Message from the Guest Editors

Dear Colleagues,

This Special Issue aims to bring together these plant derivatives and is soliciting manuscripts pertaining to original research, mini and full reviews, short communications, as well as perspectives, which address any aspect of essential and fats oils from plant. Submissions are invited that include, but are not limited to:

- Biosynthesis of fat oils in the plant,
- Biosynthesis of essential oils in the plant,
- Role of fat oils in the plants,
- Role of essential oils in the plant,
- Fat oils mechanism of action,
- Essential oils mechanism of action

Dr. Vincenzo De Feo  
Dr. Laura De Martino
