Message from the Editor-in-Chief

Because of your expertise in the field of drug sciences, I kindly invite you to consider publishing your current work, in the form of a research article or a review, in the open access electronic journal *Pharmaceuticals*.

Pharmaceuticals is characterized by an active editorial board and a dynamic editorial staff. Manuscripts are peer-reviewed and a final decision is provided to authors within 4–6 weeks after submission. Papers are published on the web immediately after acceptance. For details on the submission process or any other matter, please do not hesitate to contact us.

We hope to handle your contribution to *Pharmaceuticals* soon.

Aims and Scope

Pharmaceuticals (ISSN 1424-8247) is an international scientific journal of medicinal chemistry and related drug sciences. Our aim is to publish updated reviews as well as research articles with comprehensive theoretical and experimental details. Therefore, there is no restriction on the length of a paper. Short communications are also accepted. The journal welcomes manuscripts covering a wide range of aspects involved in drug discovery and development.

Pharmaceuticals regularly publishes special issues on relevant and timely topics. Be sure to check our website for an updated list of special issues!

The 3rd International Electronic Conference on Medicinal Chemistry (<http://sciforum.net/conference/ecmc-3>) ended successfully!

Pharmaceuticals will also be the proud organizer and sponsor of the 4th session in 2018 (<http://sciforum.net/conference/ecmc-4>).
