Message from the Guest Editor

Dear Colleagues,

You are invited to submit a paper to a Special Issue of the journal *Religions*. The Special Issue is entitled “Gratitude to God”, and its purpose is to gather emerging research—philosophical, theological, and psychological—on gratitude to God. Although there is a large psychological and philosophical literature on gratitude generally, the aim of this Special Issue is to focus specifically on gratitude to God. Apart from several classical theological treatments of gratitude to God (in Aquinas, Calvin, and Barth, for example) this is a new field of research. The Special Issue invites conceptual analysis, historical or genealogical analysis, and empirical analysis of gratitude to God (as well as its attendant concepts of divine beneficence and divine gift).

Message from the Editorial Board

Fresh developments in the disciplines that consistently make significant contributions to our understanding of religious personality, authority, devotion, and community - disciplines ranging from psychology, sociology, and anthropology to history, art history, philosophy, literary criticism, and political science – fuel general, as well as scholarly, interest in the world's religions.

Religions is inviting innovative and comparative contributions. Please consider Religions as an exceptional, exciting enterprise ready to reward your trust, attention, and participation.
