

atmosphere

Dear Colleagues,

On behalf of the Evaluation Committee, I am pleased to announce the winners of the *Atmosphere* 2018 Travel Awards for Young Investigations: Travel Awards were granted to **Dr. Yue Zhang**, a postdoctoral researcher at the Department of Environmental Sciences and Engineering in the Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC, USA, for his outstanding research on how phase state and multiphase chemistry jointly impact formation processes and climate effects of organic aerosols; and to **Dr. Lucas Henneman**, a postdoctoral researcher at the Harvard TH Chan School of Public Health in Boston, MA, USA, for his outstanding research on the source-specific effects of NO_x emissions on urban and rural ozone production efficiency in the eastern United States.

2018 TRAVEL AWARDS WINNERS

The awards consist of **800 Swiss Francs** each to attend an academic conference during 2018.

Editor-in-Chief,
Prof. Dr. Robert W. Talbot
