

Dear Colleagues,

As Editor-in-Chief of *Forests*, I am pleased to announce the 2017 Outstanding Reviewer Awards of *Forests*. Careful and timely peer reviews are the foundation for all successful journals. We are pleased to be able to recognize a few outstanding reviewers and offer them a nominal cash award for their exemplary service to *Forests* and, in turn, to the broader scientific community.

Four reviewers have been selected based on the timeliness, quality and speed of their review reports. They are **Dr. Norbert Kunert**, Tropical Silviculture and Forest Ecology, Burckhardt Institute, University of Göttingen, Büsgenweg 1, 37077 Göttingen, Germany; **Dr. Mathias Neumann**, Institute of Silviculture, Department of Forest- and Soil Sciences, University of Natural Resources and Life Sciences, Vienna Peter Jordan-Str. 82, 1190 Vienna, Austria; **Prof. Roberto Scotti**, Dipartimento di Agraria (Nuoro Forestry School), Università degli Studi di Sassari, Via Cristoforo Colombo, 1, 08100, Nuoro, Italy and **Dr. Lee Frelich**, Center for Forest Ecology, University of Minnesota, USA. Each of them will be granted 500 CHF and receive a waiver of the publication fee for one paper.

We thank them for their efforts in the review process. Also, we would like to express our sincere gratitude to all the reviewers for their time and dedication in 2017.

2017 OUTSTANDING REVIEWERS

WINNERS

If you are interested in reviewing articles for *Forests*, please register your contact details, including your ORCID identifier, institutional affiliation, a short CV, and 5-6 keywords in line with your expertise at the following link:

https://susy.mdpi.com/volunteer_reviewer/step/1

The managing editors will send you a notification once approved.
