Message from the Guest Editors

Dear Colleagues,

We are pleased to announce a new Collection titled Editorial Board Members' Collection Series: "Advances in Electrical Engineering", which will collect papers invited by the Editorial Board Members.

The aim of this Collection is to provide a venue for networking and communication between Electrical Engineering and scholars in the field of electrical power and energy technologies, as well as in diverse applications.

All papers will be published in an open access format following peer review.

Message from the Editor-in-Chief

Energies is an international, open access journal in energy engineering and research. The journal publishes original papers, review articles, technical notes, and letters. Authors are encouraged to submit manuscripts which bridge the gaps between research, development and implementation. The journal provides a forum for information on research, innovation, and demonstration in the areas of energy conversion and conservation, the optimal use of energy resources, optimization of energy processes, mitigation of environmental pollutants, and sustainable energy systems.

Author Benefits

Open Access: free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility: indexed within Scopus, SCIE (Web of Science), Ei Compendex, RePEc, Inspec, CAPlus / SciFinder, and other databases.

Journal Rank: CiteScore - Q1 (*Engineering (miscellaneous)*)
