Deadline for manuscript submissions:
closed (15 February 2016)

Message from the Guest Editors

Dear Colleagues,

This Special Issue of Nutrients, entitled “Nutrition for Older People”, welcomes the submission of manuscripts relating to the impact of nutrition on the health, function, and well-being of older people. Additionally welcome are papers on the management of under-nutrition and obesity in older people. Manuscripts can either describe original research or review scientific literature.

Prof. Dr. Renuka Visvanathan
Prof. Dr. Ian Chapman

Author Benefits

Open Access: free for readers, with publishing fees paid by authors or their institutions.

High visibility: indexed by the Science Citation Index Expanded (Web of Science), MEDLINE (PubMed) and other databases. Full-text available in PubMed Central.

Rapid publication: manuscripts are peer-reviewed and a first decision provided to authors approximately 26 days after submission; acceptance to publication is undertaken in 7 days (median values for papers published in this journal in 2016).
