**Message from the Guest Editors**

Dear Colleagues,

*Information* proposes a Special Issue on “Information Technology: New Generations” (ITNG). Contributors are invited to submit original papers dealing with state-of-the-art technologies pertaining to digital information and communications for publication in this Special Issue of the journal. The papers need to be submitted to the Guest Editor by email: dbein@fullerton.edu. Please follow the instructions available here regarding the number of pages and the page formatting. The research papers should reach us latest by June 30, 2017.

Dr. Shahram Latifi  
Dr. Doina Bein  
*Guest Editors*

**Author Benefits**

- **Open Access:** free for readers, with publishing fees paid by authors or their institutions.
- **High visibility:** indexed by EI Compendex, Scopus (Elsevier), Emerging Sources Citation Index (ESCI - Web of Science) and other databases.
- **Rapid publication:** manuscripts are peer-reviewed and a first decision provided to authors approximately 36 days after submission; acceptance to publication is undertaken in 7 days (median values for papers published in this journal in 2016).
