Deadline for manuscript
submissions:

30 November 2024

Message from the Guest Editors

Dear Colleagues,

The 3rd Bioenergy International Conference is organized by researchers of the Polytechnique Institute of Portalegre (Portalegre, Portugal) and the University of Jaén (Jaén, Spain), and its goal is to bring together academics, researchers and companies in an international forum to discuss matters related to bioenergy technologies, economic and policy aspects.

Papers published in the Special Issue “Advances in Bioenergy from Biomass and Waste” (Selected Papers from the 3rd Bioenergy International Conference) will be focused on recent advances in biomass and waste management, biomass conversion processes, biomass applications and bio-products’ end-use. Nevertheless, we also welcome regular research or review articles on all aspects of bioenergy technology.

Prof. Dr. Manuel Jesús Hermoso-Orzáez

Dr. Catarina Nobre

Dr. Roberta Mota Panizio

Prof. Dr. Paulo Brito

Message from the Editor-in-Chief

As the world of science becomes ever more specialized, researchers may lose themselves in the deep forest of the ever increasing number of subfields being created. This open access journal Applied Sciences has been started to link these subfields, so researchers can cut through the forest and see the surrounding, or quite distant fields and subfields to help develop his/her own research even further with the aid of this multi-dimensional network.

Author Benefits

Open Access: free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility: indexed within Scopus, SCIE (Web of Science), Inspec, CAPlus / SciFinder, and other databases.

Journal Rank: JCR - Q2 (*Engineering, Multidisciplinary*) / CiteScore - Q1 (*General Engineering*)
