**Prof. Dr. Stefan Deleuze**

Small animal and Equine  
Reproduction, Department of  
Clinical science, Veterinary  
Faculty, University of Liege, B-  
4000 Liege, Belgium

Deadline for manuscript  
submissions:  
**closed (31 August 2022)**

### Message from the Guest Editors

It is our pleasure to invite you to send your contributions to this special issue in *Animals* journal focused on genital microbiota. Genital microbiota has been described as being the first line of defense against opportunistic pathogens and noxious environmental agents. Alterations in genital microbiota have been associated with pathological conditions of the reproductive tract, such as vaginitis and endometritis, in different species in females. Although literature is scarce in males, genital microbiota apparently has an impact on some parameters of sperm quality and prostatic diseases among others reproductive conditions. The aim of this special issue is to update the knowledge on genital microbiota and its effects on reproductive function in both male and female belonging to the different domestic species.

## Message from the Editor-in-Chief

*Animals* is an on-line open access journal that was first published in 2011. *Animals* adheres to rigorous peerreview and editorial processes and publishes only high quality manuscripts that address important issues in the many varied disciplines that involve animals, with a focus on animal science, animal welfare and animal ethics. *Animals* is covered in the Science Citation Index Expanded (SCIE) in Web of Science, with the latest Impact Factor: 3.0 (2022, ranks 12 /62 (Q1) in ‘Agriculture, Dairy & Animal Science’; 13/143 (Q1) in ‘Veterinary Sciences’), 5-Year Impact Factor: 3.2.

## Author Benefits

**Open Access:** free for readers, with article processing charges (APC) paid by authors or their institutions.

**High Visibility:** indexed within Scopus, SCIE (Web of Science), PubMed, PMC, Embase, PubAg, AGRIS, Animal Science Database, CAB Abstracts, and other databases.

**Journal Rank:** JCR - Q1 (*Veterinary Sciences*) / CiteScore - Q1 (*General Veterinary*)
