Deadline for manuscript
submissions:

30 June 2024

Message from the Guest Editor

Dear Colleagues,

This Special Issue in the Journal of Clinical Medicine (PubMed indexed ISSN 2077-0383) aims to attract high-quality research papers on the etiology, assessment, treatment, and prevention of MP. Research studies on a wide range of physiotherapy methods applied in MP treatment, including exercises, massage, manual therapy, fascial therapy, structural integration, electrotherapy, laser therapy, and other methods of physiotherapy and physical medicine are all within the scope of this Special Issue. We also expect reports on the psychological and other aspects of MP and its therapy. We hope to receive papers on objective methods of examination and assessment of MP as surface electromyography, elastography, algometry, and other subjective methods of MP examination—scales, questionnaires, etc.

Message from the Editorial Board

There has been an explosion of gene and target based research and therapeutics in the multitude of fields that compose clinical medicine. The *Journal of Clinical Medicine's (JCM)* staff and editorial board are dedicated to providing cutting edge, timely, and peer-reviewed articles covering the diverse subspecialties of clinical medicine. The journal publishes concise, innovative, and exciting research articles as well as clinically significant articles and reviews that are pertinent to the myriad of disciplines within medicine. The articles published are relevant to both primary care physicians and specialists. The journal's full-texts are archived in PubMed Central and indexed in PubMed. Please consider submitting your manuscripts for publication to our journal and check us out on-line!

Author Benefits

Open Access: free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility: indexed within Scopus, SCIE (Web of Science), PubMed, PMC, Embase, CAPlus / SciFinder, and other databases.

Journal Rank: JCR - Q2 (*Medicine, General & Internal*) / CiteScore - Q1 (*General Medicine*)
