Deadline for manuscript submissions: closed (28 February 2015)

Message from the Guest Editors
Dear Colleagues,

The topic of the special issue covers the topic of the 4th European Conference on Religion, Spirituality and Health ECRSH14 (see www.ecrsh.eu) in Malta May 2014: “Integrating Religion and Spirituality into Clinical Practice”. This special issue documents the European conference, but is open to related topics continuing the discussion.

Prof. Dr. Arndt Büssing
Dr. med. René Hefti
Dr. Stefan Rademacher
Guest Editors

Author Benefits

Open Access: free for readers, with publishing fees paid by authors or their institutions.

High visibility: indexed by the Arts & Humanities Citation Index (Web of Science) and other databases.

Rapid publication: manuscripts are peer-reviewed and a first decision provided to authors approximately 38 days after submission; acceptance to publication is undertaken in 9 days (median values for papers published in this journal in 2016).
