Message from the Guest Editors

Dear Colleagues,

The scope of this Special Issue includes but is not limited to advances in the extraction of natural products, purification techniques, in vitro and in vivo evaluation of the biological activities, bioavailability, the investigation of mechanisms of action, pharmaceutical formulations, as well as coating techniques. Therefore, we invite authors to submit high-quality review articles within the field of natural products with pharmaceutical application. Submissions to the Special Issue need to include a cover letter stating the novelty of the review article in comparison to related reviews published in the literature. A 20% discount will be applied to the Article Processing Charges (APCs).

Message from the Editor-in-Chief

Because of your expertise in the field of drug sciences, I kindly invite you to consider publishing your current work, in the form of a research article or a review, in the open access electronic journal *Pharmaceuticals*.

Pharmaceuticals is characterized by an active editorial board and a dynamic editorial staff. Manuscripts are peer-reviewed and a final decision is provided to authors within 4–6 weeks after submission. Papers are published on the web immediately after acceptance. For details on the submission process or any other matter, please do not hesitate to contact us.

We hope to handle your contribution to *Pharmaceuticals* soon.
