31 May 2024

Message from the Guest Editors

Dear Colleagues,

The COVID-19 epidemic is raging. In addition to the impact on global health, the medical systems of many countries are also facing severe challenges. In the post-epidemic era, there will be many changes in individuals, organizations, economies, public health policies, and medical care. This Special Issue provides a platform to welcome global researchers to discuss health-related issues. Topics may include, but are by no means limited to:

- Psychology;
- Positive psychology;
- Management;
- Public health;
- Medicine;
- Education;
- Sustainability;
- Health technology;
- COVID-19.
