Message from the Editor-in-Chief

*Economies* is an international, peer-reviewed, open access journal for the field of development economics and macroeconomics. Contributions to *Economies* should foster the understanding of the macroeconomic process of economic development. *Economies'* content is not exclusively reserved to developing countries; contributions concerned with the economic developments in advanced countries are also very welcome. We invite submissions of high-quality research.

*Economies* publishes regular research papers, original reviews, and short notes or communications. Emphasis is on applied empirical and analytical work. *Economies’* review process is fast and efficient. To the benefit of authors and readers articles are immediately released after acceptance.
