Special Issue

Selected Papers from 14th Joint European Thermodynamics Conference

Message from the Guest Editors

Dear Colleagues,

The Special Issue will mainly consist of selected papers presented at “14th Joint European Thermodynamics Conference”. Papers in the following topic are also welcome on this Special Issue:

- Non-Equilibrium Thermodynamics
- Quantum Thermodynamics
- Non-additive thermostatistics

Author Benefits

Open Access: free for readers, with publishing fees paid by authors or their institutions.

High visibility: indexed by the Science Citation Index Expanded (Web of Science), MathSciNet (AMS), INSPEC (IET), Scopus and other databases.

Rapid publication: manuscripts are peer-reviewed and a first decision provided to authors approximately 33 days after submission; acceptance to publication is undertaken in 6 days (median values for papers published in this journal in 2016).

Deadline for manuscript submissions:
1 September 2017
