Message from the Guest Editor

Dear Colleagues,

This Special Issue on “2021 Feature Papers by *JDB*'s Editorial Board Members” represents a collection of papers submitted exclusively by its Editorial Board Members (EBMs), as well as invited papers from relevant experts. By representing different areas of research on developmental biology conducted in the laboratories, this Special Issue shall introduce *JDB* as a first-class platform for reporting scientific data.

Authors can submit their manuscripts online at www.mdpi.com by registering and logging in the following website: <https://susy.mdpi.com/user/login>. Accepted papers will be published continuously in the journal (as soon as accepted) and will be listed together on the Special Issue website.

Message from the Editor-in-Chief

The *Journal of Developmental Biology* (JDB) publishes original research papers and timely reviews. Our primary aim is to provide a platform for the publication of studies on the development of multicellular organisms efficiently and professionally; papers undergo a fast, yet thorough, peer-review process. JDB is an open access journal and accepted contributions are published immediately online, providing unlimited access to the scientific community and general public. We look forward to receiving your contribution to our journal and to working with fellow researchers.
