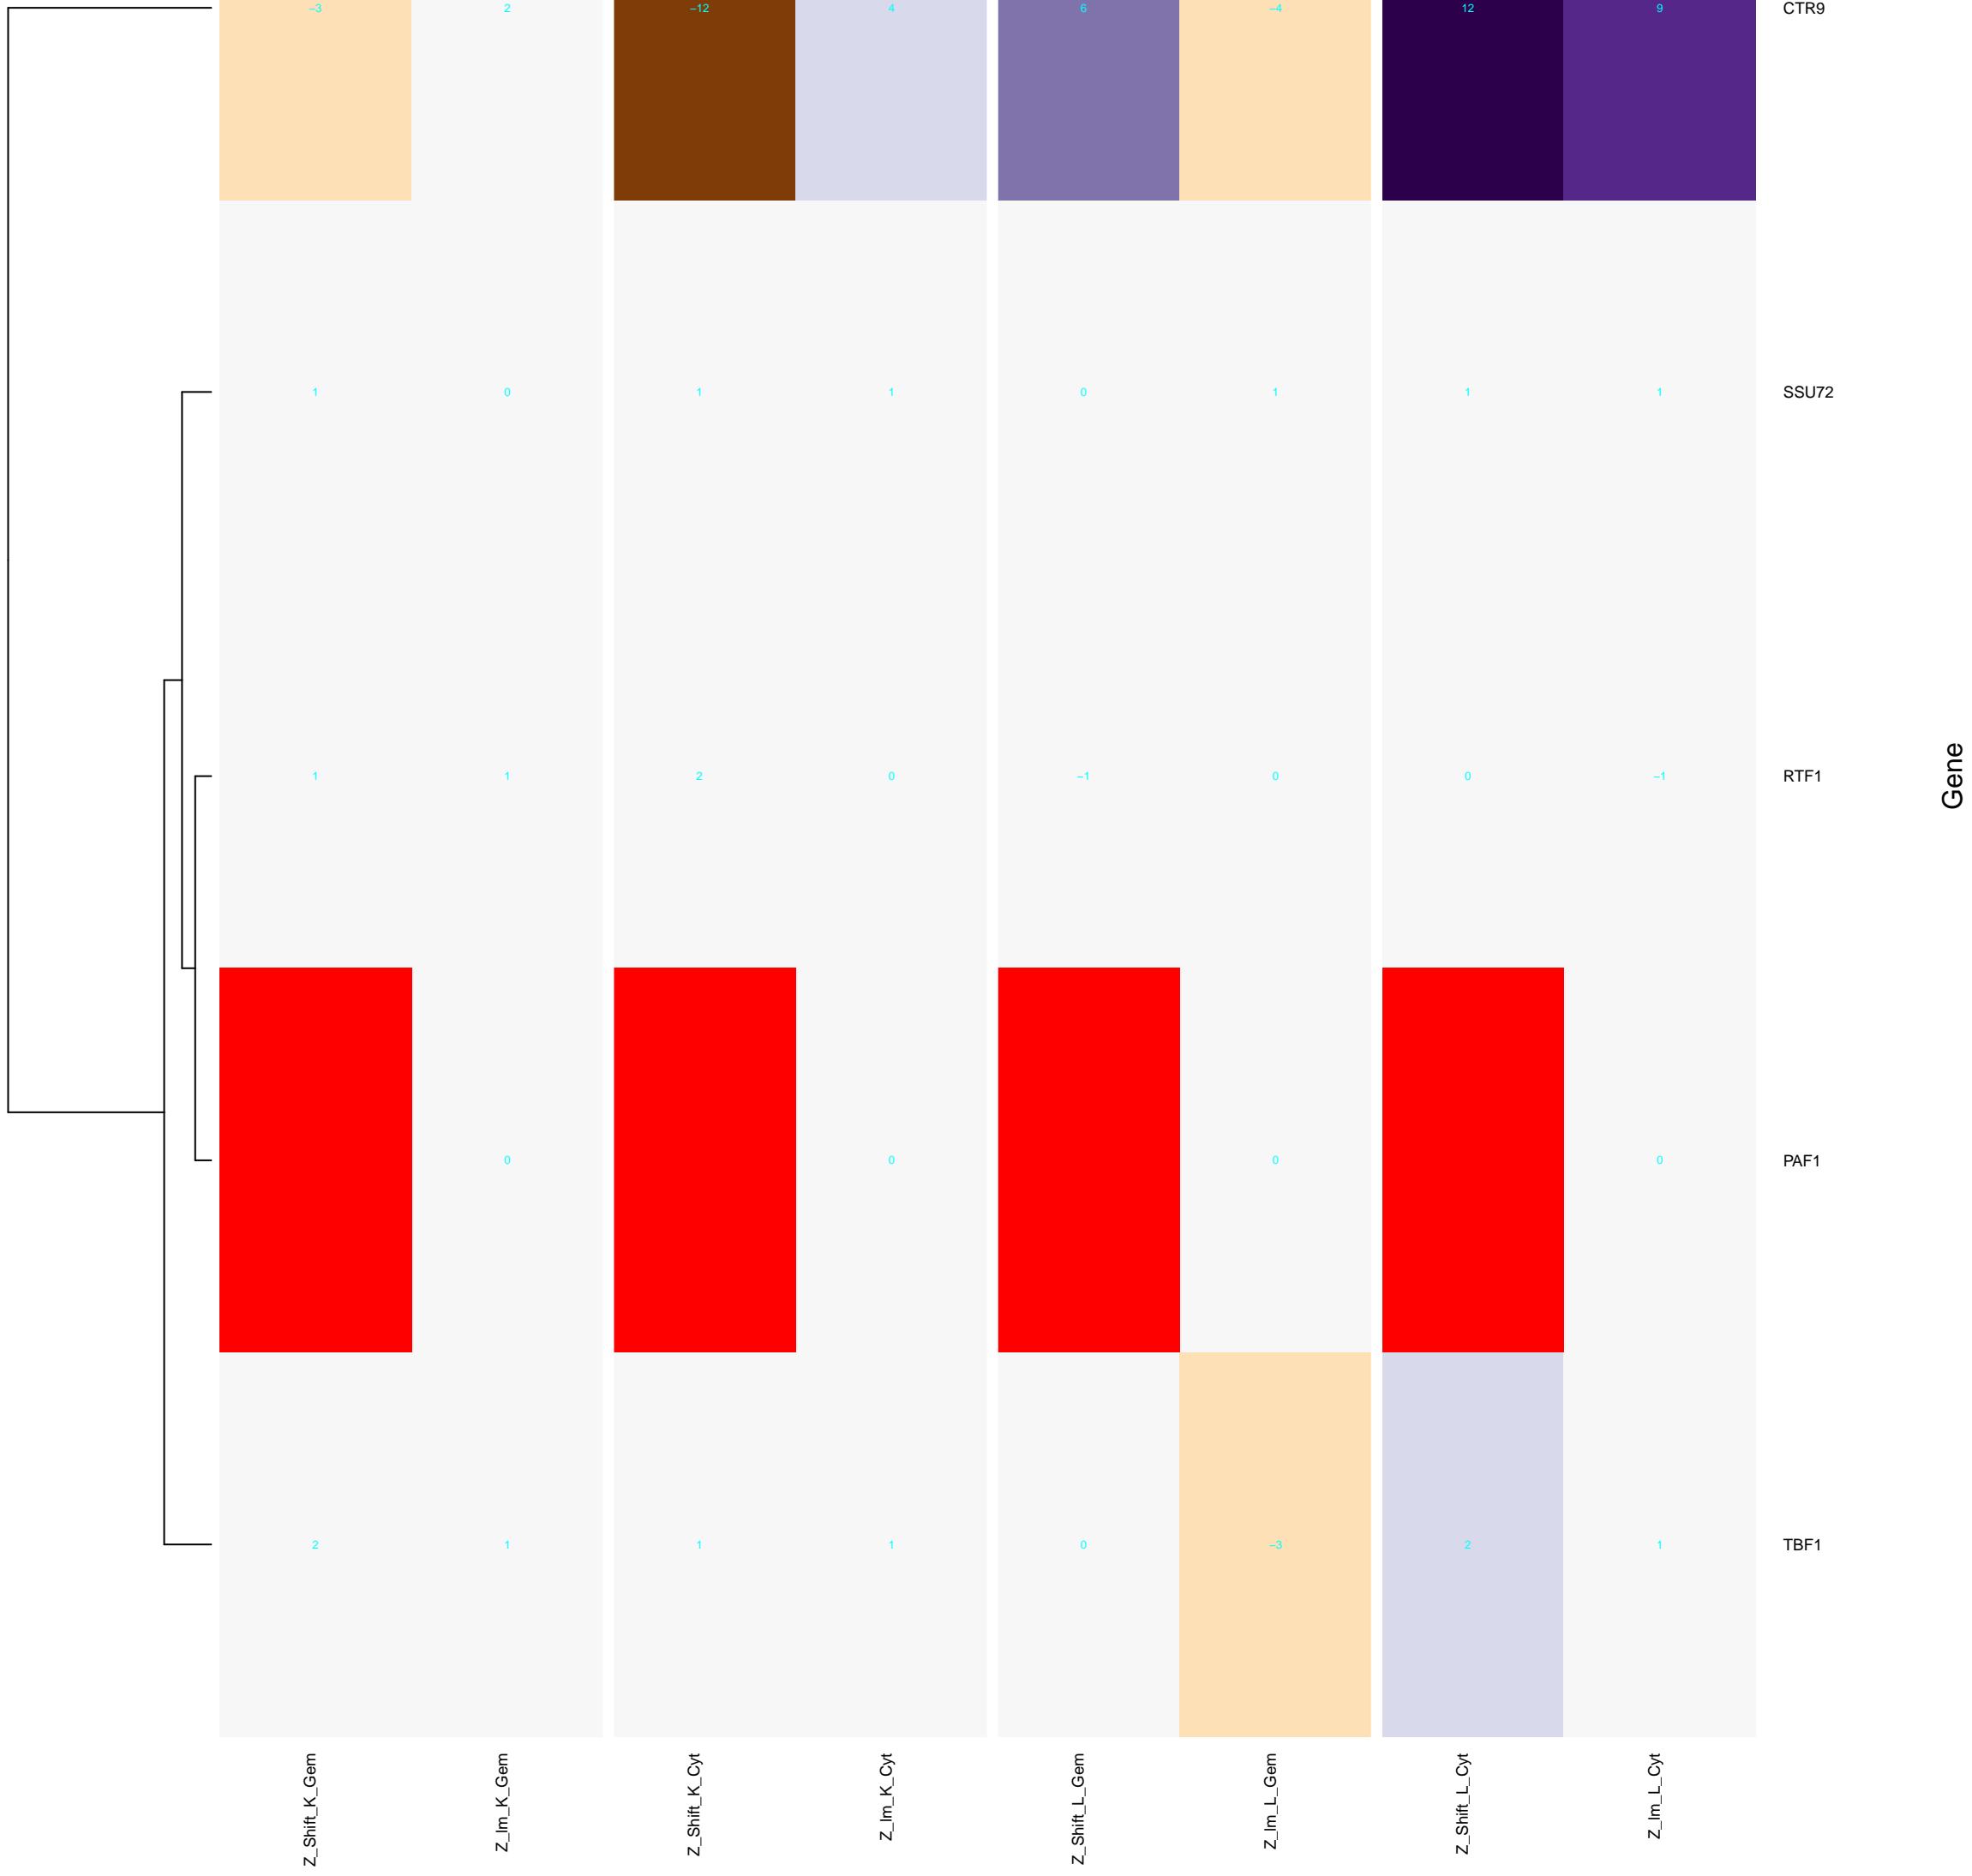

## snoRNA metabolic process

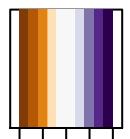

Color Key

## snoRNA transcription

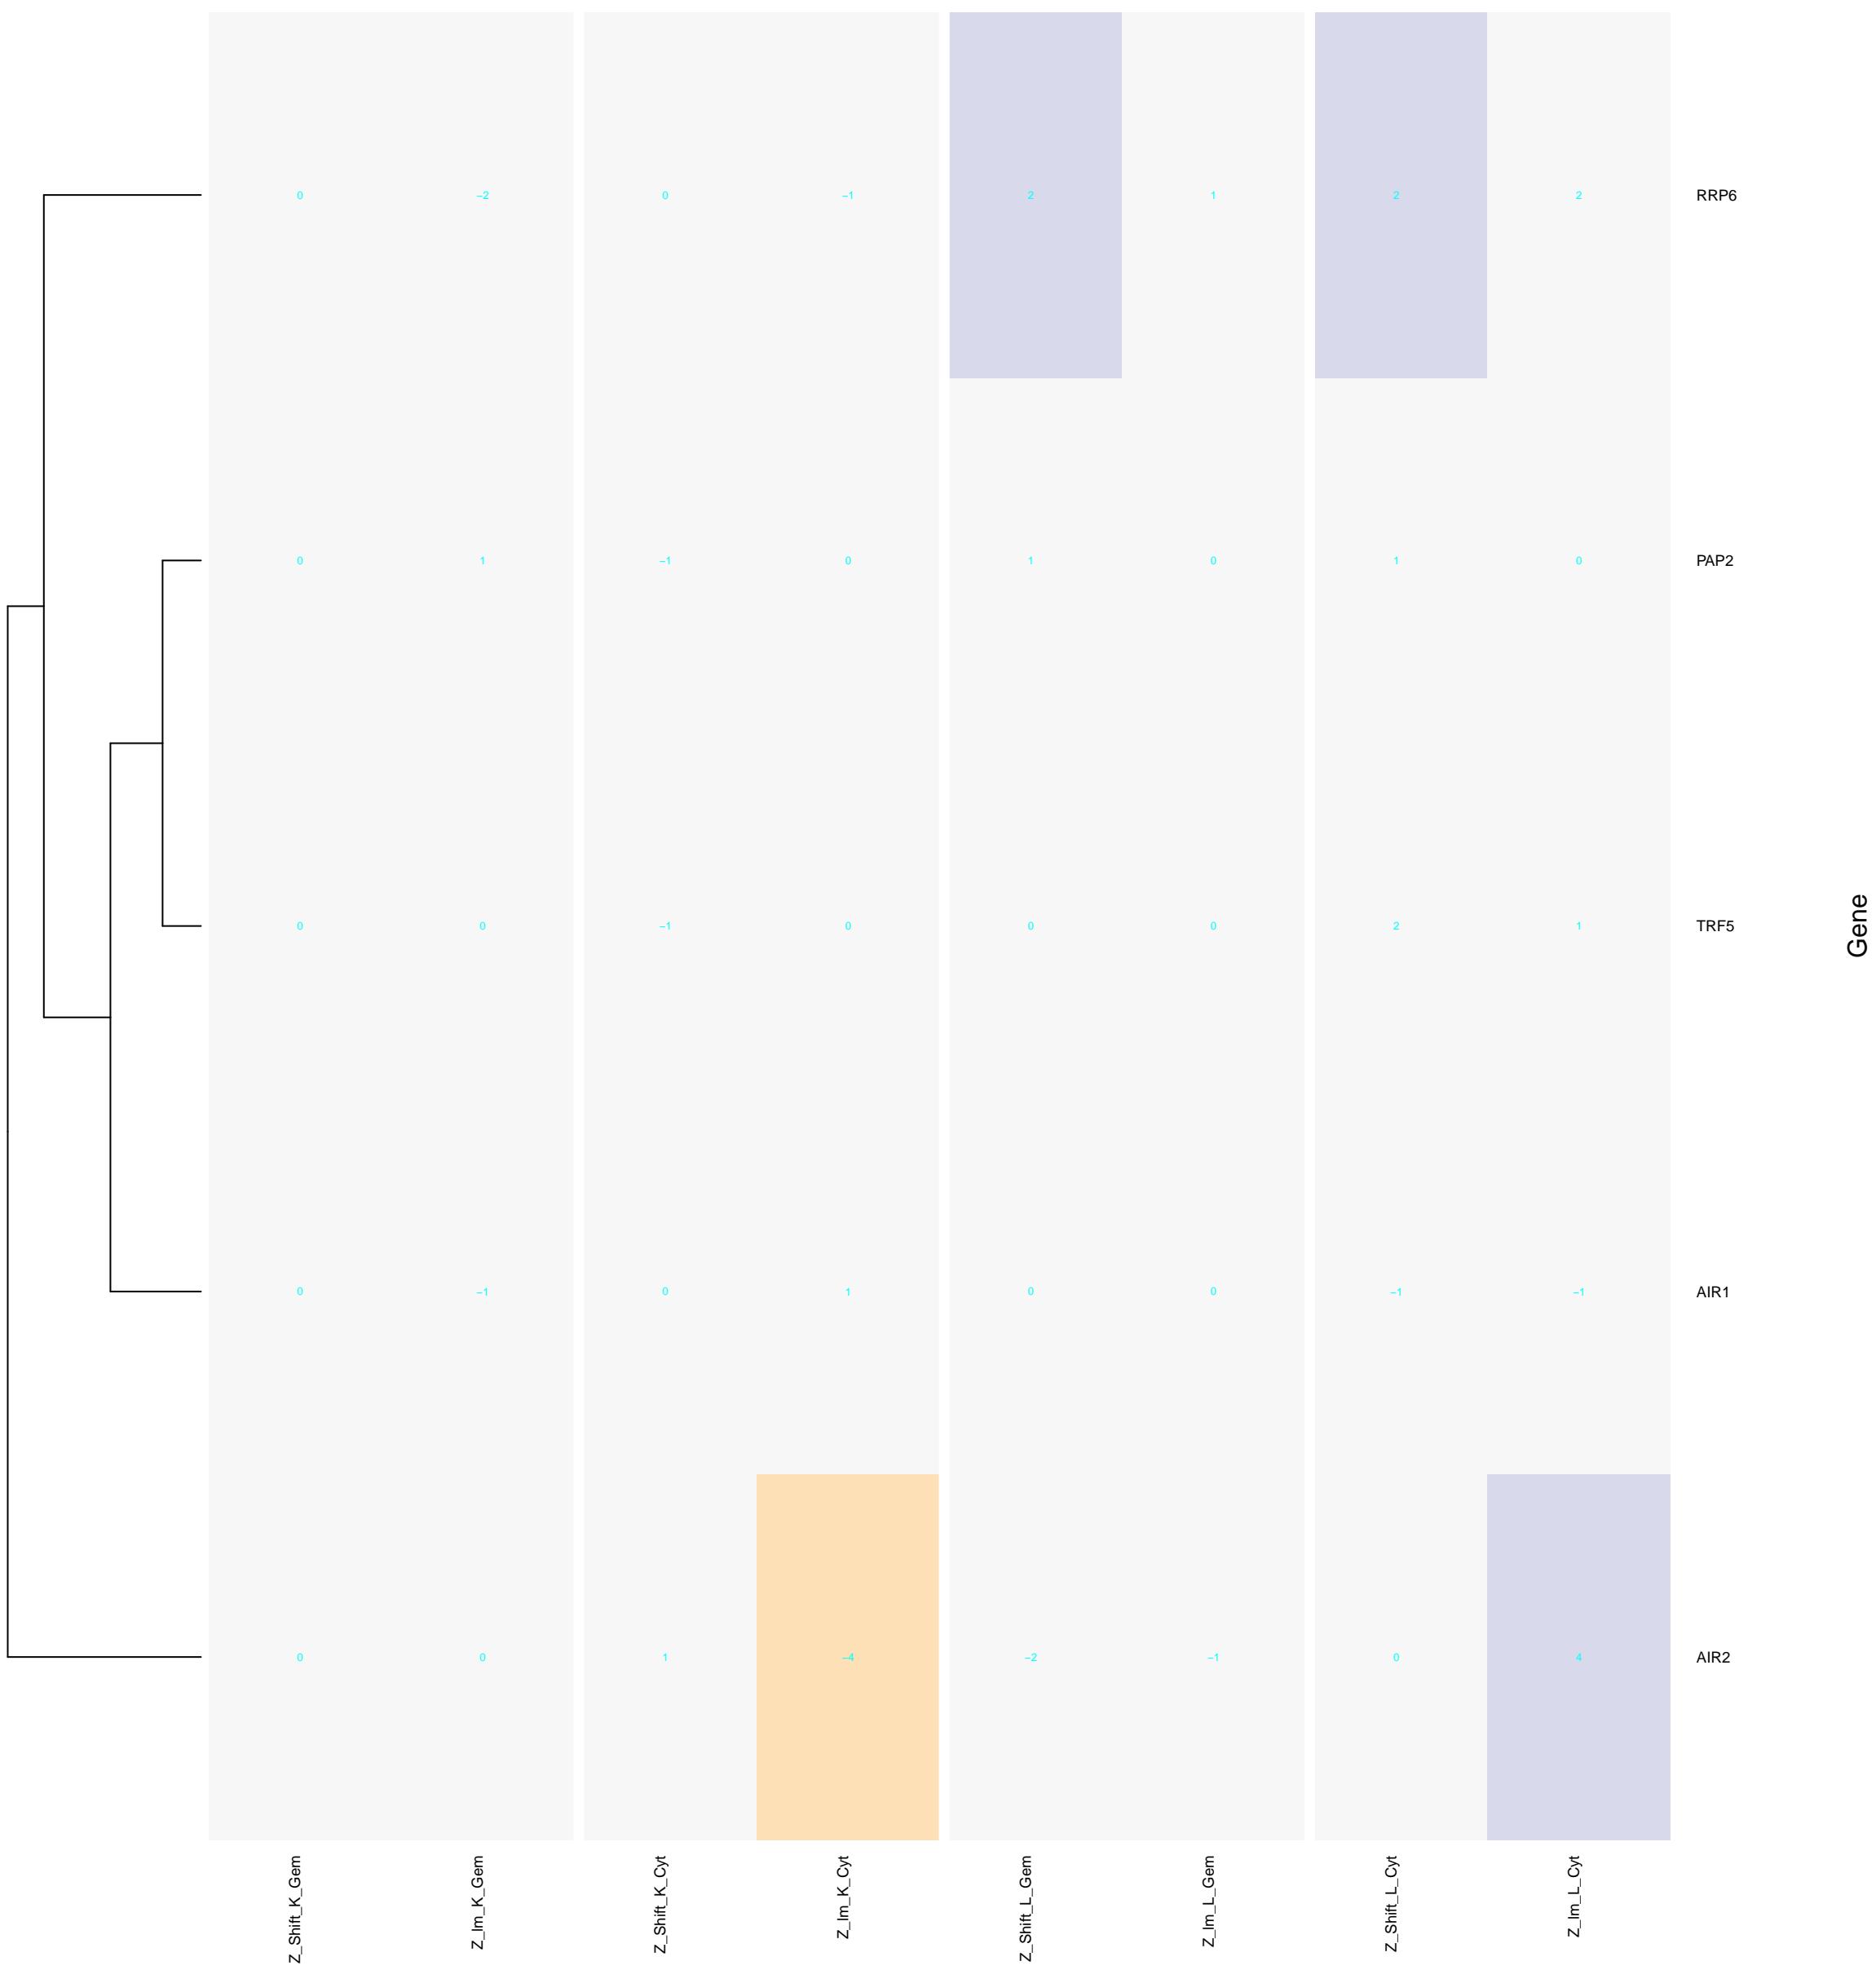

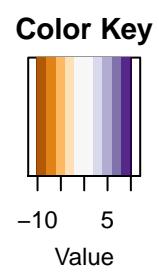

Color Key

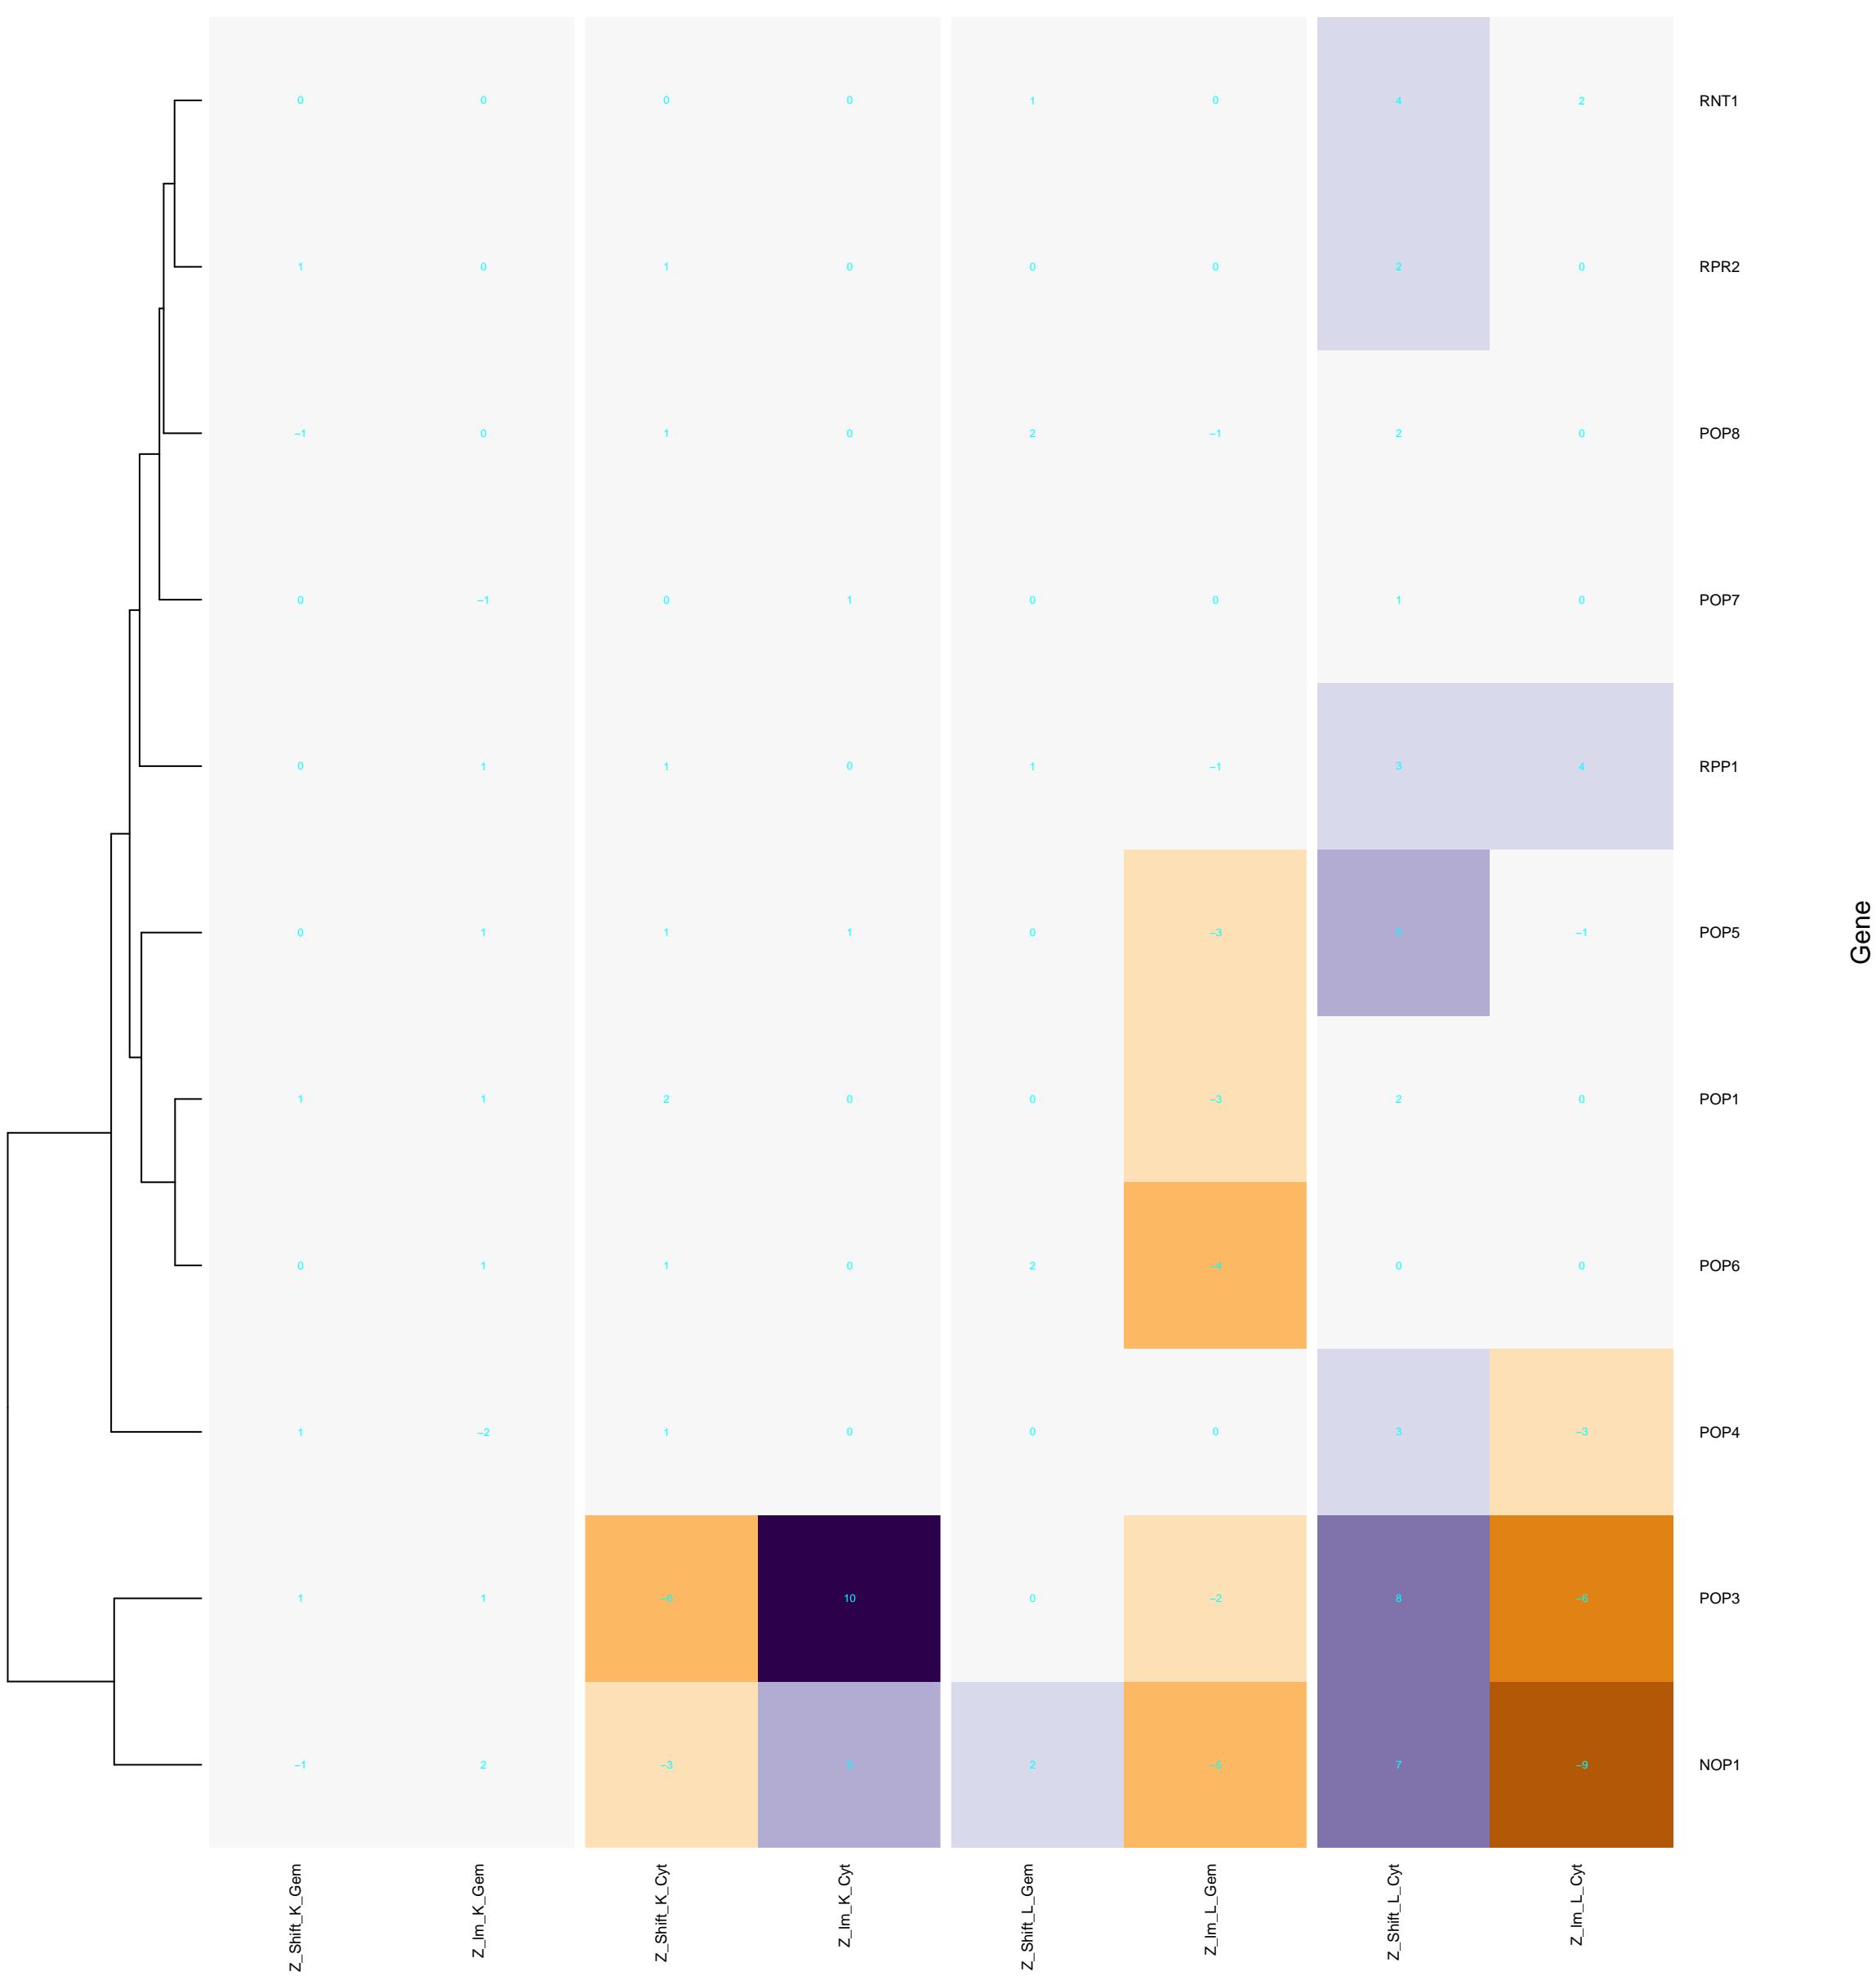

-10 5

Value

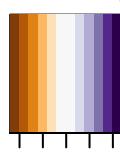

**snoRNA catabolic process**

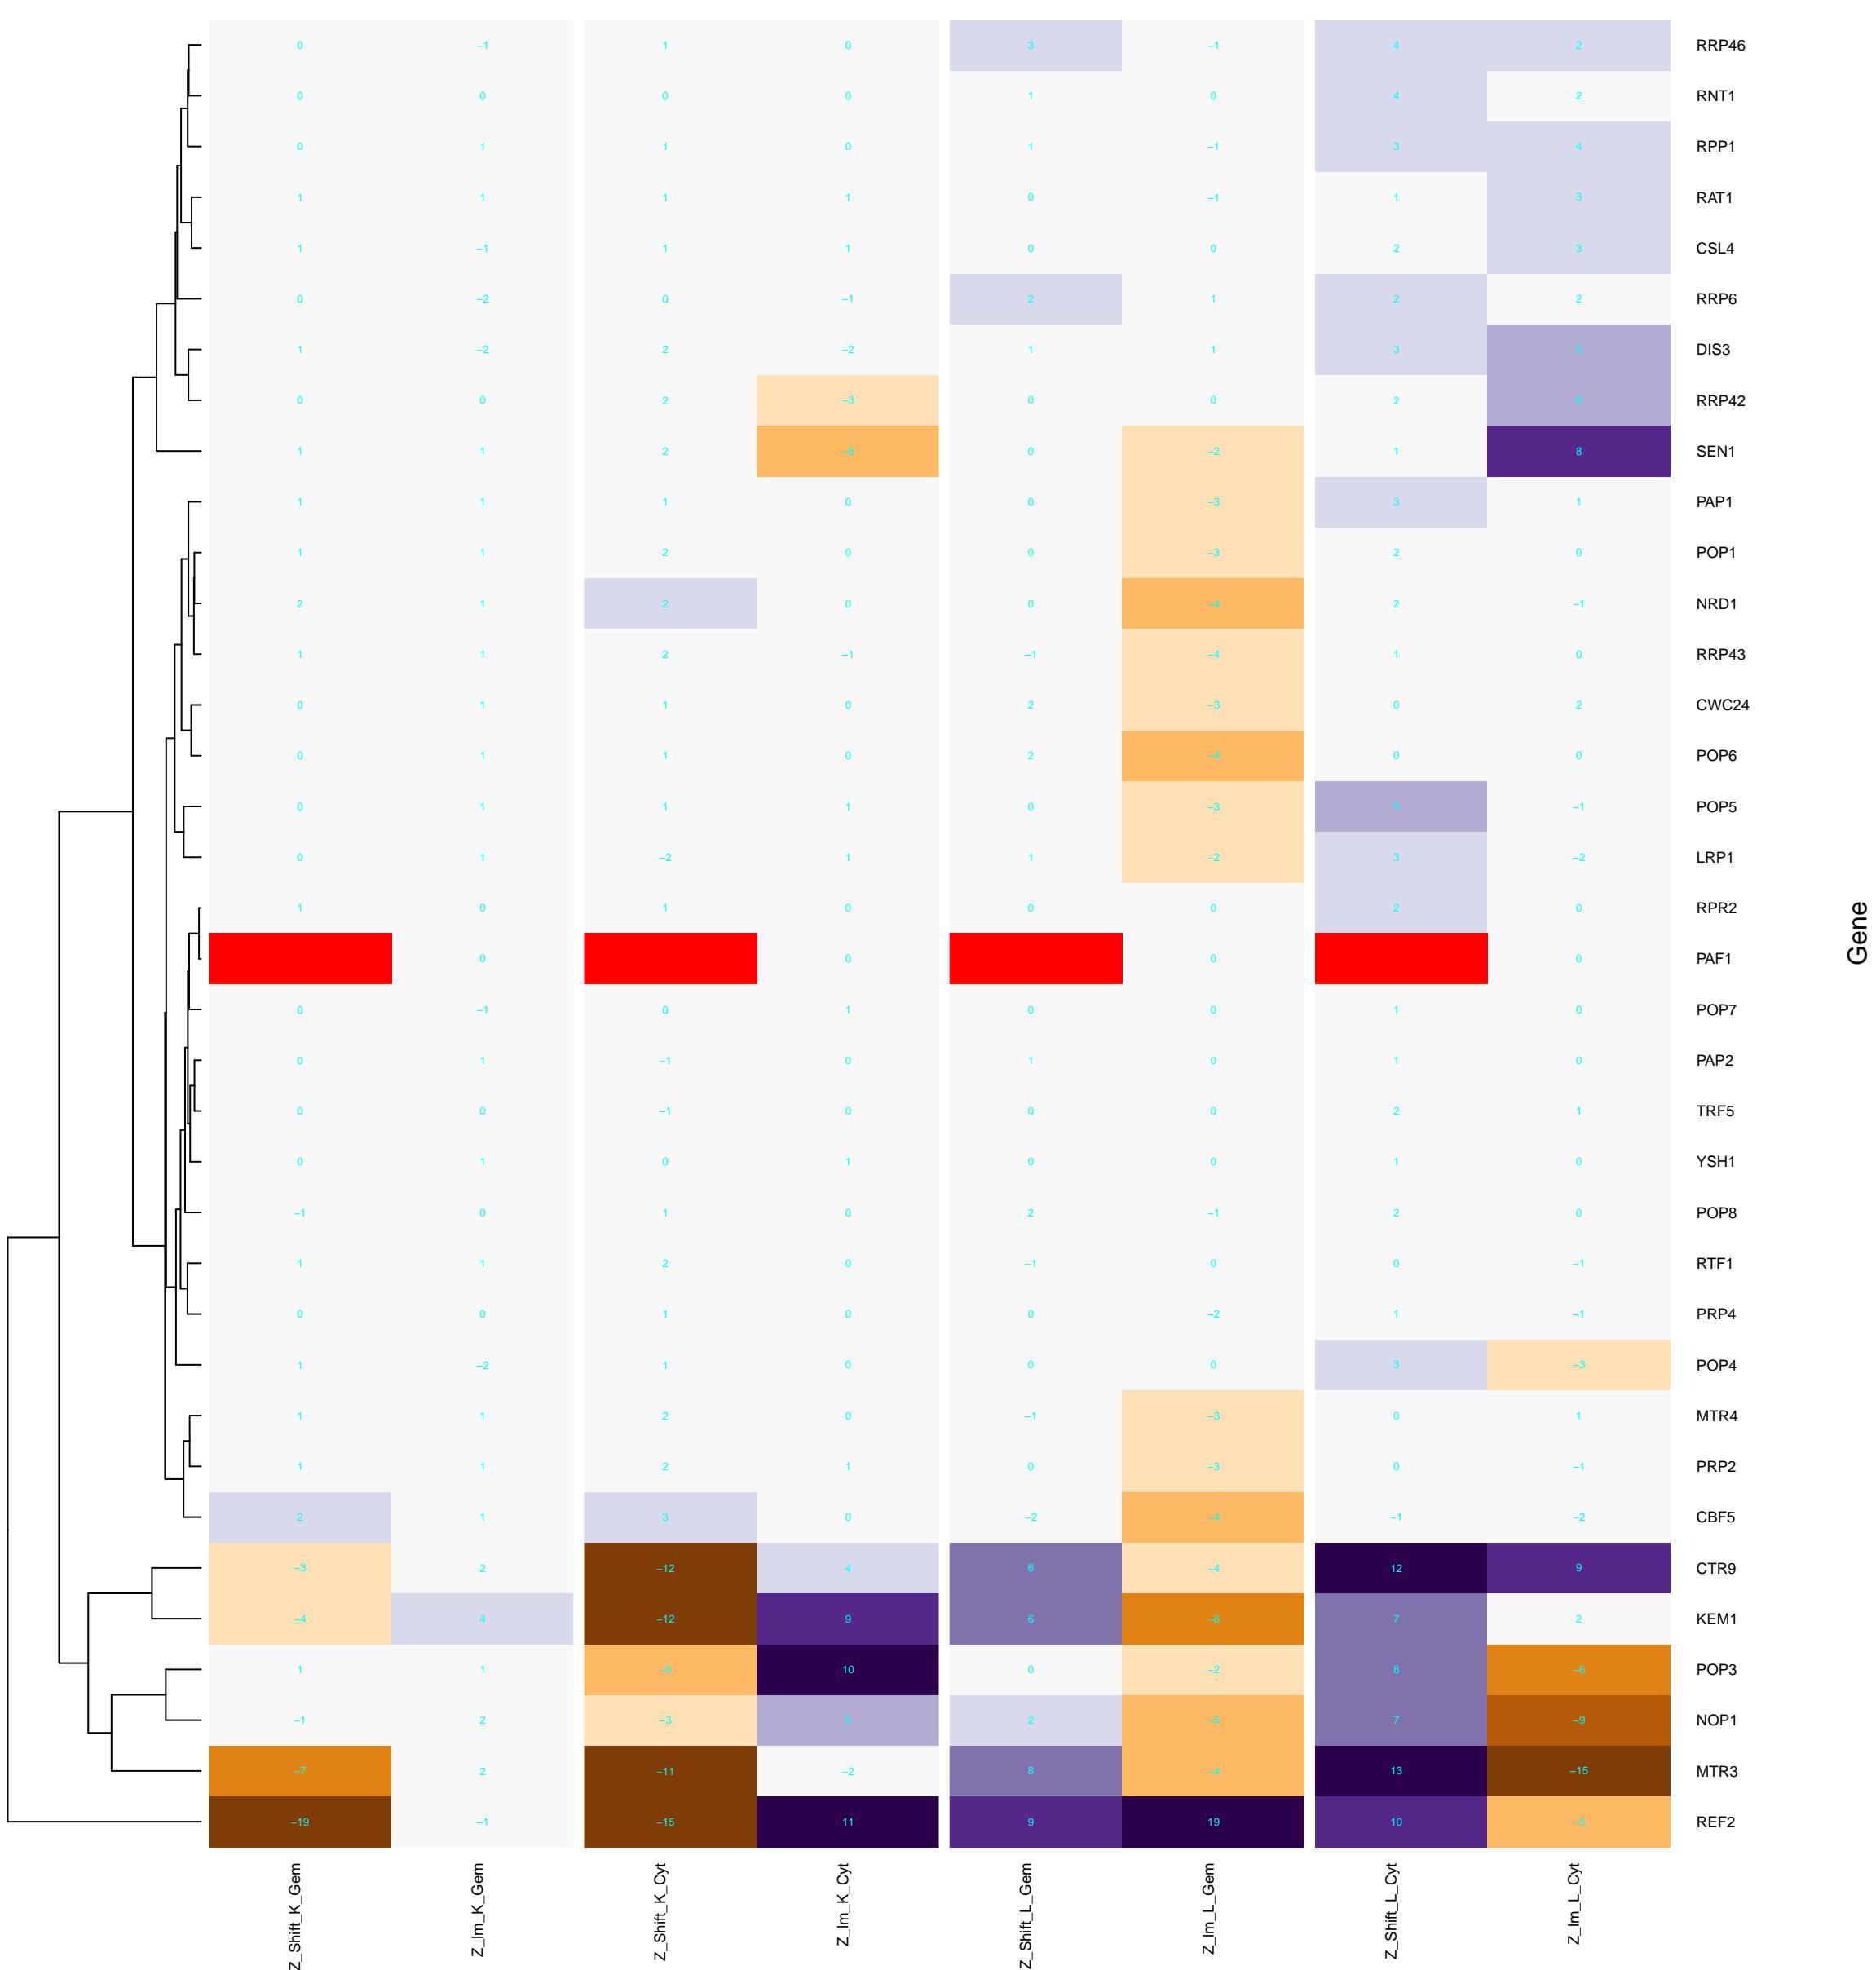

## box C/D snoRNA metabolic process

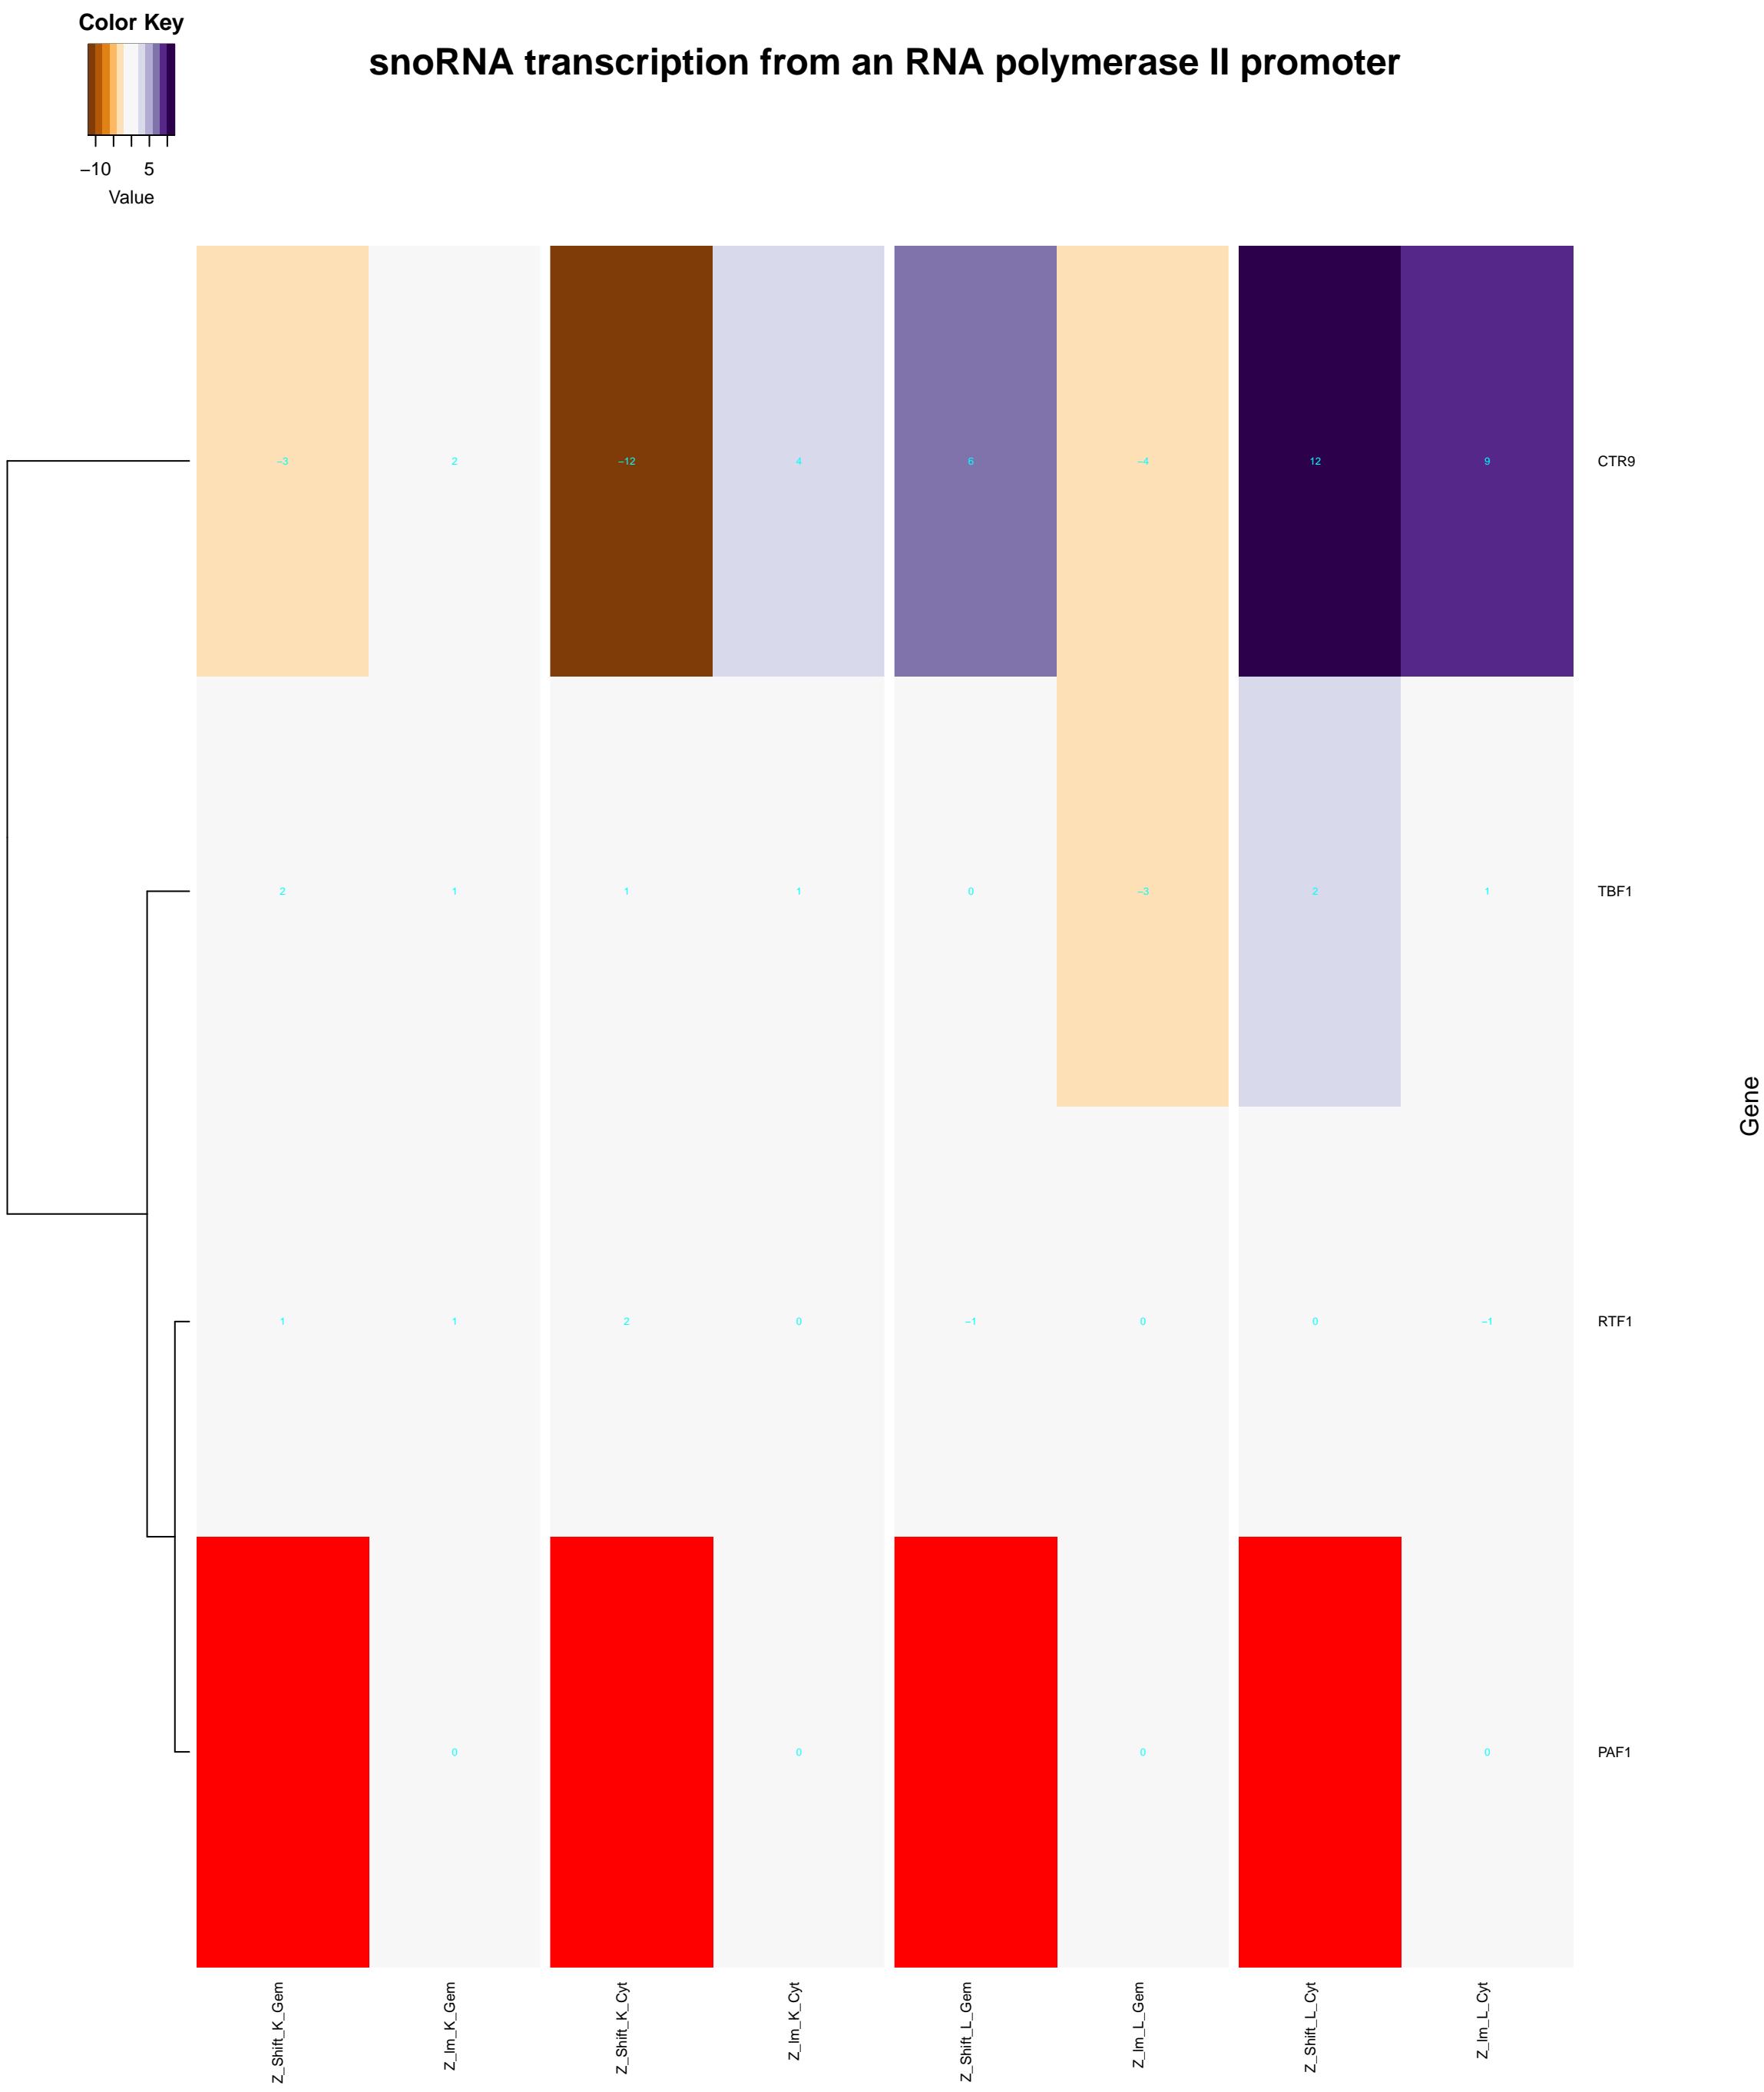

## Color Key

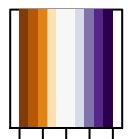

## snoRNA processing

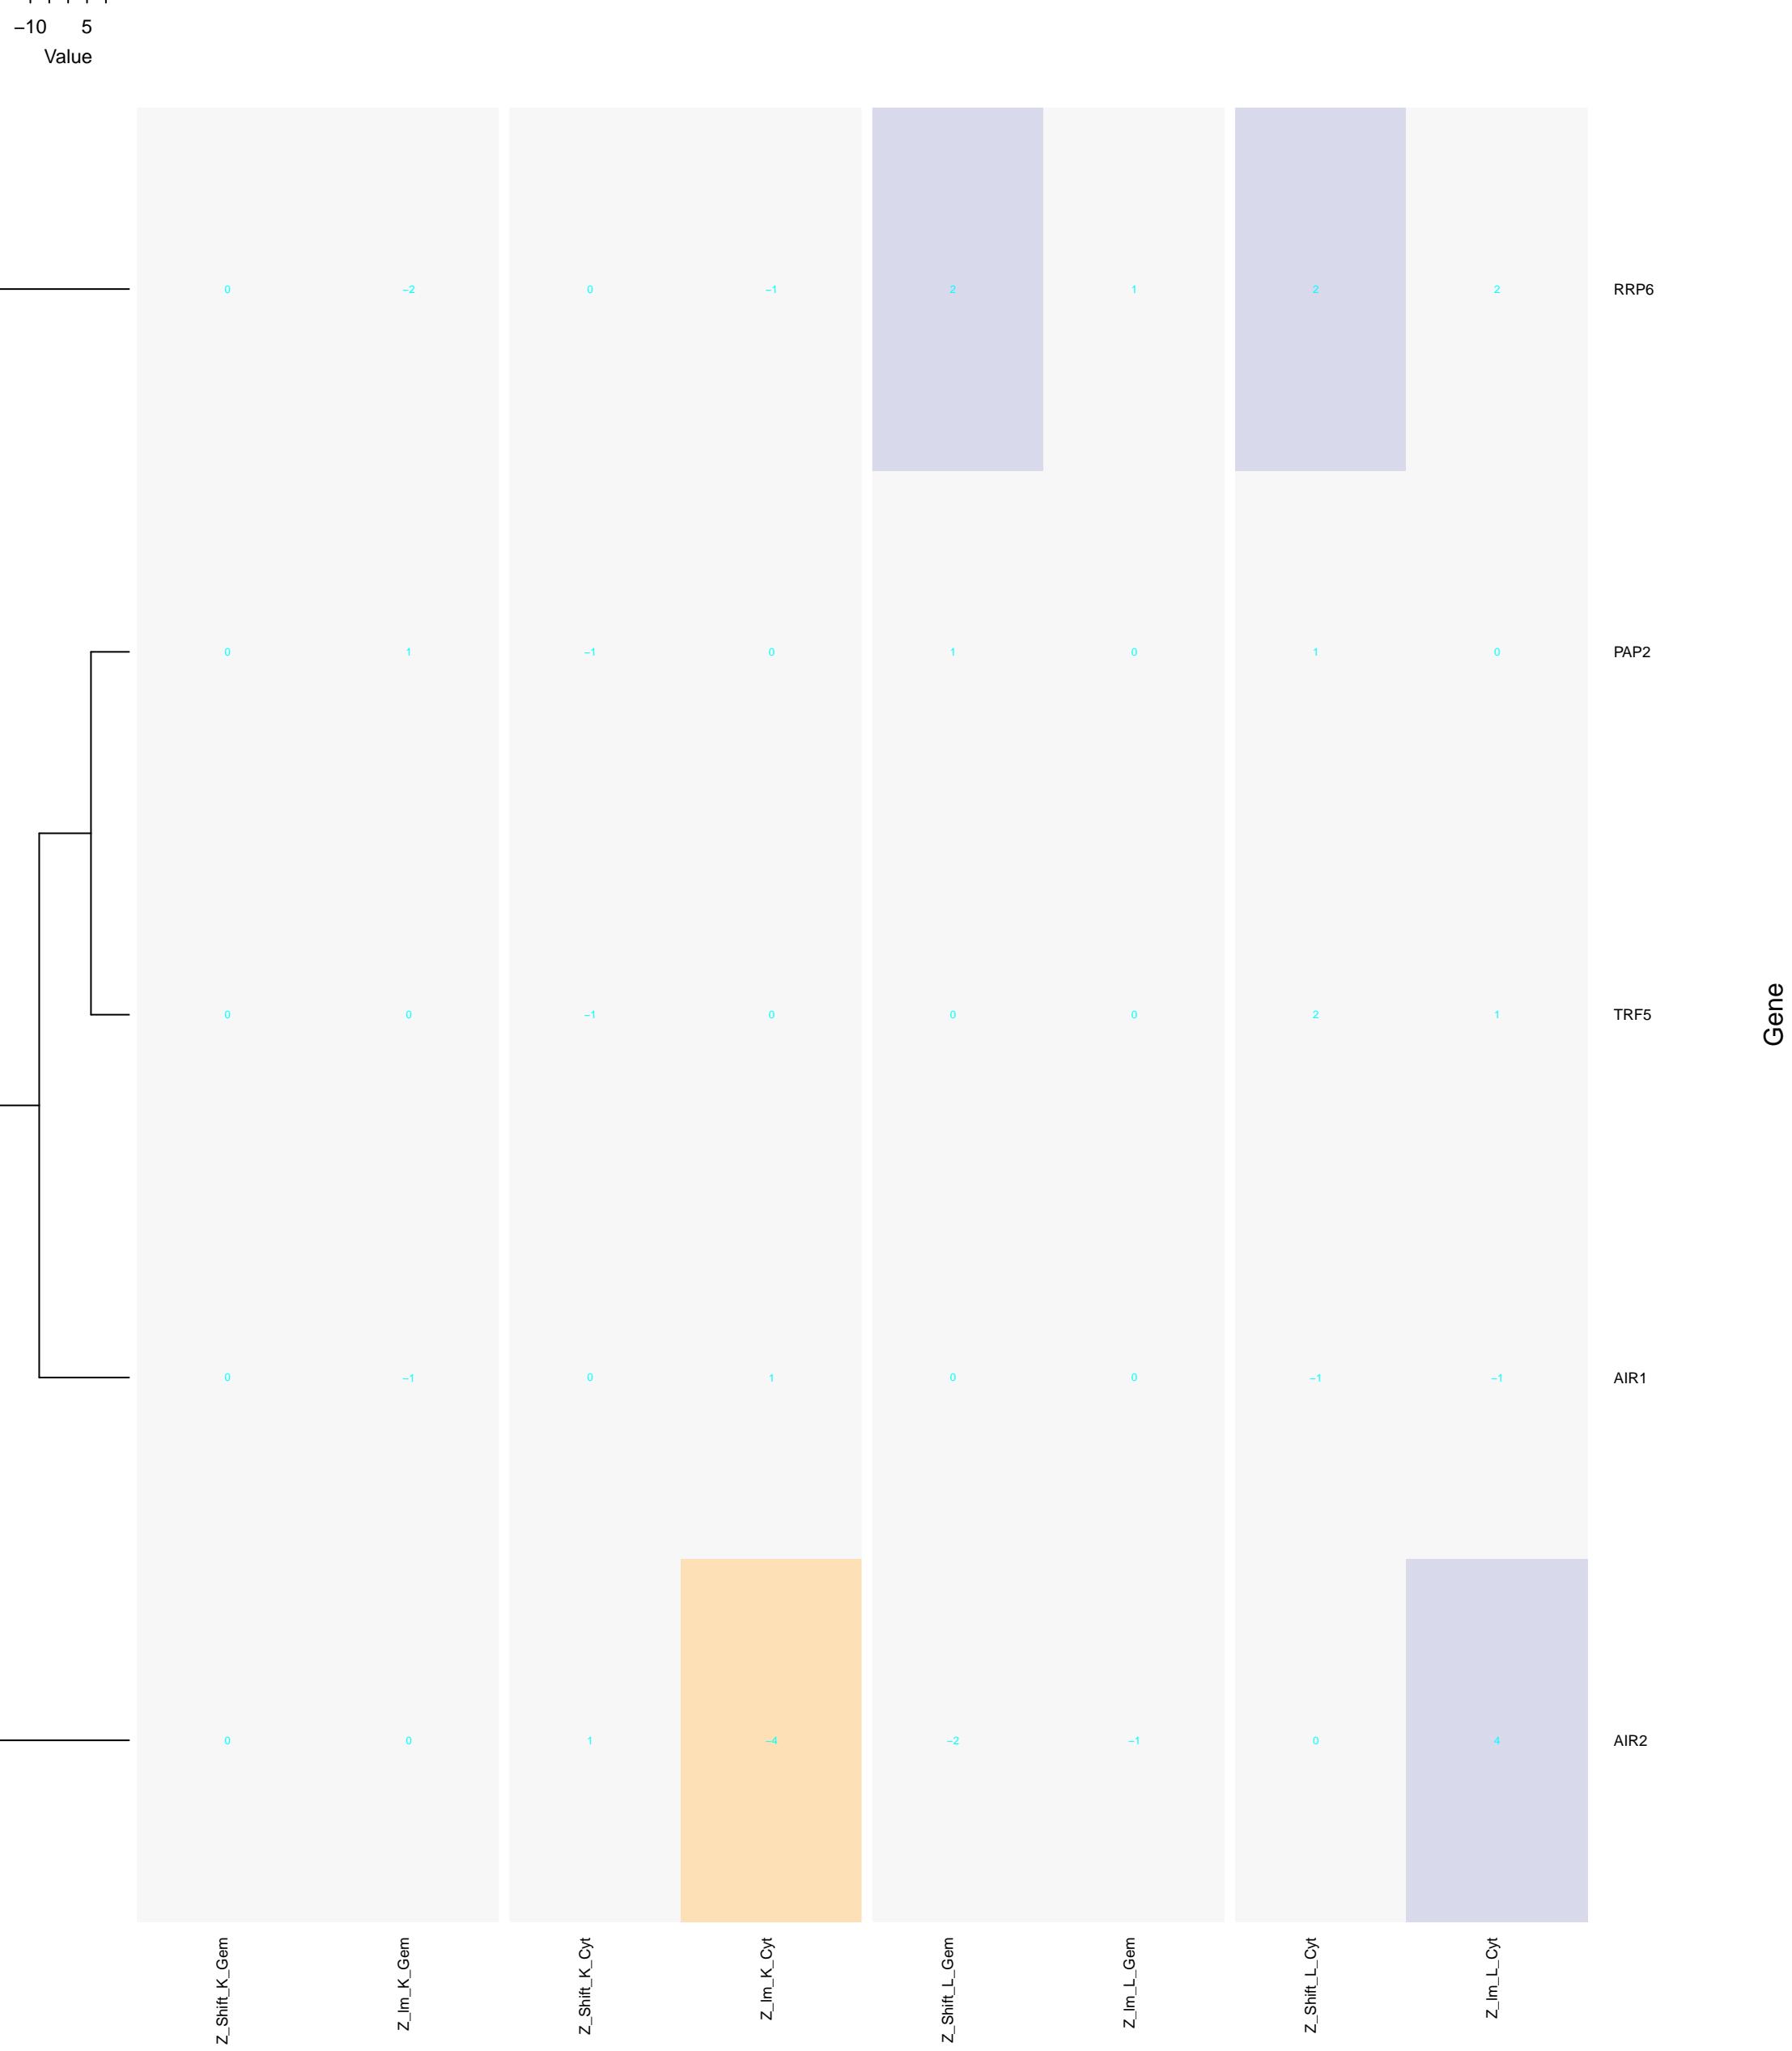

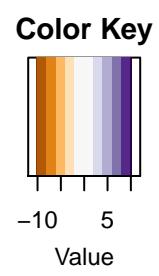

Color Key

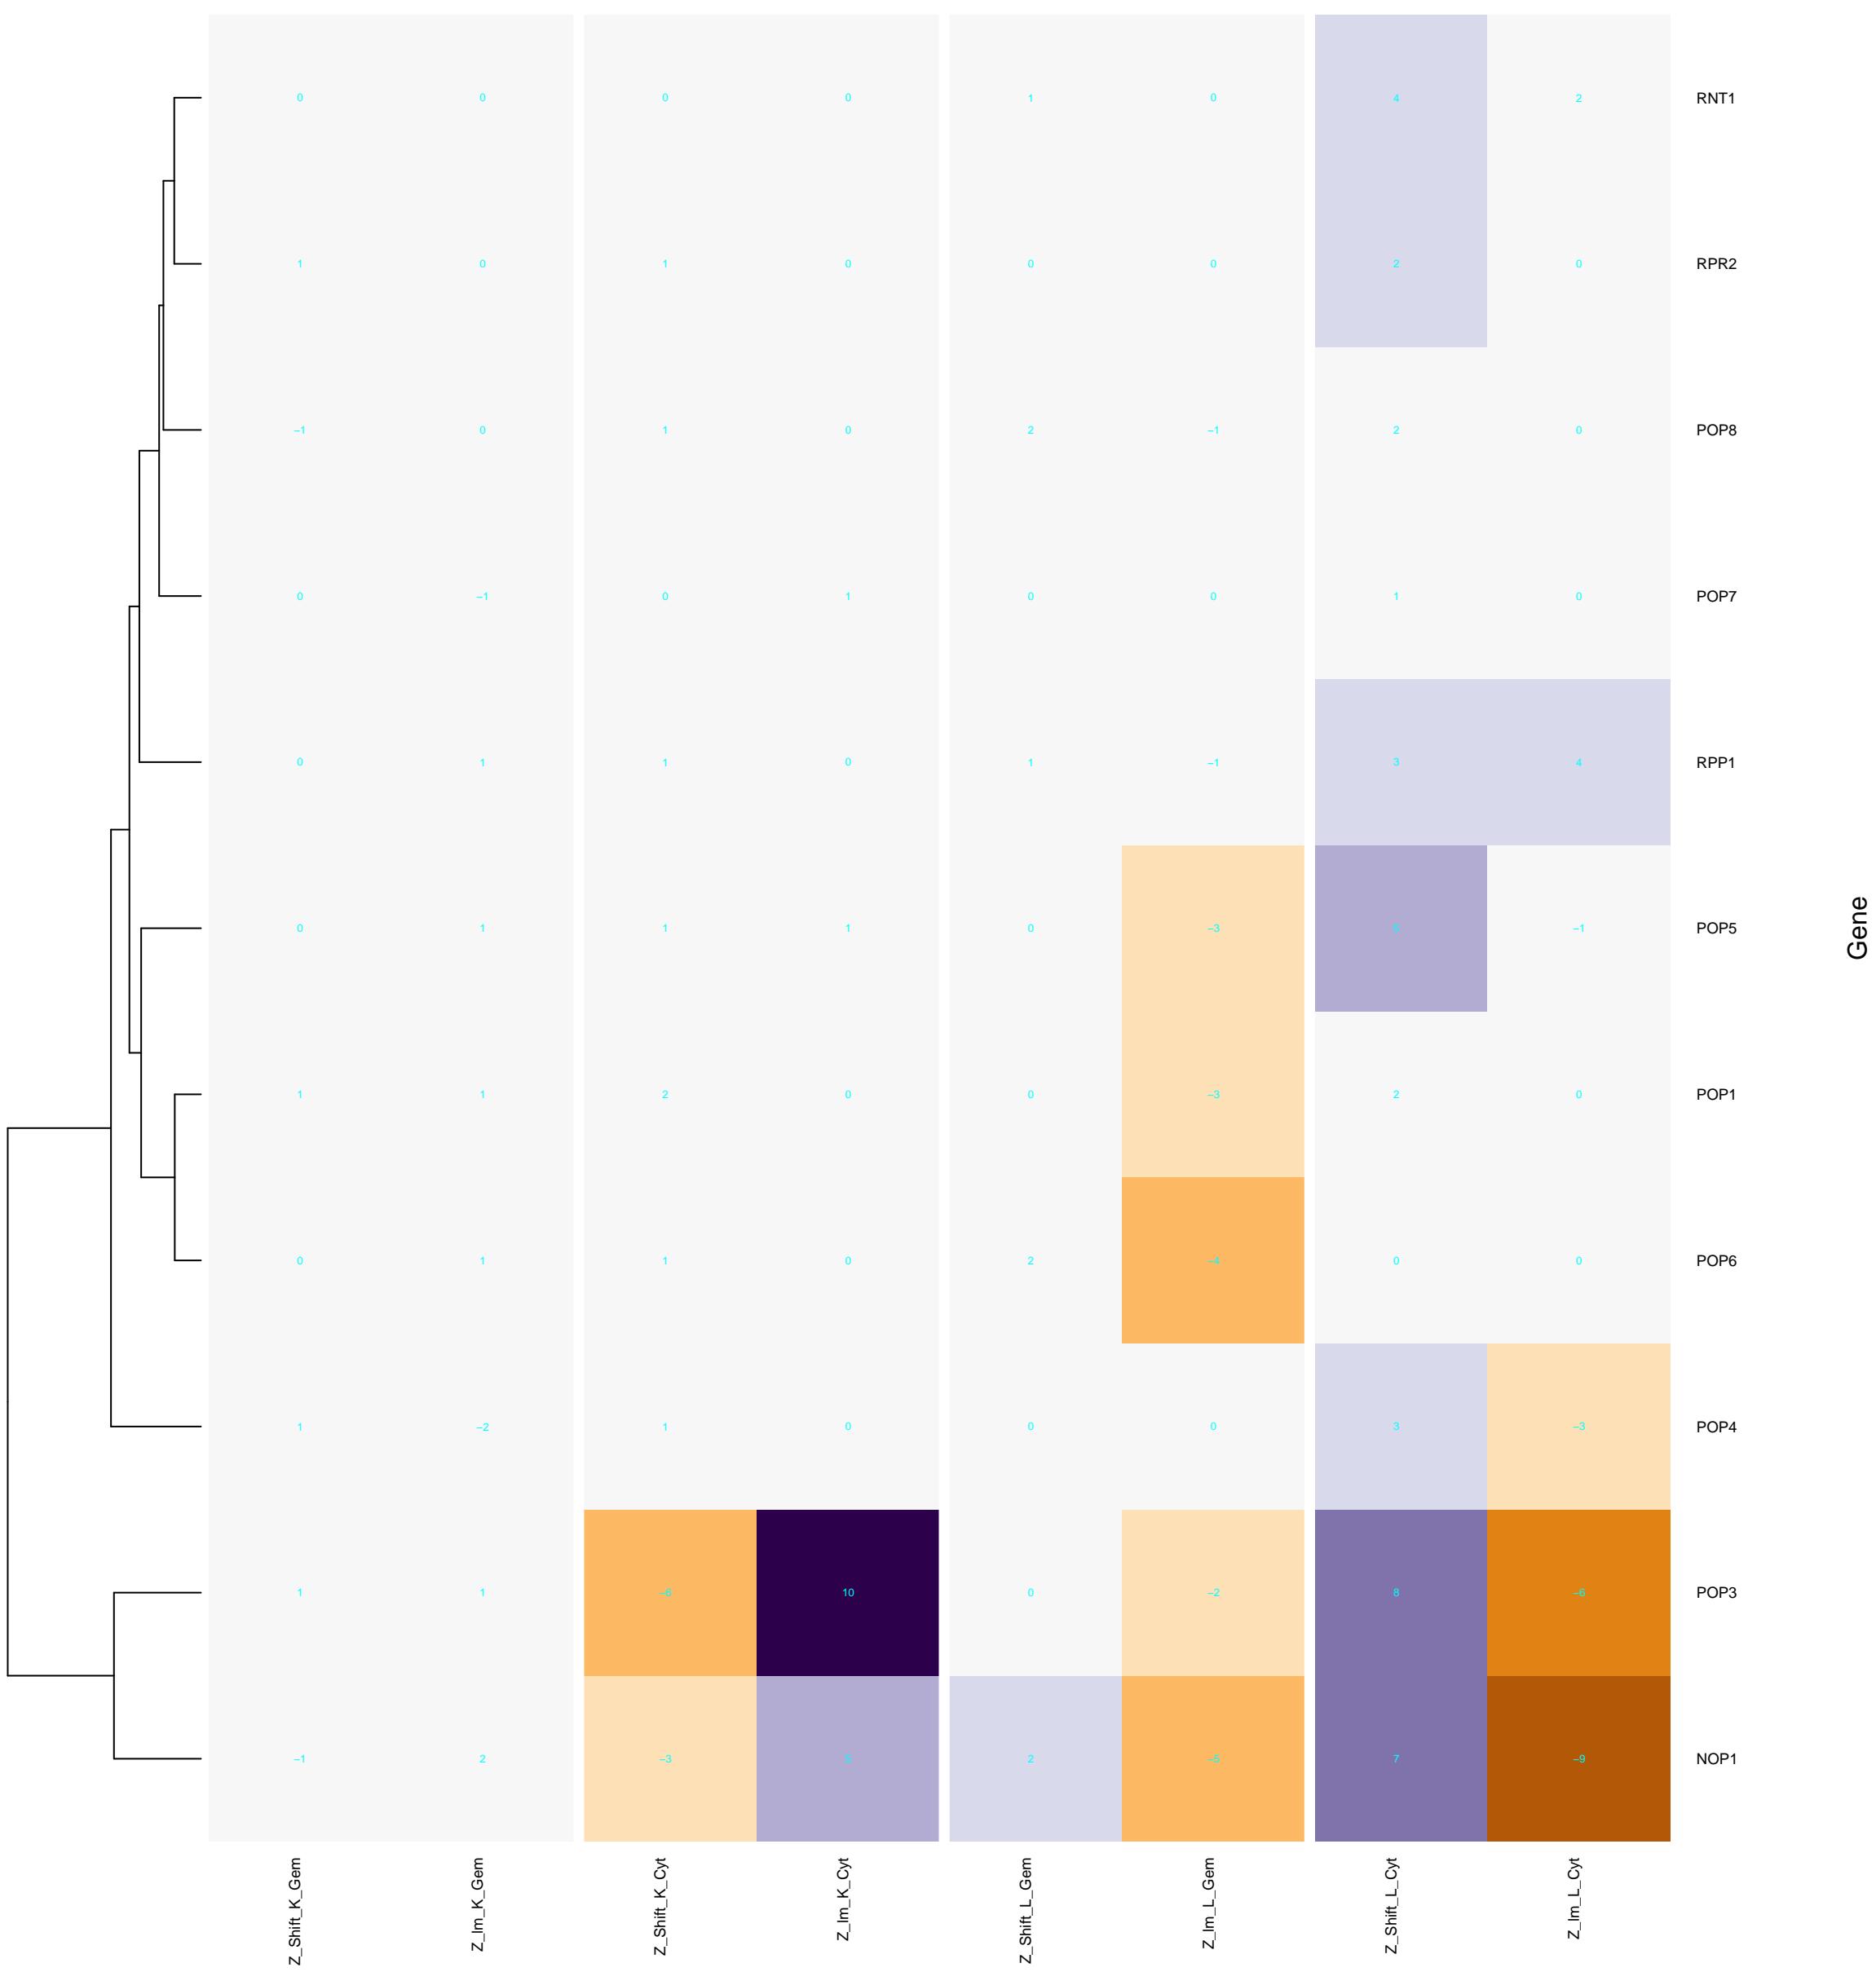

# nuclear polyadenylation-dependent snoRNA catabolic process

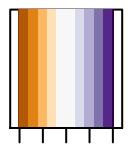

## box C/D snoRNA processing

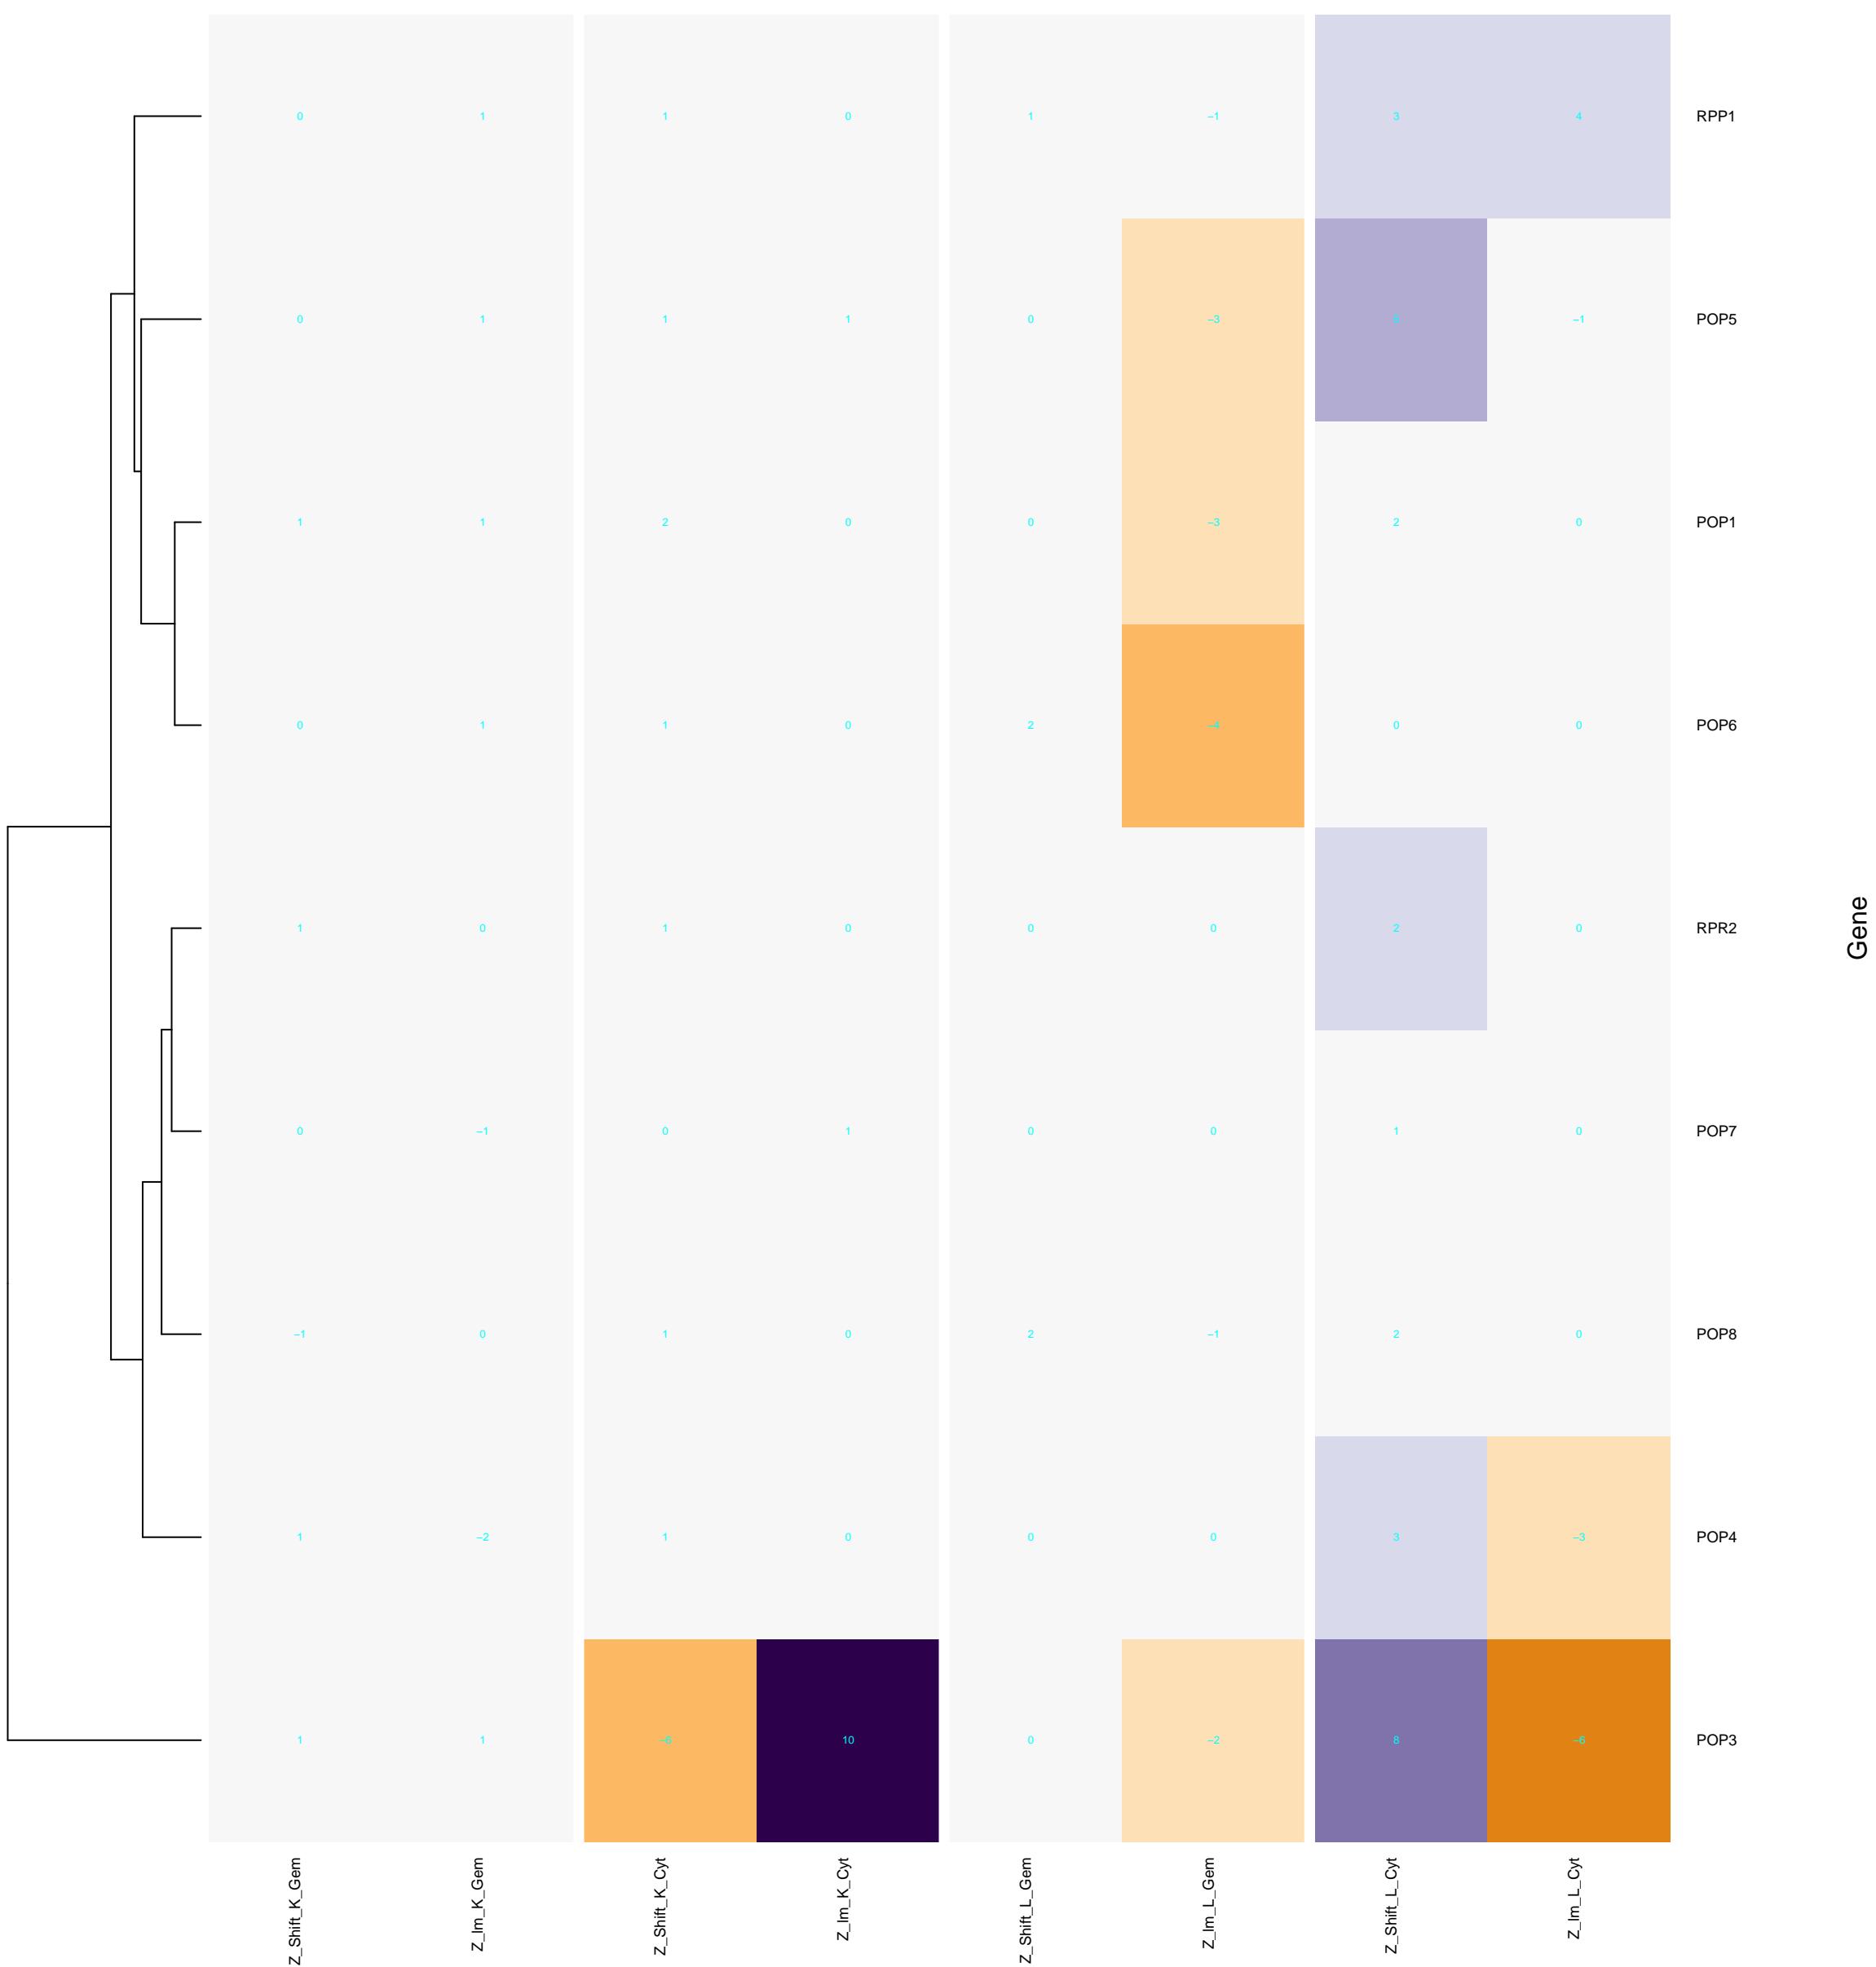

Color Key

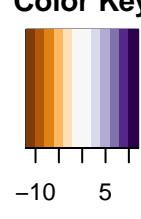

-10 5  
Value

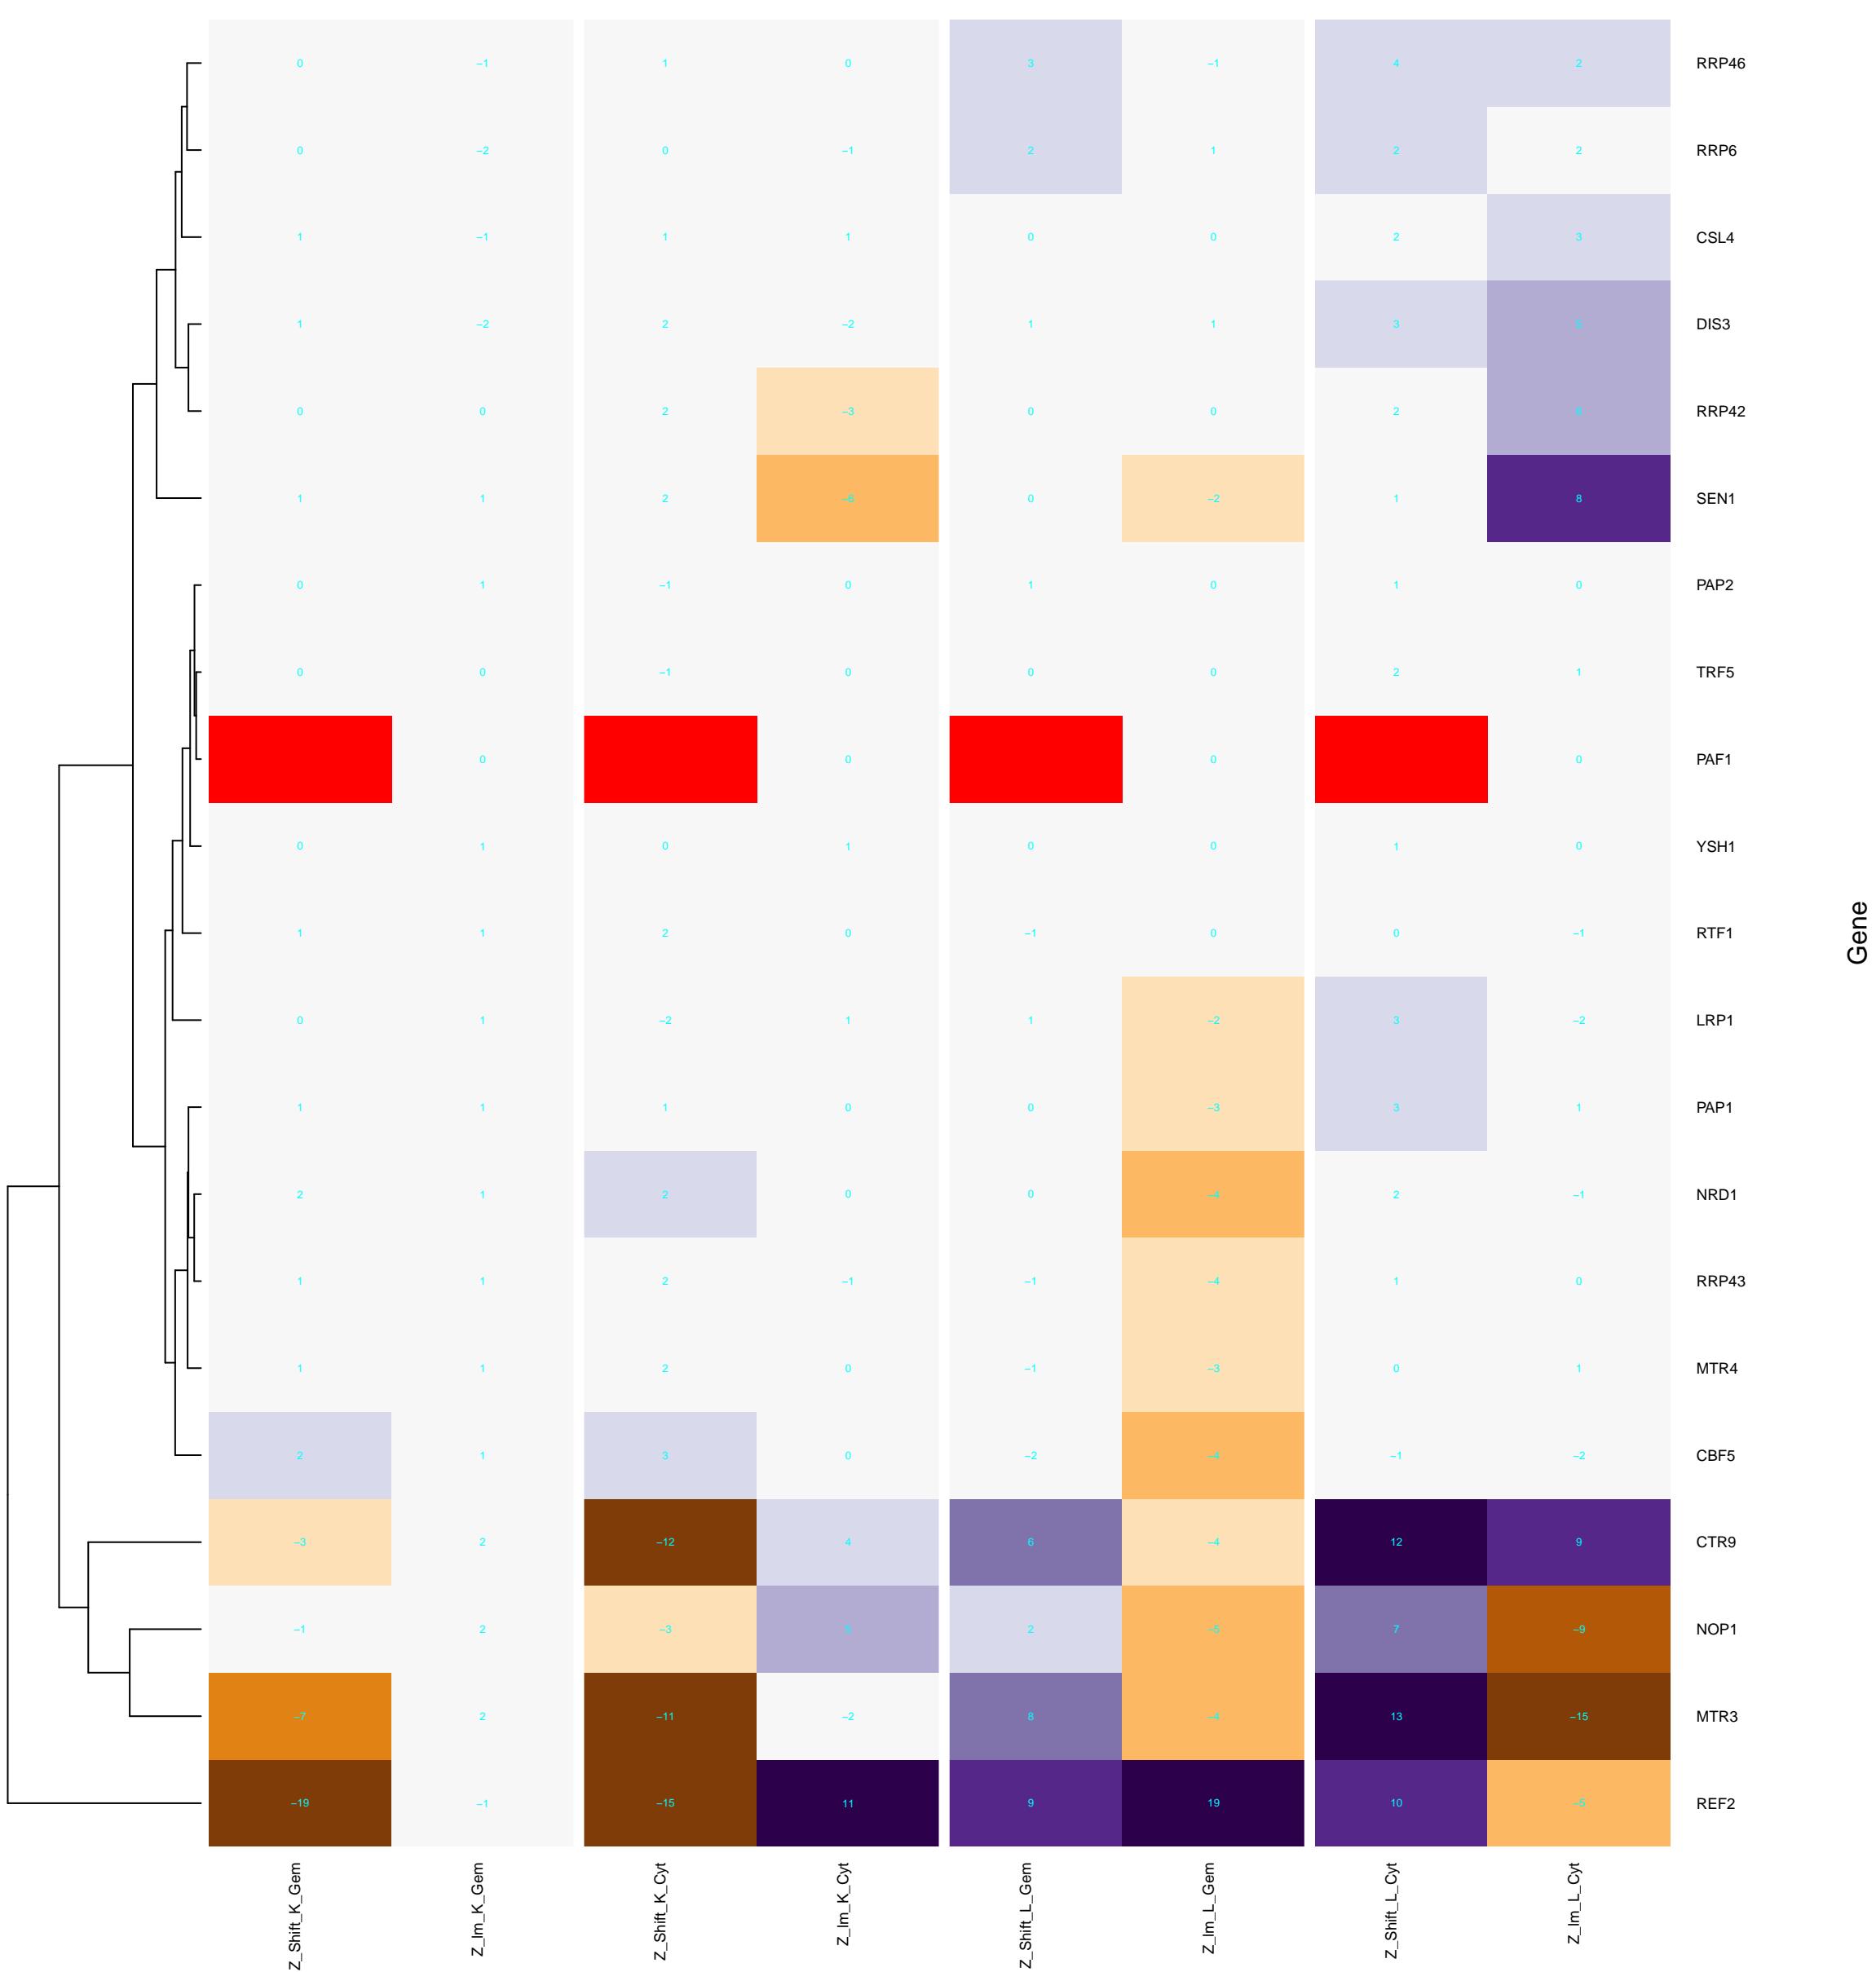

## intronic snoRNA processing

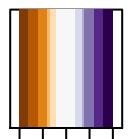

## Color Key

## snoRNA 3'-end processing

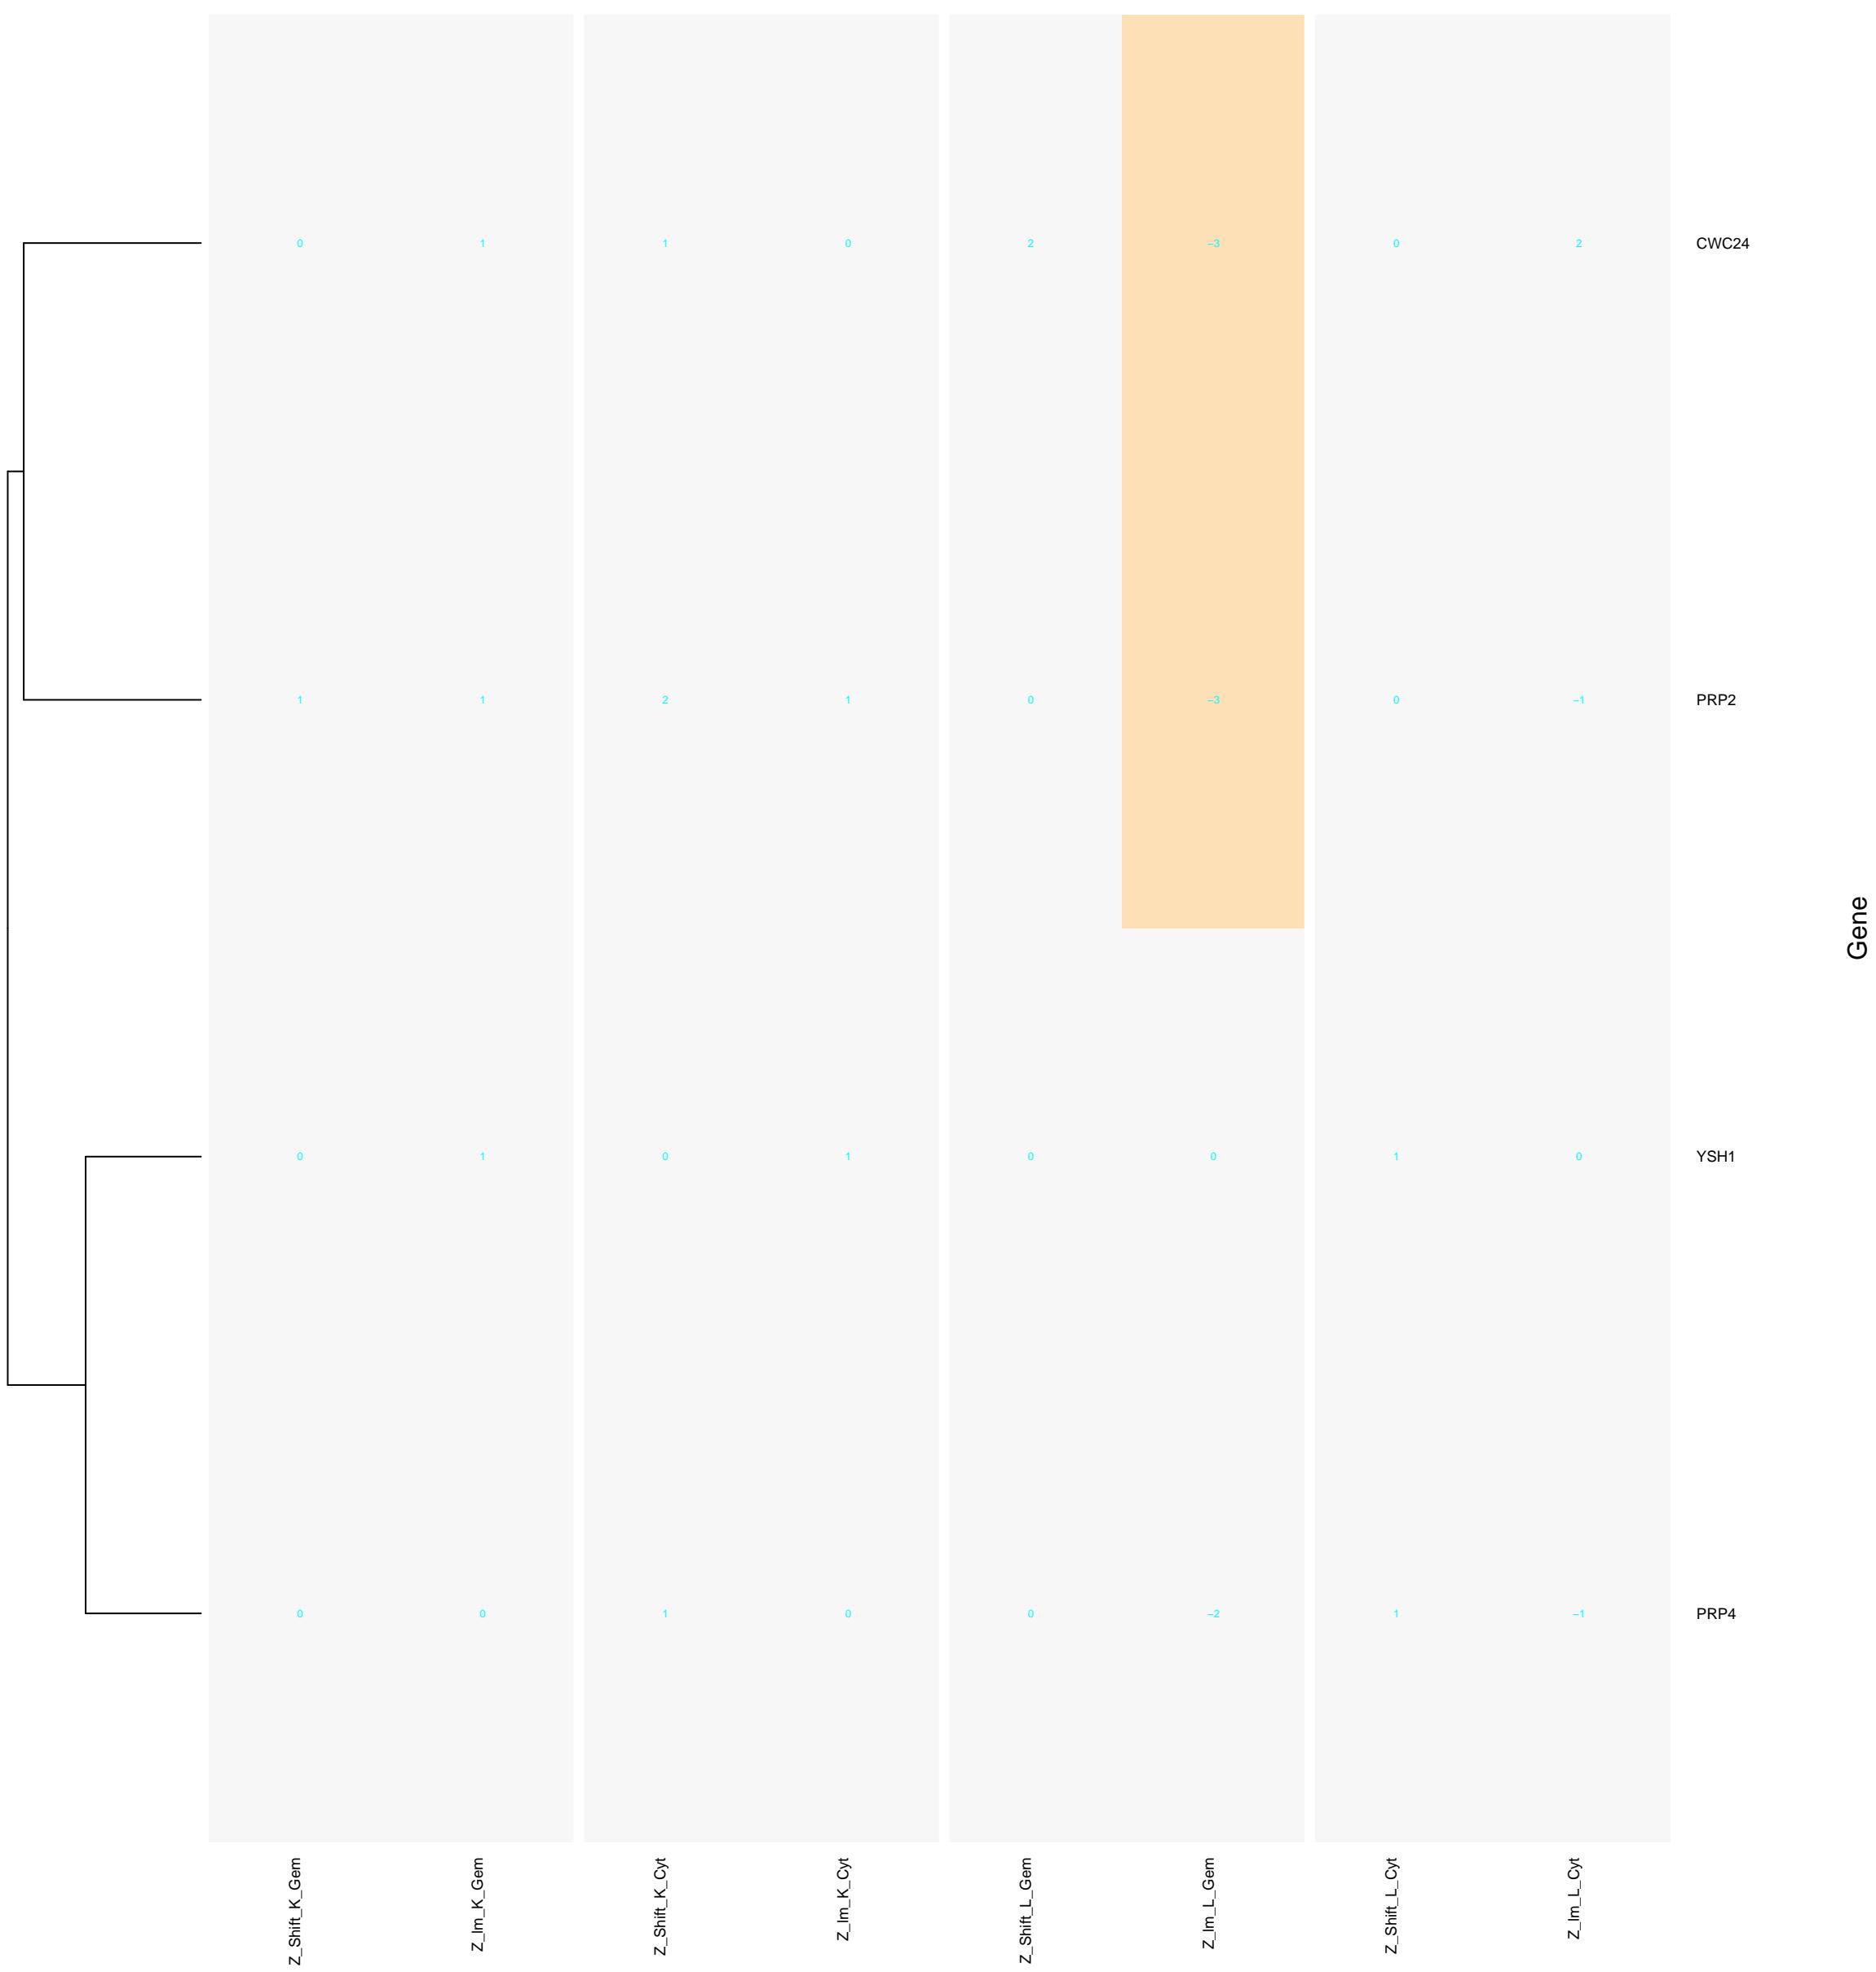

Color Key

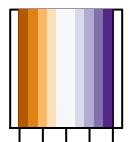

-10 5

Value

## snoRNA splicing

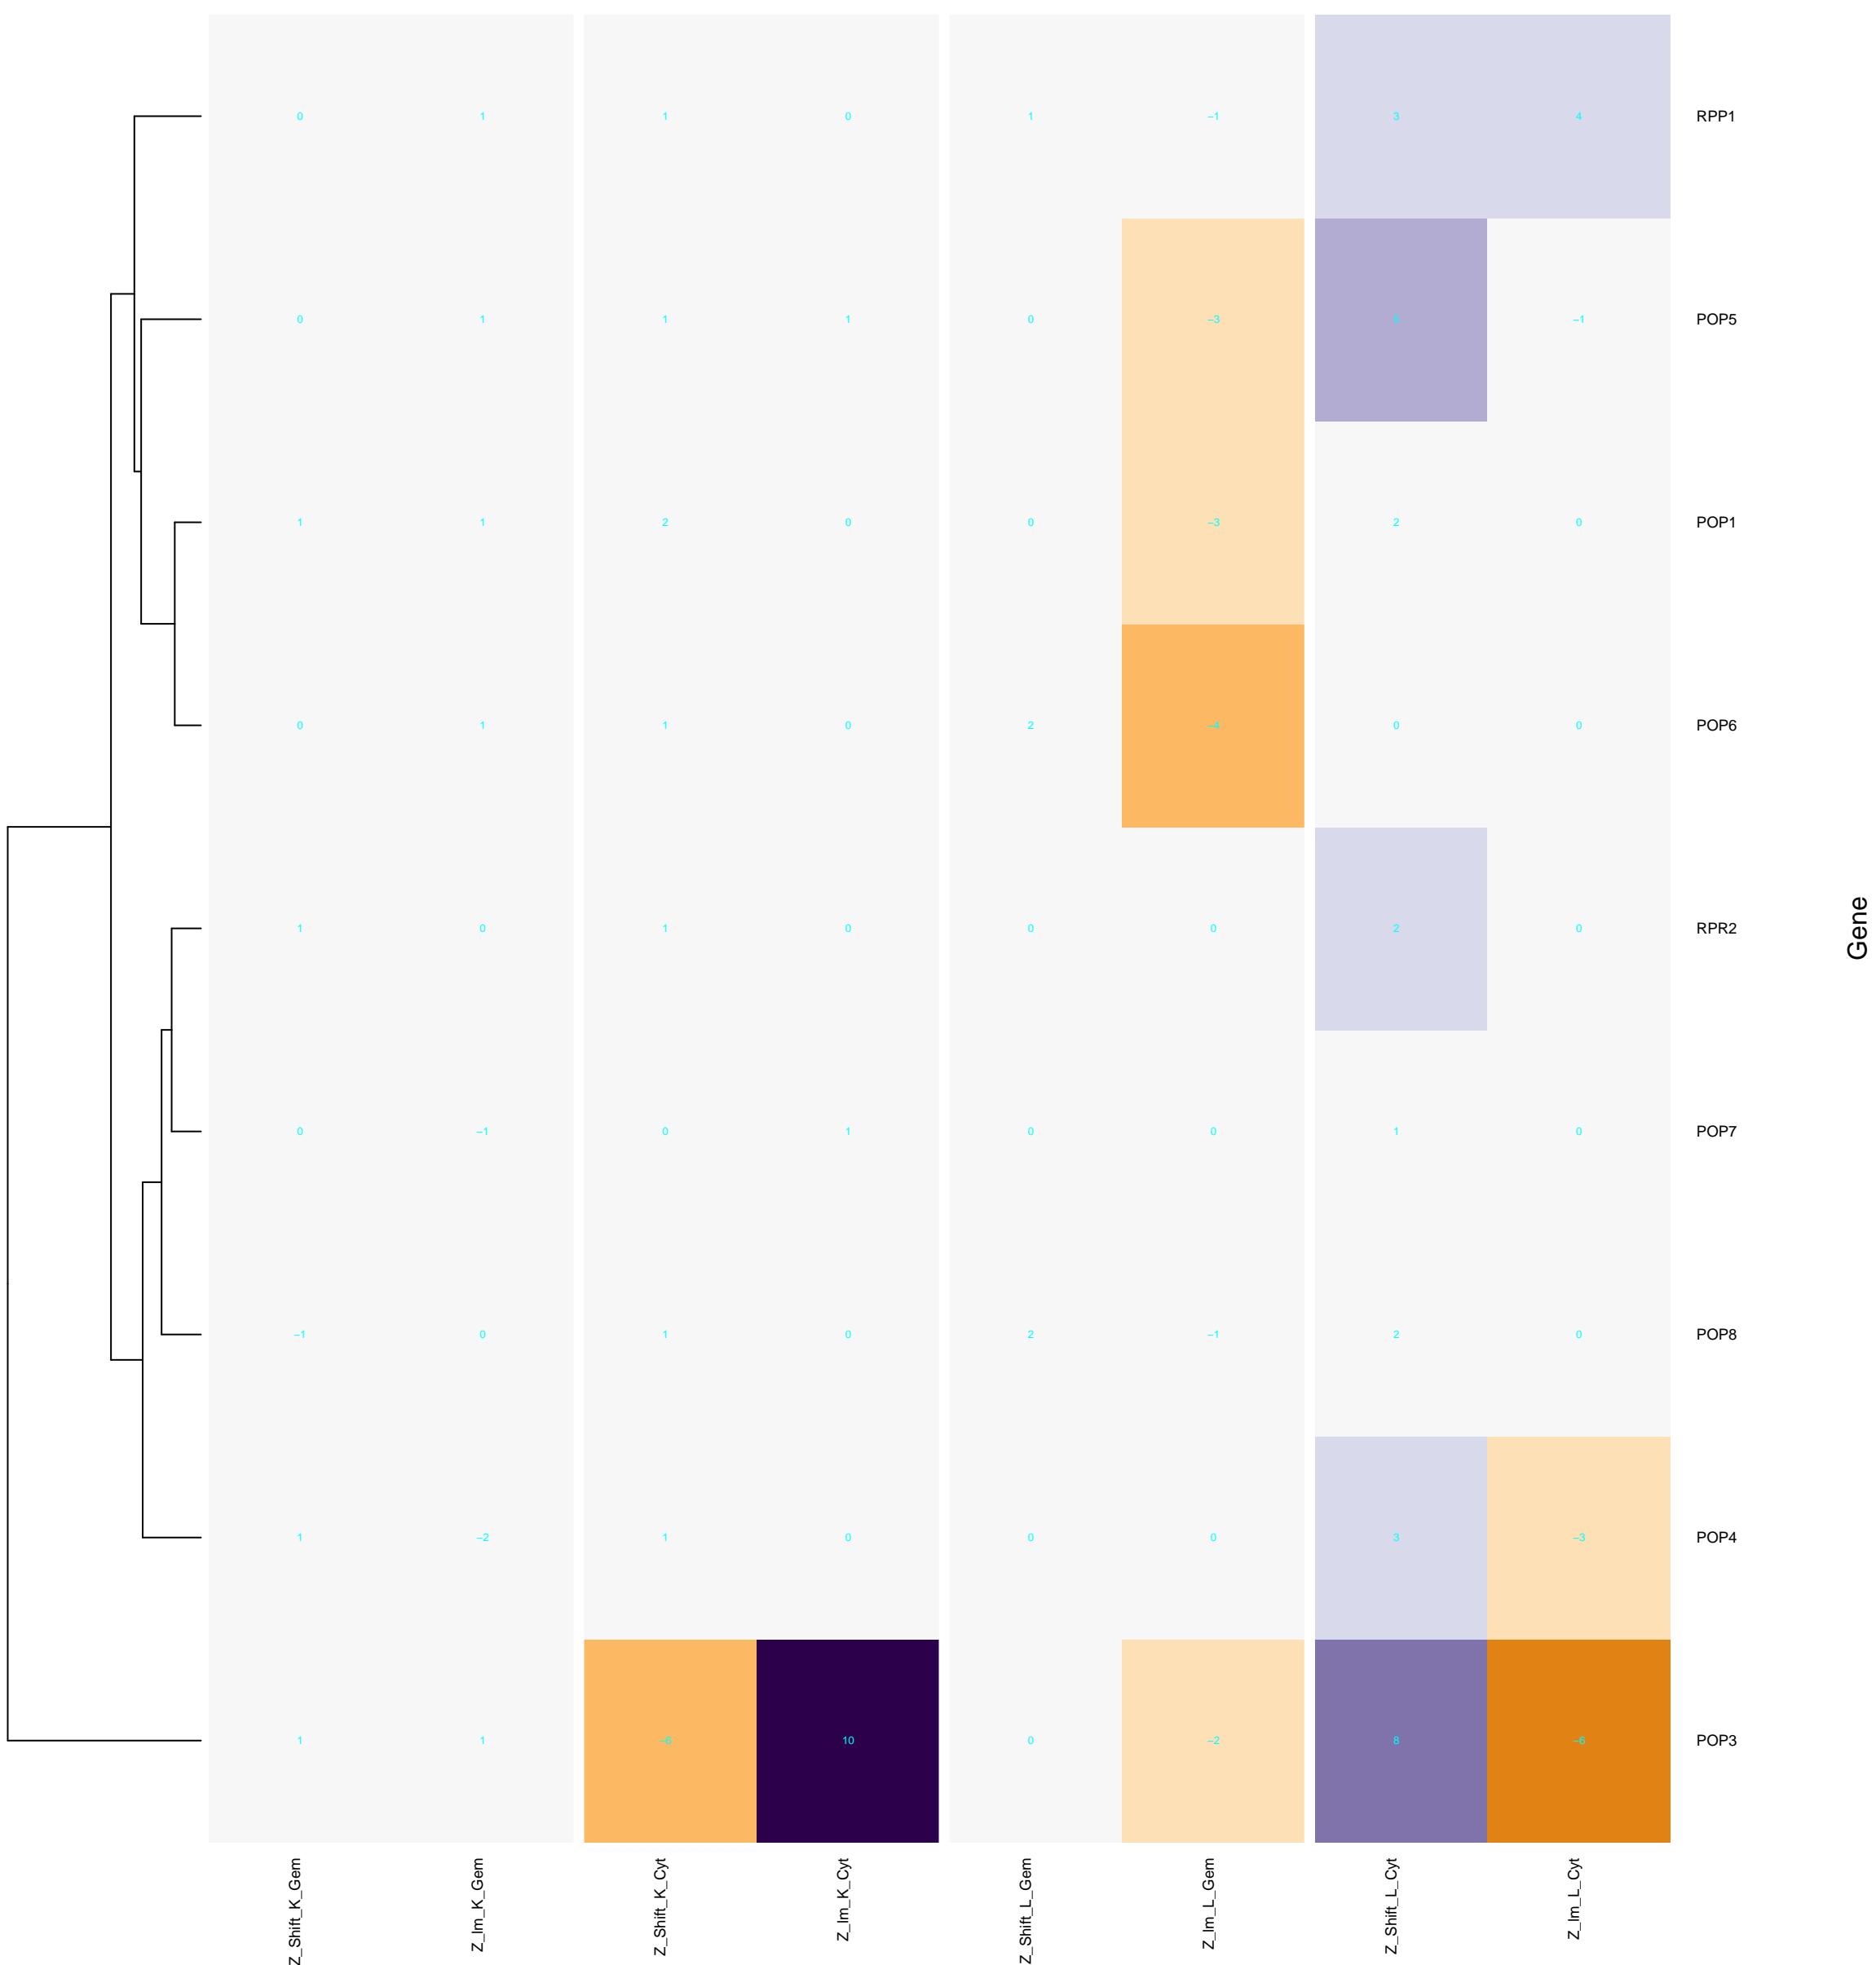

Color Key

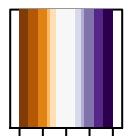

-10 5

Value

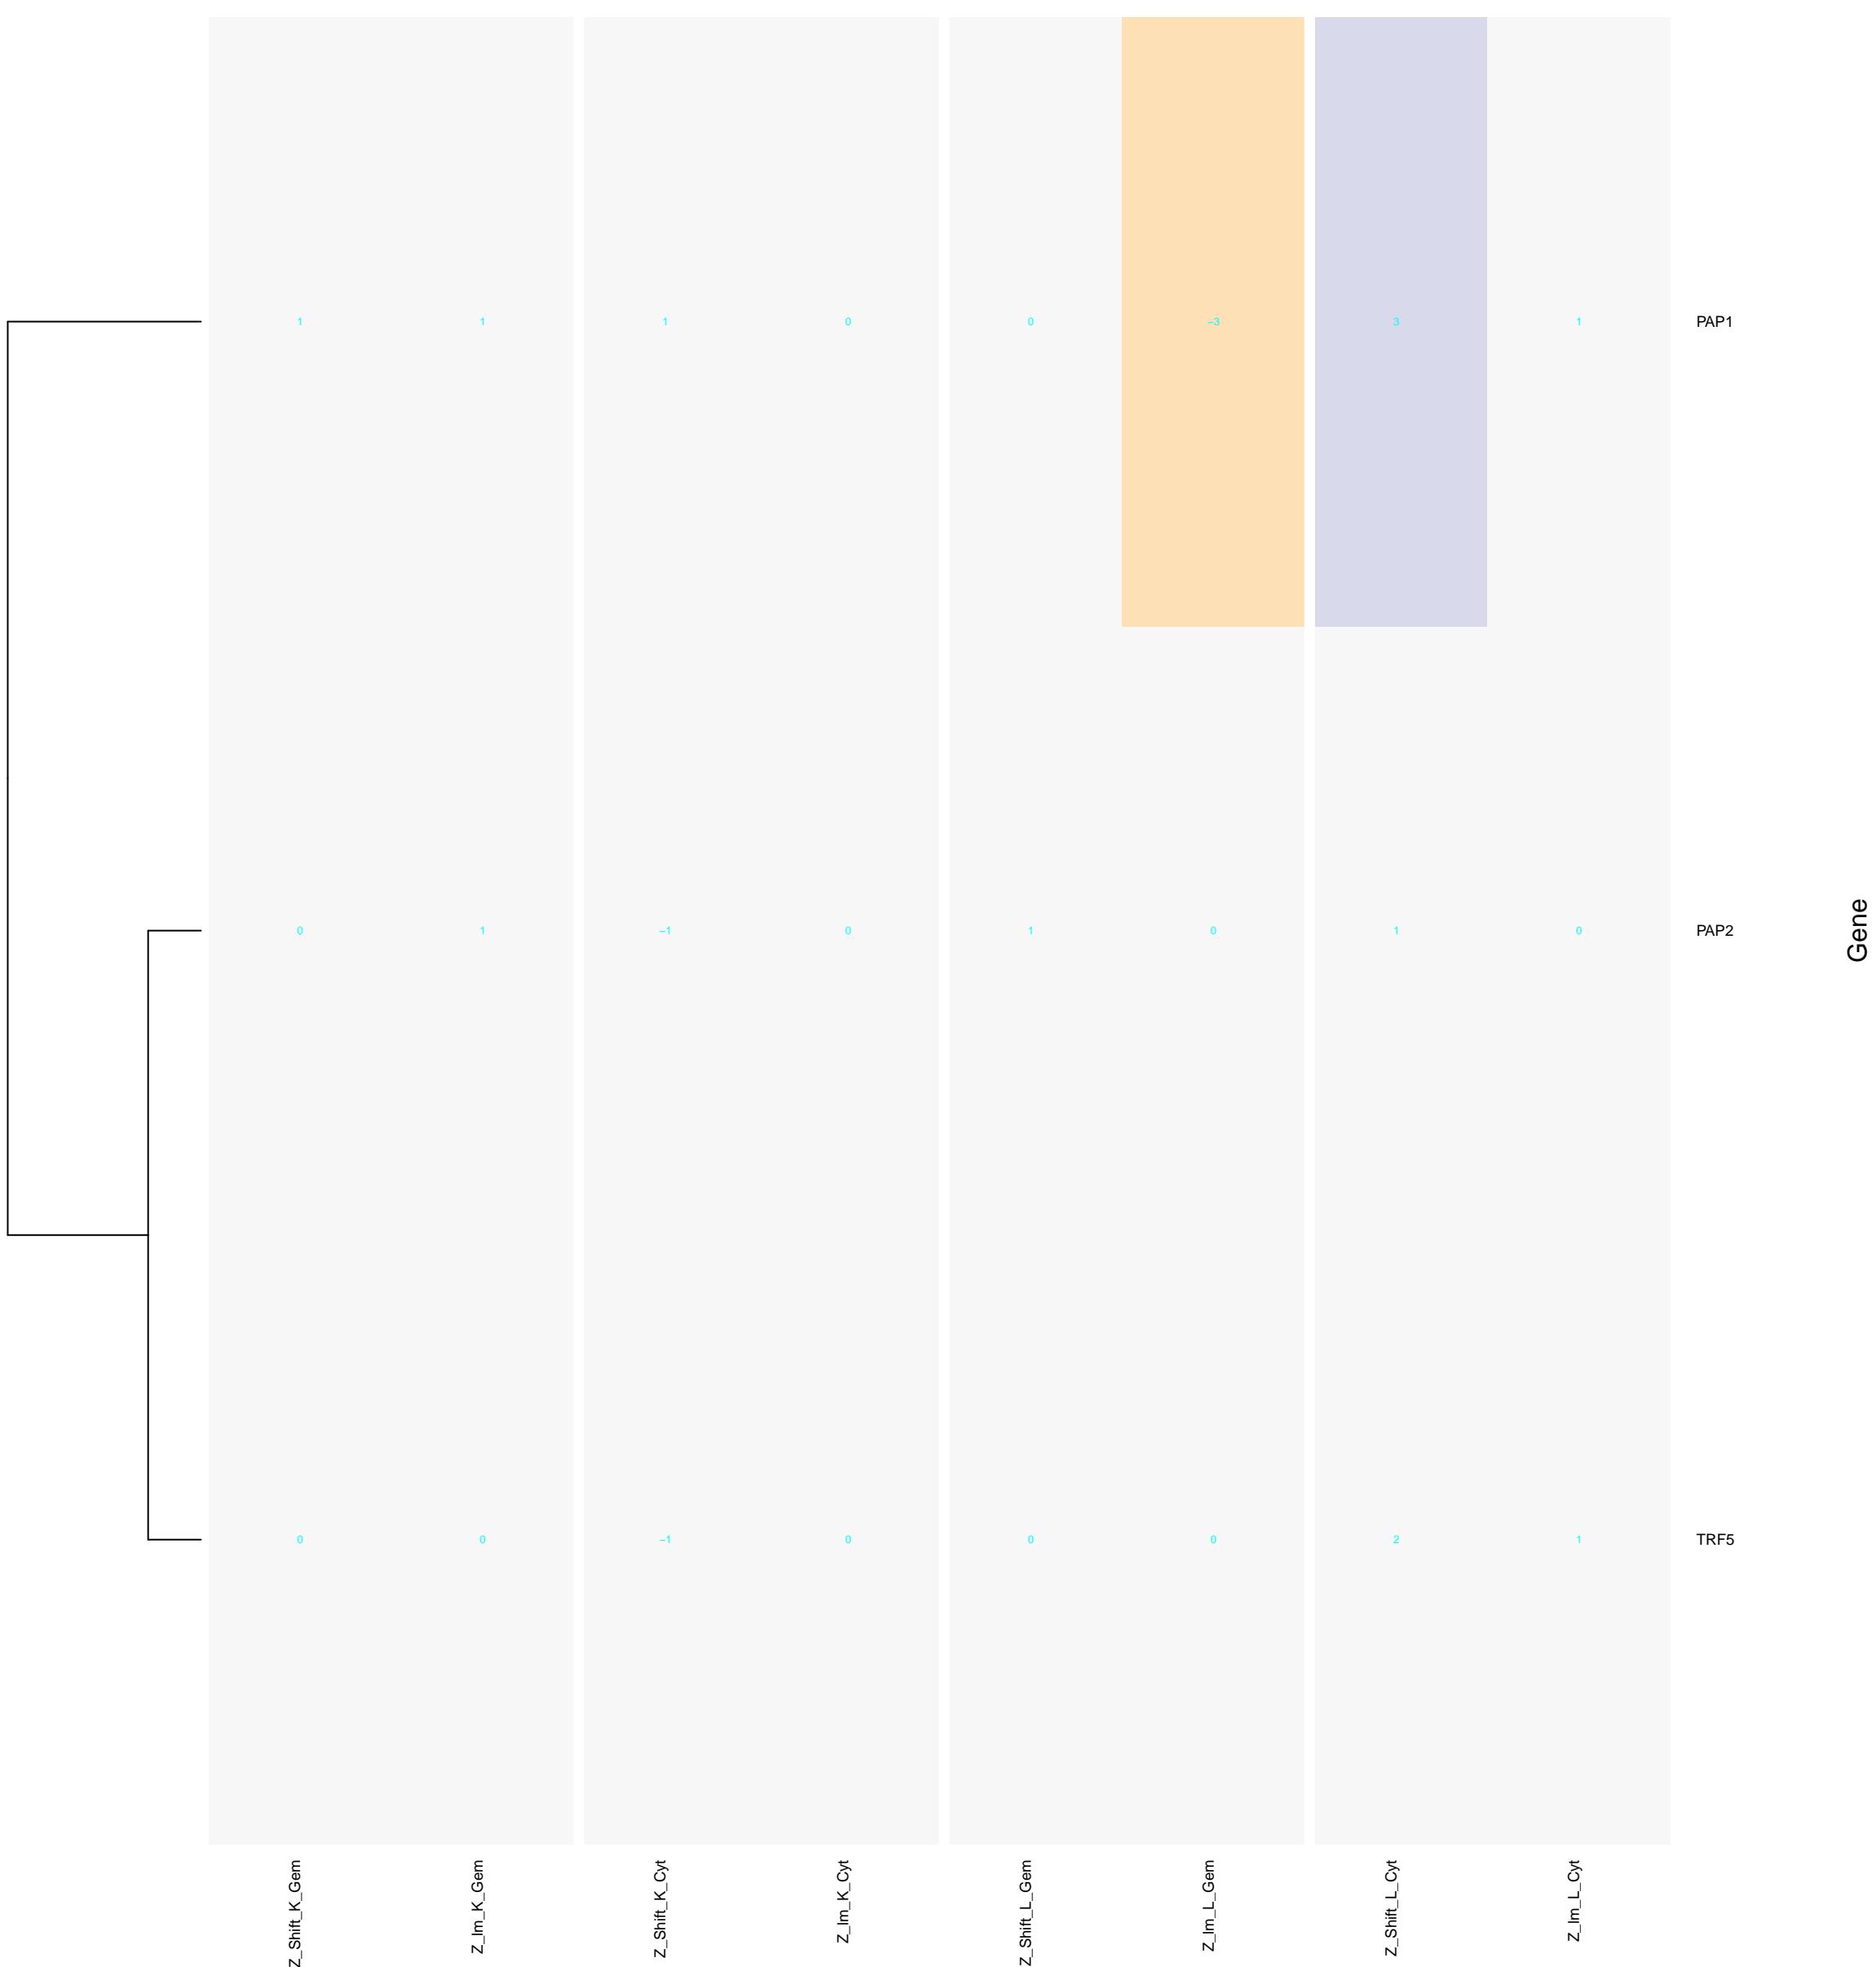

## intronic box C/D snoRNA processing

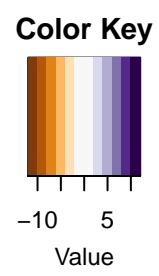

Color Key

## snoRNA polyadenylation

## polyadenylation-dependent snoRNA 3'-end processing
