

## Development and Validation of the Therapeutic Communication Scale in Nursing Students

Hello,

This questionnaire is intended for the development of a therapeutic communication measurement tool in practical nursing education. It takes approximately 10 minutes to complete the questionnaire, and the personal information you provide will only be used for research purposes. There are no personal disadvantages (such as in grading or employment) or additional risks associated with completing the questionnaire. Your confidentiality is assured, so please check for any missing items and complete the questionnaire in its entirety. If you have any questions related to this, please feel free to contact us at any time.

Researcher

Department of Nursing, Chungwoon University, Professor Kyongwha Kang  
([kh\\_kang@chungwoon.ac.kr](mailto:kh_kang@chungwoon.ac.kr))

Department of Nursing, Kyung-in Women's University, Professor Jinhee Yoo  
([palanca@kiwu.ac.kr](mailto:palanca@kiwu.ac.kr))

Department of Nursing, Kyungbok University, Professor Soolgi Han ([soolgi@kbu.ac.kr](mailto:soolgi@kbu.ac.kr))

\* I have read the above information and voluntarily participate in the research for the development of the communication measurement tool.
