Deadline for manuscript
submissions:

closed (30 November 2020)

Message from the Guest Editor

This Topical Collection will publish papers in various areas related to international financial markets on currencies, bonds, stocks, commodities, and derivatives. The issue is particularly interested in (1) the relationships within and among these markets with an international perspective and (2) the market microstructure of developed and emerging financial markets. Papers with rigorous empirical research methods and practical applications in international financial markets are most welcomed.

Keywords

- International financial markets
- Market relationships
- Market microstructure
- Developed and emerging financial markets
- Empirical research methods
