### Message from the Guest Editors

Dear Colleagues

This Special Issue of Genealogy invites essays on the topic, “Genealogy and Multiracial Family Histories.” Manuscripts may focus on families with spouses of different designated racial groups who may also have children who are understood to be multiracial as well as multigenerational mixed-race families that celebrate the multiraciality in their genealogy. The common denominator would be to explore how families with multiracial (or mixed-race) members (whether parents, siblings, or both/all) narrate their family histories (with a special focus on how they frame/reframe the salience of race and ethnicity in the process). The editorial team hopes to provide a wide spectrum with regard to discipline or sub-discipline and invites contributions that strengthen and broaden the framework for genealogy studies.
