Message from the Guest Editors

This Special issue will invite selected papers presented at the forthcoming 2nd edition of the International Conference on Polymer Science and Composites, to be held online from 5–7 July 2021. This was originally scheduled to be held in Barcelona, but was moved online due to the pandemic. Papers will be evaluated at the conference and then authors will be invited. This is a broad ranging international conference, as can be seen from the keywords below.
