Message from the Guest Editors

We are pleased to announce a new Collection titled “Editorial Board Members’ Collection Series: Socio-Ecological Transformations and Implications for Land Use Change”, which will collect papers invited by the Editorial Board Members.

The aim of this Collection is to provide a venue for networking and communication between *Land* and scholars who focus on advancing sustainable socio-ecological transformations and exploring implications for land use change. All papers will be published in open access following peer review.

Message from the Editor-in-Chief

Land is the only open access journal covering all aspects of land science, and it is a pioneering platform for publishing on land system science. Our editorial board is comprised of eminent scholars. We publish high quality research on societally relevant, emerging and innovative topics and results in land system research. It is now one of the top land journals with a significant impact factor, and has a goal to become the best journal in land in the coming years. I strongly recommend *Land* for your best research publications for a fast dissemination of your research.
