Peer review is an essential part in the publication process, ensuring that Social Sciences maintains high quality standards for its published papers. In 2017, a total of 158 papers were published in the journal. Thanks to the cooperation of our reviewers, the median time to first decision was 34 days and the median time to publication was 77.5 days. The editors would like to express their sincere gratitude to the following reviewers for their time and dedication in 2017:
