Dear Colleagues,

As Editor-in-Chief of *Actuators*, I am pleased to announce the winner of the 2018 Travel Award sponsored by *Actuators*:

The Evaluation Committee were very impressed with the high level of work presented. After careful consideration, the Travel Award has been granted to **Dr. Amin Noshadi**, a postdoctoral research fellow of the College of Engineering and Science, Victoria University. Dr. Amin Noshadi is working on modeling, manufacturing and control of high performance active magnetic bearing system as a replacement for conventional mechanical bearing systems. The award consisted of 800 Swiss Francs, and is available for the winner to use for attendance and participation in any academic conferences in 2018.

We would also like to deliver our great thanks to the Evaluation Committee members, Prof. Dr. Dong-il (Dan) Cho, Richard Yong Qing Fu and Jose Luis Sanchez-Rojas, for their comprehensive evaluation of candidates.

Sincerely,

Delbert Tesar
Editor-in-Chief
