

Evolutionary Multi-objective Optimization: An Honorary Issue Dedicated to Professor Kalyanmoy Deb

Guest Editors:

Prof. Dr. Carlos Coello

Prof. Dr. Erik Goodman

Prof. Dr. Kaisa Miettinen

Prof. Dr. Dhish Saxena

Prof. Dr. Oliver Schütze

Prof. Dr. Lothar Thiele

Message from the Guest Editors

This Honorary Special Issue is dedicated to the 60th birthday of Professor Kalyanmoy Deb, a pioneer and highly impactful and influential proponent of Evolutionary Multi-objective Optimization (EMO) since 1994.

We are gathering contributions from collaborators, former students and scientists working on research areas most impacted by Professor Deb's work. We hence invite researchers to submit high-quality articles related (but not limited to) the following topics...
