The authors wish to acknowledge a funding agency in their recently published paper [1] and make the following correction.

Acknowledgments

The authors would like to thank Phillip Krauskopf, Maria Fe Saraiva, Megan Campbell, Cindy Chevalier and Amy Barnes for field support. This project was funded by Natural Resources Canada, Canadian Forest Service, Mountain Pine Beetle Initiative and this paper was adapted from Mountain Pine Beetle Working Paper 2009-05. Figures and tables were reproduced with permission from the Minister of Public Works and Government Services, Canada, 2013.
