## Message from the Guest Editor

Dear Colleagues,

You are invited to submit a paper to a Special Issue of the journal Religions. The Special Issue is entitled "Gratitude to God", and its purpose is to gather emerging researchphilosophical, theological, and psychological—on gratitude to God. Although there is a large psychological and philosophical literature on gratitude generally, the aim of this Special Issue is to focus specifically on gratitude to God. Apart from several classical theological treatments of gratitude to God (in Aquinas, Calvin, and Barth, for example) this is a new field of research. The Special Issue invites conceptual analysis, historical or genealogical analysis, and empirical analysis of gratitude to God (as well as its attendant concepts of divine beneficence and divine gift).
