Message from the Editor-in-Chief

It is with profound pleasure that we celebrate this phase of the *International Journal of Financial Studies*. I wish to extend warm thanks to our contributors, authors and anonymous reviewers, all of whom have volunteered to contribute to the success of *IJFS*. *IJFS* is focused on research, examining the interplay among financial issues. We welcome contributions that demonstrate both theoretical and empirical potential. *IJFS* provides an ideal forum for exchange of information on financial issues. I close this message by inviting everyone to submit their exciting research to *IJFS*.

Author Benefits

- Open Access
- No Copyright Constraints
- Free Publication for Papers Submitted in 2016
- Thorough Rigorous Peer-Review
- No Space Constraints, No Extra Space or Color Charges

Indexing

ESCI (launched by Thomson Reuters as a new index in Web of Science™ alongside SCIE and SSCI), Econlit, DOAJ, ECONIS (ZBW), EconPapers, IDEAS, RePEc
More Information about This Journal

Aims and Scope

*IJFS* (ISSN 2227-7072) is an international, peer-reviewed, scholarly open access journal on the financial market, instruments, policy and management research. It publishes reviews, regular research papers, and communications. Our aim is to encourage scientists to publish their experimental and theoretical research in as much detail as possible.
