

To acknowledge our reviewers who so generously give their time to review papers submitted to *IJGI*, on behalf of the Editor-in-Chief, Prof. Dr. Wolfgang Kainz, we plan to dedicate an award to reviewers who prove their dedication, professionalism, and timeliness in reviewing manuscripts for *IJGI*.

Although anonymous peer-reviewing is one of the cornerstones of publishing high quality comprehensive manuscripts for the advancement of science and engineering research, it is also often one of the most underappreciated of the many requests and demands made of subject experts. It is for this reason that the *IJGI* editorial office is extremely grateful to reviewers for the time, energy and dedication that they freely give to support their peers.
