

antibiotics

We are pleased that the 2nd *Antibiotics* Travel Awards, for doctoral students and postdoctoral researchers, are live now. The awards will support young researchers to attend academic conferences of their own choices in 2019.

Nominations and applications will be carefully considered and selected by the Evaluation Committee comprising senior scientists from the *Antibiotics* Editorial Board. Final winners will be awarded **800 Swiss Francs**.

2019 TRAVEL AWARDS

FOR DOCTORAL STUDENTS AND POSTDOCTORAL RESEARCHERS

Eligibility

To be eligible to receive a Travel Award, applicants must be:

- A Ph.D. student or a postdoctoral researcher;
- Involved in an aspect of antibiotic-related study. You are welcome from a range of disciplines, including from basic and molecular sciences through to clinical, epidemiological and relevant social sciences;
- Planning to attend an academic conference in 2019 with an oral presentation or a poster.

How to Apply

To complete an application, please provide:

- A one-page justification letter to include your research focuses, planned conference, and potential benefits from attendance at the conference;
- A Curriculum Vitae, appended with a complete list of publications;
- A one-page signed letter of recommendation from one supervisor;
- An oral or poster abstract about your research proposed to be presented at the conference.

Application Portal: www.mdpi.com/journal/antibiotics/awards/submit/376

Important Dates

30 November 2018: Applications will be closed.

28 February 2019: Awardees will be announced.
