

Dear Colleagues,

As Editor-in-Chief of *Machines*, I am pleased to announce the winner of the 2018 Travel Award sponsored by *Machines*:

The Evaluation Committee were very impressed with the high level of work presented. After careful consideration, the Travel Award has been granted to **Mr. Shuai Yuan**, a Ph.D candidate of the Department of Delft Center for Systems and Control, Delft University of Technology, working on the field of adaptive control of uncertain switched systems.

The award consisted of 800 Swiss Francs, and is available for the winner to use for attendance and participation in any academic conferences in 2018.

We would also like to deliver our great thanks to the Evaluation Committee members for their comprehensive evaluation of candidates.

Sincerely,

Hamid Reza karimi
