Deadline for manuscript submissions: closed (8 March 2017)

Message from the Guest Editor

Dear Colleagues,

International Women’s Day will be celebrated on 8 March 2017. To mark this important milestone, our journal, Molecules, will launch a Special Issue on “Women in Organic Chemistry” to be published in Molecules (ISSN 1420-3049, http://www.mdpi.com/journal/molecules) in 2017. This Special Issue will include high quality papers and review articles in all areas of chemistry. We encourage all research groups (led by men or women) to contribute original research papers or an up-to-date, comprehensive review, highlighting recent developments in any area of chemistry.

Prof. Dr. Margaret A. Brimble
Guest Editor

Author Benefits

Open Access: free for readers, with publishing fees paid by authors or their institutions.

High visibility: indexed by the Science Citation Index Expanded (Web of Science), MEDLINE (PubMed) and other databases.

Rapid publication: manuscripts are peer-reviewed and a first decision provided to authors approximately 19 days after submission; acceptance to publication is undertaken in 6 days (median values for papers published in this journal in 2016).

Sections: published in twelve topical sections.
