

We are inviting applications for a Travel Award for PhD students, MDs, and PhD (or equivalent) postdoctoral fellows (who completed the PhD within the last two years), to attend a conference of their choice from October 2017 to June 2018. The individual must be presenting an abstract or oral presentation at a conference related to personalized medicine.

The nominations and applications will be assessed by an Evaluation Committee chaired by the Editor-in-Chief, Prof. Antoni Torres.

2017 TRAVEL AWARDS

FOR POSTDOCS, MD AND PHD STUDENTS

Candidates' Requirements:

1. Applicants must be PhD students, MDs, and PhD (or equivalent) postdoctoral fellows (who completed the PhD within the last two years).
2. The candidate must show that he/she is performing research in basic, translational or clinical medicine or biomedicine, health improvement strategies or clinical epidemiology.
3. Applicants must show evidence that they will present their research (oral or poster presentation) in a conference held from October 2017 to June 2018.
4. Applicants should provide:
 - An abstract that will be submitted to the conference (conference format is acceptable).
 - Curriculum Vitae.
 - Justification letter indicating the conference that the applicant wishes to attend, costs, and institutional support that will be provided.
 - Letter of support from his/her mentor.
 - The awardee will be asked to acknowledge the support for the journal Medical Sciences during their presentation
 - After the meeting, the awardee must provide a copy of the page in the conference program showing the abstract/presentation and meeting badge that verifies his/her attendance.

The award will consist of **600 Swiss Francs** (CHF), and may be used for registration, travel, or accommodation. Please submit your applications to medsci@mdpi.com or saez@mdpi.com before **31 July 2017**. The award will be granted by mid September 2017.
