Deadline for manuscript
submissions:

1 December 2024

Message from the Guest Editors

This Special Issue will focus on the critical role of financial inclusion in responsive governance and sustainable development. Financial inclusion is a key driver of economic growth, poverty reduction, and social equity, and it is essential for achieving the United Nations Sustainable Development Goals (SDGs). We welcome contributions that explore the interplay between financial inclusion, responsive governance, and sustainable development. We aim to bring together a diverse range of perspectives and insights from scholars, policymakers, and practitioners from different parts of the world. The Special Issue will cover a broad range of topics related to financial inclusion, including the role of financial inclusion in achieving the SDGs, innovative financial inclusion strategies, the policy and regulatory framework for financial inclusion, financial inclusion and gender, and financial literacy and education. We encourage submissions that are rigorous, original, and offer new insights and perspectives on the topic. We welcome both theoretical and empirical papers, as well as policy-oriented papers that offer practical recommendations for policymakers and practitioners.

Message from the Editor-in-Chief

Researchers are most welcome to contribute original research articles or comprehensive review papers for consideration and publication in *Journal of Risk and Financial Management (JRFM)*, an on-line, open access journal. *JRFM* adheres to rigorous peer-review as well as editorial processes, and publishes high quality manuscripts that address theoretical, practical and empirical issues in analysing real life financial data. The goal of *JRFM* is to enable rapid dissemination of high impact research to the scientific community.

Author Benefits

Open Access: free for readers, with [article processing charges \(APC\)](#) paid by authors or their institutions.

High Visibility: indexed within [Scopus](#), [EconBiz](#), [EconLit](#), [RePEc](#), and [other databases](#).

Journal Rank: CiteScore - Q2 (*Business, Management and Accounting (miscellaneous)*)
